SECOND ORDER OF BUSINESS

A.

COMMUNITY DEVELOPMENT DISTRICTS

The following information briefly answers the most commonly asked questions regarding establishment, powers, and governance of Community Development Districts under Florida law.

Q. What is a Community Development District?

A. A Community Development District (CDD) is an independent special purpose unit of local government established pursuant to and governed by Chapter 190, Florida Statutes. There are more than 275 CDDs throughout Florida today. CDDs have been used to help ensure infrastructure is in place when needed, meet the concerns of permitting agencies with respect to long-term maintenance of infrastructure, and provide access to sources of capital for infrastructure.

Q. What powers are CDDs permitted to exercise?

A. As special purpose local governments, by law CDDs possess certain general legal powers similar to cities and counties, such as the right to enter into contracts, to acquire and dispose of real and personal property, to adopt rules and regulations, and to obtain funds either by borrowing, issuing bonds, or levying non ad valorem assessments and taxes. CDDs also have certain special powers relating to basic public improvements and community facilities, such as roads, bridges, and water management. Finally, CDDs may have the power to undertake other types of facilities, such as recreational amenities, with the consent of the local general purpose government in its jurisdiction. All District powers, however, are authorized subject to the regulatory jurisdiction and permitting authority of all applicable governmental bodies, agencies and special districts having authority with respect to any area included within the District's external boundaries. By law, CDDs do not have zoning, permitting, or comprehensive planning powers. The creation of a CDD does not change any requirements for governmental approvals of any activities or construction within the District.

Q. How are CDDs governed?

A. CDDs are governed by a five member Board of Supervisors elected initially by District landowners on a one acre one vote basis. Any fraction of an acre is treated as one acre, entitling the owner to one vote. Commencing no sooner than six years following creation of the District, and only after there are at least 250 qualified electors. Supervisors whose terms are expiring will begin to be elected by qualified electors of the District. A "qualified elector" is any person at least 18 years of age who is a United States citizen, a legal resident of Florida and of the District, and who is registered to vote with the Supervisor of Elections in the County in which the District land is located.

Board meetings are governed by the open meetings law, and therefore, must be noticed in a local newspaper and conducted in a public forum. Subject to the requirements of the public records law, CDDs must make District records available for public inspection during normal business hours. The Supervisors themselves are subject to the same financial disclosure requirements as are other local elected officials. These requirements, as well as the myriad of governmental reporting and auditing requirements imposed on CDDs by law, ensure that CDDs are particularly visible and accessible in the relation to other entities exercising responsibility for the development of community infrastructure and services.

In addition to all of the disclosure, records and meetings requirements above, the District is required to submit its budget annually to the County and the County has the option to review and comment on it. The District must also file a public facilities report with the County covering the facilities it provides.

Q. How is a CDD different than other kinds of special districts and homeowners associations?

A. While other kinds of special districts and homeowners associations may address certain issues, none of them have the specific type of powers necessary to provide the infrastructure in the manner contemplated here. In addition to their inability to effectively finance major capital improvements, homeowners associations generally do not meet regulatory agency requirements for stable, perpetual entities for long term maintenance of permitted infrastructure. Further, HOAs do not operate under the same open meeting, public records, and financial disclosure laws as CDDs. HOAs, however, can perform one function that CDDs cannot, namely the enforcement of deed restrictions and the exercise of architectural control. A CDD is also very different from a dependent special district established by a County for such a District, the County staff would have to take on the duties and responsibilities necessary to implement that District's programs and activities as well as the financing. Undertaking such a responsibility would have an effect on a County's borrowing capacity, credit rating and be accounted for on the County's financial statements.

Q. Why do developers seek to establish CDDs?

A. There are several reasons. First a CDD can provide access to a different capital market. While the tax free market generally provides a lower cost of borrowing (i.e., interest rate), there are the initial costs of establishing and running a District that a developer must take into account. Second, to the extent there are facilities, such as water management or recreation that require long term maintenance, a CDD is a more stable, financially diverse entity that provides a higher degree of certainty that the facility will be maintained and have the resources to maintain. Environmental permitting entities generally prefer a CDD to a homeowners association for maintenance of facilities under their jurisdiction. Maintaining the infrastructure helps maintain property values, an important factor to the developer, as well as the homeowner and the county.

Q. How is District non ad valorem special assessments determined?

A. Each property owner will pay an annual assessment to the District based on two component costs. One is the fixed amount required to amortize the debt assessed against each lot, parcel or acre for the facilities acquired or constructed by the District. The other is an annual assessment for District operations and maintenance of District facilities. The annual installation amount may vary in relation to the size and location of the property, and to the infrastructure benefit allocated to the property assessed. Each year, the District Board of Supervisors holds a public hearing to set its budget and the level of assessments. Consequently, District residents will know each year's assessment in advance.

Q. Do homeowners in a Community Development District pay more for the same amount of services than homeowners in non CDD communities?

A. No. Then analysis needs to begin with the basic premise that a homeowner will pay for the infrastructure improvements, both the construction and the ongoing maintenance of those improvements regardless of what mechanism is used to finance those improvements. From that standpoint, it is more advantageous for a homeowner to incur a portion of those costs through an assessment levied on his tax bill versus having to qualify for an additional amount of money in the form of a home mortgage. The homeowner has the advantage of paying over time in the form of an assessment on the homeowner's tax bill versus having to finance them at his/her mortgage interest rate.

Q. How are defaults on CDD assessments handled?

A. CDDs may use the procedure for levying and collecting assessments provided in either Chapter 170 or Chapter 197, Florida Statutes. The remedies available to the District under each method are slightly different. However, in either case, if there is a default by an owner of property within a CDD, the bondholders are permitted to look only to the defaulting property for recovery of the delinquent assessment. Chapter 190 specifically provides that the local general purpose government is not responsible for debt issued by a CDD.

Q. Are CDDs permitted to issue general obligation bonds and levy ad valorem taxes?

A. Yes. While District Boards have the power to issue general obligation bonds and to levy and assess ad valorem taxes subject to referendum approval, there is no intention to have the District issue this type of bond or impose ad valorem taxes. By law, issuance of general obligation bonds is limited to financing or refinancing capital projects or to refunding outstanding bonds in an aggregate principal amount of bonds outstanding at any one time not in excess of 35 percent of the assessed value of the taxable property within the District. An ad valorem tax levied for operating purposes, exclusive of debt service on bonds, is limited to three mills. In the event a CDD exercises its ad valorem taxing power, landowner election of Supervisors will no longer be permitted. Prior to exercising such power, all Board members must be elected by qualified electors of the District.

Q. What about revenue bonds?

A. Districts may issue revenue bonds for appropriate projects. Revenue bonds may be secured, or made payable from, the gross or net pledge of the revenues to be derived from any project or combination of projects, from the rates, fees, or other charges to be collected from the users of any project or projects, from any revenue producing undertaking or activity of the District, from special assessments, or from any other source or pledges security. All bonds issued by CDDs must be secured by a trust agreement and any bonds maturing over a period of more than five years must be validated and confirmed by court decree. (excluding refunding bonds)

Q. What are District rates, fees and charges?

A. CDDs are authorized, after a public hearing, to prescribe, fix, establish, and collect rates, fees, rentals or other charges for the facilities and services furnished by the District. Florida law provides that these revenues must be uniform, just and equitable for users of the same class.

Q. What kinds of disclosures are required with respect to the sale of real property within CDDs?

A. CDDs are required by statute to take affirmative steps to provide full disclosure of information relating to the public financing and maintenance of improvements to real property undertaken by the District. This information must be made available to all existing residents of the District and to all prospective residents. Moreover, the CDD is required to furnish developer of any residential development within the District enough copies of this information for distribution to each prospective purchaser. Finally, Florida law requires that all contracts for sale of land within a CDD must include the following language:

The (name of the District) imposes taxes or assessments or both taxes and assessments, on this property through a special taxing District. These taxes and assessments pay the construction, operation and maintenance costs of certain public facilities of the District and are set annually by the governing Board of District. These taxes and assessments are in addition to County and all other taxes and assessments provided for by law.

This disclosure language must appear in bold faced and conspicuous type which is larger than the type in the remaining text of the contract and must be situated immediately prior to the space reserved in the contract for the signature of the purchaser.

This contract disclosure is in addition to the information provided by the District to the developer and ultimately to the builder and homeowner/purchaser.

190.001 Short title.—This act may be cited as the “Uniform Community Development District Act of 1980.”

History.—s. 2, ch. 80-407.

190.002 Legislative findings, policies, and intent.—

(1) The Legislature finds that:

(a) There is a need for uniform, focused, and fair procedures in state law to provide a reasonable alternative for the establishment, power, operation, and duration of independent districts to manage and finance basic community development services; and that, based upon a proper and fair determination of applicable facts, an independent district can constitute a timely, efficient, effective, responsive, and economic way to deliver these basic services, thereby providing a solution to the state’s planning, management, and financing needs for delivery of capital infrastructure in order to service projected growth without overburdening other governments and their taxpayers.

(b) It is in the public interest that any independent special district created pursuant to state law not outlive its usefulness and that the operation of such a district and the exercise by the district of its powers be consistent with applicable due process, disclosure, accountability, ethics, and government-in-the-sunshine requirements which apply both to governmental entities and to their elected and appointed officials.

(c) It is in the public interest that long-range planning, management, and financing and long-term maintenance, upkeep, and operation of basic services for community development districts be under one coordinated entity.

(2) It is the policy of this state:

(a) That the needless and indiscriminate proliferation, duplication, and fragmentation of local general-purpose government services by independent districts is not in the public interest.

(b) That independent districts are a legitimate alternative method available for use by the private and public sectors, as authorized by state law, to manage and finance basic services for community developments.

(c) That the exercise by any independent district of its powers as set forth by uniform general law comply with all applicable governmental laws, rules, regulations, and policies governing planning and permitting of the development to be serviced by the district, to ensure that neither the establishment nor operation of such district is a development order under chapter 380 and that the district so established does not have any zoning or permitting powers governing development.

(d) That the process of establishing such a district pursuant to uniform general law be fair and based only on factors material to managing and financing the service delivery function of the district, so that any matter concerning permitting or planning of the development is not material or relevant.

(3) It is the legislative intent and purpose, based upon, and consistent with, its findings of fact and declarations of policy, to authorize a uniform procedure by general law to establish an independent special district as an alternative method to manage and finance basic services for community development. It is further the legislative intent and purpose to provide by general law for the uniform operation, exercise of power, and procedure for termination of any such independent district. It is further the purpose and intent of the Legislature that a district created under this chapter not have or exercise any zoning or development permitting power, that the establishment of the independent community development district as provided in this act not be a development order within the meaning of chapter 380, and that all applicable planning and permitting laws, rules, regulations, and policies control the development of the land to be serviced by the district. It is further the purpose and intent of the Legislature that no debt or obligation of a district constitute a burden on any local general-purpose government without its consent.

All actions taken prior to July 1, 2000, by a community development district existing on June 29, 1984, if taken pursuant to the authority contained in chapter 80-407, Laws of Florida, or this chapter are hereby deemed to have adequate statutory authority. 4. The proposed name of the district.

5. A map of the proposed district showing current major trunk water mains and sewer interceptors and outfalls if in existence.

6. Based upon available data, the proposed timetable for construction of the district services and the estimated cost of constructing the proposed services. These estimates shall be submitted in good faith but are not binding and may be subject to change.

7. A designation of the future general distribution, location, and extent of public and private uses of land proposed for the area within the district by the future land use plan element of the effective local government comprehensive plan of which all mandatory elements have been adopted by the applicable general-purpose local government in compliance with the Community Planning Act.

8. A statement of estimated regulatory costs in accordance with the requirements of s. 120.541.

(b) Prior to filing the petition, the petitioner shall:

1. Pay a filing fee of \$15,000 to the county, if located within an unincorporated area, or to the municipality, if located within an incorporated area, and to each municipality the boundaries of which are contiguous with, or contain all or a portion of the land within, the external boundaries of the district.

2. Submit a copy of the petition to the county, if located within an unincorporated area, or to the municipality, if located within an incorporated area, and to each municipality the boundaries of which are contiguous with, or contain all or a portion of, the land within the external boundaries of the district.

3. If land to be included within a district is located partially within the unincorporated area of one or more counties and partially within a municipality or within two or more municipalities, pay a \$15,000 filing fee to each entity. Districts established across county boundaries shall be required to maintain records, hold meetings and hearings, and publish notices only in the county where the majority of the acreage within the district lies.

(c) Such county and each such municipality required by law to receive a petition may conduct a public hearing to consider the relationship of the petition to the factors specified in paragraph (e). The public hearing shall be concluded within 45 days after the date the petition is filed unless an extension of time is requested by the petitioner and granted by the county or municipality. The county or municipality holding such public hearing may by resolution express its support of, or objection to the granting of, the petition by the Florida Land and Water Adjudicatory Commission. A resolution must base any objection to the granting of the petition upon the factors specified in paragraph (e). Such county or municipality may present its resolution of support or objection at the Florida Land and Water Adjudicatory Commission hearing and shall be afforded an opportunity to present relevant information in support of its resolution.

(d) A local public hearing on the petition shall be conducted by a hearing officer in conformance with the applicable requirements and procedures of the Administrative Procedure Act. The hearing shall include oral and written comments on the petition pertinent to the factors specified in paragraph (e). The hearing shall be held at an accessible location in the county in which the community development district is to be located. The petitioner shall cause a notice of the hearing to be published for 4 successive weeks on a newspaper's website and the statewide legal notice website provided in s. 50.0211(5) or, if published in print, in a newspaper at least once a week for the 4 successive weeks immediately prior to the hearing as provided in chapter 50. Such notice shall give the time and place for the hearing, a description of the area to be included in the district, which description shall include a map showing clearly the area to be covered by the district, and any other relevant information which the establishing governing bodies may require. If published in the print edition of a newspaper, the advertisement may not be placed in the portion of the newspaper where legal notices and classified advertisements appear. The advertisement must be published in a newspaper in the county and of general interest and readership in the community pursuant to chapter 50. Whenever possible, the advertisement shall appear in a newspaper that is published at least weekly, unless the only newspaper in the community is published less than weekly. If the notice is published in the print edition of the newspaper, the map must also be included in any online advertisement pursuant to s. 50.0211. All affected units of general-purpose local government and the general public shall be given an opportunity to appear at the hearing and present oral or written comments on the petition.

(e) The Florida Land and Water Adjudicatory Commission shall consider the entire record of the local hearing, the transcript of the hearing, resolutions adopted by local general-purpose governments as provided in paragraph (c), and the following factors and make a determination to grant or deny a petition for the establishment of a community development district:

1. Whether all statements contained within the petition have been found to be true and correct.
2. Whether the establishment of the district is inconsistent with any applicable element or portion of the state comprehensive plan or of the effective local government comprehensive plan.
3. Whether the area of land within the proposed district is of sufficient size, is sufficiently compact, and is sufficiently contiguous to be developable as one functional interrelated community.

4. Whether the district is the best alternative available for delivering community development services and facilities to the area that will be served by the district.

5. Whether the community development services and facilities of the district will be incompatible with the capacity and uses of existing local and regional community development services and facilities.

6. Whether the area that will be served by the district is amenable to separate special-district government.

(f) The Florida Land and Water Adjudicatory Commission shall not adopt any rule which would expand, modify, or delete any provision of the uniform community development district charter as set forth in ss. 190.006-190.041, except as provided in s. 190.012. A rule establishing a community development district shall only contain the following:

1. A metes and bounds description of the external boundaries of the district and any real property within the external boundaries of the district which is to be excluded.

2. The names of five persons designated to be the initial members of the board of supervisors.

3. The name of the district.

(g) The Florida Land and Water Adjudicatory Commission may adopt rules setting forth its procedures for considering petitions to establish, expand, modify, or delete uniform community development districts or portions thereof consistent with the provisions of this section.

(2) The exclusive and uniform method for the establishment of a community development district of less than 2,500 acres in size or a community development district of up to 7,000 acres in size located within a connected-city corridor established pursuant to s. 163.3246(13) shall be pursuant to an ordinance adopted by the county commission of the county having jurisdiction over the majority of land in the area in which the district is to be located granting a petition for the establishment of a community development district as follows:

(a) A petition for the establishment of a community development district shall be filed by the petitioner with the county commission. The petition shall contain the same information as required in paragraph (1)(a).

(b) A public hearing on the petition shall be conducted by the county commission in accordance with the requirements and procedures of paragraph (1)(d).

(c) The county commission shall consider the record of the public hearing and the factors set forth in paragraph (1)(e) in making its determination to grant or deny a petition for the establishment of a community development district.

(d) The county commission may not adopt any ordinance which would expand, modify, or delete any provision of the uniform community development district charter as set forth in ss. 190.006-190.041. An ordinance establishing a community development district shall only include the matters provided for in paragraph (1)(f) unless the commission consents to any of the optional powers under s. 190.012(2) at the request of the petitioner.

(e) If all of the land in the area for the proposed district is within the territorial jurisdiction of a municipal corporation, then the petition requesting establishment of a community development district under this act shall be filed by the petitioner with that particular municipal corporation. In such event, the duties of the county, hereinabove described, in action upon the petition shall be the duties of the municipal corporation. If any of the land area of a proposed district is within the land area of a municipality, the county commission may not create the district without municipal approval. If all of the land in the area for the proposed district, even if less than 2,500 acres, is within the territorial jurisdiction of two or more municipalities or two or more counties, except for proposed districts within a connected-city corridor established pursuant to s. 163.3246(13), the petition shall be filed with the Florida Land and Water Adjudicatory Commission and proceed in accordance with subsection (1).

(f) Notwithstanding any other provision of this subsection, within 90 days after a petition for the establishment of a community development district has been filed pursuant to this subsection, the governing body of the county or municipal corporation may transfer the petition to the Florida Land and Water Adjudicatory Commission, which shall make the determination to grant or deny the petition as provided in subsection (1). A county or municipal corporation shall have no right or power to grant or deny a petition that has been transferred to the Florida Land and Water Adjudicatory Commission.

(3) The governing body of any existing special district, created to provide one or more of the public improvements and community facilities authorized by this act, may petition for reestablishment of the existing district as a community development district pursuant to this act. The petition shall contain the information specified in subparagraphs (1)(a)1., 3., 4., 5., 6., and 7. and shall not require payment of a fee pursuant to paragraph (1)(b). In such case, the new district so formed shall assume the existing obligations, indebtedness, and guarantees of indebtedness of the district so subsumed, and the existing district shall be terminated.

190.006 Board of supervisors; members and meetings.—

(1) The board of the district shall exercise the powers granted to the district pursuant to this act. The board shall consist of five members; except as otherwise provided herein, each member shall hold office for a term of 2 years or 4 years, as provided in this section, and until a successor is chosen and qualifies. The members of the board must be residents of the state and citizens of the United States.

(2)(a) Within 90 days following the effective date of the rule or ordinance establishing the district, there shall be held a meeting of the landowners of the district for the purpose of electing five supervisors for the district. Notice of the landowners' meeting shall be published once a week for 2 consecutive weeks in a newspaper which is in general circulation in the area of the district, the last day of such publication to be not fewer than 14 days or more than 28 days before the date of the election. The landowners, when assembled at such meeting, shall organize by electing a chair who shall conduct the meeting. The chair may be any person present at the meeting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions.

(b) At such meeting, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the district for each person to be elected. A landowner may vote in person or by proxy in writing. Each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property, or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy need not be notarized. A fraction of an acre shall be treated as 1 acre, entitling the landowner to one vote with respect thereto. For purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre. The acreage of platted lots shall not be aggregated for determining the number of voting units held by a landowner or a landowner's proxy. The two candidates receiving the highest number of votes shall be elected for a period of 4 years, and the three candidates receiving the next largest number of votes shall be elected for a period of 2 years, with the term of office for each successful candidate commencing upon election. The members of the first board elected by landowners shall serve their respective 4-year or 2-year terms; however, the next election by landowners shall be held on the first Tuesday in November. Thereafter, there shall be an election of supervisors for the district every 2 years in November on a date established by the board and noticed pursuant to paragraph (a). The second and subsequent landowners' election shall be announced at a public meeting of the board at least 90 days prior to the date of the landowners' meeting and shall also be noticed pursuant to paragraph (a). Instructions on how all landowners may participate in the election, along with sample proxies, shall be provided during the board meeting that announces the landowners' meeting. The two candidates receiving the highest number of votes shall be elected to serve for a 4-year period, and the remaining candidate elected shall serve for a 2-year period.

(3)(a)1. If the board proposes to exercise the ad valorem taxing power authorized by s. 190.021, the district board shall call an election at which the members of the board of supervisors will be elected. Such election shall be held in conjunction with a primary or general election unless the district bears the cost of a special election. Each member shall be elected by the qualified electors of the district for a term of 4 years, except that, at the first such election, three members

shall be elected for a period of 4 years and two members shall be elected for a period of 2 years. All elected board members must be qualified electors of the district.

2.a. Regardless of whether a district has proposed to levy ad valorem taxes, commencing 6 years after the initial appointment of members or, for a district exceeding 5,000 acres in area or for a compact, urban, mixed-use district, 10 years after the initial appointment of members, the position of each member whose term has expired shall be filled by a qualified elector of the district, elected by the qualified electors of the district. However, for those districts established after June 21, 1991, and for those existing districts established after December 31, 1983, which have less than 50 qualified electors on June 21, 1991, sub-subparagraphs b. and d. shall apply. If, in the 6th year after the initial appointment of members, or 10 years after such initial appointment for districts exceeding 5,000 acres in area or for a compact, urban, mixed-use district, there are not at least 250 qualified electors in the district, or for a district exceeding 5,000 acres or for a compact, urban, mixed-use district, there are not at least 500 qualified electors, members of the board shall continue to be elected by landowners.

b. After the 6th or 10th year, once a district reaches 250 or 500 qualified electors, respectively, then the positions of two board members whose terms are expiring shall be filled by qualified electors of the district, elected by the qualified electors of the district for 4-year terms. The remaining board member whose term is expiring shall be elected for a 4-year term by the landowners and is not required to be a qualified elector. Thereafter, as terms expire, board members shall be qualified electors elected by qualified electors of the district for a term of 4 years.

c. Once a district qualifies to have any of its board members elected by the qualified electors of the district, the initial and all subsequent elections by the qualified electors of the district shall be held at the general election in November. The board shall adopt a resolution if necessary to implement this requirement when the board determines the number of qualified electors as required by sub-subparagraph d., to extend or reduce the terms of current board members.

d. On or before June 1 of each year, the board shall determine the number of qualified electors in the district as of the immediately preceding April 15. The board shall use and rely upon the official records maintained by the supervisor of elections and property appraiser or tax collector in each county in making this determination. Such determination shall be made at a properly noticed meeting of the board and shall become a part of the official minutes of the district.

(b) Elections of board members by qualified electors held pursuant to this subsection shall be nonpartisan and shall be conducted in the manner prescribed by law for holding general elections. The district shall publish a notice of the qualifying period set by the supervisor of elections for each election at least 2 weeks prior to the start of the qualifying period. Board members shall assume the office on the second Tuesday following their election. If no elector qualifies for a seat to be filled in an election, a vacancy in that seat shall be declared by the board effective on the second Tuesday following the election. Within 90 days thereafter, the board shall appoint a qualified elector to fill the vacancy. Until such appointment, the incumbent board member in that seat shall remain in office.

(c) Candidates seeking election to office by qualified electors under this subsection shall conduct their campaigns in accordance with the provisions of chapter 106 and shall file qualifying papers and qualify for individual seats in accordance with s. 99.061.

(d) The supervisor of elections shall appoint the inspectors and clerks of elections, prepare and furnish the ballots, designate polling places, and canvass the returns of the election of board members by qualified electors. The county canvassing board shall declare and certify the results of the election.

(4) Members of the board shall be known as supervisors and, upon entering into office, shall take and subscribe to the oath of office as prescribed by s. 876.05. They shall hold office for the terms for which they were elected or appointed and until their successors are chosen and qualified. If, during the term of office, a vacancy occurs, the remaining members of the board shall fill the vacancy by an appointment for the remainder of the unexpired term.

(5) A majority of the members of the board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the district shall be upon a vote of a majority of the members present unless general law or a rule of the district requires a greater number.

(6) As soon as practicable after each election or appointment, the board shall organize by electing one of its members as chair and by electing a secretary, who need not be a member of the board, and such other officers as the board may deem necessary.

(7) The board shall keep a permanent record book entitled "Record of Proceedings of (name of district) Community Development District," in which shall be recorded minutes of all meetings, resolutions, proceedings, certificates, bonds given by all employees, and any and all corporate acts. The record book shall at reasonable times be opened to inspection in the same manner as state, county, and municipal records pursuant to chapter 119. The record book shall be kept at the office or other regular place of business maintained by the board in the county or municipality in which the district is located or within the boundaries of a development of regional impact or Florida Quality Development, or combination of a development of regional impact and Florida Quality Development, which includes the district.

(8) Each supervisor shall be entitled to receive for his or her services an amount not to exceed \$200 per meeting of the board of supervisors, not to exceed \$4,800 per year per supervisor, or an amount established by the electors at referendum. In addition, each supervisor shall receive travel and per diem expenses as set forth in s. 112.061.

(9) All meetings of the board shall be open to the public and governed by the provisions of chapter 286.

190.007 Board of supervisors; general duties.—

(1) The board shall employ, and fix the compensation of, a district manager. The district manager shall have charge and supervision of the works of the district and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of this act, for maintaining and operating the equipment owned by the district, and for performing such other duties as may be prescribed by the board. It shall not be a conflict of interest under chapter 112 for a board member or the district manager or another employee of the district to be a stockholder, officer, or employee of a landowner or of an entity affiliated with a landowner. The district manager may hire or otherwise employ and terminate the employment of such other persons, including, without limitation, professional, supervisory, and clerical employees, as may be necessary and authorized by the board. The compensation and other conditions of employment of the officers and employees of the district shall be as provided by the board. For purposes of s. 8(h)(2), Art. II of the State Constitution, a board member or a public employee of a district does not abuse his or her public position if the board member or public employee commits an act or omission that is authorized under this subsection, s. 112.313(7), (12), (15), or (16), or s. 112.3143(3)(b), and an abuse of a board member's public position does not include any act or omission in connection with a vote when the board member has followed the procedures required by s. 112.3143.

(2) The board shall designate a person who is a resident of the state as treasurer of the district, who shall have charge of the funds of the district. Such funds shall be disbursed only upon the order, or pursuant to the resolution, of the board by warrant or check countersigned by the treasurer and by such other person as may be authorized by the board. The board may give the treasurer such other or additional powers and duties as the board may deem appropriate and may fix his or her compensation. The board may require the treasurer to give a bond in such amount, on such terms, and with such sureties as may be deemed satisfactory to the board to secure the performance by the treasurer of his or her powers and duties. The financial records of the board shall be audited by an independent certified public accountant at least once a year.

(3) The board is authorized to select as a depository for its funds any qualified public depository as defined in s. 280.02 which meets all the requirements of chapter 280 and has been designated by the Chief Financial Officer as a qualified public depository, upon such terms and conditions as to the payment of interest by such depository upon the funds so deposited as the board may deem just and reasonable.

(2)(a) On or before each June 15, the district manager shall prepare a proposed budget for the ensuing fiscal year to be submitted to the board for board approval. The proposed budget shall include at the direction of the board an estimate of all necessary expenditures of the district for the ensuing fiscal year and an estimate of income to the district from the taxes, assessments, and other revenues provided in this act. The board shall consider the proposed budget item by item and may either approve the budget as proposed by the district manager or modify the same in part or in whole. The board shall indicate its approval of the budget by resolution, which resolution shall provide for a hearing on the budget as approved. Notice of the hearing on the budget shall be published in a newspaper of general circulation in the area of the district once a week for 2 consecutive weeks, except that the first publication shall be not fewer than 15 days prior to the date of the hearing. The notice shall further contain a designation of the day, time, and place of the public hearing. At the time and place designated in the notice, the board shall hear all objections to the budget as proposed and may make such changes as the board deems necessary. At the conclusion of the budget hearing, the board shall, by resolution, adopt the budget as finally approved by the board. The budget shall be adopted prior to October 1 of each year.

(b) At least 60 days prior to adoption, the district board shall submit to the local governing authorities having jurisdiction over the area included in the district, for purposes of disclosure and information only, the proposed annual budget for the ensuing fiscal year and any proposed long-term financial plan or program of the district for future operations.

Such information shall be made available to all existing residents, and to all prospective residents, of the district. The district shall furnish each developer of a residential development within the district with sufficient copies of that information to provide each prospective initial purchaser of property in that development with a copy, and any developer of a residential development within the district, when required by law to provide a public offering statement, shall include a copy of such information relating to the public financing and maintenance of improvements in the public offering statement. 190.012 Special powers; public improvements and community facilities.—The district shall have, and the board may exercise, subject to the regulatory jurisdiction and permitting authority of all applicable governmental bodies, agencies, and special districts having authority with respect to any area included therein, any or all of the following special powers relating to public improvements and community facilities authorized by this act:

(1) To finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain systems, facilities, and basic infrastructures for the following:

(a) Water management and control for the lands within the district and to connect some or any of such facilities with roads and bridges.

(b) Water supply, sewer, and wastewater management, reclamation, and reuse or any combination thereof, and to construct and operate connecting intercepting or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system.

(c) Bridges or culverts that may be needed across any drain, ditch, canal, floodway, holding basin, excavation, public highway, tract, grade, fill, or cut and roadways over levees and embankments, and to construct any and all of such works and improvements across, through, or over any public right-of-way, highway, grade, fill, or cut.

(d)1. District roads equal to or exceeding the applicable specifications of the county in which such district roads are located; roads and improvements to existing public roads that are owned by or conveyed to the local general-purpose government, the state, or the Federal Government; street lights; alleys; landscaping; hardscaping; and the undergrounding of electric utility lines. Districts may request the underground placement of utility lines by the local retail electric utility provider in accordance with the utility's tariff on file with the Public Service Commission and may finance the required contribution.

2. Buses, trolleys, transit shelters, ridesharing facilities and services, parking improvements, and related signage.

(e) Investigation and remediation costs associated with the cleanup of actual or perceived environmental contamination within the district under the supervision or direction of a competent governmental authority unless the covered costs benefit any person who is a landowner within the district and who caused or contributed to the contamination.

(f) Conservation areas, mitigation areas, and wildlife habitat, including the maintenance of any plant or animal species, and any related interest in real or personal property.

(g) Any other project within or without the boundaries of a district when a local government issued a development order pursuant to s. 380.06 approving or expressly requiring the construction or funding of the project by the district, or when the project is the subject of an agreement between the district and a governmental entity and is consistent with the local government comprehensive plan of the local government within which the project is to be located.

(h) Any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the district.

(2) After the local general-purpose government within the jurisdiction of which a power specified in this subsection is to be exercised consents to the exercise of such power by the district, the district shall have the power to plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain additional systems and facilities for:

(a) Parks and facilities for indoor and outdoor recreational, cultural, and educational uses.

(b) Fire prevention and control, including fire stations, water mains and plugs, fire trucks, and other vehicles and equipment.

(c) School buildings and related structures and site improvements, which may be leased, sold, or donated to the school district, for use in the educational system when authorized by the district school board.

(d) Security, including, but not limited to, guardhouses, fences and gates, electronic intrusion-detection systems, and patrol cars, when authorized by proper governmental agencies; except that the district may not exercise any police power, but may contract with the appropriate local general-purpose government agencies for an increased level of such services within the district boundaries. However, this paragraph does not prohibit a district from contracting with a towing operator to remove a vehicle or vessel from a district-owned facility or property if the district follows the authorization and notice and procedural requirements in s. 715.07 for an owner or lessee of private property. The district's selection of a towing operator is not subject to public bidding if the towing operator is included in an approved list of towing operators maintained by the local government that has jurisdiction over the district's facility or property.

(e) Control and elimination of mosquitoes and other arthropods of public health importance.

(f) Waste collection and disposal.

(3) To adopt and enforce appropriate rules following the procedures of chapter 120, in connection with the provision of one or more services through its systems and facilities.

(4)(a) To adopt rules necessary for the district to enforce certain deed restrictions pertaining to the use and operation of real property within the district and outside the district pursuant to an interlocal agreement under chapter 163 if within another district or, if not within another district, with the consent of the county or municipality in which the deed restriction enforcement is proposed to occur. For the purpose of this subsection, the term "deed restrictions" means those covenants, conditions, restrictions, compliance mechanisms, and enforcement remedies contained in any applicable declarations of covenants and restrictions that govern the use and operation of real property and, for which covenants, conditions, and restrictions, there is no homeowners' association or property owner's association having respective enforcement powers unless, with respect to a homeowners' association whose board is under member control, the association and the district agree in writing to enforcement by the district. The district may adopt by rule all or certain portions of the deed restrictions that:

1. Relate to limitations, prohibitions, compliance mechanisms, or enforcement remedies that apply only to external appearances or uses and are deemed by the district to be generally beneficial for the district's landowners and for which enforcement by the district is appropriate, as determined by the district's board of supervisors; or

2. Are consistent with the requirements of a development order or regulatory agency permit.

(b) The board may vote to adopt such rules only when all of the following conditions exist:

1. The district was in existence on the effective date of this subsection, or is located within a development that consists of multiple developments of regional impact and a Florida Quality Development.

2. For residential districts, the majority of the board has been elected by qualified electors pursuant to the provisions of s. 190.006.

3. For residential districts, less than 25 percent of residential units are in a homeowners' association.

4. The declarant in any applicable declarations of covenants and restrictions has provided the board with a written agreement that such rules may be adopted. A memorandum of the agreement shall be recorded in the public records.

(c) Within 60 days after such rules take effect, the district shall record a notice of rule adoption stating generally what rules were adopted and where a copy of the rules may be obtained. Districts may impose fines for violations of such rules and enforce such rules and fines in circuit court through injunctive relief.

(d) The owners of property located outside the boundary of the district shall elect an advisor to the district board pursuant to paragraph (e). The sole responsibilities of the district board advisor are to review enforcement actions proposed by the district board against properties located outside the district and make recommendations relating to those proposed actions. Before the district board may enforce its rules against any owner of property located outside the

district, the district board shall request the district board advisor to make a recommendation on the proposed enforcement action. The district board advisor must render a recommendation within 30 days after receiving a request from the district board or is deemed to have no objection to the district board's proposed decision or action.

(e)1. Whenever an interlocal agreement is entered into pursuant to paragraph (a), a district board advisor seat shall be created for one elected landowner whose property is within the jurisdiction of the governmental entity entering into the interlocal agreement but not within the boundaries of the district. The district board advisor shall be elected by landowners whose land is subject to enforcement by the district but whose land is not within the boundaries of the district. The district board advisor shall be elected for a 2-year term. The first election for a district board advisor shall be within 90 days after the effective date of the interlocal agreement between the district and the government entity.

2. The election of the district board advisor shall occur at a meeting of eligible landowners. The district shall publish notice of the meeting and election once a week for 2 consecutive weeks in a newspaper of general circulation in the area of the parties to the interlocal agreement. The notice must include instructions on how all landowners may participate in the election and how to obtain a proxy form. The last day of publication may not be less than 14 days or more than 28 days before the date of the election. The landowners, when assembled at the meeting, shall organize by electing a chair who shall conduct the meeting. The chair may be any person present at the meeting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions.

3. At the meeting, each landowner is entitled to cast one vote per acre of land owned by him or her and located within the district for each person to be elected. A landowner may vote in person or by proxy in writing. Each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property, or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy need not be notarized. A fraction of an acre shall be treated as 1 acre, entitling the landowner to one vote with respect thereto. For purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre. The acreage of platted lots may not be aggregated for purposes of determining the number of voting units held by a landowner or a landowner's proxy.

4. If a vacancy occurs in the district advisor seat, a special landowner election shall be held within 60 days after the vacancy using the notice, proxy, and acreage voting provisions of this subsection.

190.0125 Purchase, privatization, or sale of water, sewer, or wastewater reuse utility by district.—No community development district may purchase or sell a water, sewer, or wastewater reuse utility that provides service to the public for compensation, or enter into a wastewater facility privatization contract for a wastewater facility, until the governing body of the community development district has held a public hearing on the purchase, sale, or wastewater facility privatization contract and made a determination that the purchase, sale, or wastewater facility privatization contract is in the public interest. In determining if the purchase, sale, or wastewater facility privatization contract is in the public interest, the community development district shall consider, at a minimum, the following:

- (1) The most recent available income and expense statement for the utility;
- (2) The most recent available balance sheet for the utility, listing assets and liabilities and clearly showing the amount of contributions-in-aid-of-construction and the accumulated depreciation thereon;
- (3) A statement of the existing rate base of the utility for regulatory purposes;
- (4) The physical condition of the utility facilities being purchased, sold, or subject to a wastewater facility privatization contract;
- (5) The reasonableness of the purchase, sales, or wastewater facility privatization contract price and terms;
- (6) The impacts of the purchase, sale, or wastewater facility privatization contract on utility customers, both positive

and negative;

(7)(a) Any additional investment required and the ability and willingness of the purchaser or the private firm under a wastewater facility privatization contract to make that investment, whether the purchaser is the community development district or the entity purchasing the utility from the community development district;

(b) In the case of a wastewater facility privatization contract, the terms and conditions on which the private firm will provide capital investment and financing or a combination thereof for contemplated capital replacements, additions, expansions, and repairs. The community development district shall give significant weight to this criteria.

(8) The alternatives to the purchase, sale, or wastewater facility privatization contract and the potential impact on utility customers if the purchase, sale, or wastewater facility privatization contract is not made;

(9)(a) The ability of the purchaser or the private firm under a wastewater facility privatization contract to provide and maintain high-quality and cost-effective utility service, whether the purchaser is the community development district or the entity purchasing the utility from the community development district;

(b) In the case of a wastewater facility privatization contract, the community development district shall give significant weight to the technical expertise and experience of the private firm in carrying out the obligations specified in the wastewater facility privatization contract; and

(10) All moneys paid by a private firm to a community development district pursuant to a wastewater facility privatization contract shall be used for the purpose of reducing or offsetting property taxes, wastewater service rates, or debt reduction or making infrastructure improvements or capital asset expenditures or other public purpose; provided, however, nothing herein shall preclude the community development district from using all or part of the moneys for the purpose of the community development district's qualification for relief from the repayment of federal grant awards associated with the wastewater system as may be required by federal law or regulation.

The community development district shall prepare a statement showing that the purchase, sale, or wastewater facility privatization contract is in the public interest, including a summary of the purchaser's or private firm's experience in water, sewer, or wastewater reuse utility operation and a showing of financial ability to provide the service, whether the purchaser or private firm is the community development district or the entity purchasing the utility from the community development district.

190.013 Water management and control plan.—In the event that the board assumes the responsibility for providing water management and control for the district as provided in s. 190.012(1)(a) which is to be financed by benefit special assessments, the board shall proceed to adopt water management and control plans, assess for benefits, and apportion and levy special assessments, as follows:

(1) The board shall cause to be made by the district's engineer, or such other engineer or engineers as the board may employ for that purpose, complete and comprehensive water management and control plans for the lands located within the district that will be improved in any part or in whole by any system of facilities that may be outlined and adopted, and the engineer shall make a report in writing to the board with maps and profiles of said surveys and an estimate of the cost of carrying out and completing the plans.

(2) Upon the completion of such plans, the board shall hold a hearing thereon to hear objections thereto, shall give notice of the time and place fixed for such hearing by publication once each week for 2 consecutive weeks in a newspaper of general circulation in the general area of the district, and shall permit the inspection of the plan at the office of the district by all persons interested. All objections to the plan shall be filed at or before the time fixed in the notice for the hearing and shall be in writing.

(3) After the hearing, the board shall consider the proposed plan and any objections thereto and may modify, reject, or adopt the plan or continue the hearing to a day certain for further consideration of the proposed plan or modifications

thereof.

(4) When the board approves a plan, a resolution shall be adopted and a certified copy thereof shall be filed in the office of the secretary and incorporated by him or her into the records of the district.

(5) The water management and control plan may be altered in detail from time to time until the appraisal record herein provided is filed, but not in such manner as to affect materially the conditions of its adoption. After the appraisal record has been filed, no alteration of the plan shall be made, except as provided by this act.

(6) Within 20 days after the final adoption of the plan by the board, the board shall proceed pursuant to s. 298.301.

History.—s. 2, ch. 80-407; s. 5, ch. 91-308; s. 964, ch. 95-147; s. 26, ch. 97-40.

190.014 Issuance of bond anticipation notes.—In addition to the other powers provided for in this act, and not in limitation thereof, the district shall have the power, at any time, and from time to time after the issuance of any bonds of the district shall have been authorized, to borrow money for the purposes for which such bonds are to be issued in anticipation of the receipt of the proceeds of the sale of such bonds and to issue bond anticipation notes in a principal sum not in excess of the authorized maximum amount of such bond issue. Such notes shall be in such denomination or denominations, bear interest at such rate as the board may determine in compliance with s. 215.84, mature at such time or times not later than 5 years from the date of issuance, and be in such form and executed in such manner as the board shall prescribe. Such notes may be sold at either public or private sale or, if such notes shall be renewal notes, may be exchanged for notes then outstanding on such terms as the board shall determine. Such notes shall be paid from the proceeds of such bonds when issued. The board may, in its discretion, in lieu of retiring the notes by means of bonds, retire them by means of current revenues or from any taxes or assessments levied for the payment of such bonds; but in such event a like amount of the bonds authorized shall not be issued. Non-ad valorem assessments levied to pay interest on bond anticipation notes shall not constitute an installment of assessments under s. 190.022.

History.—s. 2, ch. 80-407; s. 9, ch. 83-215; s. 9, ch. 2007-160.

190.015 Short-term borrowing.—The district at any time may obtain loans, in such amount and on such terms and conditions as the board may approve, for the purpose of paying any of the expenses of the district or any costs incurred or that may be incurred in connection with any of the projects of the district, which loans shall bear such interest as the board may determine in compliance with s. 215.84, and may be payable from and secured by a pledge of such funds, revenues, taxes, and assessments as the board may determine, subject, however, to the provisions contained in any proceeding under which bonds were theretofore issued and are then outstanding. For the purpose of defraying such costs and expenses, the district may issue negotiable notes, warrants, or other evidences of debt to be payable at such times, to bear such interest as the board may determine in compliance with s. 215.84, and to be sold or discounted at such price or prices not less than 95 percent of par value and on such terms as the board may deem advisable. The board shall have the right to provide for the payment thereof by pledging the whole or any part of the funds, revenues, taxes, and assessments of the district. The approval of the electors residing in the district shall not be necessary except when required by the State Constitution.

History.—s. 2, ch. 80-407; s. 80, ch. 81-259; s. 10, ch. 83-215.

190.016 Bonds.—

(1) **SALE OF BONDS.**—Bonds may be sold in blocks or installments at different times, or an entire issue or series may be sold at one time. Bonds may be sold at public or private sale after such advertisement, if any, as the board may deem advisable but not in any event at less than 90 percent of the par value thereof, together with accrued interest thereon. Bonds may be sold or exchanged for refunding bonds. Special assessment and revenue bonds may be delivered by the district as payment of the purchase price of any project or part thereof, or a combination of projects or parts thereof, or as the purchase price or exchange for any property, real, personal, or mixed, including franchises or services rendered by any contractor, engineer, or other person, all at one time or in blocks from time to time, in such manner and upon such

terms as the board in its discretion shall determine. The price or prices for any bonds sold, exchanged, or delivered may be:

- (a) The money paid for the bonds;
- (b) The principal amount, plus accrued interest to the date of redemption or exchange, or outstanding obligations exchanged for refunding bonds; and
- (c) In the case of special assessment or revenue bonds, the amount of any indebtedness to contractors or other persons paid with such bonds, or the fair value of any properties exchanged for the bonds, as determined by the board.

(2) **AUTHORIZATION AND FORM OF BONDS.**—Any general obligation bonds, benefit bonds, or revenue bonds may be authorized by resolution or resolutions of the board which shall be adopted by a majority of all the members thereof then in office. Such resolution or resolutions may be adopted at the same meeting at which they are introduced and need not be published or posted. The board may, by resolution, authorize the issuance of bonds and fix the aggregate amount of bonds to be issued; the purpose or purposes for which the moneys derived therefrom shall be expended, including, but not limited to, payment of costs as defined in s. 190.003(8); the rate or rates of interest, in compliance with s. 215.84; the denomination of the bonds; whether or not the bonds are to be issued in one or more series; the date or dates of maturity, which shall not exceed 40 years from their respective dates of issuance; the medium of payment; the place or places within or without the state where payment shall be made; registration privileges; redemption terms and privileges, whether with or without premium; the manner of execution; the form of the bonds, including any interest coupons to be attached thereto; the manner of execution of bonds and coupons; and any and all other terms, covenants, and conditions thereof and the establishment of revenue or other funds. Such authorizing resolution or resolutions may further provide for the contracts authorized by s. 159.825(1)(f) and (g) regardless of the tax treatment of such bonds being authorized, subject to the finding by the board of a net saving to the district resulting by reason thereof. Such authorizing resolution may further provide that such bonds may be executed in accordance with the Registered Public Obligations Act, except that bonds not issued in registered form shall be valid if manually countersigned by an officer designated by appropriate resolution of the board. The seal of the district may be affixed, lithographed, engraved, or otherwise reproduced in facsimile on such bonds. In case any officer whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or facsimile shall nevertheless be valid and sufficient for all purposes the same as if he or she had remained in office until such delivery.

(3) **INTERIM CERTIFICATES; REPLACEMENT CERTIFICATES.**—Pending the preparation of definitive bonds, the board may issue interim certificates or receipts or temporary bonds, in such form and with such provisions as the board may determine, exchangeable for definitive bonds when such bonds have been executed and are available for delivery. The board may also provide for the replacement of any bonds which become mutilated, lost, or destroyed.

(4) **NEGOTIABILITY OF BONDS.**—Any bond issued under this act or any temporary bond, in the absence of an express recital on the face thereof that it is nonnegotiable, shall be fully negotiable and shall be and constitute a negotiable instrument within the meaning and for all purposes of the law merchant and the laws of the state.

(5) **DEFEASANCE.**—The board may make such provision with respect to the defeasance of the right, title, and interest of the holders of any of the bonds and obligations of the district in any revenues, funds, or other properties by which such bonds are secured as the board deems appropriate and, without limitation on the foregoing, may provide that when such bonds or obligations become due and payable or shall have been called for redemption and the whole amount of the principal and interest and premium, if any, due and payable upon the bonds or obligations then outstanding shall be held in trust for such purpose and provision shall also be made for paying all other sums payable in connection with such bonds or other obligations, then and in such event the right, title, and interest of the holders of the bonds in any revenues, funds, or other properties by which such bonds are secured shall thereupon cease, terminate, and become void; and the board may apply any surplus in any sinking fund established in connection with such bonds or obligations and all balances remaining in all other funds or accounts other than money held for the redemption or payment of the bonds or other obligations to any lawful purpose of the district as the board shall determine.

(6) **ISSUANCE OF ADDITIONAL BONDS.**—If the proceeds of any bonds are less than the cost of completing the project in connection with which such bonds were issued, the board may authorize the issuance of additional bonds, upon such terms and conditions as the board may provide in the resolution authorizing the issuance thereof, but only in compliance with the resolution or other proceedings authorizing the issuance of the original bonds.

(7) **REFUNDING BONDS.**—The district shall have the power to issue bonds to provide for the retirement or refunding of any bonds or obligations of the district that at the time of such issuance are or subsequently thereto become due and payable, or that at the time of issuance have been called or are or will be subject to call for redemption within 10 years thereafter, or the surrender of which can be procured from the holders thereof at prices satisfactory to the board. Refunding bonds may be issued at any time when in the judgment of the board such issuance will be advantageous to the district. No approval of the qualified electors residing in the district shall be required for the issuance of refunding bonds except in cases in which such approval is required by the State Constitution. The board may by resolution confer upon the holders of such refunding bonds all rights, powers, and remedies to which the holders would be entitled if they continued to be the owners and had possession of the bonds for the refinancing of which such refunding bonds are issued, including, but not limited to, the preservation of the lien of such bonds on the revenues of any project or on pledged funds, without extinguishment, impairment, or diminution thereof. The provisions of this act pertaining to bonds of the district shall, unless the context otherwise requires, govern the issuance of refunding bonds, the form and other details thereof, the rights of the holders thereof, and the duties of the board with respect to them.

(8) **REVENUE BONDS.**—

(a) The district shall have the power to issue revenue bonds from time to time without limitation as to amount. Such revenue bonds may be secured by, or payable from, the gross or net pledge of the revenues to be derived from any project or combination of projects; from the rates, fees, or other charges to be collected from the users of any project or projects; from any revenue-producing undertaking or activity of the district; from special assessments; or from any other source or pledged security. Such bonds shall not constitute an indebtedness of the district, and the approval of the qualified electors shall not be required unless such bonds are additionally secured by the full faith and credit and taxing power of the district.

(b) Any two or more projects may be combined and consolidated into a single project and may hereafter be operated and maintained as a single project. The revenue bonds authorized herein may be issued to finance any one or more of such projects, regardless of whether or not such projects have been combined and consolidated into a single project. If the board deems it advisable, the proceedings authorizing such revenue bonds may provide that the district may thereafter combine the projects then being financed or theretofore financed with other projects to be subsequently financed by the district and that revenue bonds to be thereafter issued by the district shall be on parity with the revenue bonds then being issued, all on such terms, conditions, and limitations as shall have been provided in the proceeding which authorized the original bonds.

(9) **GENERAL OBLIGATION BONDS.**—

(a) The district shall have the power from time to time to issue general obligation bonds to finance or refinance capital projects or to refund outstanding bonds in an aggregate principal amount of bonds outstanding at any one time not in excess of 35 percent of the assessed value of the taxable property within the district as shown on the pertinent tax records at the time of the authorization of the general obligation bonds for which the full faith and credit of the district is pledged. Except for refunding bonds, no general obligation bonds shall be issued unless the bonds are issued to finance or refinance a capital project and the issuance has been approved at an election held in accordance with the requirements for such election as prescribed by the State Constitution. Such elections shall be called to be held in the district by the board of county commissioners of the county upon the request of the board of the district. The expenses of calling and holding an election shall be at the expense of the district, and the district shall reimburse the county for any expenses incurred in calling or holding such election.

(b) The district may pledge its full faith and credit for the payment of the principal and interest on such general

obligation bonds and for any reserve funds provided therefor and may unconditionally and irrevocably pledge itself to levy ad valorem taxes on all taxable property in the district, to the extent necessary for the payment thereof, without limitations as to rate or amount.

(c) If the board determines to issue general obligation bonds for more than one capital project, the approval of the issuance of the bonds for each and all such projects may be submitted to the electors on one and the same ballot. The failure of the electors to approve the issuance of bonds for any one or more capital projects shall not defeat the approval of bonds for any capital project which has been approved by the electors.

(d) In arriving at the amount of general obligation bonds permitted to be outstanding at any one time pursuant to paragraph (a), there shall not be included any general obligation bonds which are additionally secured by the pledge of:

1. Special assessments levied in an amount sufficient to pay the principal and interest on the general obligation bonds so additionally secured, which assessments have been equalized and confirmed by resolution or ordinance of the board pursuant to s. 170.08.

2. Water revenues, sewer revenues, or water and sewer revenues of the district to be derived from user fees in an amount sufficient to pay the principal and interest on the general obligation bonds so additionally secured.

3. Any combination of assessments and revenues described in subparagraphs 1. and 2.

(10) BONDS AS LEGAL INVESTMENT OR SECURITY.—

(a) Notwithstanding any provisions of any other law to the contrary, all bonds issued under the provisions of this act shall constitute legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries and for any board, body, agency, instrumentality, county, municipality, or other political subdivision of the state and shall be and constitute security which may be deposited by banks or trust companies as security for deposits of state, county, municipal, or other public funds or by insurance companies as required or voluntary statutory deposits.

(b) Any bonds issued by the district shall be incontestable in the hands of bona fide purchasers or holders for value and shall not be invalid because of any irregularity or defect in the proceedings for the issue and sale thereof.

(11) COVENANTS.—Any resolution authorizing the issuance of bonds may contain such covenants as the board may deem advisable, and all such covenants shall constitute valid and legally binding and enforceable contracts between the district and the bondholders, regardless of the time of issuance thereof. Such covenants may include, without limitation, covenants concerning the disposition of the bond proceeds; the use and disposition of project revenues; the pledging of revenues, taxes, and assessments; the obligations of the district with respect to the operation of the project and the maintenance of adequate project revenues; the issuance of additional bonds; the appointment, powers, and duties of trustees and receivers; the acquisition of outstanding bonds and obligations; restrictions on the establishing of competing projects or facilities; restrictions on the sale or disposal of the assets and property of the district; the priority of assessment liens; the priority of claims by bondholders on the taxing power of the district; the maintenance of deposits to assure the payment of revenues by users of district facilities and services; the discontinuance of district services by reason of delinquent payments; acceleration upon default; the execution of necessary instruments; the procedure for amending or abrogating covenants with the bondholders; and such other covenants as may be deemed necessary or desirable for the security of the bondholders.

(12) VALIDATION PROCEEDINGS.—The power of the district to issue bonds under the provisions of this act may be determined, and any of the bonds of the district maturing over a period of more than 5 years shall be validated and confirmed, by court decree, under the provisions of chapter 75 and laws amendatory thereof or supplementary thereto.

(13) ACT FURNISHES FULL AUTHORITY FOR ISSUANCE OF BONDS.—This act constitutes full and complete authority for the issuance of bonds and the exercise of the powers of the district provided herein. No procedures or proceedings, publications, notices, consents, approvals, orders, acts, or things by the board, or any board, officers, commission, department, agency, or instrumentality of the district, other than those required by this act, shall be required to perform anything under this act, except that the issuance or sale of bonds pursuant to the provisions of this act shall

comply with the general law requirements applicable to the issuance or sale of bonds by the district. Nothing in this act shall be construed to authorize the district to utilize bond proceeds to fund the ongoing operations of the district.

(14) **PLEDGE BY THE STATE TO THE BONDHOLDERS OF THE DISTRICT.**—The state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to own, acquire, construct, reconstruct, improve, maintain, operate, or furnish the projects or to levy and collect the taxes, assessments, rentals, rates, fees, and other charges provided for herein and to fulfill the terms of any agreement made with the holders of such bonds or other obligations and that it will not in any way impair the rights or remedies of such holders.

(15) **DEFAULT.**—A default on the bonds or obligations of a district shall not constitute a debt or obligation of a local general-purpose government or the state.

190.017 Trust agreements.—Any issue of bonds shall be secured by a trust agreement by and between the district and a corporate trustee or trustees, which may be any trust company or bank having the powers of a trust company within or without the state. The resolution authorizing the issuance of the bonds or such trust agreement may pledge the revenues to be received from any projects of the district and may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as the board may approve, including, without limitation, covenants setting forth the duties of the district in relation to: the acquisition, construction, reconstruction, improvement, maintenance, repair, operation, and insurance of any projects; the fixing and revising of the rates, fees, and charges; and the custody, safeguarding, and application of all moneys and for the employment of consulting engineers in connection with such acquisition, construction, reconstruction, improvement, maintenance, repair, or operation. It shall be lawful for any bank or trust company within or without the state which may act as a depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the district. Such resolution or trust agreement may set forth the rights and remedies of the bondholders and of the trustee, if any, and may restrict the individual right of action by bondholders. The board may provide for the payment of proceeds of the sale of the bonds and the revenues of any project to such officer, board, or depository as it may designate for the custody thereof and may provide for the method of disbursement thereof with such safeguards and restrictions as it may determine. All expenses incurred in carrying out the provisions of such resolution or trust agreement may be treated as part of the cost of operation of the project to which such trust agreement pertains.

History.—s. 2, ch. 80-407.

190.021 Taxes; non-ad valorem assessments.—

(1) **AD VALOREM TAXES.**—An elected board shall have the power to levy and assess an ad valorem tax on all the taxable property in the district to construct, operate, and maintain assessable improvements; to pay the principal of, and interest on, any general obligation bonds of the district; and to provide for any sinking or other funds established in connection with any such bonds. An ad valorem tax levied by the board for operating purposes, exclusive of debt service on bonds, shall not exceed 3 mills, except that a district authorized by a local general-purpose government to exercise one or more powers specified in s. 190.012(2) may levy an additional 2 mills for operating purposes, exclusive of debt service on bonds. The ad valorem tax provided for herein shall be in addition to county and all other ad valorem taxes provided for by law. Such tax shall be assessed, levied, and collected in the same manner and same time as county taxes. The levy of ad valorem taxes shall be approved by referendum when required by the State Constitution.

(2) **BENEFIT SPECIAL ASSESSMENTS.**—The board shall annually determine, order, and levy the annual installment of the total benefit special assessments for bonds issued and related expenses to finance district facilities and projects which are levied under this act. These assessments may be due and collected during each year that county taxes are due and collected, in which case such annual installment and levy shall be evidenced to and certified to the property appraiser by the board not later than August 31 of each year, and such assessment shall be entered by the property appraiser on the county tax rolls, and shall be collected and enforced by the tax collector in the same manner and at the

same time as county taxes, and the proceeds thereof shall be paid to the district. However, this subsection shall not prohibit the district in its discretion from using the method prescribed in either s. 197.363 or s. 197.3632 for collecting and enforcing these assessments. Notice of the proposed amount of the assessment pursuant to s. 200.069 that includes the date and time of the hearing may be used in lieu of the notice provisions of s. 197.3632(4)(b). These benefit special assessments shall be a lien on the property against which assessed until paid and shall be enforceable in like manner as county taxes. The amount of the assessment for the exercise of the district's powers under ss. 190.011 and 190.012 shall be determined by the board based upon a report of the district's engineer and assessed by the board upon such lands, which may be part or all of the lands within the district benefited by the improvement, apportioned between benefited lands in proportion to the benefits received by each tract of land.

(3) **MAINTENANCE SPECIAL ASSESSMENTS.**—To maintain and preserve the facilities and projects of the district, the board may levy a maintenance special assessment. This assessment may be evidenced to and certified to the property appraiser by the board of supervisors not later than August 31 of each year and shall be entered by the property appraiser on the county tax rolls and shall be collected and enforced by the tax collector in the same manner and at the same time as county taxes, and the proceeds therefrom shall be paid to the district. However, this subsection shall not prohibit the district in its discretion from using the method prescribed in either s. 197.363 or s. 197.3632 for collecting and enforcing these assessments. Notice of the proposed amount of the assessment pursuant to s. 200.069 that includes the date and time of the hearing may be used in lieu of the notice provisions of s. 197.3632(4)(b). These maintenance special assessments shall be a lien on the property against which assessed until paid and shall be enforceable in like manner as county taxes. The amount of the maintenance special assessment for the exercise of the district's powers under ss. 190.011 and 190.012 shall be determined by the board based upon a report of the district's engineer and assessed by the board upon such lands, which may be all of the lands within the district benefited by the maintenance thereof, apportioned between the benefited lands in proportion to the benefits received by each tract of land.

(4) **ENFORCEMENT OF TAXES.**—The collection and enforcement of all taxes levied by the district shall be at the same time and in like manner as county taxes, and the provisions of the Florida Statutes relating to the sale of lands for unpaid and delinquent county taxes; the issuance, sale, and delivery of tax certificates for such unpaid and delinquent county taxes; the redemption thereof; the issuance to individuals of tax deeds based thereon; and all other procedures in connection therewith shall be applicable to the district to the same extent as if such statutory provisions were expressly set forth herein. All taxes shall be subject to the same discounts as county taxes.

(5) **WHEN UNPAID TAX IS DELINQUENT; PENALTY.**—All taxes provided for in this act shall become delinquent and bear penalties on the amount of such taxes in the same manner as county taxes.

(6) **TAX EXEMPTION.**—All bonds issued hereunder and interest paid thereon and all fees, charges, and other revenues derived by the district from the projects provided by this act are exempt from all taxes by the state or by any political subdivision, agency, or instrumentality thereof; however, any interest, income, or profits on debt obligations issued hereunder are not exempt from the tax imposed by chapter 220. Further, districts are not exempt from the provisions of chapter 212.

(7) **TRANSITIONAL PROVISIONS.**—Nothing in this act shall be deemed to affect any benefit tax, maintenance tax, non-ad valorem assessment, ad valorem tax, or special assessment imposed by a community development district as of June 21, 1991. Nothing in this act shall be construed to affect any tax or assessment pledged to secure or authorized pursuant to a trust indenture under this chapter, and the district imposing such tax or assessment is hereby authorized to impose such tax or assessment under the terms required by the trust indenture. The terms benefit taxes or maintenance taxes used in this chapter prior to June 21, 1991, are redesignated as benefit or maintenance special assessments pursuant to this act, and such terms may be used interchangeably under the terms of an existing trust indenture.

(8) **STATUS OF ASSESSMENTS.**—Benefit special assessments, maintenance special assessments, and special assessments are non-ad valorem assessments as defined by s. 197.3632.

(9) **ASSESSMENTS CONSTITUTE LIENS; COLLECTION.**—Benefit special assessments and maintenance special

assessments authorized by this section, and special assessments authorized by s. 190.022 and chapter 170, shall constitute a lien on the property against which assessed from the date of imposition thereof until paid, coequal with the lien of state, county, municipal, and school board taxes. These non-ad valorem assessments may be collected, at the district's discretion, by the tax collector pursuant to the provisions of s. 197.363 or s. 197.3632, or in accordance with other collection measures provided by law.

(10) **LAND OWNED BY GOVERNMENTAL ENTITY.**—Except as otherwise provided by law, no levy of ad valorem taxes or non-ad valorem assessments under this chapter, or chapter 170, chapter 197, or otherwise, by a board of a district on property of a governmental entity that is subject to a ground lease as described in s. 190.003(14), shall constitute a lien or encumbrance on the underlying fee interest of such governmental entity.

History.—s. 2, ch. 80-407; s. 11, ch. 84-360; s. 48, ch. 89-169; s. 7, ch. 91-308; s. 40, ch. 99-378; s. 35, ch. 2000-364; s. 10, ch. 2007-160; s. 7, ch. 2009-142.

190.022 Special assessments.—

(1) The board may levy special assessments for the construction, reconstruction, acquisition, or maintenance of district facilities authorized under this chapter using the procedures for levy and collection provided in chapter 170 or chapter 197.

(2) Notwithstanding the provisions of s. 170.09, district assessments may be made payable in no more than 30 yearly installments.

History.—s. 2, ch. 80-407; s. 12, ch. 84-360; s. 8, ch. 91-308; s. 41, ch. 99-378.

190.023 Issuance of certificates of indebtedness based on assessments for assessable improvements; assessment bonds.—

(1) The board may, after any assessments for assessable improvements are made, determined, and confirmed as provided in s. 190.022, issue certificates of indebtedness for the amount so assessed against the abutting property or property otherwise benefited, as the case may be; and separate certificates shall be issued against each part or parcel of land or property assessed, which certificates shall state the general nature of the improvement for which the assessment is made. The certificates shall be payable in annual installments in accordance with the installments of the special assessment for which they are issued. The board may determine the interest to be borne by such certificates, in compliance with s. 215.84, and may sell such certificates at either private or public sale and determine the form, manner of execution, and other details of such certificates. The certificates shall recite that they are payable only from the special assessments levied and collected from the part or parcel of land or property against which they are issued. The proceeds of such certificates may be pledged for the payment of principal of and interest on any revenue bonds or general obligation bonds issued to finance in whole or in part such assessable improvement, or, if not so pledged, may be used to pay the cost or part of the cost of such assessable improvements.

(2) The district may also issue assessment bonds or other obligations payable from a special fund into which such certificates of indebtedness referred to in the preceding subsection may be deposited; or, if such certificates of indebtedness have not been issued, the district may assign to such special fund for the benefit of the holders of such assessment bonds or other obligations, or to a trustee for such bondholders, the assessment liens provided for in this act unless such certificates of indebtedness or assessment liens have been theretofore pledged for any bonds or other obligations authorized hereunder. In the event of the creation of such special fund and the issuance of such assessment bonds or other obligations, the proceeds of such certificates of indebtedness or assessment liens deposited therein shall be used only for the payment of the assessment bonds or other obligations issued as provided in this section. The district is authorized to covenant with the holders of such assessment bonds or other obligations that it will diligently and faithfully enforce and collect all the special assessments and interest and penalties thereon for which such certificates of indebtedness or assessment liens have been deposited in or assigned to such fund; to foreclose such assessment liens so assigned to such special fund or represented by the certificates of indebtedness deposited in the special fund, after such

assessment liens have become delinquent, and deposit the proceeds derived from such foreclosure, including interest and penalties, in such special fund; and to make any other covenants deemed necessary or advisable in order to properly secure the holders of such assessment bonds or other obligations.

(3) The assessment bonds or other obligations issued pursuant to this section shall have such dates of issue and maturity as shall be deemed advisable by the board; however, the maturities of such assessment bonds or other obligations shall not be more than 2 years after the due date of the last installment which will be payable on any of the special assessments for which such assessment liens, or the certificates of indebtedness representing such assessment liens, are assigned to or deposited in such special fund.

(4) Such assessment bonds or other obligations issued under this section shall bear such interest as the board may determine, not to exceed a rate which is in compliance with s. 215.84, and shall be executed, shall have such provisions for redemption prior to maturity, shall be sold in the manner and be subject to all of the applicable provisions contained in this act for revenue bonds, except as the same may be inconsistent with the provisions of this section.

(5) All assessment bonds or other obligations issued under the provisions of this act, except certificates of indebtedness issued against separate lots or parcels of land or property as provided in this section, shall be and constitute and shall have all the qualities and incidents of negotiable instruments under the law merchant and the laws of the state.

History.—s. 2, ch. 80-407; s. 81, ch. 81-259; s. 12, ch. 83-215.

190.024 Tax liens.—All taxes of the district provided for in this act, together with all penalties for default in the payment of the same and all costs in collecting the same, including a reasonable attorney's fee fixed by the court and taxed as a cost in the action brought to enforce payment, shall, from January 1 for each year the property is liable to assessment and until paid, constitute a lien of equal dignity with the liens for state and county taxes and other taxes of equal dignity with state and county taxes upon all the lands against which such taxes shall be levied. A sale of any of the real property within the district for state and county or other taxes shall not operate to relieve or release the property so sold from the lien for subsequent district taxes or installments of district taxes, which lien may be enforced against such property as though no such sale thereof had been made. The provisions of ss. 194.171, 197.122, 197.333, and 197.432 shall be applicable to district taxes with the same force and effect as if such provisions were expressly set forth in this act.

History.—s. 2, ch. 80-407; s. 33, ch. 82-226; s. 202, ch. 85-342; s. 27, ch. 95-280.

190.025 Payment of taxes and redemption of tax liens by the district; sharing in proceeds of tax sale.—

(1) The district has the right to:

(a) Pay any delinquent state, county, district, municipal, or other tax or assessment upon lands located wholly or partially within the boundaries of the district; and

(b) To redeem or purchase any tax sales certificates issued or sold on account of any state, county, district, municipal, or other taxes or assessments upon lands located wholly or partially within the boundaries of the district.

(2) Delinquent taxes paid, or tax sales certificates redeemed or purchased, by the district, together with all penalties for the default in payment of the same and all costs in collecting the same and a reasonable attorney's fee, shall constitute a lien in favor of the district of equal dignity with the liens of state and county taxes and other taxes of equal dignity with state and county taxes upon all the real property against which the taxes were levied. The lien of the district may be foreclosed in the manner provided in this act.

(3) In any sale of land pursuant to s. 197.542 and amendments thereto, the district may certify to the clerk of the circuit court of the county holding such sale the amount of taxes due to the district upon the lands sought to be sold; and the district shall share in the disbursement of the sales proceeds in accordance with the provisions of this act and under the laws of the state.

History.—s. 2, ch. 80-407; s. 203, ch. 85-342.

190.026 Foreclosure of liens.—Any lien in favor of the district arising under this act may be foreclosed by the district

by foreclosure proceedings in the name of the district in a court of competent jurisdiction as provided by general law in like manner as is provided in chapter 170 or chapter 173 and amendments thereto; the provisions of those chapters shall be applicable to such proceedings with the same force and effect as if those provisions were expressly set forth in this act. Any act required or authorized to be done by or on behalf of a municipality in foreclosure proceedings under chapter 170 or chapter 173 may be performed by such officer or agent of the district as the board of supervisors may designate. Such foreclosure proceedings may be brought at any time after the expiration of 1 year from the date any tax, or installment thereof, becomes delinquent; however no lien shall be foreclosed against any political subdivision or agency of the state. Other legal remedies shall remain available.

History.—s. 2, ch. 80-407; s. 11, ch. 2007-160.

190.031 Mandatory use of certain district facilities and services.—To the full extent permitted by law, the district shall require all lands, buildings, premises, persons, firms, and corporations within the district to use the water management and control facilities and water and sewer facilities of the district.

History.—s. 2, ch. 80-407.

190.033 Bids required.—

(1) No contract shall be let by the board for any goods, supplies, or materials to be purchased when the amount thereof to be paid by the district shall exceed the amount provided in s. 287.017 for category four, unless notice of bids or other competitive solicitation, including requests for proposals or qualifications, is advertised once in a newspaper in general circulation in the county and in the district. Any board seeking to construct or improve a public building, structure, or other public works shall comply with the bidding procedures of s. 255.20 and other applicable general law. In each case, the bid of the lowest responsive and responsible bidder shall be accepted unless all bids are rejected because the bids are too high, or the board determines it is in the best interests of the district to reject all bids. In each case in which requests for proposals, qualifications, or other competitive solicitations are used, the district shall determine which response is most advantageous for the district and award the contract to that proposer. The board may require the bidders or proposers to furnish bond with a responsible surety to be approved by the board. If the district does not receive a response to its competitive solicitation, the district may proceed to purchase such goods, supplies, materials, or construction services in the manner it deems in the best interests of the district. Nothing in this section shall prevent the board from undertaking and performing the construction, operation, and maintenance of any project or facility authorized by this act by the employment of labor, material, and machinery.

(2) The provisions of the Consultants' Competitive Negotiation Act, s. 287.055, apply to contracts for engineering, architecture, landscape architecture, or registered surveying and mapping services let by the board.

(3) Contracts for maintenance services for any district facility or project shall be subject to competitive solicitation requirements when the amount thereof to be paid by the district exceeds the amount provided in s. 287.017 for category four. The district shall adopt rules, policies, or procedures establishing competitive solicitation procedures for maintenance services. Contracts for other services shall not be subject to competitive solicitation unless the district adopts a rule, policy, or procedure applying competitive solicitation procedures to said contracts.

History.—s. 2, ch. 80-407; s. 9, ch. 91-308; s. 113, ch. 94-119; s. 42, ch. 99-378; s. 12, ch. 2007-160.

190.035 Fees, rentals, and charges; procedure for adoption and modifications; minimum revenue requirements.—

(1) The district is authorized to prescribe, fix, establish, and collect rates, fees, rentals, or other charges, hereinafter sometimes referred to as "revenues," and to revise the same from time to time, for the facilities and services furnished by the district, within the limits of the district, including, but not limited to, recreational facilities, water management and control facilities, and water and sewer systems; to recover the costs of making connection with any district facility or system; and to provide for reasonable penalties against any user or property for any such rates, fees, rentals, or other charges that are delinquent.

(2) No such rates, fees, rentals, or other charges for any of the facilities or services of the district shall be fixed until after a public hearing at which all the users of the proposed facility or services or owners, tenants, or occupants served or to be served thereby and all other interested persons shall have an opportunity to be heard concerning the proposed rates, fees, rentals, or other charges. Rates, fees, rentals, and other charges shall be adopted under the administrative rulemaking authority of the district, but shall not apply to district leases. Notice of such public hearing setting forth the proposed schedule or schedules of rates, fees, rentals, and other charges shall have been published in a newspaper in the county and of general circulation in the district at least once and at least 10 days prior to such public hearing. The rulemaking hearing may be adjourned from time to time. After such hearing, such schedule or schedules, either as initially proposed or as modified or amended, may be finally adopted. A copy of the schedule or schedules of such rates, fees, rentals, or charges as finally adopted shall be kept on file in an office designated by the board and shall be open at all reasonable times to public inspection. The rates, fees, rentals, or charges so fixed for any class of users or property served shall be extended to cover any additional users or properties thereafter served which shall fall in the same class, without the necessity of any notice or hearing.

(3) Such rates, fees, rentals, and charges shall be just and equitable and uniform for users of the same class, and when appropriate may be based or computed either upon the amount of service furnished, upon the number of average number of persons residing or working in or otherwise occupying the premises served, or upon any other factor affecting the use of the facilities furnished, or upon any combination of the foregoing factors, as may be determined by the board on an equitable basis.

(4) The rates, fees, rentals, or other charges prescribed shall be such as will produce revenues, together with any other assessments, taxes, revenues, or funds available or pledged for such purpose, at least sufficient to provide for the items hereinafter listed, but not necessarily in the order stated:

- (a) To provide for all expenses of operation and maintenance of such facility or service;
- (b) To pay when due all bonds and interest thereon for the payment of which such revenues are, or shall have been, pledged or encumbered, including reserves for such purpose; and
- (c) To provide for any other funds which may be required under the resolution or resolutions authorizing the issuance of bonds pursuant to this act.

(5) The board shall have the power to enter into contracts for the use of the projects of the district and with respect to the services and facilities furnished or to be furnished by the district.

History.—s. 2, ch. 80-407; s. 10, ch. 91-308.

190.036 Recovery of delinquent charges.—In the event that any rates, fees, rentals, charges, or delinquent penalties shall not be paid as and when due and shall be in default for 60 days or more, the unpaid balance thereof and all interest accrued thereon, together with reasonable attorney's fees and costs, may be recovered by the district in a civil action.

History.—s. 2, ch. 80-407.

190.037 Discontinuance of service.—In the event the fees, rentals, or other charges for water and sewer services, or either of them, are not paid when due, the board shall have the power, under such reasonable rules and regulations as the board may adopt, to discontinue and shut off both water and sewer services until such fees, rentals, or other charges, including interest, penalties, and charges for the shutting off and discontinuance and the restoration of such water and sewer services or both, are fully paid; and, for such purposes, the board may enter on any lands, waters, or premises of any person, firm, corporation, or body, public or private, within the district limits. Such delinquent fees, rentals, or other charges, together with interest, penalties, and charges for the shutting off and discontinuance and the restoration of such services and facilities and reasonable attorney's fees and other expenses, may be recovered by the district, which may also enforce payment of such delinquent fees, rentals, or other charges by any other lawful method of enforcement.

History.—s. 2, ch. 80-407; s. 82, ch. 81-259.

190.041 Enforcement and penalties.—The board or any aggrieved person may have recourse to such remedies in law and at equity as may be necessary to ensure compliance with the provisions of this act, including injunctive relief to enjoin or restrain any person violating the provisions of this act or any bylaws, resolutions, regulations, rules, codes, or orders adopted under this act. In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained, or any building, structure, land, or water is used, in violation of this act or of any code, order, resolution, or other regulation made under authority conferred by this act or under law, the board or any citizen residing in the district may institute any appropriate action or proceeding to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use; to restrain, correct, or avoid such violation; to prevent the occupancy of such building, structure, land, or water; and to prevent any illegal act, conduct, business, or use in or about such premises, land, or water.

History.—s. 2, ch. 80-407; s. 83, ch. 81-259.

190.043 Suits against the district.—Any suit or action brought or maintained against the district for damages arising out of tort, including, without limitation, any claim arising upon account of an act causing an injury or loss of property, personal injury, or death, shall be subject to the limitations provided in s. 768.28.

History.—s. 2, ch. 80-407.

190.044 Exemption of district property from execution.—All district property shall be exempt from levy and sale by virtue of an execution, and no execution or other judicial process shall issue against such property, nor shall any judgment against the district be a charge or lien on its property or revenues; however, nothing contained herein shall apply to or limit the rights of bondholders to pursue any remedy for the enforcement of any lien or pledge given by the district in connection with any of the bonds or obligations of the district.

History.—s. 2, ch. 80-407.

190.046 Termination, contraction, or expansion of district.—

(1) A landowner or the board may petition to contract or expand the boundaries of a community development district in the following manner:

(a) The petition shall contain the same information required by s. 190.005(1)(a)1. and 8. In addition, if the petitioner seeks to expand the district, the petition shall describe the proposed timetable for construction of any district services to the area, the estimated cost of constructing the proposed services, and the designation of the future general distribution, location, and extent of public and private uses of land proposed for the area by the future land use plan element of the adopted local government local comprehensive plan. If the petitioner seeks to contract the district, the petition shall describe what services and facilities are currently provided by the district to the area being removed, and the designation of the future general distribution, location, and extent of public and private uses of land proposed for the area by the future land use element of the adopted local government comprehensive plan.

(b) For those districts initially established by county ordinance, the petition for ordinance amendment shall be filed with the county commission. If the land to be included or excluded is, in whole or in part, within the boundaries of a municipality, then the county commission shall not amend the ordinance without municipal approval. A public hearing shall be held in the same manner and with the same public notice as other ordinance amendments. The county commission shall consider the record of the public hearing and the factors set forth in s. 190.005(1)(e) in making its determination to grant or deny the petition for ordinance amendment.

(c) For those districts initially established by municipal ordinance pursuant to s. 190.005(2)(e), the municipality shall assume the duties of the county commission set forth in paragraph (b); however, if any of the land to be included or excluded, in whole or in part, is outside the boundaries of the municipality, then the municipality shall not amend its ordinance without county commission approval.

(d)1. For those districts initially established by administrative rule pursuant to s. 190.005(1), the petition shall be filed

with the Florida Land and Water Adjudicatory Commission.

2. Prior to filing the petition, the petitioner shall pay a filing fee of \$1,500, to the county if the district or the land to be added or deleted from the district is located within an unincorporated area or to the municipality if the district or the land to be added or deleted is located within an incorporated area, and to each municipality the boundaries of which are contiguous with or contain all or a portion of the land within or to be added to or deleted from the external boundaries of the district. The petitioner shall submit a copy of the petition to the same entities entitled to receive the filing fee. In addition, if the district is not the petitioner, the petitioner shall file the petition with the district board of supervisors.

3. Each county and each municipality shall have the option of holding a public hearing as provided by s. 190.005(1)(c). However, the public hearing shall be limited to consideration of the contents of the petition and whether the petition for amendment should be supported by the county or municipality.

4. The district board of supervisors shall, in lieu of a hearing officer, hold the local public hearing provided for by s. 190.005(1)(d). This local public hearing shall be noticed in the same manner as provided in s. 190.005(1)(d). Within 45 days of the conclusion of the hearing, the district board of supervisors shall transmit to the Florida Land and Water Adjudicatory Commission the full record of the local hearing, the transcript of the hearing, any resolutions adopted by the local general-purpose governments, and its recommendation whether to grant the petition for amendment. The commission shall then proceed in accordance with s. 190.005(1)(e).

5. A rule amending a district boundary shall describe the land to be added or deleted.

(e)1. During the existence of a district initially established by administrative rule, the process to amend the boundaries of the district pursuant to paragraphs (a)-(d) shall not permit a cumulative net total greater than 50 percent of the land in the initial district, and in no event greater than 1,000 acres on a cumulative net basis.

2. During the existence of a district initially established by county or municipal ordinance, the process to amend the boundaries of the district pursuant to paragraphs (a)-(d) shall not permit a cumulative net total greater than 50 percent of the land in the initial district, and in no event greater than 1,000 acres on a cumulative net basis.

(f) Petitions to amend the boundaries of the district that exceed the amount of land specified in paragraph (e) shall be processed in accordance with s. 190.005, and the petition shall include only the elements set forth in s. 190.005(1)(a)1. and 5.-8. and the consent required by paragraph (g). However, the resulting administrative rule or ordinance may only amend the boundaries of the district and may not establish a new district or cause a new 6-year or 10-year period to begin pursuant to s. 190.006(3)(a)2. The filing fee for such petitions shall be as set forth in s. 190.005(1)(b), as applicable.

(g) In all cases of a petition to amend the boundaries of a district, the filing of the petition by the district board of supervisors constitutes consent of the landowners within the district. In all cases, written consent of those landowners whose land is to be added to or deleted from the district as provided in s. 190.005(1)(a)2. is required.

(h) For a petition to establish a new community development district of less than 2,500 acres on land located solely in one county or one municipality, sufficiently contiguous lands located within the county or municipality which the petitioner anticipates adding to the boundaries of the district within 10 years after the effective date of the ordinance establishing the district may also be identified. If such sufficiently contiguous land is identified, the petition must include a legal description of each additional parcel within the sufficiently contiguous land, the current owner of the parcel, the acreage of the parcel, and the current land use designation of the parcel. At least 14 days before the hearing required under s. 190.005(2)(b), the petitioner must give the current owner of each such parcel notice of filing the petition to establish the district, the date and time of the public hearing on the petition, and the name and address of the petitioner. A parcel may not be included in the district without the written consent of the owner of the parcel.

1. After establishment of the district, a person may petition the county or municipality to amend the boundaries of the district to include a previously identified parcel that was a proposed addition to the district before its establishment. A filing fee may not be charged for this petition. Each such petition must include:

- a. A legal description by metes and bounds of the parcel to be added;
- b. A new legal description by metes and bounds of the district;

- c. Written consent of all owners of the parcel to be added;
 - d. A map of the district including the parcel to be added;
 - e. A description of the development proposed on the additional parcel; and
 - f. A copy of the original petition identifying the parcel to be added.
2. Before filing with the county or municipality, the person must provide the petition to the district and to the owner of the proposed additional parcel, if the owner is not the petitioner.
3. Once the petition is determined sufficient and complete, the county or municipality must process the addition of the parcel to the district as an amendment to the ordinance that establishes the district. The county or municipality may process all petitions to amend the ordinance for parcels identified in the original petition, even if, by adding such parcels, the district exceeds 2,500 acres.
4. The petitioner shall cause to be published in a newspaper qualified to publish legal notices in the proposed district a notice of the intent to amend the ordinance that establishes the district. The notice must be in addition to any notice required for adoption of the ordinance amendment. Such notice must be published as provided in chapter 50 at least 10 days before the scheduled hearing on the ordinance amendment. The notice must include a general description of the land to be added to the district and the date and time of the scheduled hearing to amend the ordinance. The petitioner shall deliver, including by mail or hand delivery, the notice of the hearing on the ordinance amendment to the owner of the parcel and to the district at least 14 days before the scheduled hearing.
5. The amendment of a district by the addition of a parcel pursuant to this paragraph does not alter the transition from landowner voting to qualified elector voting pursuant to s. 190.006, even if the total size of the district after the addition of the parcel exceeds 5,000 acres. Upon adoption of the ordinance expanding the district, the petitioner must cause to be recorded a notice of boundary amendment which reflects the new boundaries of the district.
6. This paragraph is intended to facilitate the orderly addition of lands to a district under certain circumstances and does not preclude the addition of lands to any district using the procedures in the other provisions of this section.
- (2) The district shall remain in existence unless:
 - (a) The district is merged with another district as provided in subsection (3) or subsection (4);
 - (b) All of the specific community development systems, facilities, and services that it is authorized to perform have been transferred to a general-purpose unit of local government in the manner provided in subsections (5), (6), and (7); or
 - (c) The district is dissolved as provided in subsection (8), subsection (9), or subsection (10).
 - (3) The district may merge with other community development districts upon filing a petition for merger, which petition shall include the elements set forth in s. 190.005(1) and which shall be evaluated using the criteria set forth in s. 190.005(1)(e). The filing fee shall be as set forth in s. 190.005(1)(b). In addition, the petition shall state whether a new district is to be established or whether one district shall be the surviving district. A community development district may also merge with another type of special district created by special act pursuant to the terms of that special act or by filing a petition for establishment of a new district pursuant to s. 190.005. The government formed by a merger involving a community development district pursuant to this section shall assume all indebtedness of, and receive title to, all property owned by the preexisting special districts, and the rights of creditors and liens upon property are not impaired by such merger. Any claim existing or action or proceeding pending by or against any district that is a party to the merger may be continued as if the merger had not occurred, or the surviving district may be substituted in the proceeding for the district that ceased to exist. Prior to filing a petition, the districts desiring to merge shall enter into a merger agreement and shall provide for the proper allocation of the indebtedness so assumed and the manner in which such debt shall be retired. The approval of the merger agreement and the petition by the board of supervisors of the district shall constitute consent of the landowners within the district. A community development district merging with another type of district may also enter into a merger agreement to address issues of transition, including the allocation of indebtedness and retirement of debt.
 - (4)(a) To achieve economies of scale, reduce costs to affected district residents and businesses in areas with multiple

existing districts, and encourage the merger of multiple districts, up to five districts that were established by the same local general-purpose government and whose board memberships are composed entirely of qualified electors may merge into one surviving district through adoption of an ordinance by the local general-purpose government, notwithstanding the acreage limitations otherwise set forth for the establishment of a district in this chapter. The filing of a petition by the majority of the members of each district board of supervisors seeking to merge constitutes consent of the landowners within each applicable district.

(b) In addition to meeting the requirements of subsection (3), a merger agreement entered into between the district boards subject to this subsection must also:

1. Require the surviving merged district board to consist of five elected board members.
2. Require each at-large board seat to represent the entire geographic area of the surviving merged district.
3. Ensure that each district to be merged is entitled to elect at least one board member from its former boundary.
4. Ensure a fair allocation of board membership to represent the districts being merged. To that end:
 - a. If two districts merge, two board members shall be elected from each of the districts and one member shall be elected at-large.
 - b. If three districts merge, one board member shall be elected from each of the three districts and two board members shall be elected at-large.
 - c. If four districts merge, one board member shall be elected from each of the four districts and one board member shall be elected at-large.
 - d. If five districts merge, one board member shall be elected from each of the five districts.
5. Require the election of board members for the surviving merged district to be held at the next general election following the merger, at which time all terms of preexisting board members shall end and the merger shall be legally in effect.

(c) Before filing the merger petition with the local general-purpose government under this subsection, each district proposing to merge must hold a public hearing within its district to provide information about and take public comment on the proposed merger, merger agreement, and assignment of board seats. Notice of the hearing shall be published at least 14 days before the hearing. If, after the public hearing, a district board decides that it no longer wants to merge and cancels the proposed merger agreement, the remaining districts must each hold another public hearing on the revised merger agreement. A petition to merge may not be filed for at least 30 days after the last public hearing held by the districts proposing to merge.

(5) The local general-purpose government within the geographical boundaries of which the district lies may adopt a nonemergency ordinance providing for a plan for the transfer of a specific community development service from a district to the local general-purpose government. The plan must provide for the assumption and guarantee of the district debt that is related to the service by the local general-purpose government and must demonstrate the ability of the local general-purpose government to provide such service:

- (a) As efficiently as the district.
 - (b) At a level of quality equal to or higher than the level of quality actually delivered by the district to the users of the service.
 - (c) At a charge equal to or lower than the actual charge by the district to the users of the service.
- (6) No later than 30 days following the adoption of a transfer plan ordinance, the board of supervisors may file, in the circuit court for the county in which the local general-purpose government that adopted the ordinance is located, a petition seeking review by certiorari of the factual and legal basis for the adoption of the transfer plan ordinance.
- (7) Upon the transfer of all of the community development services of the district to a general-purpose unit of local government, the district shall be terminated in accordance with a plan of termination which shall be adopted by the board of supervisors and filed with the clerk of the circuit court.
- (8) If, within 5 years after the effective date of the rule or ordinance establishing the district, a landowner has not

received a development permit, as defined in chapter 380, on some part or all of the area covered by the district, then the district will be automatically dissolved and a judge of the circuit court shall cause a statement to that effect to be filed in the public records.

(9) In the event the district has become inactive pursuant to s. 189.062, the respective board of county commissioners or city commission shall be informed and it shall take appropriate action.

(10) If a district has no outstanding financial obligations and no operating or maintenance responsibilities, upon the petition of the district, the district may be dissolved by a nonemergency ordinance of the general-purpose local governmental entity that established the district or, if the district was established by rule of the Florida Land and Water Adjudicatory Commission, the district may be dissolved by repeal of such rule of the commission.

(1) Upon attaining the population standards for incorporation contained in s. 165.061 and as determined by the Department of Economic Opportunity, any district wholly contained within the unincorporated area of a county that also meets the other requirements for incorporation contained in s. 165.061 shall hold a referendum at a general election on the question of whether to incorporate. Re: Community Development District Representation

Dear Board of Supervisors:

On behalf of Kutak Rock LLP, we are pleased to submit this letter regarding our interest in serving as counsel to the Board of Supervisors of the St. Augustine Lakes Community Development District (the "District"). The Tallahassee office of Kutak Rock has extensive experience representing community development districts and other special taxing districts throughout the state of Florida. Our lawyers have been providing clients with advice regarding the operation of community development districts for over 30 years and presently serve as general counsel to approximately 200-plus community development districts and other special taxing districts throughout Florida and have established a number of others.

Kutak Rock regularly provides advice to districts in contractual matters, bidding, budgeting, and the many other issues with which district boards are confronted on a day-to-day basis. We currently represent several districts in the Northeast Florida area including districts located in Clay, Duval, Nassau and St. Johns Counties. It is extremely important that counsel to the District be familiar with the significant responsibilities and obligations of the members of the Board of Supervisors. It is also critical that counsel function effectively as a part of the District's "staff" or management team to ensure that the operations of the District are effectively and smoothly administered. In that regard, we have worked with a variety of engineers, consultants, and other attorneys and fully understand the importance of functioning as a team.

For services as counsel to the District, we propose to charge an hourly rate for the attorney performing the work plus direct out-of-pocket expenses for travel costs, postage, and copying charges, etc. For matters related to issuance of debt, if any, we will identify a 'not to exceed' flat fee prior to each such issuance or may track our time hourly. Our rates vary depending generally on the experience of that attorney. For example, my proposed hourly rate is \$300. Other work by attorneys and paralegals in the firm would also be performed at their established rates. Our rates are reviewed annually and may be adjusted from time to time in conjunction with such reviews, after providing notice to you. Let me assure you that we will make every effort to keep legal costs as low as possible while providing services consistent with our professional responsibilities. Itemized bills showing all time spent for services are rendered monthly and are due upon receipt.

We have attached a copy of the firm's policy with respect to expenses, although to the extent that Chapter 112, F.S., conflicts with these policies, Chapter 112, F.S., will govern.

With respect to conflicts, it is important to disclose that our firm represents a number of other special districts throughout Florida. Individuals with our firm also assisted Lennar Homes, LLC, in its efforts to establish the St. Augustine Lakes Community Development District. However, we are unaware of any ethical conflicts in our representation of the St. Augustine Lakes Community Development District. Please note that acceptance of the Fee Agreement will constitute your waiver of any "conflict."

If we can provide you with any additional information, please feel free to contact us. Thank you for this opportunity, and we look forward to working with you.

Sincerely,

Wesley S. Haber

Unless set forth in a separate agreement to which Client consents in writing, Kutak Rock does not represent individual members of the Client’s Board of Supervisors.

III. CLIENT FILES

The files and work product materials (“**Client File**”) of the Client generated or received by Kutak Rock will be maintained confidentially to the extent permitted by law and in accordance with the Florida Bar rules. At the conclusion of the representation, the Client File will be stored by Kutak Rock for a minimum of five (5) years. After the five (5) year storage period, the Client hereby acknowledges and consents that Kutak Rock may confidentially destroy or shred the Client File. Notwithstanding the prior sentence, if the Client provides Kutak Rock with a written request for the return of the Client File before the end of the five (5) year storage period, then Kutak Rock will return the Client File to Client at Client’s expense.

IV. FEES

- A. The Client agrees to compensate Kutak Rock for services rendered in connection with any matters covered by this Agreement on an hourly rate basis plus actual expenses incurred by Kutak Rock in accordance with the attached Expense Reimbursement Policy (Attachment A, incorporated herein by reference). Time will be billed in increments of one-tenth (1/10) of an hour. Certain work related to issuance of bonds and bond anticipation notes may be performed under a flat fee to be separately established prior to or at the time of bond or note issuance.
- B. Attorneys and staff, if applicable, who perform work for Client will be billed at their regular hourly rates, as may be adjusted from time to time. The regular hourly rates of those initially expected to handle the bulk of Client's work are as follows:

Wesley S. Haber	\$300
Associates	\$265
Paralegals	\$145

Kutak Rock's regular hourly billing rates are reevaluated annually and are subject to change not more than once in a calendar year. Client agrees to Kutak Rock's annual rate increases to the extent hourly rates are not increased beyond \$15/hour.

- C. To the extent practicable and consistent with the requirements of sound legal representation, Kutak Rock will attempt to reduce Client's bills by assigning each task to the person best able to perform it at the lowest rate, so long as he or she has the requisite knowledge and experience.
- D. Upon consent of Client, Kutak Rock may subcontract for legal services in the event that Client requires legal services for which Kutak Rock does not have adequate capabilities.
- E. Kutak Rock will include costs and expenses (including interest charges on past due statements) on its billing statements for Client reimbursement in accordance with the attached Expense Reimbursement Policy.

V. BILLING AND PAYMENT

The Client agrees to pay Kutak Rock's monthly billings for fees and expenses incurred within thirty (30) days following receipt of an invoice, or the time permitted by Florida law, whichever is greater. Kutak Rock shall not be obligated to perform further legal services under this Agreement if any such billing statement remains unpaid longer than thirty (30) days after submittal to and receipt by Client. Non-payment of billing statements shall be a basis for Kutak Rock to immediately withdraw from the representation without regard to remaining actions necessitating attention by Kutak Rock as part of the representation.

VI. DEFAULT; VENUE

In any legal proceeding to collect outstanding balances due under this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees in addition to costs and outstanding balances due under this Agreement. Venue of any such action shall be exclusive in the state courts of the Second Judicial Circuit in and for Leon County, Florida.

VII. CONFLICTS

It is important to disclose that Kutak Rock represents a number of special districts, trustees ("Trustees"), bondholders, developers, builders, and other entities throughout Florida and the United States of America relating to community development districts, special districts, local governments and land development. Kutak Rock or its attorneys may also have represented the entity which petitioned for the formation of the Client. Kutak Rock understands that Client may enter into an agreement with a Trustee in connection with the issuance of bonds, and that Client may request that Kutak Rock simultaneously represent Client in connection with the issuance of bonds, while Kutak Rock is also representing such Trustee on unrelated matters. By accepting this Agreement Client agrees that (1) Client was provided with an explanation of the implications of the common representation(s) and the advantages and risks involved; (2) Kutak Rock will be able to provide competent and diligent representation of Client, regardless of Kutak Rock's other representations, and (3) there is not a substantial risk that Kutak Rock's representation of Client would be materially limited by Kutak Rock's responsibilities to another client, a former client or a third person or by a personal interest. Acceptance of this Agreement will constitute Client's waiver of any "conflict" with Kutak Rock's representation of various special districts, Trustees, bondholders, developers, builders, and other entities relating to community development districts, special districts, local governments and land development.

VIII. ACKNOWLEDGMENT

Client acknowledges that the Kutak Rock cannot make any promises to Client as to the outcome of any legal dispute or guarantee that Client will prevail in any legal dispute.

IX. TERMINATION

Either party may terminate this Agreement upon providing prior written notice to the other party at its regular place of business. All fees due and payable in accordance with this Agreement shall accrue and become payable pursuant to the terms of this Agreement through the date of termination.

X. EXECUTION OF AGREEMENT

This Agreement shall be deemed fully executed upon its signing by Kutak Rock and the Client. The contract formed between Kutak Rock and the Client shall be the operational contract between the parties.

NOW, THEREFORE, for and in consideration of the mutual covenants herein contained, the acts and deeds to be performed by the parties and the payments by the District to Engineer of the sums of money herein specified, it is mutually covenanted and agreed as follows:

SECTION 1. RECITALS. The Recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

SECTION 3. REPRESENTATIONS. Engineer hereby represents to the District that:

- A. It has the experience and skill to perform the services required to be performed by this Agreement;
- B. It shall design to and comply with limitation, professional registration and licensing requirements (both corporate and individual for all required basic disciplines) in effect during the term of this Agreement, and shall, if requested by the District, provide certification of compliance with all registration and licensing requirements;
- C. It shall perform said services in accordance with generally accepted professional standards in the most expeditious and economical manner, and to the extent consistent with the best interests of the District; and
- D. It is adequately financed to meet any financial obligations it may be required to incur under this Agreement.

SECTION 4. METHOD OF AUTHORIZATION. Each service or project shall be authorized in writing by the District ("Work Authorization"). Each Work Authorization shall include the scope of work, compensation, project schedule, and special provisions or conditions specific to the service or project being authorized. Authorization of services or projects under this Agreement shall be at the sole discretion of the District. Work Authorization Number 1 attached hereto as **Exhibit A**, and incorporated herein by this reference, is hereby *approved*.

SECTION 5. COMPENSATION. It is understood and agreed that the payment of compensation for services under this Agreement shall be stipulated in each Work Authorization. Services rendered by Engineer under this Agreement shall not exceed the amounts specifically authorized by each written Work Authorization. One of the following methods will be utilized:

- A. *Lump Sum Amount* - The District and Engineer shall mutually agree to a lump sum amount for the services to be rendered payable monthly in direct proportion to the work accomplished.
- B. *Hourly Personnel Rates* - For services or projects where scope of services is not clearly defined, or recurring services or other projects where the District desires the use of the hourly compensation rates, the District and Engineer shall use the hourly compensation rates outlined in **Exhibit B** attached hereto. B. Expense of reproduction, postage, and handling of drawings and specifications.

SECTION 7. TERM OF AGREEMENT. It is understood and agreed that this Agreement is for interim engineering services. It is further understood and agreed that the term of this Agreement will be from the time of execution of this Agreement by the parties until such time as the District notifies Engineer that it has entered into a subsequent agreement for engineering services.

SECTION 8. SPECIAL CONSULTANTS. When authorized in writing by the District, additional special consulting services may be utilized by Engineer and paid for on a cost basis.

SECTION 9. BOOKS AND RECORDS. Engineer shall maintain comprehensive books and records relating to any services performed under this Agreement, which shall be retained by Engineer for a period of at least four (4) years from and after completion of any services hereunder. The District, or its authorized representative, shall have the right to audit such books and records at all reasonable times upon prior notice to Engineer.

SECTION 10. OWNERSHIP OF DOCUMENTS.

A. All rights in and title to all plans, drawings, specifications, ideas, concepts, designs, sketches, models, programs, software, creation, inventions, reports, or other tangible work product originally developed by Engineer pursuant to this Agreement ("Work Product") shall be and remain the sole and exclusive property of the District when developed and shall be considered work for hire.

B. Engineer shall deliver all Work Product to the District upon completion thereof unless it is necessary for Engineer in the District's sole discretion, to retain possession for a longer period of time. Upon early termination of Engineer's services hereunder, Engineer shall deliver all such Work Product whether complete or not. The District shall have all rights to use any and all Work Product. Engineer shall retain copies of the Work Product for its permanent records, provided the Work Product is not used without the District's prior express written consent. Engineer agrees not to recreate any Work Product contemplated by this Agreement, or portions thereof, which if constructed or otherwise materialized, would be reasonably identifiable with the project.

C. The District exclusively retains all manufacturing rights to all materials or designs developed under this Agreement. To the extent the services performed under this Agreement produce or include copyrightable or patentable materials or designs, such materials or designs are work made for hire for the District as the author, creator, or inventor thereof upon creation, and the District shall have all rights therein including, without limitation, the right of reproduction, with respect to such work. Engineer hereby assigns to the District any and all rights Engineer may have including, without limitation, the copyright, with respect to such work. Engineer acknowledges that the District is the motivating factor for, and for the purpose of copyright or patent, has the right to direct and supervise the preparation of such copyrightable or patentable materials or designs.

SECTION 11. ACCOUNTING RECORDS. Records of Engineer pertaining to the services provided hereunder shall be kept on a basis of generally accepted accounting principles and shall be available to the District or its authorized representative for observation or audit at mutually agreeable times.

SECTION 12. REUSE OF DOCUMENTS. All documents including drawings and specifications furnished by Engineer pursuant to this Agreement are instruments of service. They are not intended or represented to be suitable for reuse by the District or others on extensions of the work for which they were provided or on any other project. Any reuse without specific written consent by Engineer will be at the District's sole risk and without liability or legal exposure to Engineer. All documents including drawings, plans and specifications furnished by Engineer to the District are subject to reuse in accordance with Section 287.055(10), *Florida Statutes*.

SECTION 13. ESTIMATE OF COST. Since Engineer has no control over the cost of labor, materials, or equipment or over a contractor's(s') methods of determining prices, or over competitive bidding or market conditions, its opinions of probable cost provided as a service hereunder are to be made on the basis of its experience and qualifications and represent its best judgment as a design professional familiar with the construction industry, but Engineer cannot and does not guarantee that proposals, bids, or the construction costs will not vary from opinions of probable cost prepared by it. If the District wishes greater assurance as to the construction costs, it shall employ an independent cost estimator at its own expense. Services to modify approved documents to bring the construction cost within any limitation established by the District will be considered additional services and justify additional fees.

SECTION 14. INSURANCE. Subject to the provisions of this Section, Engineer shall maintain insurance during the performance of its services under this Agreement, with limits of liability not less than the following:

Workers' Compensation	Statutory
General Liability	
Bodily Injury	\$1,000,000/\$2,000,000
(including Contractual)	
Property Damage	\$1,000,000/\$2,000,000

(including Contractual)

Automobile Liability Bodily Injury / Property Damage	Combined Single Limit \$1,000,000
Professional Liability for Errors and Omissions	\$1,000,000

If any such policy of insurance is a “claims made” policy, and not an “occurrence” policy, Engineer shall, without interruption, and at the District’s option, maintain the insurance for at least five (5) years after the one year anniversary of this Agreement.

The District, its officers, supervisors, agents, staff, and representatives shall be named as additional insured parties, except with respect to the Worker’s Compensation Insurance and the Professional Liability for Errors and Omissions Insurance both for which only proof of insurance shall be provided. Engineer shall furnish the District with the Certificate of Insurance evidencing compliance with the requirements of this Section. No certificate shall be acceptable to the District unless it provides that any change or termination within the policy periods of the insurance coverage, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the state of Florida.

If Engineer fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, Engineer shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District’s obtaining the required insurance.

SECTION 15. CONTINGENT FEE. Engineer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Engineer, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for Engineer, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

SECTION 16. COMPLIANCE WITH GOVERNMENTAL REGULATIONS. In performing its obligations under this Agreement, Engineer and each of its agents, contractors, subcontractors, employees or anyone directly or indirectly employed by Engineer, shall comply with all applicable laws, ordinances, rules, regulations, and orders of any public or governmental authority having appropriate jurisdiction. If Engineer fails to notify the District in writing within five (5) days of the receipt of any notice, order, required to comply notice, or a report of a violation of an alleged violation, made by any local, State or Federal governmental body or agency or subdivision thereof with respect to the services being rendered under this Agreement or any action of Engineer or any of its agents, servants, or employees, or fails to comply with any requirement of such agency within five (5) days after receipt of any such notice, order request to

comply notice, or report of a violation or an alleged violation, the District may terminate this Agreement, such termination to be effective upon the giving of notice of termination.

SECTION 17. COMPLIANCE WITH PROFESSIONAL STANDARDS. In performing its obligations under this Agreement, Engineer and each of its agents, contractors, subcontractors, employees, or anyone directly or indirectly employed by Engineer, shall maintain the highest standard of care, skill, diligence, and professional competency for such work and/or services. Any designs, drawings, reports, or specifications prepared or furnished by Engineer that contain errors, conflicts, or omissions will be promptly corrected by Engineer at no cost to the District.

SECTION 18. AUDIT. Engineer agrees that the District or any of its duly authorized representatives shall, until the expiration of four (4) years after expenditure of funds under this Agreement, have access to and the right to examine any books, documents, papers, and records of Engineer involving transactions related to this Agreement. Engineer agrees that payment made under this Agreement shall be subject to reduction for amounts charged thereto that are found on the basis of audit examination not to constitute allowable costs. All required records shall be maintained until an audit is completed and all questions arising therefrom are resolved, or three (3) years after completion of all work under this Agreement.

SECTION 19. INDEMNIFICATION. Engineer agrees to indemnify, defend, and hold the District and the District's officers and employees harmless from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, which may come against the District and the District's officers and employees, to the extent caused wholly or in part by negligent, reckless, or intentionally wrongful acts, omissions, or defaults by Engineer or persons employed or utilized by Engineer the course of any work done under this Agreement. To the extent a limitation on liability is required by Section 725.06 of the Florida Statutes or other applicable law, liability under this section shall in no event exceed the greater of the insurance limits set forth herein or Two Million Dollars (\$2,000,000). Engineer agrees such limitation bears a reasonable commercial relationship to the contract and was part of the project specifications or bid documents.

PURSUANT TO FLORIDA STATUTES SECTION 558.0035 (2018), AN INDIVIDUAL EMPLOYEE OR AGENT MAY NOT BE HELD INDIVIDUALLY LIABLE FOR NEGLIGENCE.

SECTION 20. PUBLIC RECORDS. Engineer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and, accordingly, Engineer agrees to comply with all applicable provisions of Florida law in handling such records, including, but not limited, to Section 119.0701, *Florida Statutes*. Among other requirements and to the extent applicable by law, Engineer shall 1) keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, hereinafter defined, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of this Agreement term and following this

Agreement term if Engineer does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of this Agreement, transfer to the District, at no cost, all public records in Engineer's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by Engineer, Engineer shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with Microsoft Word or Adobe PDF formats. Engineer acknowledges that the designated Public Records Custodian for the District is **James Oliver**.

Pursuant to Chapter 190, Florida Statutes, and after a Community Development District ("**District**") has been established and the landowners have held their initial election, there shall be a subsequent landowners' meeting for the purpose of electing members of the Board of Supervisors ("**Board**") every two years until the District qualifies to have its board members elected by the qualified electors of the District. The following instructions on how all landowners may participate in the election are intended to comply with Section 190.006(2)(b), Florida Statutes.

A landowner may vote in person at the landowners' meeting, or the landowner may nominate a proxy holder to vote at the meeting in place of the landowner. Whether in person or by proxy, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the District, for each position on the Board that is open for election for the upcoming term. A fraction of an acre shall be treated as one (1) acre, entitling the landowner to one vote with respect thereto. At the landowners' meeting, the first step is to elect a chair for the meeting, who may be any person present at the meeting. The landowners shall also elect a secretary for the meeting who may be any person present at the meeting. The secretary shall be responsible for the minutes of the meeting. The chair shall conduct the nominations and the voting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions. Candidates must be nominated and then shall be elected by a vote of the landowners. Nominees may be elected only to a position on the Board that is open for election for the upcoming term.

Five (5) seats on the Board will be up for election by landowners. The two candidates receiving the highest number of votes shall be elected for a term of four (4) years. The three candidates receiving the next highest number of votes shall be elected for a term of two (2) years. The term of office for each successful candidate shall commence upon election.

A proxy is available upon request. To be valid, each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy does not need to be notarized.

If, during the term of office, any Board member(s) vacates their office, the remaining member(s) of the Board shall fill the vacancies by appointment for the remainder of the term(s). If three or more vacancies exist at the same time, a quorum, as defined herein, shall not be required to appoint replacement Board members.
 - (b) Three (3) members of the Board shall constitute a quorum for the purposes of conducting business, exercising powers and all other purposes. A Board member shall be counted toward the quorum if physically present at the meeting, regardless of whether such Board member is prohibited from, or abstains from, participating in discussion or voting on a particular item.
 - (c) Action taken by the Board shall be upon a majority vote of the members present, unless otherwise provided in the Rules or required by law. Subject to Rule 1.3(10), a Board member participating in the Board meeting by teleconference or videoconference shall be entitled to vote and take all other action as though physically present.
 - (d) Unless otherwise provided for by an act of the Board, any one Board member may attend a mediation session on behalf of the Board. Any agreement resulting from such mediation session must be approved pursuant to subsection (1)(c) of this Rule.

 - (a) The Chairperson must be a member of the Board. If the Chairperson resigns from that office or ceases to be a member of the Board, the Board shall select a Chairperson. The Chairperson serves at the pleasure of the Board. The Chairperson shall be authorized to execute resolutions and contracts on the District’s behalf. The Chairperson shall convene and conduct all meetings of the Board. In the event the Chairperson is unable

to attend a meeting, the Vice-Chairperson shall convene and conduct the meeting. The Chairperson or Vice-Chairperson may delegate the responsibility of conducting the meeting to the District's manager ("District Manager") or District Counsel, in whole or in part.

- (b) The Vice-Chairperson shall be a member of the Board and shall have such duties and responsibilities as specifically designated by the Board from time to time. The Vice-Chairperson has the authority to execute resolutions and contracts on the District's behalf in the absence of the Chairperson. If the Vice-Chairperson resigns from office or ceases to be a member of the Board, the Board shall select a Vice-Chairperson. The Vice-Chairperson serves at the pleasure of the Board.
- (c) The Secretary of the Board serves at the pleasure of the Board and need not be a member of the Board. The Secretary shall be responsible for maintaining the minutes of Board meetings and may have other duties assigned by the Board from time to time. An employee of the District Manager may serve as Secretary. The Secretary shall be bonded by a reputable and qualified bonding company in at least the amount of one million dollars (\$1,000,000), or have in place a fidelity bond, employee theft insurance policy, or a comparable product in at least the amount of one million dollars (\$1,000,000) that names the District as an additional insured.
- (d) The Treasurer need not be a member of the Board but must be a resident of the State of Florida. The Treasurer shall perform duties described in Section 190.007(2) and (3) of the Florida Statutes, as well as those assigned by the Board from time to time. The Treasurer shall serve at the pleasure of the Board. The Treasurer shall either be bonded by a reputable and qualified bonding company in at least the amount of one million dollars (\$1,000,000), or have in place a fidelity bond, employee theft insurance policy, or a comparable product in at least the amount of one million dollars (\$1,000,000) that names the District as an additional insured.
- (e) In the event that both the Chairperson and Vice-Chairperson are absent from a Board meeting and a quorum is present, the Board may designate one of its members or a member of District staff to convene and conduct the meeting. In such circumstances, any of the Board members present are authorized to execute agreements, resolutions, and other documents approved by the Board at such meeting. In the event that the Chairperson and Vice-Chairperson are both unavailable to execute a document previously approved by the Board, the Secretary or any Assistant Secretary may execute such document.

- (f) The Board may assign additional duties to District officers from time to time, which include, but are not limited to, executing documents on behalf of the District.
 - (g) The Chairperson, Vice-Chairperson, and any other person authorized by District Resolution may sign checks and warrants for the District, countersigned by the Treasurer or other persons authorized by the Board.
- (3) Committees. The Board may establish committees of the Board, either on a permanent or temporary basis, to perform specifically designated functions. Committees may include individuals who are not members of the Board. Such functions may include, but are not limited to, review of bids, proposals, and qualifications, contract negotiations, personnel matters, and budget preparation.
- (4) Record Book. The Board shall keep a permanent record book entitled "Record of Proceedings," in which shall be recorded minutes of all meetings, resolutions, proceedings, certificates, and corporate acts. The Records of Proceedings shall be located at a District office and shall be available for inspection by the public.
- (5) Meetings. For each fiscal year, the Board shall establish a schedule of regular meetings, which shall be published in a newspaper of general circulation in the county in which the District is located and filed with the local general-purpose governments within whose boundaries the District is located. All meetings of the Board and Committees serving an advisory function shall be open to the public in accord with the provisions of Chapter 286 of the Florida Statutes.
- (6) Voting Conflict of Interest. The Board shall comply with Section 112.3143 of the Florida Statutes, so as to ensure the proper disclosure of conflicts of interest on matters coming before the Board for a vote. For the purposes of this section, "voting conflict of interest" shall be governed by the Florida Constitution and Chapters 112 and 190 of the Florida Statutes, as amended from time to time. Generally, a voting conflict exists when a Board member is called upon to vote on an item which would inure to the Board member's special private gain or loss or the Board member knows would inure to the special private gain or loss of a principal by whom the Board member is retained, the parent organization or subsidiary of a corporate principal, a business associate, or a relative including only a father, mother, son, daughter, husband, wife, brother, sister, father-in-law, mother-in-law, son-in-law, and daughter-in-law.
 - (a) When a Board member knows the member has a conflict of interest on a matter coming before the Board, the member should notify the Board's Secretary prior to participating in any discussion with the Board on the matter. The member shall publicly announce the conflict of interest at the meeting. This announcement shall appear in the minutes.

If the Board member was elected at a landowner's election or appointed to fill a vacancy of a seat last filled at a landowner's election, the Board member may vote or abstain from voting on the matter at issue. If the Board member was elected by electors residing within the District, the Board member is prohibited from voting on the matter at issue. In the event that the Board member intends to abstain or is prohibited from voting, such Board member shall not participate in the discussion on the item subject to the vote.

The Board's Secretary shall prepare a Memorandum of Voting Conflict (Form 8B) which shall then be signed by the Board member, filed with the Board's Secretary, and provided for attachment to the minutes of the meeting within fifteen (15) days of the meeting.

- (b) If a Board member inadvertently votes on a matter and later learns he or she has a conflict on the matter, the member shall immediately notify the Board's Secretary. Within fifteen (15) days of the notification, the member shall file the appropriate Memorandum of Voting Conflict, which will be attached to the minutes of the Board meeting during which the vote on the matter occurred. The Memorandum of Voting Conflict shall immediately be provided to other Board members and shall be read publicly at the next meeting held subsequent to the filing of the Memorandum of Voting Conflict. The Board member's vote is unaffected by this filing.
- (c) It is not a conflict of interest for a Board member, the District Manager, or an employee of the District to be a stockholder, officer or employee of a landowner or of an entity affiliated with a landowner.
- (d) In the event that a Board member elected at a landowner's election or appointed to fill a vacancy of a seat last filled at a landowner's election, has a continuing conflict of interest, such Board member is permitted to file a Memorandum of Voting Conflict at any time in which it shall state the nature of the continuing conflict. Only one such continuing Memorandum of Voting Conflict shall be required to be filed for each term the Board member is in office.

Rule 1.2 District Offices; Public Information and Inspection of Records; Policies; Service Contract Requirements; Financial Disclosure Coordination.

- (1) District Offices. Unless otherwise designated by the Board, the official District office shall be the District Manager's office identified by the District Manager. If the District Manager's office is not located within the county in which the District is located, the Board shall designate a local records office within such county which shall at a minimum contain, but not be limited to, the following documents:
- (a) Agenda packages for prior 24 months and next meeting;
 - (b) Official minutes of meetings, including adopted resolutions of the Board;
 - (c) Names and addresses of current Board members and District Manager, unless such addresses are protected from disclosure by law;
 - (d) Adopted engineer's reports;
 - (e) Adopted assessment methodologies/reports;
 - (f) Adopted disclosure of public financing;
 - (g) Limited Offering Memorandum for each financing undertaken by the District;
 - (h) Proceedings, certificates, bonds given by all employees, and any and all corporate acts;
 - (i) District policies and rules;
 - (j) Fiscal year end audits; and
 - (k) Adopted budget for the current fiscal year.

The District Manager shall ensure that each District records office contains the documents required by Florida law.

- (2) Public Records. District public records include all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received in connection with the transaction of official business of the District. All District public records not otherwise restricted by law may be copied or inspected at the District Manager's office during regular business hours. Certain District records can also be inspected and copied at the District's local records office during regular business hours. All written public records requests shall be directed to the Secretary who by these rules is appointed

as the District's records custodian. Regardless of the form of the request, any Board member or staff member who receives a public records request shall immediately forward or communicate such request to the Secretary for coordination of a prompt response. The Secretary, after consulting with District Counsel as to the applicability of any exceptions under the public records laws, shall be responsible for responding to the public records request. At no time can the District be required to create records or summaries of records, or prepare opinions regarding District policies, in response to a public records request.

- (3) Service Contracts. Any contract for services, regardless of cost, shall include provisions required by law that require the contractor to comply with public records laws. The District Manager shall be responsible for initially enforcing all contract provisions related to a contractor's duty to comply with public records laws.
- (4) Fees; Copies. Copies of public records shall be made available to the requesting person at a charge of \$0.15 per page for one-sided copies and \$0.20 per page for two-sided copies if not more than 8 ½ by 14 inches. For copies of public records in excess of the sizes listed in this section and for outside duplication services, the charge shall be equal to the actual cost of reproduction. Certified copies of public records shall be made available at a charge of one dollar (\$1.00) per page. If the nature or volume of records requested requires extensive use of information technology resources or extensive clerical or supervisory assistance, the District may charge, in addition to the duplication charge, a special service charge that is based on the cost the District incurs to produce the records requested. This charge may include, but is not limited to, the cost of information technology resource, employee labor, and fees charged to the District by consultants employed in fulfilling the request. In cases where the special service charge is based in whole or in part on the costs incurred by the District due to employee labor, consultant fees, or other forms of labor, those portions of the charge shall be calculated based on the lowest labor cost of the individual(s) who is/are qualified to perform the labor, taking into account the nature or volume of the public records to be inspected or copied. The charge may include the labor costs of supervisory and/or clerical staff whose assistance is required to complete the records request, in accordance with Florida law. For purposes of this Rule, the word "extensive" shall mean that it will take more than 15 minutes to locate, review for confidential information, copy and re-file the requested material. In cases where extensive personnel time is determined by the District to be necessary to safeguard original records being inspected, the special service charge provided for in this section shall apply. If the total fees, including but not limited to special service charges, are anticipated to exceed twenty-five dollars (\$25.00), then, prior to commencing work on the request, the District will inform the person making the public records request of the estimated cost, with the understanding that the final cost may vary from that estimate. If the person making the public records request decides to proceed with the request, payment of the estimated cost is required in advance. Should the person fail to pay the estimate, the District is under no duty to produce

the requested records. After the request has been fulfilled, additional payments or credits may be due. The District is under no duty to produce records in response to future records requests if the person making the request owes the District for past unpaid duplication charges, special service charges, or other required payments or credits.

- (5) Records Retention. The Secretary of the District shall be responsible for retaining the District's records in accordance with applicable Florida law.
- (6) Policies. The Board may adopt policies related to the conduct of its business and the provision of services either by resolution or motion.
- (7) Financial Disclosure Coordination. Unless specifically designated by Board resolution otherwise, the Secretary shall serve as the Financial Disclosure Coordinator ("Coordinator") for the District as required by the Florida Commission on Ethics ("Commission"). The Coordinator shall create, maintain and update a list of the names, e-mail addresses, physical addresses, and names of the agency of, and the office or position held by, all Supervisors and other persons required by Florida law to file a statement of financial interest due to his or her affiliation with the District ("Reporting Individual"). The Coordinator shall provide this list to the Commission by February 1 of each year, which list shall be current as of December 31 of the prior year. Each Supervisor and Reporting Individual shall promptly notify the Coordinator in writing if there are any changes to such person's name, e-mail address, or physical address. Each Supervisor and Reporting Individual shall promptly notify the Commission in the manner prescribed by the Commission if there are any changes to such person's e-mail address.

Rule 1.3 Public Meetings, Hearings, and Workshops.

- (1) Notice. Except in emergencies, or as otherwise required by statute or these Rules, at least seven (7) days, but no more than thirty (30) days public notice shall be given of any public meeting, hearing or workshop of the Board. Public notice shall be given by publication in a newspaper of general circulation in the District and in the county in which the District is located. "General circulation" means a publication that is printed and published at least once a week for the preceding year, offering at least 25% of its words in the English language, qualifies as a periodicals material for postal purposes in the county in which the District is located, is for sale to the public generally, is available to the public generally for the publication of official or other notices, and is customarily containing information of a public character or of interest or of value to the residents or owners of property in the county where published, or of interest or of value to the general public. The annual meeting notice required to be published by Section 189.015 of the Florida Statutes, shall be published in a newspaper not of limited subject matter, which is published at least five days a week, unless the only newspaper in the county is published less than five days a week. Each Notice shall state, as applicable:
 - (a) The date, time and place of the meeting, hearing or workshop;
 - (b) A brief description of the nature, subjects, and purposes of the meeting, hearing, or workshop;
 - (c) The District office address for the submission of requests for copies of the agenda, as well as a contact name and telephone number for verbal requests for copies of the agenda; and
 - (d) The following or substantially similar language: "Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this meeting/hearing/workshop is asked to advise the District Office at least forty-eight (48) hours before the meeting/hearing/workshop by contacting the District Manager at (904) 940-5850. If you are hearing or speech impaired, please contact the Florida Relay Service at 1 (800) 955-8770 or 1 (800) 955-8771, who can aid you in contacting the District Office."
 - (e) The following or substantially similar language: "A person who decides to appeal any decision made at the meeting/hearing/workshop with respect to any matter considered at the meeting/hearing/workshop is advised that person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made including the testimony and evidence upon which the appeal is to be based."

- (f) The following or substantially similar language: “The meeting [or hearing or workshop] may be continued in progress without additional notice to a time, date, and location stated on the record.”
- (2) Mistake. In the event that a meeting is held under the incorrect assumption that notice required by law and these Rules has been given, the Board at its next properly noticed meeting shall cure such defect by considering the agenda items from the prior meeting individually and anew.
- (3) Agenda. The District Manager, under the guidance of District Counsel and the Chairperson or Vice-Chairperson, shall prepare an agenda of the meeting/hearing/workshop. The agenda and any meeting materials available in an electronic format, excluding any confidential and any confidential and exempt information, shall be available to the public at least seven days before the meeting/hearing/workshop, except in an emergency. Meeting materials shall be defined as, and limited to, the agenda, meeting minutes, resolutions, and agreements of the District that District staff deems necessary for Board approval. Inclusion of additional materials for Board consideration other than those defined herein as “meeting materials” shall not convert such materials into “meeting materials.” For good cause, the agenda may be changed after it is first made available for distribution, and additional materials may be added or provided under separate cover at the meeting. The requirement of good cause shall be liberally construed to allow the District to efficiently conduct business and to avoid the expenses associated with special meetings.

The District may, but is not required to, use the following format in preparing its agenda for its regular meetings:

- Call to order
- Roll call
- Public comment
- Organizational matters
- Review of minutes
- Specific items of old business
- Specific items of new business

The Secretary may work with other staff members in preparing draft minutes for the Board's consideration.
- (5) Special Requests. Persons wishing to receive, by mail, notices or agendas of meetings, may so advise the District Manager or Secretary at the District Office. Such persons shall furnish a mailing address in writing and shall be required to pre-pay the cost of the copying and postage.
- (6) Emergency Meetings. The Chairperson, or Vice-Chairperson if the Chairperson is unavailable, upon consultation with the District Manager and District Counsel, if available, may convene an emergency meeting of the Board without first having complied with sections (1) and (3) of this Rule, to act on emergency matters that may affect the public health, safety, or welfare. Whenever possible, the District Manager shall make reasonable efforts to provide public notice and notify all Board members of an emergency meeting twenty-four (24) hours in advance. Reasonable efforts may include telephone notification. Notice of the emergency meeting must be provided both before and after the meeting on the District's website, if it has one. Whenever an emergency meeting is called, the District Manager shall be responsible for notifying at least one newspaper of general circulation in the District. After an emergency meeting, the Board shall publish in a newspaper of general circulation in the District, the time, date and place of the emergency meeting, the reasons why an emergency meeting was necessary, and a description of the action taken. Actions taken at an emergency meeting may be ratified by the Board at a regularly noticed meeting subsequently held.
- (7) Public Comment. The Board shall set aside a reasonable amount of time at each meeting for public comment and members of the public shall be permitted to provide comment on any proposition before the Board. The portion of the meeting generally reserved for public comment shall be identified in the agenda. Policies governing public comment may be adopted by the Board in accordance with Florida law.
- (8) Budget Hearing. Notice of hearing on the annual budget(s) shall be in accord with Section 190.008 of the Florida Statutes. Once adopted in accord with Section 190.008 of the Florida Statutes, the annual budget(s) may be amended from time to time by action of the Board. Approval of invoices by the Board in excess of the funds allocated to a particular budgeted line item shall serve to amend the budgeted line item.
- (9) Public Hearings. Notice of required public hearings shall contain the information required by applicable Florida law and by these Rules applicable to meeting notices and shall be mailed and published as required by Florida law. The District Manager shall ensure that all such notices, whether mailed or published, contain the information required by Florida law and these Rules and are mailed and

published as required by Florida law. Public hearings may be held during Board meetings when the agenda includes such public hearing.

- (10) Participation by Teleconference/Videoconference. District staff may participate in Board meetings by teleconference or videoconference. Board members may also participate in Board meetings by teleconference or videoconference if in the good judgment of the Board extraordinary circumstances exist; provided however, at least three Board members must be physically present at the meeting location to establish a quorum. Such extraordinary circumstances shall be presumed when a Board member participates by teleconference or videoconference, unless a majority of the Board members physically present determines that extraordinary circumstances do not exist.
- (11) Board Authorization. The District has not adopted Robert's Rules of Order. For each agenda item, there shall be discussion permitted among the Board members during the meeting. Unless such procedure is waived by the Board, approval or disapproval of resolutions and other proposed Board actions shall be in the form of a motion by one Board member, a second by another Board member, and an affirmative vote by the majority of the Board members present. Any Board member, including the Chairperson, can make or second a motion.
- (12) Continuances. Any meeting or public hearing of the Board may be continued without re-notice or re-advertising provided that:
 - (a) The Board identifies on the record at the original meeting a reasonable need for a continuance;
 - (b) The continuance is to a specified date, time, and location publicly announced at the original meeting; and
 - (c) The public notice for the original meeting states that the meeting may be continued to a date and time and states that the date, time, and location of any continuance shall be publicly announced at the original meeting and posted at the District Office immediately following the original meeting.
- (13) Attorney-Client Sessions. An Attorney-Client Session is permitted when the District's attorneys deem it necessary to meet in private with the Board to discuss pending litigation to which the District is a party before a court or administrative agency or as may be authorized by law. The District's attorney must request such session at a public meeting. Prior to holding the Attorney-Client Session, the District must give reasonable public notice of the time and date of the session and the names of the persons anticipated to attend the session. The session must commence at an open meeting in which the Chairperson or Vice-Chairperson announces the commencement of the session, the estimated length of the session, and the names of the persons who will be attending the session. The discussion during the session is confined to settlement negotiations or strategy related to

litigation expenses or as may be authorized by law. Only the Board, the District's attorneys (including outside counsel), the District Manager, and the court reporter may attend an Attorney-Client Session. During the session, no votes may be taken and no final decisions concerning settlement can be made. Upon the conclusion of the session, the public meeting is reopened, and the Chairperson or Vice-Chairperson must announce that the session has concluded. The session must be transcribed by a court-reporter and the transcript of the session filed with the District Secretary within a reasonable time after the session. The transcript shall not be available for public inspection until after the conclusion of the litigation.

Should the Board wish to discuss such matters, members of the public shall be required to leave the meeting room during such discussion. Any records of the Board's discussion of such matters, including recordings or minutes, shall be maintained as confidential and exempt records in accordance with Florida law.

Rule 2.0 Rulemaking Proceedings.

- (1) Commencement of Proceedings. Proceedings held for adoption, amendment, or repeal of a District rule shall be conducted according to these Rules. Rulemaking proceedings shall be deemed to have been initiated upon publication of notice by the District. A “rule” is a District statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedure or practice requirements of the District (“Rule”). Nothing herein shall be construed as requiring the District to consider or adopt rules unless required by Chapter 190 of the Florida Statutes. Policies adopted by the District which do not consist of rates, fees, rentals or other monetary charges may be, but are not required to be, implemented through rulemaking proceedings.
- (2) Notice of Rule Development.
 - (a) Except when the intended action is the repeal of a Rule, the District shall provide notice of the development of a proposed rule by publication of a Notice of Rule Development in a newspaper of general circulation in the District before providing notice of a proposed rule as required by section (3) of this Rule. Consequently, the Notice of Rule Development shall be published at least twenty-nine (29) days prior to the public hearing on the proposed Rule. The Notice of Rule Development shall indicate the subject area to be addressed by rule development, provide a short, plain explanation of the purpose and effect of the proposed rule, cite the specific legal authority for the proposed rule, and include a statement of how a person may promptly obtain, without cost, a copy of any preliminary draft, if available.
 - (b) All rules as drafted shall be consistent with Sections 120.54(1)(g) and 120.54(2)(b) of the Florida Statutes.
- (3) Notice of Proceedings and Proposed Rules.
 - (a) Prior to the adoption, amendment, or repeal of any rule other than an emergency rule, the District shall give notice of its intended action, setting forth a short, plain explanation of the purpose and effect of the proposed action, a reference to the specific rulemaking authority pursuant to which the rule is adopted, and a reference to the section or subsection of the Florida Statutes being implemented, interpreted, or made specific. The notice shall include a summary of the District’s statement of the estimated regulatory costs, if one has been prepared, based on the factors set forth in Section 120.541(2) of the Florida Statutes, and a statement that any person who wishes to provide the District with a lower cost regulatory alternative as provided by Section 120.541(1), must do so in writing within twenty-one (21) days after publication of the notice. The notice shall additionally include a statement that any affected person may request a public hearing

by submitting a written request within twenty-one (21) days after the date of publication of the notice. Except when intended action is the repeal of a rule, the notice shall include a reference to both the date on which and the place where the Notice of Rule Development required by section (2) of this Rule appeared.

- (b) The notice shall be published in a newspaper of general circulation in the District and each county in which the District is located not less than twenty-eight (28) days prior to the intended action. The proposed rule shall be available for inspection and copying by the public at the time of the publication of notice.
 - (c) The notice shall be mailed to all persons named in the proposed rule and to all persons who, at least fourteen (14) days prior to such mailing, have made requests of the District for advance notice of its rulemaking proceedings. Any person may file a written request with the District Manager to receive notice by mail of District proceedings to adopt, amend, or repeal a rule. Such persons must furnish a mailing address and may be required to pay the cost of copying and mailing.
- (4) Rule Development Workshops. Whenever requested in writing by any affected person, the District must either conduct a rule development workshop prior to proposing rules for adoption or the Chairperson must explain in writing why a workshop is unnecessary. The District may initiate a rule development workshop but is not required to do so.
- (5) Petitions to Initiate Rulemaking. All Petitions to Initiate Rulemaking proceedings must contain the name, address, and telephone number of the petitioner, the specific action requested, the specific reason for adoption, amendment, or repeal, the date submitted, the text of the proposed rule, and the facts showing that the petitioner is regulated by the District or has a substantial interest in the rulemaking. Not later than sixty (60) calendar days following the date of filing a petition, the Board shall initiate rulemaking proceedings or deny the petition with a written statement of its reasons for the denial. If the petition is directed to an existing policy that the District has not formally adopted as a rule, the District may, in its discretion, notice and hold a public hearing on the petition to consider the comments of the public directed to the policy, its scope and application, and to consider whether the public interest is served adequately by the application of the policy on a case-by-case basis, as contrasted with its formal adoption as a rule. However, this section shall not be construed as requiring the District to adopt a rule to replace a policy.
- (6) Rulemaking Materials. After the publication of the notice referenced in section (3) of this Rule, the Board shall make available for public inspection and shall provide, upon request and payment of the cost of copies, the following materials:

- (a) The text of the proposed rule, or any amendment or repeal of any existing rules;
 - (b) A detailed written statement of the facts and circumstances justifying the proposed rule;
 - (c) A copy of the statement of estimated regulatory costs if required by Section 120.541 of the Florida Statutes; and
 - (d) The published notice.
- (7) Hearing. The District may, or, upon the written request of any affected person received within twenty-one (21) days after the date of publication of the notice described in section (3) of this Rule, shall, provide a public hearing for the presentation of evidence, argument, and oral statements, within the reasonable conditions and limitations imposed by the District to avoid duplication, irrelevant comments, unnecessary delay, or disruption of the proceedings. The District shall publish notice of the public hearing in a newspaper of general circulation within the District either in the text of the notice described in section (3) of this Rule or in a separate publication at least seven (7) days before the scheduled public hearing. The notice shall specify the date, time, and location of the public hearing, and the name, address, and telephone number of the District contact person who can provide information about the public hearing. Written statements may be submitted by any person prior to or at the public hearing. All timely submitted written statements shall be considered by the District and made part of the rulemaking record.
- (8) Emergency Rule Adoption. The Board may adopt an emergency rule if it finds that immediate danger to the public health, safety, or welfare exists which requires immediate action. Prior to the adoption of an emergency rule, the District Manager shall make reasonable efforts to notify a newspaper of general circulation in the District. Notice of emergency rules shall be published as soon as possible in a newspaper of general circulation in the District. The District may use any procedure which is fair under the circumstances in the adoption of an emergency rule as long as it protects the public interest as determined by the District and otherwise complies with these provisions.
- (9) Negotiated Rulemaking. The District may use negotiated rulemaking in developing and adopting rules pursuant to Section 120.54(2)(d) of the Florida Statutes, except that any notices required under Section 120.54(2)(d) of the Florida Statutes, may be published in a newspaper of general circulation in the county in which the District is located.
- (10) Rulemaking Record. In all rulemaking proceedings, the District shall compile and maintain a rulemaking record. The record shall include, if applicable:

- (a) The texts of the proposed rule and the adopted rule;
- (b) All notices given for a proposed rule;
- (c) Any statement of estimated regulatory costs for the rule;
- (d) A written summary of hearings, if any, on the proposed rule;
- (e) All written comments received by the District and responses to those written comments; and
- (f) All notices and findings pertaining to an emergency rule.

(11) Petitions to Challenge Existing Rules.

- (a) Any person substantially affected by a rule may seek an administrative determination of the invalidity of the rule on the ground that the rule is an invalid exercise of the District's authority.
- (b) The petition seeking an administrative determination must state with particularity the provisions alleged to be invalid with sufficient explanation of the facts or grounds for the alleged invalidity and facts sufficient to show that the person challenging a rule is substantially affected by it.
- (c) The petition shall be filed with the District. Within 10 days after receiving the petition, the Chairperson shall, if the petition complies with the requirements of subsection (b) of this section, designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer who shall conduct a hearing within 30 days thereafter, unless the petition is withdrawn or a continuance is granted by agreement of the parties. The failure of the District to follow the applicable rulemaking procedures or requirements in this Rule shall be presumed to be material; however, the District may rebut this presumption by showing that the substantial interests of the petitioner and the fairness of the proceedings have not been impaired.
- (d) Within 30 days after the hearing, the hearing officer shall render a decision and state the reasons therefor in writing.
- (e) Hearings held under this section shall be de novo in nature. The petitioner has a burden of proving by a preponderance of the evidence that the existing rule is an invalid exercise of District authority as to the objections raised. The hearing officer may:
 - (i) Administer oaths and affirmations;

- (ii) Rule upon offers of proof and receive relevant evidence;
 - (iii) Regulate the course of the hearing, including any pre-hearing matters;
 - (iv) Enter orders; and
 - (v) Make or receive offers of settlement, stipulation, and adjustment.
 - (f) The petitioner and the District shall be adverse parties. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.
- (12) Variances and Waivers. A “variance” means a decision by the District to grant a modification to all or part of the literal requirements of a rule to a person who is subject to the rule. A “waiver” means a decision by the District not to apply all or part of a rule to a person who is subject to the rule. Variances and waivers from District rules may be granted subject to the following:
- (a) Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person, and when application of the rule would create a substantial hardship or would violate principles of fairness. For purposes of this section, "substantial hardship" means a demonstrated economic, technological, legal, or other type of hardship to the person requesting the variance or waiver. For purposes of this section, "principles of fairness" are violated when the literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule.
 - (b) A person who is subject to regulation by a District Rule may file a petition with the District, requesting a variance or waiver from the District’s Rule. Each petition shall specify:
 - (i) The rule from which a variance or waiver is requested;
 - (ii) The type of action requested;
 - (iii) The specific facts that would justify a waiver or variance for the petitioner; and
 - (iv) The reason why the variance or the waiver requested would serve the purposes of the underlying statute.
 - (c) The District shall review the petition and may request only that information needed to clarify the petition or to answer new questions

raised by or directly related to the petition. If the petitioner asserts that any request for additional information is not authorized by law or by Rule of the District, the District shall proceed, at the petitioner's written request, to process the petition.

- (d) The Board shall grant or deny a petition for variance or waiver and shall announce such disposition at a publicly held meeting of the Board, within ninety (90) days after receipt of the original petition, the last item of timely requested additional material, or the petitioner's written request to finish processing the petition. The District's statement granting or denying the petition shall contain a statement of the relevant facts and reasons supporting the District's action.

- (13) Rates, Fees, Rentals and Other Charges. All rates, fees, rentals, or other charges shall be subject to rulemaking proceedings. Policies adopted by the District which do not consist of rates, fees, rentals or other charges may be, but are not required to be, implemented through rulemaking proceedings.

- (2) Board Authorization. Except in cases of an Emergency Purchase, a competitive purchase governed by these Rules shall only be undertaken after authorization by the Board.
- (3) Definitions.
 - (a) “Competitive Solicitation” means a formal, advertised procurement process, other than an Invitation to Bid, Request for Proposals, or Invitation to Negotiate, approved by the Board to purchase commodities and/or services which affords vendors fair treatment in the competition for award of a District purchase contract.
 - (b) “Continuing Contract” means a contract for Professional Services entered into in accordance with Section 287.055 of the Florida Statutes, between the District and a firm, whereby the firm provides Professional Services to the District for projects in which the costs do not exceed two million dollars (\$2,000,000), for a study activity when the fee for such Professional Services to the District does not exceed two hundred thousand dollars (\$200,000), or for work of a specified nature as outlined in the contract with the District, with no time limitation except that the contract must provide a termination clause (for example, a contract for general District engineering services). Firms providing Professional Services under Continuing Contracts shall not be required to bid against one another.
 - (c) “Contractual Service” means the rendering by a contractor of its time and effort rather than the furnishing of specific commodities. The term applies only to those services rendered by individuals and firms who are independent contractors. Contractual Services do not include auditing services, Maintenance Services, or Professional Services as defined in Section 287.055(2)(a) of the Florida Statutes, and these Rules. Contractual Services also do not include any contract for the furnishing of labor or materials for the construction, renovation, repair, modification, or demolition of any facility, building, portion of building, utility, park, parking lot, or structure or other improvement to real property entered into pursuant to Chapter 255 of the Florida Statutes, and Rules 3.5 or 3.6.

- (f) “Design Criteria Package” means concise, performance-oriented drawings or specifications for a public construction project. The purpose of the Design Criteria Package is to furnish sufficient information to permit Design-Build Firms to prepare a bid or a response to the District’s Request for Proposals, or to permit the District to enter into a negotiated Design-Build Contract. The Design Criteria Package must specify performance-based criteria for the public construction project, including the legal description of the site, survey information concerning the site, interior space requirements, material quality standards, schematic layouts and conceptual design criteria of the project, cost or budget estimates, design and construction schedules, site development requirements, provisions for utilities, stormwater retention and disposal, and parking requirements applicable to the project. Design Criteria Packages shall require firms to submit information regarding the qualifications, availability, and past work of the firms, including the partners and members thereof.
- (g) “Design Criteria Professional” means a firm who holds a current certificate of registration under Chapter 481 of the Florida Statutes, to practice architecture or landscape architecture, or a firm who holds a current certificate as a registered engineer under Chapter 471 of the Florida Statutes, to practice engineering, and who is employed by or under contract to the District to provide professional architect services, landscape architect services, or engineering services in connection with the preparation of the Design Criteria Package.
- (h) “Emergency Purchase” means a purchase necessitated by a sudden unexpected turn of events (for example, acts of God, riot, fires, floods, hurricanes, accidents, or any circumstances or cause beyond the control of the Board in the normal conduct of its business), where the Board finds

that the delay incident to competitive purchase would be detrimental to the interests of the District. This includes, but is not limited to, instances where the time to competitively award the project will jeopardize the funding for the project, will materially increase the cost of the project, or will create an undue hardship on the public health, safety, or welfare.

- (i) “Invitation to Bid” is a written solicitation for sealed bids with the title, date, and hour of the public bid opening designated specifically and defining the commodity or service involved. It includes printed instructions prescribing conditions for bidding, qualification, evaluation criteria, and provides for a manual signature of an authorized representative. It may include one or more bid alternates.
- (j) “Invitation to Negotiate” means a written solicitation for competitive sealed replies to select one or more vendors with which to commence negotiations for the procurement of commodities or services.
- (k) “Negotiate” means to conduct legitimate, arm’s length discussions and conferences to reach an agreement on a term or price.
- (l) “Professional Services” means those services within the scope of the practice of architecture, professional engineering, landscape architecture, or registered surveying and mapping, as defined by the laws of Florida, or those services performed by any architect, professional engineer, landscape architect, or registered surveyor and mapper, in connection with the firm's or individual's professional employment or practice.
- (m) “Proposal (or Reply or Response) Most Advantageous to the District” means, as determined in the sole discretion of the Board, the proposal, reply, or response that is:
 - (i) Submitted by a person or firm capable and qualified in all respects to perform fully the contract requirements, who has the integrity and reliability to assure good faith performance;
 - (ii) The most responsive to the Request for Proposals, Invitation to Negotiate, or Competitive Solicitation as determined by the Board; and
 - (iii) For a cost to the District deemed by the Board to be reasonable.
- (n) “Purchase” means acquisition by sale, rent, lease, lease/purchase, or installment sale. It does not include transfer, sale, or exchange of goods, supplies, or materials between the District and any federal, state, regional or local governmental entity or political subdivision of the State of Florida.

- (o) “Request for Proposals” or “RFP” is a written solicitation for sealed proposals with the title, date, and hour of the public opening designated and requiring the manual signature of an authorized representative. It may provide general information, applicable laws and rules, statement of work, functional or general specifications, qualifications, proposal instructions, work detail analysis, and evaluation criteria as necessary.
- (p) “Responsive and Responsible Bidder” means an entity or individual that has submitted a bid that conforms in all material respects to the Invitation to Bid and has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good faith performance. “Responsive and Responsible Vendor” means an entity or individual that has submitted a proposal, reply, or response that conforms in all material respects to the Request for Proposals, Invitation to Negotiate, or Competitive Solicitation and has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good faith performance. In determining whether an entity or individual is a Responsive and Responsible Bidder (or Vendor), the District may consider, in addition to factors described in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the following:
 - (i) The ability and adequacy of the professional personnel employed by the entity/individual;
 - (ii) The past performance of the entity/individual for the District and in other professional employment;
 - (iii) The willingness of the entity/individual to meet time and budget requirements;
 - (iv) The geographic location of the entity’s/individual’s headquarters or office in relation to the project;
 - (v) The recent, current, and projected workloads of the entity/individual;
 - (vi) The volume of work previously awarded to the entity/individual;
 - (vii) Whether the cost components of the bid or proposal are appropriately balanced; and
 - (viii) Whether the entity/individual is a certified minority business enterprise.

- (q) “Responsive Bid,” “Responsive Proposal,” “Responsive Reply,” and “Responsive Response” all mean a bid, proposal, reply, or response which conforms in all material respects to the specifications and conditions in the Invitation to Bid, Request for Proposals, Invitations to Negotiate, or Competitive Solicitation document and these Rules, and the cost components of which, if any, are appropriately balanced. A bid, proposal, reply or response is not responsive if the person or firm submitting it fails to meet any material requirement relating to the qualifications, financial stability, or licensing of the bidder.

Rule 3.1 Procedure Under the Consultants' Competitive Negotiations Act.

- (1) Scope. The following procedures are adopted for the selection of firms or individuals to provide Professional Services exceeding the thresholds herein described, for the negotiation of such contracts, and to provide for protest of actions of the Board under this Rule. As used in this Rule, "Project" means that fixed capital outlay study or planning activity when basic construction cost is estimated by the District to exceed the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FIVE, or for a planning study activity when the fee for Professional Services is estimated by the District to exceed the threshold amount provided in Section 287.017 for CATEGORY TWO, as such categories may be amended or adjusted from time to time.
- (2) Qualifying Procedures. In order to be eligible to provide Professional Services to the District, a consultant must, at the time of receipt of the firm's qualification submittal:
 - (a) Hold all required applicable state professional licenses in good standing;
 - (b) Hold all required applicable federal licenses in good standing, if any;
 - (c) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the consultant is a corporation; and
 - (d) Meet any qualification requirements set forth in the District's Request for Qualifications.

Evidence of compliance with this Rule may be submitted with the qualifications, if requested by the District. In addition, evidence of compliance must be submitted any time requested by the District.

- (3) Public Announcement. Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when Professional Services are required for a Project or a Continuing Contract by publishing a notice providing a general description of the Project, or the nature of the Continuing Contract, and the method for interested consultants to apply for consideration. The notice shall appear in at least one (1) newspaper of general circulation in the District and in such other places as the District deems appropriate. The notice must allow at least fourteen (14) days for submittal of qualifications from the date of publication. The District may maintain lists of consultants interested in receiving such notices. These consultants are encouraged to submit annually statements of qualifications and performance data. The District shall make reasonable efforts to provide copies of any notices to such consultants, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process. The Board has the

right to reject any and all qualifications, and such reservation shall be included in the published notice. Consultants not receiving a contract award shall not be entitled to recover from the District any costs of qualification package preparation or submittal.

(4) Competitive Selection.

- (a) The Board shall review and evaluate the data submitted in response to the notice described in section (3) of this Rule regarding qualifications and performance ability, as well as any statements of qualifications on file. The Board shall conduct discussions with, and may require public presentation by consultants regarding their qualifications, approach to the Project, and ability to furnish the required services. The Board shall then select and list the consultants, in order of preference, deemed to be the most highly capable and qualified to perform the required Professional Services, after considering these and other appropriate criteria:
 - (i) The ability and adequacy of the professional personnel employed by each consultant;
 - (ii) Whether a consultant is a certified minority business enterprise;
 - (iii) Each consultant's past performance;
 - (iv) The willingness of each consultant to meet time and budget requirements;
 - (v) The geographic location of each consultant's headquarters, office and personnel in relation to the project;
 - (vi) The recent, current, and projected workloads of each consultant; and
 - (vii) The volume of work previously awarded to each consultant by the District.
- (b) Nothing in these Rules shall prevent the District from evaluating and eventually selecting a consultant if less than three (3) Responsive qualification packages, including packages indicating a desire not to provide Professional Services on a given Project, are received.
- (c) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

- (d) Notice of the rankings adopted by the Board, including the rejection of some or all qualification packages, shall be provided in writing to all consultants by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's ranking decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

(5) Competitive Negotiation.

- (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as most qualified to perform the required Professional Services at a rate or amount of compensation which the Board determines is fair, competitive, and reasonable.
- (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that "wage rates and other factual unit costs supporting the compensation are accurate, complete and current at the time of contracting." In addition, any professional service contract under which such a certificate is required, shall contain a provision that "the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs."
- (c) Should the District be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached, those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.
- (d) Should the District be unable to negotiate a satisfactory agreement with one of the top three (3) ranked consultants, additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.

- (6) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (7) Continuing Contract. Nothing in this Rule shall prohibit a Continuing Contract between a consultant and the District.
- (8) Emergency Purchase. The District may make an Emergency Purchase without complying with these Rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Rule 3.2 Procedure Regarding Auditor Selection.

In order to comply with the requirements of Section 218.391 of the Florida Statutes, the following procedures are outlined for selection of firms or individuals to provide Auditing Services and for the negotiation of such contracts. For audits required under Chapter 190 of the Florida Statutes but not meeting the thresholds of Chapter 218 of the Florida Statutes, the District need not follow these procedures but may proceed with the selection of a firm or individual to provide Auditing Services and for the negotiation of such contracts in the manner the Board determines is in the best interests of the District.

(1) Definitions.

- (a) "Auditing Services" means those services within the scope of the practice of a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.
- (b) "Committee" means the auditor selection committee appointed by the Board as described in section (2) of this Rule.

(2) Establishment of Auditor Selection Committee. Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Board shall establish an auditor selection committee ("Committee"), the primary purpose of which is to assist the Board in selecting an auditor to conduct the annual financial audit required by Section 218.39 of the Florida Statutes. The Committee shall include at least three individuals, at least one of which must also be a member of the Board. The establishment and selection of the Committee must be conducted at a publicly noticed and held meeting of the Board. The Chairperson of the Committee must be a member of the Board. An employee, a chief executive officer, or a chief financial officer of the District may not serve as a member of the Committee; provided however such individual may serve the Committee in an advisory capacity.

(3) Establishment of Minimum Qualifications and Evaluation Criteria. Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Committee shall meet at a publicly noticed meeting to establish minimum qualifications and factors to use for the evaluation of Auditing Services to be provided by a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.

- (a) Minimum Qualifications. In order to be eligible to submit a proposal, a firm must, at all relevant times including the time of receipt of the proposal by the District:

- (i) Hold all required applicable state professional licenses in good standing;
- (ii) Hold all required applicable federal licenses in good standing, if any;
- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation; and
- (iv) Meet any pre-qualification requirements established by the Committee and set forth in the RFP or other specifications.

If requested in the RFP or other specifications, evidence of compliance with the minimum qualifications as established by the Committee must be submitted with the proposal.

- (b) Evaluation Criteria. The factors established for the evaluation of Auditing Services by the Committee shall include, but are not limited to:
 - (i) Ability of personnel;
 - (ii) Experience;
 - (iii) Ability to furnish the required services; and
 - (iv) Such other factors as may be determined by the Committee to be applicable to its particular requirements.

The Committee may also choose to consider compensation as a factor. If the Committee establishes compensation as one of the factors, compensation shall not be the sole or predominant factor used to evaluate proposals.

- (4) Public Announcement. After identifying the factors to be used in evaluating the proposals for Auditing Services as set forth in section (3) of this Rule, the Committee shall publicly announce the opportunity to provide Auditing Services. Such public announcement shall include a brief description of the audit and how interested firms can apply for consideration and obtain the RFP. The notice shall appear in at least one (1) newspaper of general circulation in the District and the county in which the District is located. The public announcement shall allow for at least seven (7) days for the submission of proposals.
- (5) Request for Proposals. The Committee shall provide interested firms with a Request for Proposals (“RFP”). The RFP shall provide information on how proposals are to be evaluated and such other information the Committee

determines is necessary for the firm to prepare a proposal. The RFP shall state the time and place for submitting proposals.

- (6) Committee's Evaluation of Proposals and Recommendation. The Committee shall meet at a publicly held meeting that is publicly noticed for a reasonable time in advance of the meeting to evaluate all qualified proposals and may, as part of the evaluation, require that each interested firm provide a public presentation where the Committee may conduct discussions with the firm, and where the firm may present information, regarding the firm's qualifications. At the public meeting, the Committee shall rank and recommend in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services after considering the factors established pursuant to subsection (3)(b) of this Rule. If fewer than three firms respond to the RFP or if no firms respond to the RFP, the Committee shall recommend such firm as it deems to be the most highly qualified. Notwithstanding the foregoing, the Committee may recommend that any and all proposals be rejected.
- (7) Board Selection of Auditor.
 - (a) Where compensation was not selected as a factor used in evaluating the proposals, the Board shall negotiate with the firm ranked first and inquire of that firm as to the basis of compensation. If the Board is unable to negotiate a satisfactory agreement with the first ranked firm at a price deemed by the Board to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the Board shall immediately begin negotiations with the second ranked firm. If a satisfactory agreement with the second ranked firm cannot be reached, those negotiations shall be terminated and negotiations with the third ranked firm shall be undertaken. The Board may reopen formal negotiations with any one of the three top-ranked firms, but it may not negotiate with more than one firm at a time. If the Board is unable to negotiate a satisfactory agreement with any of the selected firms, the Committee shall recommend additional firms in order of the firms' respective competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
 - (b) Where compensation was selected as a factor used in evaluating the proposals, the Board shall select the highest-ranked qualified firm or document in its public records the reason for not selecting the highest-ranked qualified firm.
 - (c) In negotiations with firms under this Rule, the Board may allow the District Manager, District Counsel, or other designee to conduct negotiations on its behalf.

- (d) Notwithstanding the foregoing, the Board may reject any or all proposals. The Board shall not consider any proposal, or enter into any contract for Auditing Services, unless the proposed agreed-upon compensation is reasonable to satisfy the requirements of Section 218.39 of the Florida Statutes, and the needs of the District.
- (8) Contract. Any agreement reached under this Rule shall be evidenced by a written contract, which may take the form of an engagement letter signed and executed by both parties. The written contract shall include all provisions and conditions of the procurement of such services and shall include, at a minimum, the following:
 - (a) A provision specifying the services to be provided and fees or other compensation for such services;
 - (b) A provision requiring that invoices for fees or other compensation be submitted in sufficient detail to demonstrate compliance with the terms of the contract;
 - (c) A provision setting forth deadlines for the auditor to submit a preliminary draft audit report to the District for review and to submit a final audit report no later than June 30 of the fiscal year that follows the fiscal year for which the audit is being conducted;
 - (d) A provision specifying the contract period, including renewals, and conditions under which the contract may be terminated or renewed. The maximum contract period including renewals shall be five (5) years. A renewal may be done without the use of the auditor selection procedures provided in this Rule but must be in writing.
 - (e) Provisions required by law that require the auditor to comply with public records laws.
- (9) Notice of Award. Once a negotiated agreement with a firm or individual is reached, or the Board authorizes the execution of an agreement with a firm where compensation was a factor in the evaluation of proposals, notice of the intent to award, including the rejection of some or all proposals, shall be provided in writing to all proposers by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests regarding the award of contracts under this Rule shall be as provided for in Rule 3.11. No proposer shall be entitled to recover any costs of proposal preparation or submittal from the District.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.
Law Implemented: §§ 119.0701, 218.33, 218.391, Fla. Stat.

Rule 3.3 Purchase of Insurance.

- (1) Scope. The purchases of life, health, accident, hospitalization, legal expense, or annuity insurance, or all of any kinds of such insurance for the officers and employees of the District, and for health, accident, hospitalization, and legal expenses upon a group insurance plan by the District, shall be governed by this Rule. This Rule does not apply to the purchase of any other type of insurance by the District, including but not limited to liability insurance, property insurance, and directors and officers insurance. Nothing in this Rule shall require the District to purchase insurance.
- (2) Procedure. For a purchase of insurance within the scope of these Rules, the following procedure shall be followed:
 - (a) The Board shall cause to be prepared a Notice of Invitation to Bid.
 - (b) Notice of the Invitation to Bid shall be advertised at least once in a newspaper of general circulation within the District. The notice shall allow at least fourteen (14) days for submittal of bids.
 - (c) The District may maintain a list of persons interested in receiving notices of Invitations to Bid. The District shall make reasonable efforts to provide copies of any notices to such persons, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process.
 - (d) Bids shall be opened at the time and place noted in the Invitation to Bid.
 - (e) If only one (1) response to an Invitation is received, the District may proceed with the purchase. If no response to an Invitation to Bid is received, the District may take whatever steps are reasonably necessary in order to proceed with the purchase.
 - (f) The Board has the right to reject any and all bids and such reservations shall be included in all solicitations and advertisements.
 - (g) Simultaneously with the review of the submitted bids, the District may undertake negotiations with those companies that have submitted reasonable and timely bids and, in the opinion of the District, are fully qualified and capable of meeting all services and requirements. Bid responses shall be evaluated in accordance with the specifications and criteria contained in the Invitation to Bid; in addition, the total cost to the District, the cost, if any, to the District officers, employees, or their dependents, the geographic location of the company's headquarters and offices in relation to the District, and the ability of the company to guarantee premium stability may be considered. A contract to purchase

insurance shall be awarded to that company whose response to the Invitation to Bid best meets the overall needs of the District, its officers, employees, and/or dependents.

- (h) Notice of the intent to award, including rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of insurance under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 112.08, Fla. Stat.

Rule 3.4 Pre-qualification

- (1) Scope. In its discretion, the District may undertake a pre-qualification process in accordance with this Rule for vendors to provide construction services, goods, supplies, and materials, Contractual Services, and maintenance services.
- (2) Procedure. When the District seeks to pre-qualify vendors, the following procedures shall apply:
 - (a) The Board shall cause to be prepared a Request for Qualifications.
 - (b) For construction services exceeding the thresholds described in Section 255.20 of the Florida Statutes, the Board must advertise the proposed pre-qualification criteria and procedures and allow at least seven (7) days notice of the public hearing for comments on such pre-qualification criteria and procedures. At such public hearing, potential vendors may object to such pre-qualification criteria and procedures. Following such public hearing, the Board shall formally adopt pre-qualification criteria and procedures prior to the advertisement of the Request for Qualifications for construction services.
 - (c) The Request for Qualifications shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall allow at least seven (7) days for submittal of qualifications for goods, supplies and materials, Contractual Services, maintenance services, and construction services under two hundred fifty thousand dollars (\$250,000). The notice shall allow at least twenty-one (21) days for submittal of qualifications for construction services estimated to cost over two hundred fifty thousand dollars (\$250,000) and thirty (30) days for construction services estimated to cost over five hundred thousand dollars (\$500,000).
 - (d) The District may maintain lists of persons interested in receiving notices of Requests for Qualifications. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any pre-qualification determination or contract awarded in accordance with these Rules and shall not be a basis for a protest of any pre-qualification determination or contract award.
 - (e) If the District has pre-qualified vendors for a particular category of purchase, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies or

responses in response to the applicable Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

- (f) In order to be eligible to submit qualifications, a firm or individual must, at the time of receipt of the qualifications:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Request for Qualifications.

Evidence of compliance with these Rules must be submitted with the qualifications if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the qualifications.

- (g) Qualifications shall be presented to the Board, or a committee appointed by the Board, for evaluation in accordance with the Request for Qualifications and this Rule. Minor variations in the qualifications may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature.
- (h) All vendors determined by the District to meet the pre-qualification requirements shall be pre-qualified. To assure full understanding of the responsiveness to the requirements contained in a Request for Qualifications, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion and revision of qualifications. For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified to perform the project.
- (i) The Board shall have the right to reject all qualifications if there are not enough to be competitive or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of qualification preparation or submittal from the District.

(j) Notice of intent to pre-qualify, including rejection of some or all qualifications, shall be provided in writing to all vendors by United States Mail, electronic mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's pre-qualification decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11; provided however, protests related to the pre-qualification criteria and procedures for construction services shall be resolved in accordance with section (2)(b) of this Rule and Section 255.20(1)(b) of the Florida Statutes.

(3) Suspension, Revocation, or Denial of Qualification

(a) The District, for good cause, may deny, suspend, or revoke a prequalified vendor's pre-qualified status. A suspension, revocation, or denial for good cause shall prohibit the vendor from bidding on any District construction contract for which qualification is required, shall constitute a determination of non-responsibility to bid on any other District construction or maintenance contract, and shall prohibit the vendor from acting as a material supplier or subcontractor on any District contract or project during the period of suspension, revocation, or denial. Good cause shall include the following:

- i. One of the circumstances specified under Section 337.16(2), Fla. Stat., has occurred.
- ii. Affiliated contractors submitted more than one proposal for the same work. In this event the pre-qualified status of all of the affiliated bidders will be revoked, suspended, or denied. All bids of affiliated bidders will be rejected.
- iii. The vendor made or submitted false, deceptive, or fraudulent statements, certifications, or materials in any claim for payment or any information required by any District contract.
- iv. The vendor or its affiliate defaulted on any contract or a contract surety assumed control of financial responsibility for any contract of the vendor.
- v. The vendor's qualification to bid is suspended, revoked, or denied by any other public or semi-public entity, or the vendor has been the subject of a civil enforcement proceeding or settlement involving a public or semi-public entity.
- vi. The vendor failed to comply with contract or warranty requirements or failed to follow District direction in the performance of a contract.

- vii. The vendor failed to timely furnish all contract documents required by the contract specifications, special provisions, or by any state or federal statutes or regulations. If the vendor fails to furnish any of the subject contract documents by the expiration of the period of suspension, revocation, or denial set forth above, the vendor's pre-qualified status shall remain suspended, revoked, or denied until the documents are furnished.
 - viii. The vendor failed to notify the District within 10 days of the vendor, or any of its affiliates, being declared in default or otherwise not completing work on a contract or being suspended from qualification to bid or denied qualification to bid by any other public or semi-public agency.
 - ix. The vendor did not pay its subcontractors or suppliers in a timely manner or in compliance with contract documents.
 - x. The vendor has demonstrated instances of poor or unsatisfactory performance, deficient management resulting in project delay, poor quality workmanship, a history of payment of liquidated damages, untimely completion of projects, uncooperative attitude, contract litigation, inflated claims or defaults.
 - xi. An affiliate of the vendor has previously been determined by the District to be non-responsible, and the specified period of suspension, revocation, denial, or non-responsibility remains in effect.
 - xii. The vendor or affiliate(s) has been convicted of a contract crime.
 - 1. The term "contract crime" means any violation of state or federal antitrust laws with respect to a public contract or any violation of any state or federal law involving fraud, bribery, collusion, conspiracy, or material misrepresentation with respect to a public contract.
 - 2. The term "convicted" or "conviction" means a finding of guilt or a conviction of a contract crime, with or without an adjudication of guilt, in any federal or state trial court of record as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
- (b) A denial, suspension, or revocation shall prohibit the vendor from being a subcontractor on District work during the period of denial, suspension, or revocation, except when a prime contractor's bid has used prices of a subcontractor who becomes disqualified after the bid, but before the request for authorization to sublet is presented.

- (c) The District shall inform the vendor in writing of its intent to deny, suspend, or revoke its pre-qualified status and inform the vendor of its right to a hearing, the procedure which must be followed, and the applicable time limits. If a hearing is requested within 10 days after the receipt of the notice of intent, the hearing shall be held within 30 days after receipt by the District of the request for the hearing. The decision shall be issued within 15 days after the hearing.
- (d) Such suspension or revocation shall not affect the vendor's obligations under any preexisting contract.
- (e) In the case of contract crimes, the vendor's pre-qualified status under this Rule shall be revoked indefinitely. For all violations of Rule 3.4(3)(a) other than for the vendor's conviction for contract crimes, the revocation, denial, or suspension of a vendor's pre-qualified status under this Rule shall be for a specific period of time based on the seriousness of the deficiency.

Examples of factors affecting the seriousness of a deficiency are:

- i. Impacts on project schedule, cost, or quality of work;
- ii. Unsafe conditions allowed to exist;
- iii. Complaints from the public;
- iv. Delay or interference with the bidding process;
- v. The potential for repetition;
- vi. Integrity of the public contracting process;
- vii. Effect on the health, safety, and welfare of the public.

Rule 3.5 Construction Contracts, Not Design-Build.

- (1) Scope. All contracts for the construction or improvement of any building, structure, or other public construction works authorized by Chapter 190 of the Florida Statutes, the costs of which are estimated by the District in accordance with generally accepted cost accounting principles to be in excess of the threshold amount for applicability of Section 255.20 of the Florida Statutes, as that amount may be indexed or amended from time to time, shall be let under the terms of these Rules and the procedures of Section 255.20 of the Florida Statutes, as the same may be amended from time to time. A project shall not be divided solely to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of construction services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation in the District and in the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least twenty-one (21) days for submittal of sealed bids, proposals, replies, or responses, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of bids, proposals, replies, or responses. If the Board has previously pre-qualified contractors pursuant to Rule 3.4 and determined that only the contractors that have been pre-qualified will be permitted to submit bids, proposals, replies, and responses, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation need not be published. Instead, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be sent to the pre-qualified contractors by United States Mail, hand delivery, facsimile, or overnight delivery service.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.

- (d) If the District has pre-qualified providers of construction services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses to Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations.
- (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the bidder is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to, reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response, if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. Bids, proposals, replies, and responses shall be evaluated in

accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation and these Rules. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.

- (g) The lowest Responsive Bid submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No contractor shall be entitled to recover any costs of bid, proposal, response, or reply preparation or submittal from the District.
- (i) The Board may require potential contractors to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses, shall be provided in writing to all contractors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of construction services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

- (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase construction services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of construction services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the construction services without further competitive selection processes.
- (3) Sole Source; Government. Construction services that are only available from a single source are exempt from this Rule. Construction services provided by governmental agencies are exempt from this Rule. This Rule shall not apply to the purchase of construction services, which may include goods, supplies, or materials, that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules. A contract for construction services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
- (4) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (5) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board Meeting.
- (6) Exceptions. This Rule is inapplicable when:
 - (a) The project is undertaken as repair or maintenance of an existing public facility;
 - (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
 - (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contract; or
 - (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Rule 3.6 Construction Contracts, Design-Build.

- (1) Scope. The District may utilize Design-Build Contracts for any public construction project for which the Board determines that use of such contract is in the best interest of the District. When letting a Design-Build Contract, the District shall use the following procedure:
- (2) Procedure.
 - (a) The District shall utilize a Design Criteria Professional meeting the requirements of Section 287.055(2)(k) of the Florida Statutes, when developing a Design Criteria Package, evaluating the proposals and qualifications submitted by Design-Build Firms, and determining compliance of the project construction with the Design Criteria Package. The Design Criteria Professional may be an employee of the District, may be the District Engineer selected by the District pursuant to Section 287.055 of the Florida Statutes, or may be retained pursuant to Rule 3.1. The Design Criteria Professional is not eligible to render services under a Design-Build Contract executed pursuant to the Design Criteria Package.
 - (b) A Design Criteria Package for the construction project shall be prepared and sealed by the Design Criteria Professional. If the project utilizes existing plans, the Design Criteria Professional shall create a Design Criteria Package by supplementing the plans with project specific requirements, if any.
 - (c) The Board may either choose to award the Design-Build Contract pursuant to the competitive proposal selection process set forth in Section 287.055(9) of the Florida Statutes, or pursuant to the qualifications-based selection process pursuant to Rule 3.1.
 - (i) Qualifications-Based Selection. If the process set forth in Rule 3.1 is utilized, subsequent to competitive negotiations, a guaranteed maximum price and guaranteed completion date shall be established.
 - (ii) Competitive Proposal-Based Selection. If the competitive proposal selection process is utilized, the Board, in consultation with the Design Criteria Professional, shall establish the criteria, standards and procedures for the evaluation of Design-Build Proposals based on price, technical, and design aspects of the project, weighted for the project. After a Design Criteria Package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited pursuant to the design criteria by the following procedure:

1. A Request for Proposals shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least twenty-one (21) days for submittal of sealed proposals, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of proposals.
2. The District may maintain lists of persons interested in receiving notices of Requests for Proposals. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
3. In order to be eligible to submit a proposal, a firm must, at the time of receipt of the proposals:
 - a. Hold the required applicable state professional licenses in good standing, as defined by Section 287.055(2)(h) of the Florida Statutes;
 - b. Hold all required applicable federal licenses in good standing, if any;
 - c. Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation;
 - d. Meet any special pre-qualification requirements set forth in the Request for Proposals and Design Criteria Package.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may

be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the proposal if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the proposal.

4. The proposals, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. In consultation with the Design Criteria Professional, the Board shall evaluate the proposals received based on evaluation criteria and procedures established prior to the solicitation of proposals, including but not limited to qualifications, availability, and past work of the firms and the partners and members thereof. The Board shall then select no fewer than three (3) Design-Build Firms as the most qualified.
5. The Board shall have the right to reject all proposals if the proposals are too high, or rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of proposal preparation or submittal from the District.
6. If less than three (3) Responsive Proposals are received, the District may purchase design-build services or may reject the proposals for lack of competitiveness. If no Responsive Proposals are received, the District may proceed with the procurement of design-build services in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the design-build services without further competitive selection processes.
7. Notice of the rankings adopted by the Board, including the rejection of some or all proposals, shall be provided in writing to all consultants by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the

Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's rankings under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

8. The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards and shall establish a price which the Board determines is fair, competitive and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most qualified firm, based on the ranking by the evaluation standards. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the second most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the third most qualified firm. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the third most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached or the list of firms is exhausted.
 9. After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.
 10. The Design Criteria Professional shall evaluate the compliance of the detailed working drawings and project construction with the Design Criteria Package and shall provide the Board with a report of the same.
- (3) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
 - (4) Emergency Purchase. The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified

Design-Build Firm available at the time. The fact that an Emergency Purchase has occurred shall be noted in the minutes of the next Board meeting.

(5) Exceptions. This Rule is inapplicable when:

- (a) The project is undertaken as repair or maintenance of an existing public facility;
- (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
- (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contractor; or
- (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Rule 3.7 Payment and Performance Bonds.

- (1) Scope. This Rule shall apply to contracts for the construction of a public building, for the prosecution and completion of a public work, or for repairs upon a public building or public work and shall be construed in addition to terms prescribed by any other Rule that may also apply to such contracts.
- (2) Required Bond. Upon entering into a contract for any of the services described in section (1) of this Rule in excess of \$200,000, the Board should require that the contractor, before commencing the work, execute and record a payment and performance bond in an amount equal to the contract price. Notwithstanding the terms of the contract or any other law, the District may not make payment to the contractor until the contractor has provided to the District a certified copy of the recorded bond.
- (3) Discretionary Bond. At the discretion of the Board, upon entering into a contract for any of the services described in section (1) of this Rule for an amount not exceeding \$200,000, the contractor may be exempted from executing a payment and performance bond.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 255.05, Fla. Stat.

Rule 3.8 Goods, Supplies, and Materials.

- (1) Purpose and Scope. All purchases of goods, supplies, or materials exceeding the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, shall be purchased under the terms of this Rule. Contracts for purchases of “goods, supplies, and materials” do not include printing, insurance, advertising, or legal notices. A contract involving goods, supplies, or materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of goods, supplies, or materials is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, or Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of goods, supplies, and materials, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

Any firm or individual whose principal place of business is outside the State of Florida must also submit a written opinion of an attorney at law licensed to practice law in that foreign state, as to the preferences, if any or none, granted by the law of that foreign state to business entities whose principal places of business are in that foreign state, in the letting of any or all public contracts. Failure to submit such a written opinion or submission of a false or misleading written opinion may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and this Rule. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid, after taking into account the preferences provided for in this subsection, submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be accepted. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which does not grant a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the

lowest Responsible and Responsive Bidder whose principal place of business is in the State of Florida shall be awarded a preference of five (5) percent. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which grants a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsible and Responsive Bidder whose principal place of business is in the State of Florida shall be awarded a preference equal to the preference granted by such foreign state.

To assure full understanding of the responsiveness to the solicitation requirements contained in an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.

- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.
- (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all vendors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of goods, supplies, and materials under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
- (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase goods, supplies, or materials, or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of goods, supplies, and materials, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct

purchase of the goods, supplies, and materials without further competitive selection processes.

- (3) Goods, Supplies, and Materials included in a Construction Contract Awarded Pursuant to Rule 3.5 or 3.6. There may be occasions where the District has undergone the competitive purchase of construction services which contract may include the provision of goods, supplies, or materials. In that instance, the District may approve a change order to the contract and directly purchase the goods, supplies, and materials. Such purchase of goods, supplies, and materials deducted from a competitively purchased construction contract shall be exempt from this Rule.
- (4) Exemption. Goods, supplies, and materials that are only available from a single source are exempt from this Rule. Goods, supplies, and materials provided by governmental agencies are exempt from this Rule. A contract for goods, supplies, or materials is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process. This Rule shall not apply to the purchase of goods, supplies or materials that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules.
- (5) Renewal. Contracts for the purchase of goods, supplies, and/or materials subject to this Rule may be renewed for a maximum period of five (5) years.
- (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 189.053, 190.033, 287.017, 287.084, Fla. Stat.

Rule 3.9 Maintenance Services.

- (1) Scope. All contracts for maintenance of any District facility or project shall be set under the terms of this Rule if the cost exceeds the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR. A contract involving goods, supplies, and materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of maintenance services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of maintenance services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, and responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and these Rules. Minor variations in the bids, proposals, replies, and responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid submitted in response to an Invitation to Bid by a Responsive and Responsible Bidder shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate or Competitive Solicitation the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, or responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No Vendor shall be

entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.

- (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
 - (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all vendors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of maintenance services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
 - (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase the maintenance services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of maintenance services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the maintenance services without further competitive selection processes.
- (3) Exemptions. Maintenance services that are only available from a single source are exempt from this Rule. Maintenance services provided by governmental agencies are exempt from this Rule. A contract for maintenance services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
 - (4) Renewal. Contracts for the purchase of maintenance services subject to this Rule may be renewed for a maximum period of five (5) years.
 - (5) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
 - (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), 190.033, Fla. Stat.
Law Implemented: §§ 119.0701, 190.033, 287.017, Fla. Stat.

Rule 3.10 Contractual Services.

- (1) Exemption from Competitive Purchase. Pursuant to Section 190.033(3) of the Florida Statutes, Contractual Services shall not be subject to competitive purchasing requirements. If an agreement is predominantly for Contractual Services, but also includes maintenance services or the purchase of goods and services, the contract shall not be subject to competitive purchasing requirements. Regardless of whether an advertisement or solicitation for Contractual Services is identified as an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, no rights or remedies under these Rules, including but not limited to protest rights, are conferred on persons, firms, or vendors proposing to provide Contractual Services to the District.
- (2) Contracts; Public Records. In accordance with Florida law, each contract for Contractual Services shall include provisions required by law that require the contractor to comply with public records laws.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 119.0701, 190.011(3), 190.033, Fla. Stat.

Rule 3.11 Protests with Respect to Proceedings under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, and 3.9.

The resolution of any protests with respect to proceedings under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, and 3.9 shall be in accordance with this Rule.

(1) Filing.

- (a) With respect to a protest regarding qualifications, specifications, documentation, or other requirements contained in a Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation issued by the District, the notice of protest shall be filed in writing within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after the first advertisement of the Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's intended decision. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (b) Except for those situations covered by subsection (1)(a) of this Rule, any firm or person who is affected adversely by a District's ranking or intended award under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, or 3.9 and desires to contest the District's ranking or intended award, shall file with the District a written notice of protest within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after receipt of the notice of the District's ranking or intended award. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's ranking or intended award. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (c) If the requirement for the posting of a protest bond and the amount of the protest bond, which may be expressed by a percentage of the contract to be awarded or a set amount, is disclosed in the District's competitive solicitation documents for a particular purchase under Rules 3.1, 3.2, 3.3,

3.4, 3.5, 3.6, 3.8, or 3.9, any person who files a notice of protest must post the protest bond. The amount of the protest bond shall be determined by District staff after consultation with the Board and within the limits, if any, imposed by Florida law. In the event the protest is successful, the protest bond shall be refunded to the protestor. In the event the protest is unsuccessful, the protest bond shall be applied towards the District's costs, expenses, and attorney's fees associated with hearing and defending the protest. In the event the protest is settled by mutual agreement of the parties, the protest bond shall be distributed as agreed to by the District and protestor.

- (d) The District does not accept documents filed by electronic mail or facsimile transmission. Filings are only accepted during normal business hours.
- (2) Contract Execution. Upon receipt of a notice of protest which has been timely filed, the District shall not execute the contract under protest until the subject of the protest is resolved. However, if the District sets forth in writing particular facts and circumstances showing that delay incident to protest proceedings will jeopardize the funding for the project, will materially increase the cost of the project, or will create an immediate and serious danger to the public health, safety, or welfare, the contract may be executed.
- (3) Informal Proceeding. If the Board determines a protest does not involve a disputed issue of material fact, the Board may, but is not obligated to, schedule an informal proceeding to consider the protest. Such informal proceeding shall be at a time and place determined by the Board. Notice of such proceeding shall be sent via facsimile, United States Mail, or hand delivery to the protestor and any substantially affected persons or parties not less than three (3) calendar days prior to such informal proceeding. Within thirty (30) calendar days following the informal proceeding, the Board shall issue a written decision setting forth the factual, legal, and policy grounds for its decision.
- (4) Formal Proceeding. If the Board determines a protest involves disputed issues of material fact or if the Board elects not to use the informal proceeding process provided for in section (3) of this Rule, the District shall schedule a formal hearing to resolve the protest. The Chairperson shall designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer to conduct the hearing. The hearing officer may:
 - (a) Administer oaths and affirmations;
 - (b) Rule upon offers of proof and receive relevant evidence;
 - (c) Regulate the course of the hearing, including any pre-hearing matters;

(d) Enter orders; and

(e) Make or receive offers of settlement, stipulation, and adjustment.

The hearing officer shall, within thirty (30) days after the hearing or receipt of the hearing transcript, whichever is later, file a recommended order which shall include a caption, time and place of hearing, appearances entered at the hearing, statement of the issues, findings of fact and conclusions of law, separately stated, and a recommendation for final District action. The District shall allow each party fifteen (15) days in which to submit written exceptions to the recommended order. The District shall issue a final order within sixty (60) days after the filing of the recommended order.

(5) Intervenors. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.

(6) Rejection of all Qualifications, Bids, Proposals, Replies and Responses after Receipt of Notice of Protest. If the Board determines there was a violation of law, defect, or an irregularity in the competitive solicitation process, the Bids, Proposals, Replies, and Responses are too high, or if the Board determines it is otherwise in the District's best interest, the Board may reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew. If the Board decides to reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew, any pending protests shall automatically terminate.

FISCAL YEAR 2021/2022 BUDGET FUNDING AGREEMENT**

This Agreement (the "Agreement") is made and entered into this 22nd day of December, 2021, by and between:

St. Augustine Lakes Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, and located in St. Johns County, Florida ("**District**"), and

Lennar Homes, LLC, a Florida limited liability company and the developer of the lands in the District ("**Developer**") with a mailing address of 700 N.W. 107th Avenue, Suite 400, Miami, Florida 33172.

Recitals

WHEREAS, the District was established by an ordinance adopted by the County Commission of St. Johns County, Florida, for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure; and

WHEREAS, the District, pursuant to Chapter 190, Florida Statutes, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District's activities and services; and

WHEREAS, Developer presently is developing the majority of all real property ("**Property**") within the District, which Property will benefit from the timely construction and acquisition of the District's facilities, activities and services and from the continued operations of the District; and

WHEREAS, the District is adopting its general fund budget for Fiscal Year 2021/2022, which year commenced on November 4, 2021, and concludes on September 30, 2022 (the "FY 2022 Budget"); and

WHEREAS, the FY 2022 Budget, which both parties recognize may be amended from time to time in the sole discretion of the District, is attached hereto and incorporated herein by reference as **Exhibit A**; and

SECTION 2. The District shall have the right to file a continuing lien (the "Lien") upon the Property described in **Exhibit B** for all payments due and owing under the terms of this Agreement and for interest thereon, and for reasonable attorneys' fees, paralegals' fees, expenses and court costs incurred by the District incident to the collection of funds under this Agreement or for enforcement of this Lien, and all sums advanced and paid by the District for taxes and payment on account of superior interests, liens and encumbrances in order to preserve and protect the District's Lien. The Lien shall be effective as of the date and time of the recording of a "Notice of Lien for the FY 2022 Budget" in the public records of St. Johns County, Florida, stating among other things, the description of the real property and the amount due as of the recording of the Notice, and the existence of this Agreement. The District Manager, in its sole discretion, is hereby authorized by the District to file the Notice of Lien for the FY 2022 Budget on behalf of the District, without the need of further Board action authorizing or directing such filing. At the District Manager's direction, the District may also bring an action at law against the record title holders to the Property to pay the amount due under this Agreement, or may foreclose the Lien against the Property in any manner authorized by law. The District may

partially release any filed Lien for portions of the Property subject to a plat if and when the Developers have demonstrated, in the District's sole discretion, such release will not materially impair the ability of the District to enforce the collection of funds hereunder. In the event the Developers sell any of the Property described in **Exhibit B** after the execution of this Agreement, the Developers' rights and obligations under this Agreement shall remain the same, provided however that the District shall only have the right to file a Lien upon the remaining Property owned by the Developers.

SECTION 3. In the event Developer fails to make payments as and when due to the District pursuant to this Agreement, the District shall have the following remedies, in addition to other remedies available at law and equity:

A. At the Board's direction, the District may bring an action at law against the record title holder to the Property to pay the amount due under this Agreement, or may foreclose the Lien against the Property in any manner authorized by law. The District may enforce the collection of funds due under this Agreement by action against Developer in the appropriate judicial forum in and for St. Johns County, Florida. The enforcement of the collection of funds in this manner shall be in the sole discretion of the District Manager on behalf of the District.

B. The District hereby finds that the activities, operations and services set out in **Exhibit A** provide a special and peculiar benefit to the Property, which benefit is initially allocated on an equal developable acreage basis. Developer agrees that the activities, operations and services set forth in **Exhibit A** provide a special and peculiar benefit to the Property equal to or in excess of the costs set out in **Exhibit A**, on an equal developable acreage basis. Therefore, in the alternative, or in addition to the other methods of collection set forth in this Agreement, the District, in its sole discretion, may choose to certify amounts due hereunder as a non ad valorem assessment on all or any part of the Property for collection, either through the Uniform Method of Collection set forth in Chapter 197 or under any method of direct bill and collection authorized by Florida law. Such assessment, if imposed, may be certified on the next available tax roll of the St. Johns County property appraiser. Developer hereby waives and/or relinquishes any rights it may have to challenge or object to such assessments if imposed, as well as the means of collection thereof.

SECTION 4. This instrument shall constitute the final and complete expression of the agreement between the parties relating to the subject matter of this Agreement. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the parties hereto.

SECTION 5. The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.

SECTION 6. This Agreement may be assigned, in whole or in part, by either party only upon the written consent of the other, which consent shall not be unreasonably withheld. In the event that Developer sells or otherwise disposes of its business or of all or substantially all of its assets relating to the lands within the District, including the Property, Developer will expressly require that the purchaser agree to be bound by the terms of this Agreement. In the event of such sale or disposition, Developer may place into escrow an amount equal to the then unfunded portion of the adopted FY 2022 Budget to fund any budgeted expenses that may arise during the remainder of the fiscal year and provide the District evidence of assignment of this Agreement to the purchaser. Upon confirmation of the deposit of said funds into escrow, and evidence of such assignment to, and assumption by the purchaser, the Developer's obligation under this Agreement shall be deemed fulfilled and this Agreement terminated with respect to Developer's obligations. The parties hereto recognize that Developer is responsible for expenditures of the District in the FY 2022 Budget and that expenditures approved by the Board may exceed the amount adopted in the FY 2022 Budget. Developer shall notify the District in writing ninety (90) days prior to an anticipated sale or disposition of all or substantially all of the Property.

SECTION 7. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief and specific performance and specifically including the ability of the District to enforce any and all payment obligations under this Agreement in the manner described in Paragraph 3 above.

SECTION 8. This Agreement is solely for the benefit of the parties hereto and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any person or entity not a party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns subject to the terms of Paragraph 6 above.

SECTION 9. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Venue shall be in St. Johns County, Florida.

SECTION 10. This Agreement has been negotiated fully between the parties as an arm's length transaction. The parties participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are each deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against any party.

SECTION 11. The Agreement shall be effective after execution by both parties hereto. The enforcement provisions of this Agreement shall survive its termination, until all payments due under this Agreement are paid in full.

SECTION 12. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the substantially prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorneys' fees, paralegal fees and expert witness fees and costs for trial, alternative dispute resolution, or appellate proceedings.

IN WITNESS WHEREOF, the parties execute this Agreement the day and year first written above.

RESOLUTION 2022-14

A RESOLUTION SETTING FORTH THE POLICY OF THE ST. AUGUSTINE LAKES COMMUNITY DEVELOPMENT DISTRICT BOARD OF SUPERVISORS WITH REGARD TO THE SUPPORT AND LEGAL DEFENSE OF THE BOARD OF SUPERVISORS, OFFICERS AND STAFF; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of Supervisors ("Board") and the officers and staff of the St. Augustine Lakes Community Development District ("District") are constantly presented with the necessity for making decisions regarding various phases of District policy and management; and

WHEREAS, it is absolutely essential to the effective operation of the District that such decisions be made in an environment where the threat of personal liability for the Board and its officers and staff is maintained at a minimum; and

WHEREAS, the Board wishes to formalize a policy with regard to the support and legal protection of the Board and its officers and staff so as to reduce the threat of personal liability to such individuals and allow for an effective decision-making environment.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE ST. AUGUSTINE LAKES COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. As set forth in this Resolution, the District, in accordance with Florida law, agrees that the following Board members, officers and staff (together, "Indemnitees") of the District shall be provided the benefit of the indemnification, support and legal defense provisions provided in this Resolution:

- A.** All members of the Board of Supervisors; and
- B.** Secretary and Assistant Secretaries, Treasurer and Assistant Treasurers, and other District officers, as well as District Staff (e.g., the District Manager, the District Engineer, and the District Counsel).

SECTION 2. As set forth in this Resolution and in accordance with Sections 111.07 and 768.28, *Florida Statutes*, the District hereby agrees to provide legal representation to defend any and all civil actions, including federal civil rights and other federal civil claims, arising from a complaint for damages or injuries suffered as a result of any action or omission of action of all Indemnitees, present or former, arising out of and in the scope of his or her employment or function, unless, in the case of a tort action, the Indemnitee acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. Defense of such civil actions includes, but is not limited to, any civil rights lawsuit seeking relief personally against any Indemnitee for an act or omission under color of state law,

custom or usage, wherein it is alleged that such Indemnitee has deprived another person of rights secured under the Federal Constitution or laws, including, by way of example, actions under 42 U.S.C. § 1983 or other federal statute. The District hereby further agrees to provide legal representation to defend against any other litigation arising against an Indemnitee from the performance of their official duties while serving a public purpose, including civil, administrative or criminal actions as permitted by law. By these provisions, the District does not waive any immunity from liability or limited waiver of such immunity as granted under Florida law. Rather, the District is stating that to the extent the State does not through its laws protect the Board and its officers from liability, the District is committed to doing so to the extent described in this Resolution and as permitted by law.

SECTION 3. The District may insure itself in order to cover all reasonable costs and fees directly arising out of or in connection with any legal claim or suit that directly results from a decision or act made by an Indemnitee while performing the duties and functions of his or her position.

SECTION 4. This Resolution is intended to evidence the District's support of Indemnites who perform acts and render decisions in the good faith performance of their duties and functions. The District will neither support nor defend those actions or omissions committed by an individual outside the scope of his or her office or committed in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. By adoption of this Resolution, the Indemnitee(s) in question are each presumed to have acted within the scope of his or her office and are presumed to be acting in good faith, without a malicious purpose and not in a manner exhibiting wanton and willful disregard of human rights, safety or property. The District's Board of Supervisors may overcome this presumption only by unanimous vote of those participating and voting, in accordance with Section 7 herein.

SECTION 5. In the event that the District has expended funds to provide an attorney to defend a Indemnitee who is found to be personally liable by virtue of actions outside the scope of his or her employment or function, or is found to have acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property, the individual shall be required to reimburse the District for funds so expended. The District may recover such funds in a civil action against such individual.

SECTION 6. The District agrees to pay any final judgment, including damages, fines, penalties or other damages, costs, and attorney's fees and costs, arising from any complaint for damages or injuries suffered as a result of any action or omission of action of any Indemnitee as described in Section 111.07, *Florida Statutes*. If the action arises under Section 768.28, *Florida Statutes*, as a tort claim, the limitations and provisions of that section governing payment shall apply. If the action is a civil rights action arising under 42 U.S.C. § 1983, or similar federal statutes, payment for the full amount of judgment may be made unless the individual has been determined in the final judgment to have caused the harm intentionally. The District agrees to pay any compromise or settlement of any claim or litigation described in this

paragraph, provided, however, that the District determines such compromise or settlement to be in the District's best interest.

SECTION 7. To rebut the presumption of the automatic payment of judgments or provision of legal representation pursuant to this Resolution, at least one of the following determinations shall be made by a unanimous decision of the District's Board of Supervisors participating and voting:

- A. The actions of the Indemnitee were outside the scope of his or her duties and authority; or
- B. The acts or omissions of the Indemnitee constituted bad faith, malicious purpose, intentional infliction of harm or were done in a manner exhibiting wanton and willful disregard of human rights, safety or property; or
- C. The Indemnitee received financial profit or advantage to which he or she was not legally entitled.

SECTION 8. To ensure the provision of legal representation pursuant to this Resolution, the following must be met:

- A. A copy of the summons, complaint, notice, demand letter or other document or pleading in the action, or a letter setting forth the substance of any claim or complaint, must be delivered to the District Chairman, Vice Chairman, District Manager or District Counsel within fourteen (14) calendar days after actual receipt of any such document together with a specific request in writing that the District defend or provide representation for the Indemnitee; and
- B. The Indemnitee must cooperate continuously and fully with the District in the defense of the action.

SECTION 9. Any indemnification, legal defense or other protection provided pursuant to this representation shall not extend to:

- A. Consulting or other outside professional or business activities for which the Indemnitee received financial or other material compensation, which are outside the scope of his or her District duties and authority; and
- B. Any independent contractor for whom defense or indemnification is not authorized pursuant to Section 1(b) of this Resolution, unless the Board votes to authorize such indemnification, legal defense, or other protection; and

- C. Any fine, penalty or other punishment imposed as a result of conviction for a criminal offense, and any legal fees and costs incurred to defend criminal prosecution in which a conviction is obtained; and
- D. Claims brought against the Indemnatee by the District's Board of Supervisors; and
- E. Any indemnification or defense prohibited by law.

SECTION 10. In the event legal representation or defense is provided pursuant to this Resolution, the Indemnatee may either:

- A. Retain legal counsel appointed by the District, in which case legal counsel shall be paid directly by the District; or
- B. Retain legal counsel chosen by the Indemnatee, in which case the District shall have the right to:
 - i. Approve, in advance, any agreement for legal fees or disbursements; and
 - ii. Pay all or part of the legal fees, costs and other disbursements and to set a maximum for legal fees, costs and other disbursements; and
 - iii. Direct the defense and settle or compromise the action or claim; and
 - iv. Reduce or offset any monies that may be payable by the District by any court costs or attorney's fees awarded to the Indemnatee.

SECTION 11. The benefits of the policy adopted in this Resolution shall not enlarge the rights that would have been available to any third-party plaintiff or claimant in the absence of this policy.

SECTION 12. To the extent permitted by law, this policy shall inure to the benefit of the heirs, personal representatives and estate of the Board member and/or officer.

SECTION 13. The District reserves the right to change, modify or withdraw this Resolution in its sole discretion, except as to actions, demand or other claims based on acts or omissions that occurred before the effective change, modification or withdrawal of this Resolution.

SECTION 14. This Resolution shall be effective as of its adoption on the date listed below and shall apply to any acts or omissions occurring after that date.

- 1.3** All claims submitted for reimbursement must be accompanied by a written statement that they are true and correct as to every material matter.

2.0 TRANSPORTATION.

- 2.1** All travel must be by a reasonably direct or usually traveled route. In the event a person travels by an indirect route for his/her own convenience, any additional cost shall be borne by the traveler and reimbursement for expenses shall be based on the usually traveled route.

- a. If an Agent must approve the payment request before it is submitted to the District Manager, payment (whether full or partial) is due twenty-five (25) business days after the payment request is Date Stamped. The Provider may send the District an overdue notice. If the payment request is not rejected within four (4) business days after Date Stamp of the overdue notice, the payment request shall be deemed accepted, except for any portion of the payment request that is fraudulent, misleading or is the subject of dispute.

The agreement between the District and the Provider shall identify the Agent to which the Provider shall submit its payment request, or shall be provided by the District through a separate written notice no later than ten (10) days after contract award or notice to proceed, whichever is later. Provider's submission of a payment request to the Agent shall be Date Stamped, which shall commence the time periods for payment or rejection of a payment request or invoice as provided in this section.

- b. If, pursuant to contract, an Agent is not required to approve the payment request submitted to the District, payment is due twenty (20) business days after the payment request is Date Stamped unless such payment request includes fraudulent or misleading information or is the subject of dispute.

If the District disputes a portion of a payment request, the undisputed portion shall be paid in a timely manner and in accordance with the due dates for payment as specified in this section.

VII. Resolution of Disputes

If a dispute arises between a Provider and the District concerning payment of an invoice or payment request, the dispute shall be resolved as set forth in §218.735, Fla. Stat., for Construction Services, and §218.76, Fla. Stat. for Non-Construction Goods and Services.

A. Dispute between the District and a Provider

If a dispute between the District and a Provider cannot be resolved following resubmission of a payment request by the Provider, the dispute must be resolved in accordance with the dispute resolution procedure prescribed in the construction contract, if any. In the absence of a prescribed procedure in the contract, the dispute must be resolved by the procedures specified below.

B. Dispute Resolution Procedures

1. If an Improper Payment Request or Improper Invoice is submitted, and the Provider refuses or fails to submit a revised payment request or invoice as contemplated by the PPA and these Policies and Procedures, the Provider shall, not later than thirty (30) days after the date on which the last payment request or invoice was Date Stamped, submit a written statement via certified mail to the Agent, copying the District Manager, specifying the basis upon which the Provider contends the last submitted payment request or invoice was proper.

2. Within forty-five (45) days of receipt by the Agent and District Manager of the disputed, last-submitted payment request or invoice, the Agent and/or District Manager shall commence investigation of the dispute and render a final decision on the matter no later than sixty (60) days after the date on which the last-submitted payment request or invoice is Date Stamped.
3. With regard to contracts executed on or after July 1, 2021, if the District does not commence the dispute resolution procedure within the time provided herein, a Provider may give written notice via certified mail to the Agent, copying the District Manager, of the District's failure to timely commence its dispute resolution procedure. If the District fails to commence the dispute resolution procedure within 4 business days after receipt of such notice, any amounts resolved in the Provider's favor shall bear mandatory interest, as set forth in section 218.735(9), Florida Statutes, from the date on which the payment request or invoice containing the disputed amounts was Date Stamped. If the dispute resolution procedure is not commenced within 4 business days after receipt of the notice, the objection to the payment request or invoice shall be deemed waived. The waiver of an objection pursuant to this paragraph does not relieve a Provider of its contractual obligations.
4. Absent a written agreement to the contrary, if the Provider refuses or fails to provide the written statement required above, the Agent and/or District Manager is not required to contact the Provider in the investigation. In addition, and absent a written agreement to the contrary, if such written statement is not provided, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider.
5. The Board shall approve any decision of the District Manager to contract with a third party which would result in: 1) an expenditure above what is budgeted for the Construction Services or Non-Construction Services; or 2) an expenditure which exceeds the original contract amount for the Construction Services or Non-Construction Services by more than ten percent (10%) or Ten Thousand Dollars (\$10,000).
6. A written explanation of the final decision shall be sent to the Provider, via certified mail, within five (5) business days from the date on which such final decision is made. A copy of the written explanation of the final decision shall be provided to the Chairperson of the Board simultaneously with the certified mailing to the Provider.

7. If a Provider does not accept in writing the final decision within five (5) days after receipt by the Provider, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider. If the costs of the third party purchases exceed the amount the District owes to the Provider, the District may seek to recover such excess from the Provider in a court of law or as otherwise provided in an agreement between the District and the Provider. Nothing contained herein shall limit or affect the District's ability to enforce all of its legal and contractual rights and remedies against the Provider.

VIII. Purchases Involving Federal Funds or Bond Funds

When the District intends to pay for a purchase with federal funds or bond funds, the District shall make such purchases only upon reasonable assurances that federal funds or bond funds sufficient to cover the cost will be received. When payment is contingent upon the receipt of bond funds, federal funds or federal approval, the public procurement documents and any agreement with a Provider shall clearly state such contingency. (§218.77, Fla. Stat.).

IX. Requirements for Construction Services Contracts – Project Completion; Retainage

The District intends to follow the PPA requirements for construction project completion and retainage, including, but not limited to, §218.735 (7) and (8), Fla. Stat.

X. Late Payment Interest Charges

Failure on the part of the District to make timely payments may result in District responsibility for late payment interest charges. No agreement between the District and a Provider may prohibit the collection of late payment interest charges allowable under the PPA as mandatory interest. (§218.75, Fla. Stat.).

A. Related to Non-Construction Goods and Services

All payments due from the District, and not made within the time specified within this policy, will bear interest, from thirty (30) days after the due date, at the rate of one percent (1%) per month on the unpaid balance. The Vendor must submit a Proper Invoice to the District for any interest accrued in order to receive the interest payment. (§218.735(9), Fla. Stat.).

An overdue period of less than one (1) month is considered as one (1) month in computing interest. Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

B. Related to Construction Services

All payments for Construction Services that are not made within the time periods specified within the applicable statute, shall bear interest from thirty (30) days after the due date, at the rate of one percent (1%) per month for contracts executed on or before June 30, 2021, and at the rate of two percent (2%) per month for contracts executed on or after July 1, 2021, or the rate specified by agreement, whichever is greater. §218.735(9), Fla. Stat. The Provider must submit a Proper Payment Request to the District for any interest accrued in order to receive the interest payment. An overdue period of less than one (1) month is considered as one (1) month in computing interest. (§218.74 (4), Fla. Stat.).

Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

C. Report of Interest

If the total amount of interest paid during the preceding fiscal year exceeds \$250, the District Manager is required to submit a report to the Board during December of each year, stating the number of interest payments made and the total amount of such payments. (§218.78, Fla. Stat.).

**Re: St. Augustine Lakes Community Development District Special Assessment
Bonds, Series 2022**

Dear Board of Supervisors:

Greenberg Traurig, P.A. would be pleased to serve as Bond Counsel to the St. Augustine Lakes Community Development District (the “District”) in connection with the above-referenced proposed special assessment bond issue (the “Bonds”) to be issued to finance certain public infrastructure improvements (herein, the “Project”) and the costs of issuance of the Bonds.

We would propose to perform all of the services customarily performed by bond counsel, including necessary tax analysis in connection with the issuance of the above-referenced Bonds under a master trust indenture and one or more supplemental trust indentures (which we shall prepare), the preparation of all bond resolutions, the drafting of all closing papers, the delivery of our tax opinion to the investors, providing assistance in the preparation of a preliminary and final limited offering memorandum and the validation of the Bonds. For our services, we would propose a legal fee of \$60,000 per issue. We would like to point out that our Firm will provide an unqualified tax opinion subject to additional tax diligence in light of the Villages TAM. We would also assist District Counsel in the validation of the Bonds. In addition, we would review all required assessment proceedings prepared by District Counsel on the District Manager.

We will also seek reimbursement of our reasonable documented expenses; such fees and expenses payable at, and contingent upon, the closing of the Bond issue (other than our expenses which are not contingent on the closing of the Bonds). Our out-of-pocket expenses, for which we will bill the District at the time of delivery of the Bonds, will not include the cost of preparing the final bond transcripts. Such item will be a post-closing matter and will be billed to the District at cost. Our fees assume that the requirements of Circular 230 will not be applicable to the Bonds; but in any event could not exceed the above stated amounts without notice to the Board of Supervisors.

If for any reason the District is unable to complete its financing or shall abandon issuing the Bonds utilizing special assessment bonds to finance the costs of the Project, our proposed bond counsel fee would be payable in the amount described below on or before the close of calendar year 2021. Such amount due would be equal to our normal hourly rates, discounted by 10%, plus our reasonable documented out-of-pocket expenses. In all cases, if we were to be paid under such formula, our total fee for services provided as bond counsel would not exceed \$60,000 per issue. We presume that under that scenario, where there are no bond proceeds available to pay our fees, payment would be made from general fund moneys of the District or moneys provided by the primary landowner/developer.

If our fee quote is acceptable to you, please indicate by signing below and return the same to me.

If you have any questions, please feel free to give me a call. We look forward to the opportunity to work with you on this financing.

Very truly yours,

GREENBERG TRAURIG, P.A.

Re: Agreement for Underwriter Services & Rule G-17 Disclosure

Dear Mr. Oliver:

Thank you for the opportunity to work with the St. Augustine Lakes Community Development District (the "Issuer") regarding the underwriting of the Issuer's Special Assessment Bonds, Series 2021 and future series of bonds (the "Bonds"). The Issuer and FMSbonds, Inc. ("FMS"), solely in its capacity as underwriter, agree to the proposed terms set forth herein in Attachment I. By executing this letter both parties agree to the terms set forth herein.

FMS's role is limited to act as Underwriter within the Scope of Services set forth herein as Attachment I, and not as a financial advisor or municipal advisor. FMS is not acting as a municipal advisor for the developer in connection with the subject transaction. Any information that FMS has previously provided was solely for discussion purposes in anticipation of being retained as your underwriter. Attachment II, attached hereto, contains the Municipal Securities Rulemaking Board (MSRB) Rule G-17 Disclosure, as set forth in the amended and restated MSRB Notice 2019-20 (November 8, 2019)¹ (the "Notice"). We ask that you provide this letter to the appropriate person at the Issuer.

We look forward to working with you.

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

ATTACHMENT I

Section 1 Scope of Services of FMS: FMS proposes that its duties as Underwriter shall be limited to the following:

1. To provide advice to the Issuer on the structure, timing and terms of the Bonds;
2. To coordinate the financing process;
3. To conduct due diligence;
4. To assist in the preparation of an offering memorandum;
5. To review the assessment methodology and Bond documents;
6. To market and offer Bonds to investors.

Section 2 Terms and Conditions:

1. Underwriter Fee ("Underwriting Fee"). FMS shall act as sole lead underwriter. The Underwriting Fee to FMS for acting as Underwriter shall be 2% of the par amount of any Bonds issued. The Underwriting Fee shall be due and payable only upon the closing of the Bonds. The Underwriting Fee may be modified pursuant to a bond delegation or award resolution approved by the Board and consented to by the Underwriter.
2. Price and Interest Rates: The offering price and interest rates are expected to be based on recent comparable transactions in the market, if any. FMS and the Issuer will jointly determine the offering price and interest rates immediately prior to the start of the order period, based on market conditions then prevailing.
3. Bond Purchase Agreement. The obligations of the Underwriter and those of the Issuer would be subject to the satisfactory completion of due diligence and to the customary representations, warranties, covenants, conditions, including provisions respecting its termination contained in the form of a bond purchase agreement FMS will prepare and as generally used in connection with the offering of Bonds for this type of transaction.
4. Costs of Issuance. The Issuer shall be responsible for the payment of all expenses relating to the offering, including but not limited to, attorney fees, consultant fees, costs associated with preparing offering documents, if any, the purchase agreement, regulatory fees and filing fees and expenses for qualification under blue sky laws designated by FMS and approved by the Issuer.
5. Assumptions. The proposed terms and statements of intention set forth in this attachment are based on information currently available to FMS about the Issuer and the market for special assessment bonds similar to the Bonds and the assumptions that:

- a) the financial condition and history of the project shall be substantially as understood, and the financial information for the relevant and appropriate period ended to be included in the final offering memorandum will not vary materially from those set forth in the material furnished to FMS;
 - b) no adverse developments shall occur which materially and adversely affect the underlying security and financial condition of the Issuer and the primary landowner and developer;
 - c) the offering memorandum will comply with all applicable laws and regulations;
 - d) there will not be any unanticipated substantial delays on the part of the Issuer in completing the transaction; and
 - e) all conditions of the Underwriter to purchase Bonds will be included in the bond purchase agreement and conditions shall be satisfied or waived, in the sole discretion of the Underwriter.
6. Information. The Issuer agrees to reasonably and actively assist FMS in achieving an underwriting that is satisfactory to FMS and the Issuer. To assist FMS in the underwriting the Issuer will (a) provide and cause the Issuer's staff and its professionals to provide FMS upon request with all information reasonably deemed necessary by FMS to complete the underwritings, included but not limited to, information and evaluations prepared by the Issuer and its advisors and the primary landowner and developer; and (b) otherwise assist FMS in its underwriting efforts.
7. Term of Engagement. The term of our engagement shall commence as of the date the covering letter is executed by the Issuer and continue in full force and effect unless terminated by either party. In event of termination by the Issuer without cause, FMS shall be entitled to recover its reasonable out of pocket expenses incurred up to the date of termination.
8. No Commitment. Notwithstanding the foregoing, nothing herein shall constitute an agreement to provide a firm commitment, underwriting or placement or arrangement of any securities by FMS or its affiliates. Any such commitment, placement or arrangement shall only be made a part of an underwriting agreement or purchase agreement at the time of the sale of the Bonds.

The engagement contemplated hereby is solely for the benefit of the Issuer and FMS and their respective successors, assigns and representatives and no other person or entity shall acquire or have any right under or by virtue hereof.

This engagement contains the entire understanding of the parties relating to the transactions contemplated hereby and supersedes all prior agreements, understandings and negotiations with respect thereto.

9. No Financial Advisor. FMS's role is limited to that of an Underwriter and not a financial advisor or municipal advisor.

ATTACHMENT II

MSRB Rule G-17 Disclosure --- The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the "Underwriter") and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the "Bonds"). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer's interest in this transaction.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.
- The Underwriter's primary role is to purchase the Bonds in an arm's-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.
- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter's compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal, accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer's acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, "Authorized Issuer Representative") acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.

SECTION 1. PROVISION OF FUNDS. Developer agrees to make available to the District such monies as are necessary to proceed with the issuance of bonds or other indebtedness to fund the District's improvements, facilities and services.

A. Developer agrees to provide to the District any such monies upon receipt of an invoice from the District requesting such funds. Such funds, and all future funds provided pursuant to this Agreement, may be supplied by check, cash, wire transfer or other form of payment deemed satisfactory in the sole discretion of the District as determined by the District Manager. The District agrees to authorize District staff, including the District Engineer, District Manager, and District Counsel to proceed with the work contemplated by this Agreement, and

to retain a Bond Counsel and Financial Advisor and other professional assistance as may be necessary to proceed with the work contemplated by this Agreement.

B. Developer and the District agree that all fees, costs or other expenses incurred by the District for the services of the District's Engineer, Counsel, Financial Advisor or other professionals, for the work contemplated by this Agreement shall be paid solely from the funds provided by Developer pursuant to this Agreement. Such payments shall be made in accordance with the District's normal invoice and payment procedures. The District agrees that any funds provided by Developer pursuant to this Agreement shall be used solely for fees, costs, and expenses arising from or related to the work contemplated by this Agreement.

C. The District agrees to provide to Developer, on a monthly basis, copies of all invoices, requisitions, or other bills for which payment is to be made from the funds provided by Developer. The District agrees to provide to Developer, monthly, a statement from the District Manager showing funds on deposit prior to payment, payments made, and funds remaining on deposit with the District.

D. Developer agrees to provide funds within fifteen (15) days of receipt of written notification from the District Manager of the need for such funds.

E. In the event that Developer fails to provide any such funds pursuant to this Agreement, Developer and the District agree the work may be halted until such time as sufficient funds are provided by Developer to ensure payment of the costs, fees or expenses which may be incurred in the performance of such work.

SECTION 2. TERMINATION. Developer and District agree that Developer may terminate this Agreement without cause by providing ten (10) days written notice of termination to the District. Any such termination by Developer is contingent upon Developer's provision of sufficient funds to cover any and all fees, costs or expenses incurred by the District in connection with the work to be performed under this Agreement as of the date by when notice of termination is received. Developer and the District agree that the District may terminate this Agreement due to a failure of Developer to provide funds in accordance with Section 1 of this Agreement, by providing ten (10) days written notice of termination to Developer; provided, however, that the Developer shall be provided a reasonable opportunity to cure any such failure.

SECTION 3. CAPITALIZATION. The parties agree that all funds provided by Developer pursuant to this Agreement may be reimbursable from proceeds of District financing for capital improvements, and that within forty-five (45) days of receipt of the proceeds by the District of bonds or notes for the District's capital projects, the District shall reimburse Developer in full, exclusive of interest, for these advances; provided, however, that in the event Bond Counsel determines that any such monies are not properly reimbursable, such funds shall be deemed

paid in lieu of taxes or assessments. In the event that District bonds are not issued within five (5) years of the date of this Agreement, all funds provided by Developer pursuant to this Agreement shall be deemed paid in lieu of taxes or assessments.

SECTION 4. DEFAULT. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages, injunctive relief and/or specific performance.

SECTION 5. ENFORCEMENT OF AGREEMENT. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the substantially prevailing party shall be entitled to recover all fees and costs incurred, including reasonable attorney's fees, paralegal fees and expert witness fees and costs for trial, alternative dispute resolution, or appellate proceedings.

SECTION 6. AGREEMENT. This instrument shall constitute the final and complete expression of this Agreement between the parties relating to the subject matter of this Agreement.

SECTION 7. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the parties hereto.

SECTION 8. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.

Section 1 INTRODUCTION

1.0 INTRODUCTION

The St Augustine Lakes Community Development District (“CDD”) was established by St. Johns County Ordinance No. 21-81 enacted on November 2, 2021 and effective on November 4, 2021 pursuant to the provisions of Chapter 190, Florida Statutes. The CDD consists of approximately 226.92 acres and was established for the purpose of providing an efficient mechanism for financing, operating, and maintaining the public infrastructure associated with and necessary to support development within the CDD. A location map of the CDD is shown on Figure 1.

FIGURE 1 LOCATION MAP

This Master Engineer’s Report for the St Augustine Lakes Community Development District (“Master Engineer’s Report”) has been prepared to identify the public infrastructure necessary to support the Development. In order to serve the Development, the CDD plans to design, permit, finance, acquire and/or construct, install, operate, and maintain all of part of certain public infrastructure improvements, including, but not limited to, certain offsite utility and transportation improvements; stormwater management facilities; utility infrastructure; recreation facilities; entry features; and landscaping (the “Capital Improvement Plan”). A portion of the Capital Improvement Plan is anticipated to be funded by the CDD through the issuance of bonds. A project of this type generally requires many permits through federal, state and local agencies. Identification of the various permits and respective status has been included in Section 3.

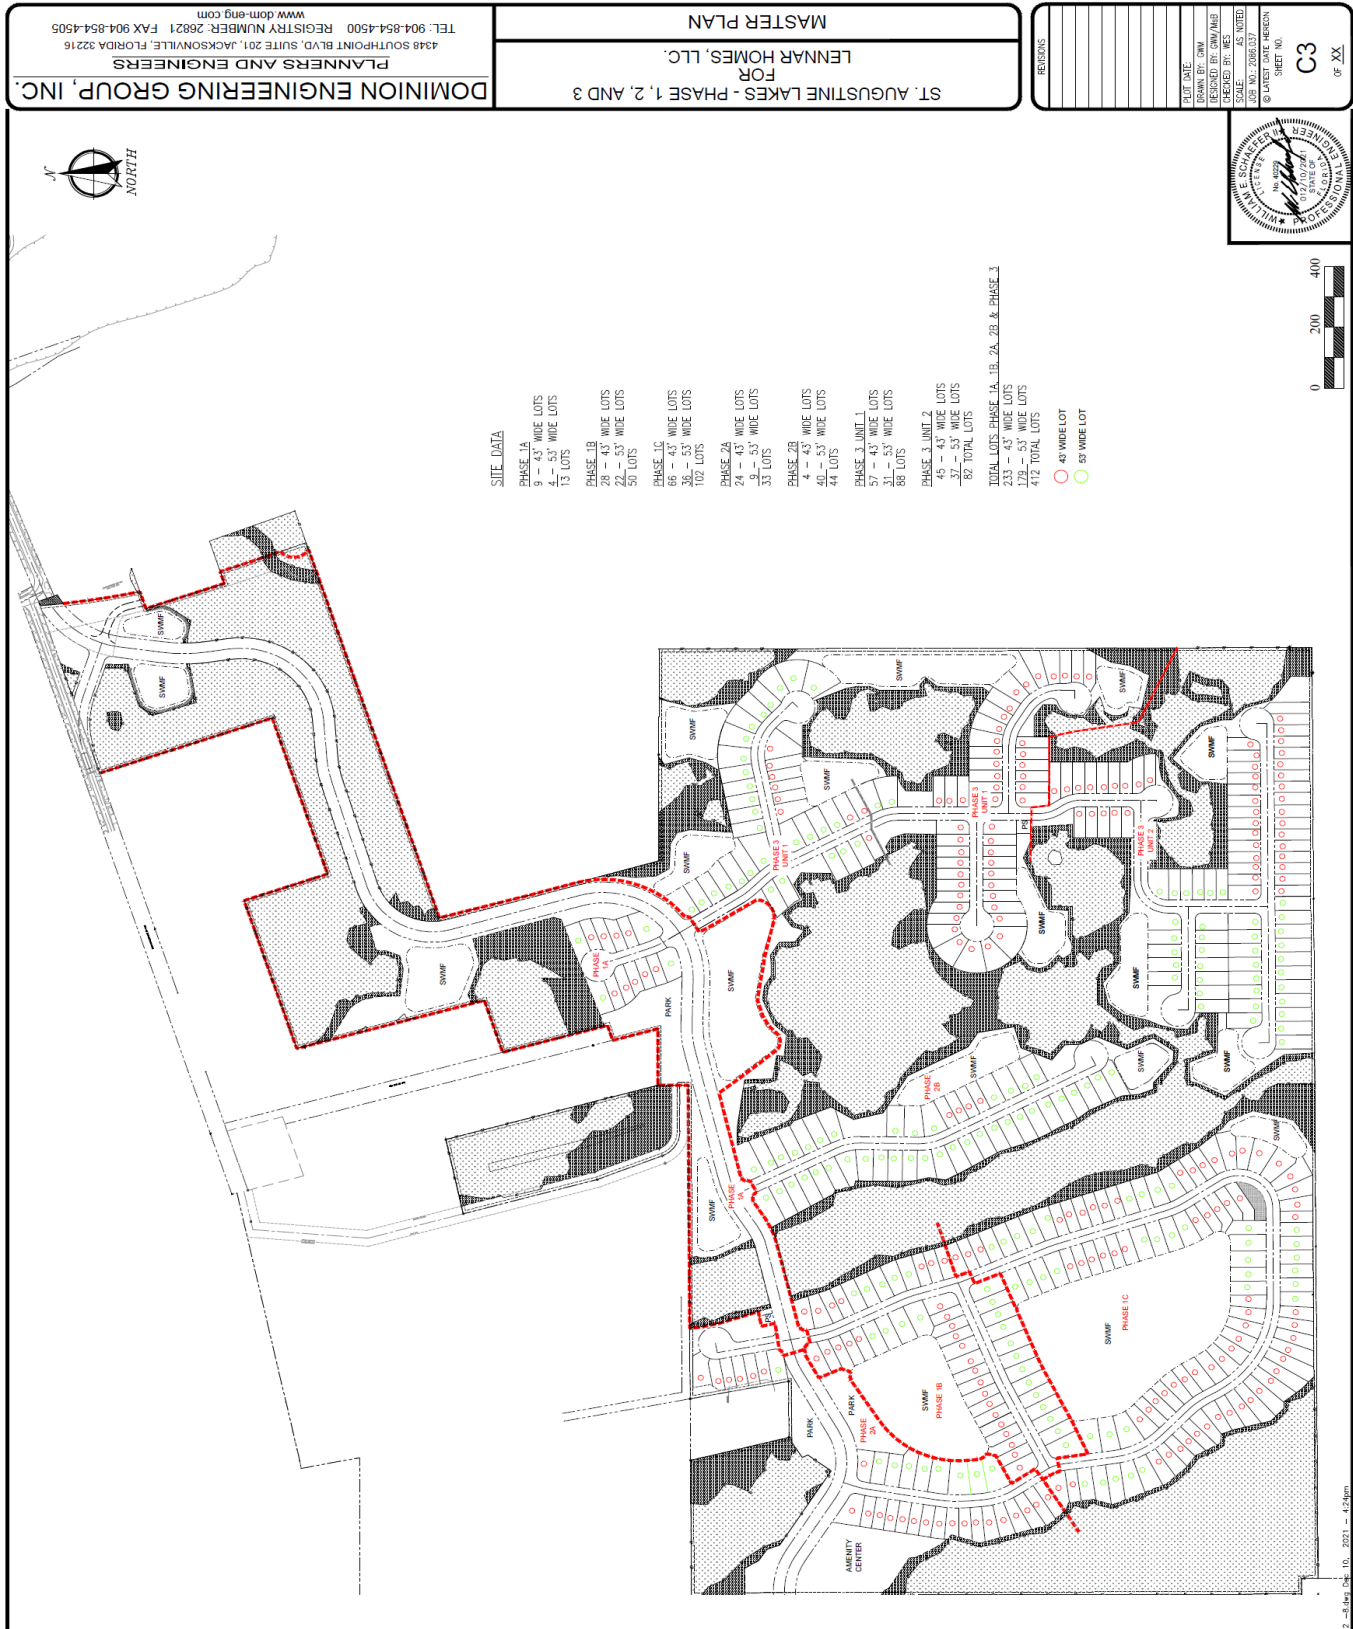

The current development plan (“Master Plan”) for the lands within the CDD is shown on Figure 2.

1.1 PROPOSED LAND USES

As described above, the CDD includes approximately 226.92 acres located entirely within St Johns County, Florida and comprising a part of the St Augustine Lakes PUD. The proposed land uses within the CDD are tabled below.

	Land Use	Acres	Residential Units
1.	Single Family	63	412
2.	Wetland (exclusive of lakes)	70.92	
3.	Upland buffers	21	
4.	Lakes	26	
5.	Right of Way	27	
6.	Recreation and Open Space	19	
	TOTAL	226.92	412

Section 2 St AUGUSTINE LAKES CDD PROPOSED IMPORVEMENTS

2.0 GENERAL

The public infrastructure improvements currently comprising the Capital Improvement Plan and proposed to be provided by the CDD include, but may not necessarily be limited to, the following:

2.1 DESCRIPTION OF IMPROVEMENTS

2.1.1 Infrastructure

The infrastructure improvements will benefit and provide environmental preservation, amenities, landscaping, signage, District roadways, stormwater and environmental management, and recreation for residents of the District. Infrastructure costs are based upon construction contracts, bids, construction drawing takeoffs, and other requirements contained in the approved Planned Unit Development (PUD). The infrastructure consists of the following categories as further described herein:

2.1.2 Stormwater Management Facilities

The CDD will construct and/or acquire drainage systems that collect and treat stormwater by temporarily holding in on-site retention/settlement basins before discharge to the regional drainage system. The stormwater collection system will consist of a stabilized subgrade, lime rock base, asphalt and curbs with inlets, piping system and ponds. These will all be constructed consistent with the specifications of St Johns County and the St. Johns River Water Management District.

The design of the roadway base and subgrade will be prepared in accordance with the current State of Florida Manual of Minimum Standards for Design, Construction and Maintenance of Streets and Highways, St Johns County Road Construction Specifications, and current AASHTO policies.

The project engineer has prepared a stormwater master plan for the project. The purpose of the St Augustine Lakes Stormwater Master Plan is to assure that adequate stormwater management facilities are available to provide stormwater management capacity for the final development and to meet the regulatory requirements, as listed below:

- a) St. Johns River Water Management District (SJRWMD)
- b) St Johns County

- c) Florida Department of Environmental Protection (FDEP)
- d) U.S. Army Corps of Engineers (ACOE)
- e) U.S. Environmental Protection Agency (EPA)

The Master Plan identifies peak discharge rates, water quality requirements, 100-year floodplain elevations, groundwater flows. More specifically, the plan includes:

- a) location and size of ponds and lakes required for stormwater management facilities;
- b) control elevations of ponds and lakes including required water quality treatment volumes;
- c) peak flow rates, flow volumes and stages for flood events determined within each basin and within major conveyance areas;
- d) compensating storage requirements to mitigate for encroachments into the 100-year floodplain in the basins which encroachments occur;
- e) wetland evaluations to show that hydroperiods and viability of wetlands are being maintained;
- f) groundwater impacts quantified as to the effects on flow rates and wetland impacts.

For each phase, final design of the proposed stormwater drainage system for the CDD will be reviewed and approved by SJRWMD and St. Johns County prior to construction. The drainage system will maintain existing drainage patterns to the greatest extent possible. The stormwater retention ponds will be wet detention biological treatment facilities designed to provide for the treatment of stormwater according to Chapter 40E-4, Florida Administrative Code. As part of the overall St Augustine Lakes SJRWMD stormwater permit, mitigation is required for wetland impacts. The Master Plan provides for the mitigation, which includes selective clearing, earthwork and wetland plantings for enhancement within the preservation areas.

The removal of surface drainage from the roadways will be accomplished by storm sewer systems, including curb and gutter, inlets and pipes along each side of the roadways that will collect and convey surface drainage to stormwater retention ponds located along the roadways. Protection of the road base material from undermining will be accomplished by underdrain systems as needed along each side of the roadways. The underdrain system will bleed off excess groundwater and discharge to the roadside storm sewer system.

In several areas, the removal of surface drainage from the roadways, and the protection of the road base material from undermining on those roadways, will be accomplished by grassed swales along each side of the roadways. This system will bleed off excess groundwater and convey surface drainage to stormwater retention ponds located along the roadways.

The costs of the stormwater management facilities include: clearing, earthwork operations to ensure a continuously functioning stormwater system, drainage structures, and wetland mitigation planting maintenance. The stormwater management system is included in the process of site grading and development for the PUD. The ponds are part of an integrated stormwater management and wetland mitigation system. The Capital Improvement Plan does not include the transportation to, or any grading on, the private lots.

2.1.3 Entrances and Entrance Landscaping

The CDD intends to construct monumentation and entry landscaping, including entrance and street tree plantings along the interior streets of the CDD. The streets will not be gated.

2.1.4 Wetland (environmental) Compliance and Mitigation

The CDD anticipates obtaining approximately 71 acres of wetlands preservation lands, purchasing offsite wetland mitigation, and maintaining or enhancing onsite wetlands to meet and ensure continued compliance with the requirements of the environmental permits.

2.1.5 Offsite Improvements

The District will make improvements outside the CDD boundary that will include intersection improvements in front of the project entrance along Holmes Blvd. The District will also construct water and sanitary force mains that connect into the regional system outside the CDD boundary. These are shown on Figure 3 below.

2.1.6 Water and Sewer

Water and Sewer are anticipated to be constructed onsite by the CDD and dedicated to St Johns County, a public utility company which will then provide service to the residents. The costs associated with the construction of the water distribution and wastewater collection infrastructure are included in the cost estimate in Table 2. This includes wastewater pumping stations and force mains. Water and sewer lines are currently available to the site along State Road 16 to provide service to the development. Any water or sewer pipes, lines or facilities placed on private property will not be publicly funded. The points of connection for the project are outside the CDD boundary and the CDD intends to install the lines necessary to serve the project. The offsite and onsite utility lines are shown on Figure 3 below.

2.1.7 Street Lights

Interior Street Lighting construction and equipment will be provided by Florida Power and Light. Street Light wiring, fixtures and all related equipment will be provided by, and will remain in the ownership and maintenance control of Florida Power and Light. The CDD may finance the incremental cost of undergrounding the electric utilities.

2.1.8 Engineering and Permitting

The CDD will pay permit fees, pay survey costs and engineering costs associated with the Capital Improvement Plan.

2.2. Ownership and Maintenance

All improvements funded by the CDD will be on land owned by, or on which a permanent easement is granted in favor of, the CDD or another governmental entity. The ownership and maintenance responsibilities for the infrastructure improvements within the CDD vary by the improvement as noted in the following table:

3.3 CONSTRUCTION STATUS

Construction of the spine road and common area improvements, roadway, earthwork and drainage to support Phase 1 is underway. Offsite utility and roadway improvements are also underway.

Section 4 ENGINEER'S CERTIFICATION

4.1 ENGINEER'S CERTIFICATION

In our opinion, the improvements cost estimates are fair and reasonable, and we have no reason to believe that the improvements described herein cannot be constructed and installed at such costs and in the construction time frames as described in this report. The estimated probable construction costs were determined utilizing comparable unit prices within North Florida with a ten percent (10%) contingency. We expect that all improvements to be constructed can be completed on schedule. Permits necessary to complete the improvements will be acquired in the normal course of business. We, therefore, believe that the CDD will be well served by the infrastructure improvements discussed in this report. The improvements, if constructed to the designs described herein, will be sufficient to support the Development as described in Section 2 of this Engineering Report. The benefit to the assessable lands within the CDD as a result of the Capital Improvement Plan shall at least be equal to cost thereof. The CDD shall pay the lesser of the actual cost or the fair market value of the public improvements comprising the Capital Improvement Plan.

I hereby certify that the foregoing is a true and correct copy of the Capital Improvement Plan.

1.0 Introduction

1.1 Purpose

This Master Special Assessment Methodology Report (“Report”) provides a methodology for allocating the proposed debt to be incurred by the St. Augustine Lakes Community Development District (“District”) to properties in the District in order to fund the District’s proposed Capital Improvement Plan (“CIP”). The District’s debt will fund the CIP that will allow the development of the property in the District. The methodology allocates this debt to properties based upon the special benefits each receives from the CIP. In this case the property located within the District includes approximately 227 acres located in St. Johns County (the “County”), Florida. This report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes, with respect to special assessments and is consistent with our understanding of the case law on this subject.

1.2 Scope of the Report

This Special Assessment Report presents the projections for financing the District’s CIP, which includes the improvements necessary to provide the CIP described in the *Master Engineer’s Report for St. Augustine Lakes Community Development District* developed by Dominion Engineering Group, Inc. dated December 10, 2021 (“the Engineer’s Report”). This Report also describes the master apportionment of benefit and special assessments resulting from the provision of the CIP to the lands within the District.

1.3 Special Benefits and General Benefits

The CIP undertaken by the District creates special and peculiar benefits to property within the District, different and special in kind and degree than general benefits to the public at large.

However, as discussed within this Report, the general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to property within the District. The District’s CIP enables properties within its boundaries to be developed. Without the District’s CIP, there would be no infrastructure to support development of the land within the District. Without these improvements, state and local law would prohibit development of property within the District.

There is no doubt that the general public, including property owners, and property outside the District, will benefit from the provision of District infrastructure. However, these are incidental to the CIP, which is designed solely to provide special benefits peculiar to property within the District. Properties outside the District do not depend upon the CIP to obtain, or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which District properties receive compared to those lying outside of the District's boundaries. Even though the exact value of the benefits provided by the CIP is difficult to estimate at this point, it is nevertheless greater than the costs associated with providing same.

1.4 Organization of this Report

Section Two describes the development program as proposed by the Developer.

Section Three provides a summary of the CIP as determined by the District Engineer.

Section Four discusses the financing program for the District.

Section Five introduces the Assessment Methodology.

2.0 District Development Program

2.1 Overview

The St. Augustine Lakes development is designed as a planned residential community, located within St. Johns County, Florida. The proposed land use within the District is consistent with the County and State Land Use and Comprehensive Plans.

2.2 The Development Program

The Development will consist of approximately 412 single-family residential homes. The current development program is comprised of 233 -43' lots and 179 - 53' lots.

3.0 The District's Capital Improvement Plan

3.1 Engineer's Report

The CIP and the estimated cost to be funded by the District is determined by the District Engineer in the Engineer's Report. The CIP includes only improvements that may qualify for bond financing by the District under Chapter 190, Florida Statutes.

3.2 Capital Improvement Plan

The CIP consists the following: engineering and permitting, offsite improvements, stormwater management, roadways, entry features, environmental mitigation, parks and amenities, and an overall infrastructure provision for contingencies. The CIP will represent a system of improvements that irrespective of certain exceptions described further in Section 5.1 of this Report, will provide benefits to all of the assessable lands within the District.

At the time of this writing, the total costs of the CIP according to the Engineer's Report dated December 10, 2021, were projected at \$22,541,200.

4.0 Financing Program for Saint Augustine Lakes

4.1 Overview

As noted above, the District is embarking on the CIP, which will facilitate the development of lands within the District. Construction of the CIP may be funded by the Developer and acquired by the District under an agreement between the District and the Developer, or maybe funded directly by the District. The structure of financing presented below is preliminary and subject to change.

It is currently contemplated that the CIP will finance the CIP with Special Assessment Bonds. The preliminary financing plan for the District anticipates the issuance of Special Assessment Bonds in the principal amount not to exceed \$28,000,000 to fund all or a portion of the District's CIP, as shown in Table 3.

4.2 Types of Special Assessment Bonds Proposed

As projected in the current master financing plan, in order to finance all or a portion of the CIP, the District will need to potentially incur indebtedness in the total amount of **\$28,000,000.**

The difference between the Bond debt and the CIP is comprised of costs of issuance, including the underwriter's discount and professional fees associated with debt issuance, capitalized interest costs as the District will be borrowing funds with which it will pay the early interest payments, and funding a debt service reserve.

Preliminary sources and uses of funding are presented in Table 3 in the Appendix.

Please note that the structure of the Special Assessment Bonds is preliminary and may change due to changes in the development program, market conditions, timing of infrastructure installation as well as other reasons. The District maintains complete flexibility as to the structure of the Special Assessment Bonds.

5.0 Assessment Methodology

5.1 Overview

Special Assessment Bonds provide the District with funds to acquire and / or construct the CIP outlined in *Section 3.2* and the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing specifically to the properties within the boundaries of the District and general benefits generally accruing to areas outside the District and being only incidental in nature. The debt incurred in financing the CIP will be paid off by assessing properties that derive special and peculiar benefits from the proposed public infrastructure set forth in the CIP. All properties that receive special benefits from the District's CIP will be assessed.

5.2 Assigning Debt

The current development plan for the District projects approximately 412 single-family residential homes; however, the planned unit numbers and land use types may change.

The CIP to serve the development consists of engineering and permitting, offsite improvements, stormwater management, roadways, entry features, environmental mitigation, parks and amenities, and an overall infrastructure provision for contingencies. All residential development within the District will benefit from all the CIP categories, as the improvements provide basic infrastructure to all residential lands within the District and benefit all residential lands within the District as an integrated system of improvements. Benefited units will be treated on an equivalent residential unit ("ERU") basis for each single-family residential unit based upon the front footage of the lot. A 53' foot lot will be equal to 1 ERU while a 43' lot is .81 ERU.

As the provision of the CIP by the District will make the lands in the District developable, the land will become more valuable to property owners. The increase in the value of the land provides the logical benefit of improvements that accrues to the developable parcels within the District.

Initially, the assessments will be levied on all assessable lands within the District based on the approved site plan on an equal acreage basis, because at that juncture, every acre benefits equally from the CIP.

The debt incurred by the District to fund the CIP is allocated to the properties receiving special benefits on the basis of development intensity and density. The responsibility for the repayment of the District's debt through assessments will ultimately be distributed in proportion to the special benefit peculiar to the assessable land within the District, as it may be classified within each of the land use categories. For the purpose of determining the special benefit accruing to the lands within the District, the CIP estimated costs have been allocated to each acre on an equal basis.

5.3 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in Section 1.3, Special Benefits and General Benefits, the CIP creates special and peculiar benefits to the assessable properties within the District. The CIP benefits properties within the District and such benefits accrue to all assessable properties on an ERU basis.

The CIP can be shown to be creating special and peculiar benefits to the property. The special and peculiar benefits resulting from the CIP undertaken by the District include, but are not limited to:

- a. Roadway Improvements result in special and peculiar benefits such as the added use of the property for development, added enjoyment of the property, avoidance of stormwater management issues and increased marketability of the property.
- b. Utility Improvements result in special and peculiar benefits such as the added use of the property, and likely increased marketability and value of the property.
- c. Amenities, Entry Features and Landscaping result in special and peculiar benefits such as the added use of the property, and likely increased marketability and value of the property.
- d. Storm Water systems result in special and peculiar benefits such as the added use of the property, decreased insurance premiums, added enjoyment of the property, and likely increased marketability of the property.
- e. A contingency is necessary in the current economic environment with the likelihood of increased costs for materials and labor over the life of the construction of the project.

These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value, however, each is more valuable than either the cost of, or the actual assessment levied for, the CIP or debt allocated to the benefitting land.

5.4 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the CIP is delineated in Table 4 (expressed as Allocation of Total Par Debt).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and or construction of the CIP (and the concomitant responsibility for the payment of the resultant and allocated debt) have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use.

Accordingly, no acre or parcel of property within the boundaries of the District will be lienied for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property. Further, the debt allocation will not be affected.

In accordance with the benefit allocation in Table 4, a Total Par Debt per Unit has been calculated for each single-family unit. This amount

represents the preliminary anticipated per unit debt allocation assuming all anticipated units are built and sold in the planned development and the entire proposed CIP is developed or acquired and financed by the District.

5.5 True-Up Mechanism

In order to ensure that the District's debt will not build up on the unsold acres, and to ensure that the requirements that the non-ad valorem special assessments be constitutionally lienable on the property will continue to be met, the District shall determine the following:

To ensure that there will always be sufficient development potential remaining in the undivided property to assure payment of debt service after a plat or site plan approval, the following test will be applied. The test is that the debt per acre remaining on the unplatted land is never allowed to increase above its maximum debt per acre level. Initially, the maximum level of debt per acre is calculated as the total amount of debt for the District's improvement program divided by the number of gross acres in the District. In this case, it is \$28,000,000 divided by 227 acres equaling \$123,153 per acre. Once a site plan for the development is completed the acreage will be reduced by the number of platted units and the calculation of debt per acre will be adjusted accordingly. Thus, if the initial debt level is \$123,153 per acre, every time a plat or site plan approval is presented, the debt on the unplatted land remaining after the plat or site plan approval must remain at or below \$123,153 per acre. If not, then in order for the Developer to receive a plat or site plan approval from St Johns County, the Developer agrees that the District will require a density reduction payment so that the \$123,153 per acre debt level is not exceeded.

Section 1. Authorization of Bonds. The District hereby authorizes the issuance of not to exceed \$28,000,000 aggregate principal amount of the Bonds in one or more series to (i) finance all or a portion of the costs of the Project including capitalized interest, if so required; (ii) fund debt service reserve accounts for each series of bonds so issued; and (iii) pay the costs of issuing the Bonds. Pursuant to Section 190.016(1) of the Act, the Bonds may be issued and delivered by the District in payment of all or a portion of the purchase price of the Project or may be sold at public or private sale.

Section 2. Certain Details of the Bonds. The Bonds and the interest thereon, shall not be deemed to constitute a debt, liability or obligation of the District (except as provided herein), St. Johns County, Florida (the “County”), or of the State of Florida (the “State”), or of any other political subdivision thereof, but shall be payable solely from the Special Assessments (as defined in the form of Indenture hereinafter referred to) levied by the District on property within the District benefited by the Project and subject to assessment, as set forth in the Indenture, and neither the faith and credit nor any taxing power of the District, the County or the State, or of any other political subdivision thereof, is pledged to the payment of the principal of or interest on the Bonds, except for Special Assessments to be assessed and levied by the District to secure and pay the Bonds.

The Bonds shall:

- (i) be issued in one or more series and may be delivered in payment of the purchase price of the Project or sold at public or private sale, as provided in Section 190.016(1), Florida Statutes, each series in an aggregate principal amount to be determined by subsequent resolution or resolutions of the District; provided, however, that the total aggregate principal amount of the Bonds issued may not exceed \$28,000,000 unless this Resolution is amended prior to the validation of the Bonds authorized herein;
- (ii) be issued in fully registered form in a minimum principal denomination of \$5,000 and any integral multiple of \$5,000 in excess thereof, except as otherwise provided in the herein defined Indenture;
- (iii) bear interest at an average annual rate not exceeding the maximum rate as may then be permitted by the laws of the State as more particularly provided in one or more resolutions adopted by the District prior to the issuance and delivery of the Bonds of any series;
- (iv) the Bonds of each series shall be payable in not more than 30 annual installments of principal; and
- (v) be dated as provided in a resolution adopted by the District prior to the issuance and delivery thereof.

The final maturity date or dates of the Bonds and the interest rate or rates thereon shall be determined, within the foregoing limits, and any optional, mandatory and extraordinary redemption provisions thereof shall be fixed, by the Indenture hereinafter referred to or by one or more resolutions of the District to be adopted prior to the delivery of the Bonds of any series. In other respects, the Bonds shall be in the form, shall be executed and authenticated, shall be subject to replacement and shall be delivered as provided in the Indenture hereinafter referred to, the form of which is set out as composite **Exhibit "A"** attached hereto.

Prior to the issuance and delivery of the Bonds, the District shall have undertaken and, to the extent then required under applicable law, completed all necessary proceedings, including, without limitation, the approval of assessment rolls, the holding of public hearings and the adoption of resolutions in order to levy and collect Special Assessments upon the lands within the District subject to assessment, all as more specifically required and provided for by the Act and Chapters 170, 190 and 197, Florida Statutes, as the same may be amended from time to time, or any successor statutes thereto.

The District does hereby authorize and approve the execution by the Chairperson or Vice Chairperson and any Designated Member and the delivery of a Master Trust Indenture and a Supplemental Trust Indenture (collectively, the “Indenture”) for the Bonds, each between the District and the Trustee named in Section 6 of this Resolution. The Indenture shall provide for the security of the Bonds and express the contract between the District and the owners of such Bonds. The Indenture shall be in substantially the forms thereof attached hereto and marked composite **Exhibit “A”** and hereby approved, with such changes therein as are necessary or desirable to reflect the terms of the sale of the Bonds as shall be approved by the Chairperson (or in his or her absence, the Vice Chairperson) executing the same, with such execution to constitute conclusive evidence of such officer’s approval and the District’s approval of any changes therein from the form of Indenture attached hereto.

Section 5. Sale of Bonds. Pursuant to the provisions of Section 190.016(1) of the Act, the Bonds may be delivered in payment of all or a portion of the purchase price of the Project or may be sold at public or private sale after such advertisement, if any, as the Board may deem advisable but not in any event at less than 90 percent of the par value thereof, together with accrued interest thereon, in conformance with the provisions of the Act.

Section 6. Appointment of Trustee. The District hereby appoints The Bank of New York Mellon Trust Company, N.A. to act as trustee under the Indenture (the “Trustee”). The Trustee shall also serve as the Paying Agent and Registrar under the Indenture.

Section 7. Bond Validation. District Counsel and Bond Counsel to the District are hereby authorized and directed to take appropriate proceedings in the Circuit Court of the Seventh Judicial Circuit of Florida, in and for St. Johns County, Florida, for validation and the proceedings incident thereto for the Bonds to the extent required by and in accordance with Section 190.016(12), Florida Statutes. The Chairperson, Vice Chairperson or any Designated Member is authorized to sign any pleadings and to offer testimony in any such proceedings for and on behalf of the District. The other members of the Board, the officers of the District and the agents and employees of the District, including, without limitation, the District Manager, the engineer or engineering firm serving as engineer to the District and the District’s underwriter are hereby also authorized to offer testimony for and on behalf of the District in connection with any such validation proceedings.

Section 8. Further Official Action; Ratification of Prior and Subsequent Acts. The Chairperson, the Vice Chairperson, the Secretary and each Designated Member and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Bonds, any documents required in connection with implementation of a book-entry system of registration, any funding agreements, acquisition agreements, true-up agreements and/or completion agreements with the Developer (as such term is defined in the Indenture), and investment agreements relating to the investment of the proceeds of the Bonds and any agreements in connection with maintaining the exclusion of interest on the Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chairperson or the Secretary is unable to execute and deliver the

documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District. Section 9. Bond Anticipation Notes. The District may, if it determines it to be in its best financial interest, issue Bond Anticipation Notes (“BANs”) in order to temporarily finance the costs of all or a portion of the Project. The District shall by proper proceedings authorize the issuance and establish the details of such BANs pursuant to the provisions of Section 190.014, Florida Statutes, as amended other applicable provisions of laws.

Section 10. Subsequent Resolution(s) Required. Notwithstanding anything to the contrary contained herein, no series of Bonds may be issued or delivered until the District adopts a subsequent resolution and/or supplemental indenture for each such series of Bonds, fixing the details of such series of Bonds remaining to be specified or delegating to the Chairperson, the Vice Chairperson or a Designated Member the authority to fix such details.

Section 11. Severability. If any section, paragraph, clause or provision of this resolution shall be held to be invalid or ineffective for any reason, the remainder of this resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

So long as Cede & Co., or any other nominee of DTC is the registered Owner of the Bonds, the definitive Bonds shall be in typewritten form.

SECTION 2.07. Cancellation and Destruction of Surrendered Bonds. All Bonds surrendered for payment or redemption and all Bonds surrendered for exchange shall, at the time of such payment, redemption or exchange, be promptly transferred by the Registrar, Paying Agent to, and cancelled and destroyed by, the Trustee in accordance with its retention policy then in effect.

SECTION 2.08. Registration, Transfer and Exchange. As provided in Section 2.04 hereof, the Issuer shall cause a Bond Register in respect of the Bonds to be kept at the designated office of the Registrar.

Upon surrender for requisition of transfer of any Bond at the designated office of the Registrar, and upon compliance with the conditions for the transfer of Bonds set forth in this Section 2.08, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver, in the name of the designated transferees, one or more new Bonds of a like aggregate principal amount and of the same Series and maturity.

At the option of the Bondholder, Bonds may be exchanged for other Bonds of a like aggregate principal amount and of the same Series and maturity, upon surrender of the Bonds to be exchanged at any such office or agency. Whenever any Bonds are so surrendered for exchange, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Master Indenture and applicable Supplemental Indenture as the Bonds of such Series surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Prior to any transfer of a Bond outside of a book-entry only system (including, but not limited to, the initial transfer outside of the book-entry only system) the transferor shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045, as amended. The Trustee shall conclusively rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue, transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

SECTION 2.09. Persons Deemed Owners. The Issuer, the Trustee, any Paying Agent, or the Registrar shall deem and treat the person in whose name any Bond is registered as the absolute Owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, any Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal or Redemption Price of and interest on such Bond, and for all other purposes, and the Issuer, the Trustee, any Paying Agent, and the Registrar shall not be affected by any notice to the contrary. All such payments so made to any such Owner, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Bond.

SECTION 2.10. Limitation on Incurrence of Certain Indebtedness. The Issuer will not issue Bonds of any Series, except upon the conditions and in the manner provided or as otherwise permitted in the Indenture, provided that the Issuer may enter into agreements with

issuers of Credit Facilities which involve liens on Pledged Revenues on a parity with that of the Bonds or portion thereof which is supported by such Credit Facilities.

SECTION 2.11. Qualification for The Depository Trust Company. To the extent provided in a Supplemental Indenture or authorized and directed by a Resolution of the Issuer authorizing the issuance of a Series of Bonds, the Trustee shall be authorized to enter into agreements with The Depository Trust Company, New York, New York (“DTC”) and other depository trust companies, including, but not limited to, agreements necessary for wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC, and other depository trust companies in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC and other depository trust companies (or any of their designees identified to the Trustee) by overnight delivery, courier service, telegram, telecopy or other similar means of communication.

So long as there shall be maintained a book-entry-only system with respect to a Series of Bonds, the following provisions shall apply:

Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, each Series of Bonds shall initially be registered in the name of Cede & Co. as nominee for DTC, which will act initially as securities depository for the Bonds and so long as the Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes hereof. On original issue, such Bonds shall be deposited with DTC, which shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants (“DTC Participants”) and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly (“Indirect Participants”). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Bonds (“Beneficial Owners”).

Principal and interest on the Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC without the need for presentment of such Bonds. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

The Bonds registered in the name of Cede & Co. shall initially be issued in the form of one fully registered Bond for each maturity of each Series registered in the name of Cede & Co. and shall be held in such form until maturity. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Bonds, through DTC Participants and Indirect Participants.

DURING THE PERIOD FOR WHICH CEDE & CO. IS REGISTERED OWNER OF THE BONDS, ANY NOTICES TO BE PROVIDED TO ANY REGISTERED OWNER WILL BE PROVIDED TO CEDE & CO. DTC SHALL BE RESPONSIBLE FOR NOTICES TO DTC PARTICIPANTS AND DTC PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO INDIRECT PARTICIPANTS, AND DTC PARTICIPANTS AND INDIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO BENEFICIAL OWNERS.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer. In the event of such termination, the Issuer shall select another securities depository and in that event all references herein to DTC or Cede & Co. shall be deemed to be for reference to its respective successors. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Bonds in the form of fully registered Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer elects to discontinue the book-entry only system in conformity with the requirements of DTC, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Bonds may be exchanged for an equal aggregate principal amount of Bonds in other Authorized Denominations and of the same maturity and Series upon surrender thereof at the corporate trust office of the Trustee.

Unless otherwise specified in the applicable Supplemental Indenture, a separate Series Account shall be established in the Acquisition and Construction Fund with respect to each Series of Bonds issued hereunder and the proceeds of each Series of Bonds (other than Bonds issued to refund all or a portion of the Bonds) shall be deposited into the corresponding Series Account in the Acquisition and Construction Fund. The amounts in any Series Account of the Acquisition and Construction Fund, until applied as hereinafter provided, shall be held for the security of the Series of Bonds hereunder in respect of which such Series Account was established. Separate subaccounts within any Series Account of the Acquisition and Construction Fund shall be maintained by the Trustee in respect of each Series of Bonds upon written request of the Issuer whenever, in the opinion of the Issuer, it is appropriate to have a separate accounting in respect of the Costs of any designated portion of the Project including, but not limited to, a costs of issuance subaccount. If, prior to the Completion Date, there remains any excess moneys in any costs of issuance subaccount after all costs of issuance have been paid, such excess moneys shall be deposited into the applicable Series Account in the Acquisition and Construction Fund. After the Completion Date, such excess moneys shall be deposited into the applicable Series Interest Account in the Debt Service Fund. (i) Payments made to the Issuer from the sale, lease or other disposition of the Project or any portion thereof;

(ii) The balance of insurance proceeds with respect to the loss or destruction of the Project or any portion thereof;

(iii) Deposits made by the Developer pursuant to the terms and provisions of a Developer Funding Agreement; and

(iv) Amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the Issuer and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of the Series Project.

Amounts in the applicable Series Account of the Acquisition and Construction Fund shall be applied to pay the Cost of the Project or a portion thereof, as applicable, pertaining to the Series of Bonds in question; provided, however, that if any amounts remain in the Series Account of the Acquisition and Construction Fund after the Completion Date (as defined in paragraph (c) below) of the Project or portion thereof pertaining to the Series of Bonds in question, and if such amounts are not reserved for payment of any remaining part of the Cost of the Project, such amounts shall be transferred to the applicable Series Account of the Bond Redemption Fund for application to the redemption of Bonds of the Series to which such proceeds relate, as set forth in Section 6.06 hereof or in the applicable Supplemental Indenture.

The Trustee shall have no duty to verify that the disbursement of funds pursuant to a requisition is for a purpose for which payment may be made hereunder and the Trustee may conclusively rely that a properly signed requisition is, on its face, sufficient to disburse funds from the Acquisition and Construction Fund.

(c) *Completion of Project.* On the date of completion of the Project or if sufficient moneys are retained in the appropriate Series Account of the Acquisition and Construction Fund, to complete the Cost of the Project, in either case, as evidenced by the delivery to the Trustee of a Certificate of the Consulting Engineer and adoption of a resolution by the Board accepting the Project as provided by Section 170.09, Florida Statutes, as amended (the "Completion Date"), the balance in the appropriate Series Account of the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of the Project shall be transferred by the Trustee to, and deposited in, the applicable Series Account of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture.

The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

SIXTH, subject to the foregoing paragraph, the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall, subject to application by one or more Supplemental Indentures shall remain therein, unless pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

The Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the written direction of the Issuer, withdraw any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and deposit such moneys as directed to the credit of the applicable Series Account of the Bond Redemption Fund in accordance with the provisions hereof. Notwithstanding the foregoing, if pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee in writing to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series Account of the Bond Redemption Fund as provided herein.

SECTION 6.04. Debt Service Fund. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental Indenture, a Series Principal Account, a Series Interest Account and, if applicable, a Series Sinking

Fund Account for each Series of Bonds and a Series Capitalized Interest Account, which accounts shall be separate and apart from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee in writing that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

(a) The Trustee shall apply the amounts required to be transferred to the Series Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the mandatory sinking fund redemption date in each of the years set forth in the Supplemental Indenture to the redemption of Bonds of the related Series in the amounts, manner and maturities and on the dates set forth in the Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the Series Sinking Fund Account to the purchase of Bonds of the applicable Series which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such Series so purchased shall be credited towards the Debt Service Requirements in respect of the mandatory redemption of Bonds of such Series for which notice of redemption has been given pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to

the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

SECTION 6.05. Debt Service Reserve Fund. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Acquisition and Construction Account of the Acquisition and Construction Fund, and after the Completion Date, shall be, at the written direction of the Issuer, transferred to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. If made applicable in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of Special Assessments against such lot or parcel or a mandatory true-up payment, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall, as directed by the terms of the applicable Series Supplement, either be transferred from the Series Account or Subaccount of the Debt Service Reserve Fund to the applicable Series Account of the Bond Redemption Fund established for such Series of Bonds and shall constitute as a credit against such optional prepayment or true-up payment. If made applicable in the Supplemental Indenture with respect to a Series of Bonds, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, as directed by the terms of the applicable Series Supplement, either be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or Subaccount of the Bond Redemption Fund or deposited into the appropriate Account of the Acquisition and Construction Fund to be used to pay any Deferred Obligation.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Series Account of the Debt Service Reserve Fund.

SECTION 6.06. Bond Redemption Fund. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Trustee is hereby authorized and directed to establish a Bond Redemption Fund and pursuant to a Supplemental Indenture a Series Account within the Bond Redemption Fund for each Series of Bonds issued hereunder into which shall be deposited, moneys in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08 and 9.14(c) of this Master Indenture. The Series Account within the Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Supplemental Indenture and shall be held by the Trustee separate and apart from all other Funds and Accounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Series Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Account within the Bond Redemption Fund (including all earnings on investments held in the Series Account within the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, (except for amounts resulting from Prepayments of Special Assessments, which shall be applied as provided in the next paragraph) make such deposits into the Rebate Fund created and established under this Master Indenture as the Issuer may direct in accordance with an arbitrage rebate agreement, such moneys thereupon to be used solely for the purposes specified in said arbitrage rebate agreement. Any moneys so transferred from the Series Account within the Bond Redemption Fund to the Rebate Fund shall thereupon be free from the lien and pledge of the related Indenture;

SECOND, to be used to call for redemption pursuant to clause (b) of Section 8.01 hereof an amount of Bonds of the applicable Series equal to the amount of money transferred to the Series Account within the Bond Redemption Fund pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such extraordinary mandatory redemption on the dates and at the prices provided in such clauses or provisions, as appropriate; and

THIRD, the remainder to be utilized by the Trustee, at the written direction of a Responsible Officer, to call for redemption on each Interest Payment Date or other date on

which Bonds of the applicable Series are subject to optional redemption pursuant to Section 8.01(a) hereof such amount of Bonds of the applicable Series taking into account any redemption premium, as may be practicable; provided, however, that not less than Five Thousand Dollars (\$5,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture and the applicable provisions of the related Supplemental Indenture. The Issuer shall pay all expenses in connection with such redemption.

SECTION 6.07. Drawings on Credit Facility. With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility, in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

SECTION 6.08. Procedure When Funds Are Sufficient to Pay All Bonds of a Series. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds (other than the moneys in the Rebate Fund) and Accounts hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar, Credit Facility Issuer, if any, the Trustee, at the written direction of the Issuer, shall apply the amounts in the Series Funds and Series Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

SECTION 6.09. Certain Moneys to Be Held for Series Bondowners Only. Each Series of Bonds issued pursuant to this Master Indenture and the related Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

SECTION 6.10. Unclaimed Moneys. In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for three (3) years after the date payment thereof becomes due shall, upon the written request of the Issuer, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Trustee, before making payment to the Issuer, may, at the expense of and if directed in writing by the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

SECTION 6.11. Rebate Fund. The Trustee is hereby authorized and directed to establish a Rebate Fund. Unless provided otherwise in a Supplemental Indenture, at the written direction of the Issuer the Trustee shall transfer monies from the applicable Series Account in the Revenue Fund and deposit the same to the Rebate Fund, and shall make payments therefrom at the times and in the amounts required to comply with the covenants in the applicable Arbitrage Certificate. If so directed by the Issuer in writing, the Trustee shall create one or more Series Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

(a) All amounts held in the Rebate Fund shall be governed by this Section and the applicable Arbitrage Certificate. The Trustee shall be entitled to conclusively rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Arbitrage Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken by the Issuer in reliance upon such calculations.

(b) Pursuant to the applicable Arbitrage Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the applicable Arbitrage Certificate, other than at the written direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Master Indenture, including in particular Article XIV hereof, the obligation to pay arbitrage rebate to the United States and to comply with all other requirements of this Section and the Arbitrage Certificate shall survive the defeasance or payment in full of the Bonds.

(d) The Trustee shall not be deemed to have any knowledge (constructive or otherwise) of the Code or regulations, rulings and judicial decisions concerning the Code.

ARTICLE VII

SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS

SECTION 7.01. Deposits and Security Therefor. Unless otherwise as provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under this Master Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Master Indenture and the related Supplemental Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof.

SECTION 7.02. Investment or Deposit of Funds. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in any Series Accounts in the Debt Service Fund, any Series Account within the Bond Redemption Fund and the Debt Service Reserve Fund and any Series Account therein created under any Supplemental Indenture only in Government Obligations and the other securities described in the definition of Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon written request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

The Trustee shall conclusively rely upon the Issuer's written instructions as to both the suitability and legality of all directed investments. Ratings of investments shall be determined at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such investments. In the absence of written investment instructions from the Issuer, the Trustee

shall not be responsible or liable for keeping the moneys held by it hereunder fully invested. The Trustee shall not be liable for any loss from any directed investments.

SECTION 7.03. Valuation of Funds. The Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the Issuer a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of the Debt Service Reserve Fund, obligations in which money in such Fund shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

ARTICLE VIII REDEMPTION AND PURCHASE OF BONDS

SECTION 8.01. Redemption Dates and Prices. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Bonds of a Series may be made subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in the related Supplemental Indenture.

(a) *Optional Redemption.* Bonds of a Series shall be subject to optional redemption at the written direction of the Issuer, at the times and upon payment of the purchase price as provided in the related Supplemental Indenture.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* Except as otherwise provided in a Supplemental Indenture with respect to Bonds of the related Series, Bonds of a Series are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Series Account within the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08 hereof; (ii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than moneys in the Rebate Fund and any other excluded Fund or Account) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the related Indenture; (iii) from moneys in excess of the Debt Service Reserve Requirement for a Series of Bonds in the applicable Series Account of the Debt Service Reserve Fund transferred to the Series Account within the Bond Redemption Fund pursuant to Section 6.05 hereof; (iv) from excess moneys transferred from the Series Account of the Revenue Fund to the Series Account within the Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (v) from moneys, if any, on deposit in the Series Account within the Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to 9.14(c) to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable; or (vi) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) or (d) hereof.

(c) *Mandatory Sinking Fund Redemption.* Bonds of a Series may be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount thereof plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Series Account of the Revenue Fund to the Series Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled Sinking Fund Installments shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased pursuant to Section 6.04 hereof.

Upon any redemption of Bonds other than in accordance with scheduled Sinking Fund Installments, the Issuer shall cause to be recalculated and delivered to the Trustee revised Sinking Fund Installments recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The Sinking Fund Installments as so recalculated shall not result in an increase in the aggregate of the Sinking Fund Installments for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a Sinking Fund Installment is due, the foregoing recalculation shall not be made to Sinking Fund Installments due in the year in which such redemption or purchase occurs, but shall be made to Sinking Fund Installments for the immediately succeeding and subsequent years.

SECTION 8.02. Notice of Redemption and of Purchase. Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so in writing by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (a) the redemption or purchase date;
- (b) the redemption or purchase price;
- (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;
- (d) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;
- (e) that on the redemption or purchase date the Redemption Price or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date; and

(f) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee.

If at the time of mailing of notice of redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds.

SECTION 8.03. Payment of Redemption Price. If any required (a) unconditional notice of redemption has been duly mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

SECTION 8.04. Partial Redemption of Bonds. Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall

be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall, at the written direction of the Issuer, be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied times a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date.

[END OF ARTICLE VIII]

ARTICLE IX COVENANTS OF THE ISSUER

SECTION 9.01. Power to Issue Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and all the rights of the Bondholders and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

SECTION 9.02. Payment of Principal and Interest on Bonds. The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, THE PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE COUNTY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR.

SECTION 9.03. Special Assessments; Re-Assessments.

(a) The Issuer shall levy Special Assessments, and, unless the Issuer collects the Special Assessments directly under the conditions set forth herein, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

SECTION 9.04. Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 170 or Chapter 197 Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. The Issuer shall use its best efforts to adopt the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto, as soon as practicable, or a comparable alternative method afforded by Section 197.3631, Florida Statutes. The Issuer shall use its best efforts to enter into one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the “Property Appraiser and Tax Collector Agreement”) in order to effectuate the provisions of this Section. The Issuer shall use its best efforts to ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under this Master Indenture. To the extent that the Issuer is not able to collect Special Assessments pursuant to the “uniform tax roll collection” method (the “Uniform Method”) under Chapter 197, Florida Statutes, the Issuer may elect to collect and enforce Special Assessments pursuant to any available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto. The election to collect and enforce Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the Issuer from electing to collect and enforce Special Assessments pursuant to any other method permitted by law in any subsequent year. Notwithstanding the immediately preceding paragraph or any other provision in this Master Indenture to the contrary, if the Trustee, acting at the written direction of the Majority Holders of a Series of Bonds, requests that the Issuer not use the uniform method, but instead collect and enforce the Special Assessments securing such Series of Bonds pursuant to another available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto, then the District shall collect and enforce said Special Assessments in the manner and pursuant to the method so requested by the Trustee.

SECTION 9.05. Delinquent Special Assessments; Sale of Tax Certificates and Issuance of Tax Deeds; Foreclosure of Special Assessment Liens.

(a) Subject to the provisions of Section 9.04 hereof, if the owner of any lot or parcel of land assessed for a particular Project shall be delinquent in the payment of any Special Assessment, then such Special Assessment shall be enforced pursuant to the provisions of Chapter 197, Florida Statutes, or any successor statute thereto, including but not limited to the sale of tax certificates and tax deeds as regards such delinquent Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, and any provisions of the Act with respect to such sale are inapplicable by operation of law, then upon the delinquency of any Special Assessment the Issuer shall, to the extent permitted by law, utilize any other method of enforcement as provided by Section 9.04 hereof, including, without limitation, declaring the entire unpaid balance of such Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate and Sections 190.026 and 170.10, Florida Statutes, or otherwise as provided by law. The Issuer covenants not to use the provisions of Chapter 173, Florida Statutes, unless no other provision under applicable law can be used to foreclose the Special Assessments.

(b) If the Special Assessments levied and collected under the Uniform Method described in Section 9.04 are delinquent, then the applicable procedures for issuance and sale of tax certificates and tax deeds for nonpayment shall be followed in accordance with Chapter 197, Florida Statutes and related statutes. Alternatively, if the Uniform Method is not utilized, and if any property shall be offered for sale for the nonpayment of any Special Assessment, and no person or persons shall purchase the same for an amount at least equal to the full amount due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, costs and expenses, if any), the property may then be purchased by the Issuer, to the extent the Issuer has available funds, for an amount equal to the balance due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, costs and expenses, if any), and the Issuer shall thereupon receive in its corporate name or in the name of special purpose entity nominee of the Issuer, the title to the property for the benefit of the Registered Owners.

(c) Not less than ten (10) days prior to the filing of any foreclosure action or any sale of tax deed as herein provided, the Issuer shall cause written notice thereof to be mailed to the Registered Owners of the Series of Bonds secured by such delinquent Special Assessments. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the Issuer, it shall give written notice thereof to such Registered Owners.

(d) Notwithstanding any of the foregoing to the contrary, for as long as there is an "Obligated Person," as defined under the Rule, then in addition to the Issuer, the decision to file a foreclosure action shall be made by the Majority Holders of the Outstanding Bonds so secured by the delinquent Special Assessments and such decision shall be communicated to the Issuer and Trustee in writing.

SECTION 9.06. Management of Property Acquired by the Trustee or Issuer. The Issuer, either through its own actions or actions caused to be done through the Trustee (at the written direction of the Majority Holders and upon the Trustee being indemnified to its

satisfaction), shall have the power and shall use its best efforts to lease or sell such property and deposit all of the net proceeds of any such lease or sale into the related Series Account of the Revenue Fund. The Issuer, either through its own actions or actions caused to be done through the Trustee (at the written direction of the Majority Holders and upon the Trustee being indemnified to its satisfaction), agrees that it shall be required to take the measure provided by law for sale of property acquired by it as trustee for the Registered Owners within thirty (30) days after the receipt of the request therefor signed by the Registered Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds of the Series payable from Special Assessments assessed on such property. If directed in writing by the Owners of a majority of the Outstanding Bonds of a Series or if the Issuer shall so elect, the Issuer and the Trustee may place title of property received upon foreclosure or deed in lieu of foreclosure into a special purpose entity controlled by the Trustee or such other entity acceptable to the Beneficial Holders of a majority of the Outstanding Bonds of a Series so effected by such foreclosure, for the benefit of the Registered Owners.

SECTION 9.07. Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings.

SECTION 9.08. Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time subsequent to thirty (30) days after the Project has been completed within the meaning of Section 5.01(e) hereof and the Board has adopted a resolution accepting the Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, and under certain circumstances described in the assessment resolutions in connection with prepayments derived from application of the "True-Up" mechanism therein, require the Issuer to release and extinguish the lien, in whole or in part, upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount or a portion, as the case may be, of the Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment owned by such owner to the earlier of the next Interest Payment Date occurring at least forty-five (45) days after the Trustee receives such Prepayment. If any such prepayment of Special Assessments shall occur within thirty (30) days after the Project has been completed and the Board has adopted a resolution accepting the Project as provided in Section 170.09, Florida Statutes, as amended, no accrued interest shall be required to be paid. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting the Project shall be derived from moneys on deposit in the Interest Account or capitalized interest account and if no moneys remain, from moneys on deposit in the Debt Service Reserve Account.

(b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Trustee shall calculate the credit authorized pursuant to Section 6.05 hereof, and transfer such credit to the applicable Account or subaccount of the Bond Redemption Fund to be used together with such Prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

(c) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, the owner of property (including the Developer) may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty (40) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner. In lieu of such Prepayment with cash, an owner of property within the District may surrender to the District for cancellation to completely extinguish the lien on such property or reduce the lien equally on every portion of such property, a principal amount of Outstanding Bonds of a Series that is secured by Special Assessments levied against such property.

(d) Upon receipt of a prepayment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Series Account within the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

SECTION 9.09. Deposit of Special Assessments. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund).

SECTION 9.10. Construction to be on District Lands. Except for certain off site mitigation, roadway and possibly landscaping improvements which are or may be outside the District Lands and are required in order for the District Lands to be developed, the Issuer covenants

that no part of the Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of the Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

SECTION 9.11. Operation, Use and Maintenance of Project. The Issuer shall establish and enforce reasonable rules and regulations governing the use of the Project owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain the Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Project owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

SECTION 9.12. Observance of and Compliance with Valid Requirements. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to each Project. The Issuer shall not, except as otherwise permitted in Section 9.24 of this Article, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

SECTION 9.13. Payment of Operating or Maintenance Costs by State or Others. The Issuer may permit the United States of America, the State, or any of their agencies, departments or political subdivisions or any other Person to pay all or any part of the cost of maintaining, repairing and operating the Project out of funds other than Pledged Revenues.

SECTION 9.14. Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth hereinbelow.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of any Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to any Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to any Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than “A” as to management and Class “V” as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of any Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate fund to be established by the Trustee for such purpose which may be an account within the Acquisition and Construction Fund as directed by the Issuer, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) into the related Series Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. The Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited directly into the related Series Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that the Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. “Qualified Self Insurance” means insurance maintained through a program of self-insurance or insurance

maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Prior to participation in any plan of Qualified Self Insurance not currently in effect, the Issuer shall obtain a certificate of compliance executed by the District Manager or a licensed insurance agent selected by the District Manager to the effect that (A) the proposed Qualified Self Insurance plan will provide the coverage required by subsections (a) and (b) of this Section, and (B) the proposed Qualified Self Insurance plan provides for the creation of actuarially sound reserves.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self-insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations unless it can establish to the satisfaction of the District Manager or an insurance consultant retained by the Issuer that such recommendations are unreasonable in light of the nature of the claims or the history of recovery against the Issuer for similar claims.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

The Trustee shall have no duty to determine compliance by the Issuer with the requirements of this Section.

SECTION 9.15. Collection of Insurance Proceeds. Copies of all insurance policies referred to in Section 9.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of the Bonds and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under this Master Indenture or any Supplemental Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it.

SECTION 9.16. Use of Revenues for Authorized Purposes Only. None of the Pledged Revenues shall be used for any purpose other than as provided in this Master Indenture and the related Supplemental Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Master Indenture and the related Supplemental Indenture.

SECTION 9.17. Books and Records. The Issuer shall keep proper books of record and account in accordance with Generally Accepted Accounting Principles (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions

relating to any Project, and which, together with all other books and records of the Issuer, including, without limitation, insurance policies, relating to any Project, shall at all times be subject during regular business hours to the inspection of the Trustee.

SECTION 9.18. Observance of Accounting Standards. The Issuer covenants that all the accounts and records of the Issuer relating to the Project will be kept according to Generally Accepted Accounting Principles consistently applied and consistent with the provisions of this Master Indenture and any Supplemental Indenture.

SECTION 9.19. Employment of Certified Public Accountant. The Issuer shall employ or cause to be employed as required a Certified Public Accountant to perform accounting and auditing functions and duties required by the Act and this Master Indenture and any Supplemental Indenture.

SECTION 9.20. Establishment of Fiscal Year, Annual Budget. The Issuer has established a Fiscal Year beginning October 1 of each year and ending September 30 of the following year. The reports and budget of the Issuer shall relate to such Fiscal Year unless and until, in accordance with applicable law, a different Fiscal Year is established by Certified Resolution of the Issuer and is filed with the Trustee.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget with respect to the Project for such Fiscal Year for the payment of anticipated operating and maintenance expenses and shall supply a copy of such budget promptly upon the approval thereof to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose. If for any reason the Issuer shall not have adopted the Annual Budget with respect to the Project on or before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall, until the adoption of the new Annual Budget, be deemed in force for the ensuing Fiscal Year. The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under this Master Indenture and any Supplemental Indenture. Copies of such amended or supplemental Annual Budget shall be mailed by the Issuer to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.21. Employment of Consulting Engineer; Consulting Engineer's Report.

(a) The Issuer shall, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by this Master Indenture and any Supplemental Indenture, employ one or more Independent engineers or engineering firms or corporations having a statewide and favorable reputation for skill and experience in such work.

(b) The Issuer shall cause the Consulting Engineer to make an inspection of any portions of the Project owned by the Issuer at least once in each Fiscal Year and, on or before the first day of July in each Fiscal Year, to submit to the Board a report setting forth (i) its findings as to whether such portions of the Project owned by the Issuer have been maintained in good repair,

working order and condition, and (ii) its recommendations as to the proper maintenance, repair and operation of the Project during the ensuing Fiscal Year and an estimate of the amount of money necessary for such purpose.

Copies of such annual report shall be mailed by the Issuer to any Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.22. Audit Reports. The Issuer covenants that, no later than the period prescribed by applicable law after the end of each Fiscal Year, it will cause an audit to be made by a Certified Public Accountant covering all receipts and moneys then on deposit with or in the name of the Trustee or the Issuer and any security held therefor and any investments thereof. Copies of such audit reports shall be filed with the District Manager and the Secretary of the Board, and mailed by said Secretary to the Consulting Engineer and to all Bondholders who shall have filed their names and addresses with him for such purpose.

SECTION 9.23. Information Required by the Issuer. The Issuer shall cause to be kept on file at all times copies of the schedules of Special Assessments levied on all District Lands in respect of the Project. The Issuer shall keep accurate records and books of account with respect to the Project, and shall have a complete audit of such records and accounts made annually by a Certified Public Accountant, as provided in Section 9.22 hereof.

SECTION 9.24. Covenant Against Sale or Encumbrance; Exceptions. The Issuer covenants that, (a) except for those improvements comprising any Project that are to be conveyed by the Issuer to the County, the State Department of Transportation or another governmental entity and (b) except as in this Section permitted, it will not sell, lease or otherwise dispose of or encumber any Project, or any part thereof. Subject to the provisions of Section 9.31 hereof, the Issuer may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments or other movable property acquired by it from the proceeds of a Series of Bonds or from Pledged Revenues if the District Manager shall determine, with the approval of the Consulting Engineer, that such items are no longer needed or are no longer useful in connection with the construction, maintenance and operation of the related Project, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or, at the written direction of the Issuer shall be deposited to the credit of the related Series Account in the Revenue Fund.

Upon any sale of property relating to the Project, the aggregate of which in any thirty (30) day period exceeds Fifty Thousand Dollars (\$50,000) under the provisions of this Section, the Issuer shall provide written notice to the Trustee of the property so sold and the amount and disposition of the proceeds thereof.

Subject to obtaining an opinion of Bond Counsel that such action is permitted hereunder and will not adversely affect the exclusion of interest on the Bonds for federal income tax purposes, the Issuer may lease or grant easements, franchises or concessions for the use of any part of the Project not incompatible with the maintenance and operation thereof, if the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any such lease, easement, franchise or concession (after the making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such

leases, easements, franchises or concessions) shall be deposited as received to the credit of related Series Account in the Revenue Fund.

SECTION 9.25. [RESERVED].

SECTION 9.26. No Loss of Lien on Pledged Revenues. The Issuer shall not do or omit to do, or suffer to be done or omit to be done, any matter or thing whatsoever whereby the lien of the Bonds on the Pledged Revenues or any part thereof, or the priority thereof, would be lost or impaired; provided, however, that this Section shall not prohibit the Trustee from transferring moneys to the Rebate Fund held by the Trustee under any arbitrage rebate agreement.

SECTION 9.27. Compliance With Other Contracts and Agreements. The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer enters into in connection with the Project and the issuance of the Bonds.

SECTION 9.28. Issuance of Additional Obligations. The Issuer shall not issue any obligations other than the Bonds payable from Pledged Revenues, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge, payable from Pledged Revenues.

SECTION 9.29. Extension of Time for Payment of Interest Prohibited. The Issuer shall not directly or indirectly extend or assent to an extension of time for payment of any claim for interest on any of the Bonds and shall not directly or indirectly be a party to or approve any arrangement therefor by purchasing or funding or in any manner keeping alive any such claim for interest; no claim for interest which in any way, at or after maturity, shall have been transferred or pledged apart from the Bonds to which it relates or which shall in any manner have been kept alive after maturity by extension or by purchase thereof by or on behalf of the Issuer, shall be entitled, in case of a default hereunder, to any benefit or security under this Master Indenture and any Supplemental Indenture except after the prior payment in full of the principal of all Bonds and claims for interest appertaining thereto not so transferred, pledged, kept alive or extended.

SECTION 9.30. Further Assurances. The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture.

SECTION 9.31. Use of Bond Proceeds to Comply with Internal Revenue Code. The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder, the interest on which is intended to be excluded from gross income for federal income tax purposes ("Tax-Exempt Bonds") which would cause such Bonds to be "arbitrage bonds" as that term is defined in Section 148 (or any successor provision thereto) of the Code or "private activity bonds" as that term is defined in Section 141 (or any successor provision thereto) of the Code, and that it will comply with the requirements of such Code sections and related regulations throughout the term of such Tax-Exempt Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any Arbitrage Certificate executed in connection with the issuance of each Series of Tax-Exempt Bonds for so long as compliance is necessary in order to maintain the

exclusion from gross income for federal income tax purposes of interest on each Series of Tax-Exempt Bonds.

SECTION 9.32. Corporate Existence and Maintenance of Properties. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Projects, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

SECTION 9.33. Continuing Disclosure. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture and any Supplemental Indenture, failure of the Issuer or the Developer (if obligated pursuant to the Continuing Disclosure Agreement) to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the written request of any participating underwriter or the Holders of at least 25% aggregate principal amount in Outstanding Bonds of a Series and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.33. For purposes of this Section, “Beneficial Owner” means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

SECTION 9.34. Bankruptcy of Developer or Other Obligated Person Under the Rule. The provisions of this Section 9.34 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against the Developer or other “obligated” person (as defined under the Rule) (herein, the “Landowner”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Bonds remain Outstanding, in any Proceeding involving the Issuer, any Landowner, or the Special Assessments, the District shall be obligated to act in accordance with direction from the Trustee with regard to all matters directly or indirectly affecting the Bonds.

The Issuer acknowledges and agrees that, although the Bonds will be issued by the Issuer, the Beneficial Owners of such Bonds are categorically the party with a financial stake in the repayment of the Bonds and, consequently, the party with a vested interest in a Proceeding. In the event of any Proceeding involving any Landowner (a) the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Special Assessments, the Bonds or any rights of the Trustee with respect to this Section 9.34 or Bondholders under this Master Indenture or applicable Supplemental Trust Indenture that is inconsistent with any direction from the Trustee, (b) the Trustee shall have the right, but is not obligated to, vote in any such Proceeding

any and all claims of the Issuer relating to the Special Assessments or the Bonds, and, if the Trustee chooses to exercise such right, the Issuer shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Landowner, including without limitation, the right to file and/or prosecute any claims, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (c) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of any lands submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the Issuer's claim with respect to the Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section shall preclude the Issuer from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, or claims for moneys or performance under a contract, and the Issuer shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the Issuer in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the Issuer or the Trustee.

Notwithstanding anything to the contrary herein and for the avoidance of any doubt, the Trustee shall only be obligated to act in connection with a Proceeding upon receiving timely written direction from the Majority Holders, upon which the Trustee may conclusively rely, together with indemnity satisfactory to the Trustee sufficient to cover any fees, costs and expenses (including attorney's fees, costs and expenses) of the Trustee or that may be incurred by the Trustee in connection with such Proceeding. The Trustee shall have no liability for any failure to act with respect to any Proceeding if it does not receive such written direction and indemnity in a sufficiently timely manner in order for the Trustee to meet any deadline applicable to such Proceeding and the Trustee shall be entitled to all of the rights and protections granted to it under Article XI of this Master Indenture regardless of whether there exists an Event of Default. In the event that the Trustee receives any moneys as the result of a Proceeding, the Trustee shall first reimburse any of its then outstanding fees and/or the fees, costs and expenses incurred in connection with such Proceeding (including attorney's fees, costs and expenses) prior to otherwise distributing such moneys.

ARTICLE X

EVENTS OF DEFAULT AND REMEDIES

SECTION 10.01. Events of Default and Remedies. Except to the extent otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, Events of Default and remedies with respect to each Series of Bonds shall be as set forth in this Master Indenture.

SECTION 10.02. Events of Default Defined. Each of the following shall be an “Event of Default” under the Indenture, with respect to a Series of Bonds:

(a) if payment of any installment of interest on any Bond of such Series is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Bond of such Series is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the Issuer, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which may be determined solely by the Majority Holders; or

(d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the Issuer defaults in the due and punctual performance of any other covenant in the Indenture or in any Bond of such Series issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

(g) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Bonds of any Series and such amount has not been restored within thirty (30) days of such withdrawal; or

(h) more than twenty percent (20%) of the “maintenance special assessments” levied by the Issuer on District lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the Issuer before recognizing that an Event of Default under (c) above has occurred.

SECTION 10.03. Foreclosure of Assessment Lien. Notwithstanding any other provision of this Master Indenture to the contrary, the following provisions shall apply with respect to the Special Assessments securing a Series of Bonds.

If any property shall be offered for sale for the nonpayment of any Special Assessment and no person or persons shall purchase such property for an amount equal to the full amount due on the Special Assessments (principal, interest, penalties and costs, plus attorneys’ fees, costs and expenses, if any), the property may then be purchased by the Issuer for an amount equal to the balance due on the Special Assessments (principal, interest, penalties and costs, plus attorneys’ fees, if any), from any legally available funds of the Issuer and the Issuer shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the applicable Series of Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Holders, but shall not be obligated, to direct the Issuer with respect to any action taken pursuant to this Section. The Issuer, either through its own actions, or actions caused to be taken through the Trustee (at the written direction of the Majority Holders and upon the Trustee being indemnified to its satisfaction), shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Revenue Fund. The Issuer, either through its own actions, or actions caused to be taken through the Trustee (at the written direction of the Majority Holders and upon the Trustee being indemnified to its satisfaction), agrees that it shall be required to take the measures provided by law for sale of property acquired by it as trustee for the Owners of the applicable Series of Bonds within sixty (60) days after the receipt of the request therefor signed by the Majority Holders.

SECTION 10.04. No Acceleration; Redemption. No Series of Bonds issued under this Master Indenture shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Bonds pursuant to Article VIII hereof shall occur unless all of the Bonds of the Series where an Event of Default has occurred will be redeemed or 100% of the Holders of such Series of Bonds agree to such redemption.

SECTION 10.05. Legal Proceedings by Trustee. If any Event of Default with respect to a Series of Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Holders of not less than a majority of the aggregate principal amount of

the Outstanding Bonds of such Series and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds of such Series, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds of such Series and to perform its or their duties under the Act;

(b) bring suit upon the Series of Bonds;

(c) by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds of such Series;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds of such Series; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

When the Trustee incurs costs or expenses (including legal fees, costs and expenses) or renders services after the occurrence of an Event of Default, such costs and expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

SECTION 10.06. Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

SECTION 10.07. Bondholders May Direct Proceedings. The Majority Holders of a Series then subject to remedial proceedings under this Article X shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law and the provisions of the Indenture.

SECTION 10.08. Limitations on Actions by Bondholders. No Bondholder shall have any right to pursue any remedy hereunder unless (a) a Responsible Officer of the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders shall have requested the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities (including, but not limited to, attorneys' fees, costs and expenses), and (d) the Trustee shall have failed to comply with such request within a reasonable time.

SECTION 10.09. Trustee May Enforce Rights Without Possession of Bonds. All rights under the Indenture and a Series of Bonds may be enforced by the Trustee without the possession of any of the Bonds of such Series or the production thereof at the trial or other

proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds of such Series.

SECTION 10.10. Remedies Not Exclusive. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture with respect to a Series of Bonds is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 10.11. Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

SECTION 10.12. Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under this Article X with respect to such Series of Bonds, including counsel fees, costs and expenses and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Bonds of such Series in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds of such Series which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Bond of a Series over another or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

For purposes of the application of moneys described above, to the extent payments of principal of and interest on a Series of Bonds shall have been made under a Credit Facility relating thereto, the Credit Facility Issuer shall be entitled to moneys in the related Series Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified

Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

SECTION 10.13. Trustee's Right to Receiver; Compliance with Act. The Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State.

SECTION 10.14. Trustee and Bondholders Entitled to all Remedies under Act. It is the purpose of this Article to provide such remedies to the Trustee and Bondholders as may be lawfully granted under the provisions of the Act and other applicable laws of the State; if any remedy herein granted shall be held unlawful, the Trustee and the Bondholders shall nevertheless be entitled to every other remedy provided by the Act and other applicable laws of the State. It is further intended that, insofar as lawfully possible, the provisions of this Article X shall apply to and be binding upon any receiver appointed in accordance with Section 10.12 hereof.

SECTION 10.15. Credit Facility Issuer's Rights Upon Events of Default. Anything in the Indenture to the contrary notwithstanding, if any Event of Default, other than Events of Default described in Section 10.02(a) or (b) hereof, has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, together with indemnity satisfactory to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under this Article. If the Credit Facility Issuer shall be in default in the performance of its obligations under the Credit Facility, said Credit Facility Issuer shall have no rights under this Section.

ARTICLE XI

THE TRUSTEE; THE PAYING AGENT AND REGISTRAR

SECTION 11.01. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article XI, to all of which the parties hereto the Bondholders and any Credit Facility Issuer agree. The Trustee shall act as Trustee under this Master Indenture. The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Master Indenture, and no implied covenants or obligations shall be read into this Master Indenture against the Trustee. If any Event of Default under this Master Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Master Indenture and shall use the same degree of care as a prudent person would exercise or use in the circumstances in the conduct of such prudent person's own affairs.

The Trustee further agrees to provide such documents or any other information available to the Trustee as the Issuer may reasonably request in writing from the Trustee in connection with the Issuer's compliance with the Issuer's procedures and covenants contained in any arbitrage rebate agreement to which the Issuer is a party, for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds, to the extent applicable.

SECTION 11.02. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture or in the Bonds, save only the Trustee's Certificate of Authentication, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof.

SECTION 11.03. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Negligence; Additional Provisions Regarding the Trustee. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel concerning all questions hereunder; the Trustee shall not be answerable for the default or misconduct of any attorney or agent selected and supervised by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture and any Supplemental Indenture nor for anything whatever in connection with the trust hereunder, except only its own negligence or willful misconduct hereunder. The Trustee shall not be accountable for the use or application by the Issuer of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Master Indenture. The permissive right of the Trustee to do things enumerated in this Master Indenture shall not be construed as a duty. The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds. The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Master Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; hurricanes or other storms; wars; terrorism; similar military disturbances; sabotage; epidemic; pandemic;

riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

SECTION 11.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements (including, but not limited to, attorney's fees, costs and expenses), and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct or negligence hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall promptly provide periodic reports of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 11.05. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 11.06. Notice of Default; Right to Investigate. The Trustee shall give written notice by first-class mail to registered Holders of a Series of Bonds of all defaults actually known to a Responsible Officer of the Trustee, unless such defaults have been remedied (the term "defaults" for purposes of this Section and Section 11.07 being defined to include the events specified as "Events of Default" in Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

SECTION 11.07. Obligation to Act. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holders which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it. Before taking any action in connection with its duties under this Master Indenture, other than making

payments of principal and interest on the Bonds as they become due or drawing on the Credit Facility whenever required by the Indenture, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all costs and expenses to which it may be put and to protect it against all liability, including, but not limited to, any liability arising directly or indirectly under any federal, state or local statute, rule, law or ordinance related to the protection of the environment or hazardous substances and except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken.

SECTION 11.08. Reliance by Trustee. The Trustee shall conclusively rely and shall be fully protected in acting in conformance with any requisition, resolution, notice, verifiable electronic communication, telegram, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

SECTION 11.09. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

SECTION 11.10. Construction of Ambiguous Provisions. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

SECTION 11.11. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent, Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within sixty (60) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has

been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

SECTION 11.12. Removal of Trustee. The Trustee may be removed at any time upon thirty (30) days' notice by either (a) a written instrument executed by the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Owners of a majority of the aggregate principal amount of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any material provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority of the aggregate principal amount of the Bonds then Outstanding.

SECTION 11.13. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Credit Facility Issuer, if any, and any rating agency that shall then have in effect a rating on any of the Bonds. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation or removal as the date when such resignation or removal was to take effect, the Majority Holders of all Bonds then Outstanding may appoint a successor Trustee.

SECTION 11.14. Qualification of Successor. A successor Trustee shall be a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

SECTION 11.15. Instruments of Succession. Subject to Section 11.16 hereof, any successor Trustee shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder and thereupon, such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder, after deducting all amounts owed to the Trustee, shall pay over to the successor Trustee all moneys held by it hereunder and, upon the reasonable written request of the successor Trustee, the Trustee ceasing to act and the Issuer shall execute and deliver an instrument or instruments prepared by the Issuer transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the predecessor Trustee, except for its rights under Section 11.04 hereof.

SECTION 11.16. Merger of Trustee. Any corporation into which any Trustee hereunder may be merged or with which it may be consolidated, or any corporation resulting from

any merger or consolidation to which any Trustee hereunder shall be a party, or any corporation which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Trustee under this Master Indenture and all Supplemental Indentures, without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation continuing to act as Trustee hereunder shall meet the requirements of Section 11.14 hereof, and if such corporation does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI. The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee.

SECTION 11.17. Extension of Rights and Duties of Trustee to Paying Agent and Registrar. The provisions of Sections 11.02, 11.03, 11.04, 11.08, 11.09 and 11.10 hereof are hereby made applicable to the Paying Agent and the Registrar, as appropriate, and any Person serving as Paying Agent and/or Registrar, hereby enters into and agrees to comply with the covenants and agreements of this Master Indenture and all Supplemental Indentures applicable to the Paying Agent and Registrar, respectively.

SECTION 11.18. Resignation of Paying Agent or Registrar. The Paying Agent or Registrar may resign and be discharged of the duties created by this Master Indenture and all Supplemental Indentures by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of sixty (60) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

SECTION 11.19. Removal of Paying Agent or Registrar. The Paying Agent or Registrar may be removed at any time prior to any Event of Default by the Issuer by filing with the Paying Agent or Registrar to be removed, and with the Trustee, an instrument or instruments in writing executed by the Issuer appointing a successor, or an instrument or instruments in writing designating, and accompanied by an instrument or appointment by the Issuer of, such successor. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

SECTION 11.20. Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto

exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a successor shall be appointed by the Issuer. After any such appointment, notice of such appointment shall be given by the Issuer to the predecessor Paying Agent or Registrar, the successor Paying Agent or Registrar, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. Any new Paying Agent or Registrar so appointed shall immediately, and without further act, supersede the predecessor Paying Agent or Registrar.

SECTION 11.21. Qualifications of Successor Paying Agent or Registrar. Every successor Paying Agent or Registrar (a) shall be a commercial bank or trust company (i) duly organized under the laws of the United States or any state or territory thereof, (i) authorized by law to perform all the duties imposed upon it by this Master Indenture and all Supplemental Indentures and (iii) capable of meeting its obligations hereunder, and (b) shall have a combined net capital and surplus of at least \$50,000,000.

SECTION 11.22. Judicial Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall resign and no appointment of a successor Paying Agent or Registrar shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Paying Agent or Registrar may forthwith apply to a court of competent jurisdiction for the appointment of a successor Paying Agent or Registrar. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Paying Agent or Registrar. Notice of such appointment shall be given by the Successor Registrar or Paying Agent to the Issuer, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. In the absence of such an appointment, the Trustee shall become the Registrar or Paying Agent, or and shall so notify the Issuer, any rating agency that shall have issued a rating on the Bonds, and all Bondholders.

SECTION 11.23. Acceptance of Duties by Successor Paying Agent or Registrar. Any successor Paying Agent or Registrar shall become duly vested with all the estates, property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Registrar herein. Upon request of such Paying Agent or Registrar, such predecessor Paying Agent or Registrar and the Issuer shall, after payment of its fees and expenses, execute and deliver an instrument transferring to such successor Paying Agent or Registrar all the estates, property, rights and powers hereunder of such predecessor Paying Agent or Registrar except for its rights under Section 11.04 hereof and such predecessor Paying Agent or Registrar shall pay over and deliver to the successor Paying Agent or Registrar all moneys and other assets at the time held by it hereunder.

SECTION 11.24. Successor by Merger or Consolidation. The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any interest payment date (except as otherwise provided in a Supplemental Indenture), at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of the Section 9.08 of the Indenture; (ii) when sufficient moneys are on deposit in the related Funds and Accounts (other than the Rebate Fund and any other excluded fund or account as provided in the Supplemental Indenture) to pay and redeem all Outstanding Bonds and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the Indenture; (iii) if made applicable in a Supplemental Indenture, from moneys in excess of the Debt Service Reserve Requirement in the Debt Service Reserve Fund transferred to the Bond Redemption Fund pursuant to the Indenture; (iv) from excess moneys transferred from the Revenue Fund to the Bond Redemption Fund in accordance with the Indenture; [(v) from moneys, if any, on deposit in the Bond Redemption Fund following condemnation or the sale of any portion of the District Lands benefited by the Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to the Indenture to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable;] or (vi) either prior to the Completion Date or after the Completion Date, as the case may be, from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with the Indenture.

Notice of Redemption

The Trustee shall cause notice of redemption to be mailed at least thirty but not more than sixty (60) days prior to the date of redemption to all registered owners of Bonds to be redeemed (as such owners appear on the books of the Registrar on the fifth (5th) day prior to such mailing) and to certain additional parties as set forth in the Indenture; provided, however, that failure to mail any such notice or any defect in the notice or the mailing thereof shall not affect the validity of the redemption of the Bonds for which such notice was duly mailed in accordance with the Indenture. If less than all of the Bonds shall be called for redemption, the notice of redemption shall specify the Bonds to be redeemed. On the redemption date, the Bonds called for redemption will be payable at the corporate trust office of the Paying Agent and on such date interest shall cease to accrue, such Bonds shall cease to be entitled to any benefit under the Indenture and such Bonds shall not be deemed to be outstanding under the provisions of the Indenture and the

registered owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof. If the amount of funds so deposited with the Trustee, or otherwise available, is insufficient to pay the redemption price and interest on all Bonds so called for redemption on such date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed by lot from among all such Bonds called for redemption on such date, and interest on any Bonds not paid shall continue to accrue, as provided in the Indenture.

Partial Redemption of Bonds. If less than all the Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of Bonds to be redeemed by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds pursuant to an optional redemption, such redemption shall be effectuated by redeeming Bonds of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of the Indenture. In the case of any partial redemption of Bonds pursuant to an extraordinary mandatory redemption, such redemption shall be effectuated by redeeming Bonds pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds to be redeemed multiplied times a fraction the numerator of which is the principal amount of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds outstanding immediately prior to the redemption date.

The Issuer shall keep books for the registration of the Bonds at the corporate trust office of the Registrar in Jacksonville, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds. Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, the Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal of,

premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2022 Bonds may be exchanged for an equal aggregate principal amount of Series 2022 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

(b) Extraordinary Mandatory Redemption in Whole or in Part. (a) The Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2022 Acquisition and Construction Account.” Net proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, together with any moneys transferred to the Series 2022 Acquisition and Construction Account pursuant to the provisions of this First Supplemental Indenture, and such moneys in the Series 2022 Acquisition and Construction Account shall be applied as set forth in Section 5.01 of the Master Indenture, this Section 4.01(a) and the Acquisition Agreement. Subject to the provisions of Section 4.01(f) hereof, any moneys remaining in the Series 2022 Acquisition and Construction Account after the Completion Date, and after the expenditure of all moneys remaining therein that have not been requisitioned within thirty (30) days after satisfaction of the Release Conditions, except for any moneys reserved therein for the payment of any costs of the 2022 Project owed but not yet requisitioned, as evidenced in a certificate from the District Engineer to the Trustee, upon which the Trustee may conclusively rely, and the adoption of a resolution by the Issuer accepting the 2022 Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account. Subject to the provisions of Section 4.01(f) hereof, the Series 2022 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions. Upon presentment by the District Manager or the Issuer to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2022 Acquisition and Construction Account and pay such moneys to the Person such requisition so directs. Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2022 Costs of Issuance Account.” Net proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Indenture. Upon presentment by the District Manager or the Issuer to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2022 Costs of Issuance Account to pay the costs of issuing the Series 2022 Bonds. Six months after the issuance of the Series 2022 Bonds, any moneys remaining in the Series 2022 Costs of Issuance Account in excess of the amount requested to be disbursed by the Issuer shall be deposited into the Series 2022 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2022 Bonds shall be paid from excess Series 2022 Pledged Revenues on deposit in the Series 2022 Revenue Account pursuant to paragraph SEVENTH of Section 4.02 hereof. When there are no further moneys therein, the Series 2022 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2022 Revenue

Account.” Series 2022 Special Assessments and any other amounts required to be deposited therein (except for Prepayments of Series 2022 Special Assessments which shall be identified as such by the Issuer to the Trustee in writing and deposited in the Series 2022 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2022 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2022 Principal Account.” Moneys shall be deposited into the Series 2022 Principal Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2022 Interest Account.” Moneys deposited into the Series 2022 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2022 Sinking Fund Account.” Moneys shall be deposited into the Series 2022 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2022 Reserve Account.” Proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2022 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2022 Reserve Account and prior to the Completion Date transfer any excess therein above the Reserve Requirement for the Series 2022 Bonds caused by investment earnings to the Series 2022 Acquisition and Construction Account and after the Completion Date to the Series 2022 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2022 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2022 Bonds to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2022 Special Assessments and applied to redeem a portion of the Series 2022 Bonds is less than the principal amount of Series 2022 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2022 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2022 Prepayment Principal due by the amount of money in the Series 2022 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2022 Reserve Account shall be transferred by the Trustee to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2022 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2022 Reserve Account as described below to the Series 2022 Acquisition and Construction Account and pay such amount deposited in the Series 2022 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit "C" submitted to the Issuer by the Developer within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the 2022 Project that were not paid from moneys initially deposited in the Series 2022 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Developer, such excess moneys transferred from the Series 2022 Reserve Account to the Series 2022 Acquisition and Construction Account shall be deposited into the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2022 Reserve Requirement, the Trustee shall without further direction reduce the Series 2022 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2022 Bonds as calculated by the District. The excess amount in the Series 2022 Reserve Account shall be transferred to the Series 2022 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to Section 3.01(b)(iii), the Trustee shall calculate the applicable Reserve Requirement and apply any excess in the Series 2022 Reserve Account toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund

designated as the “Series 2022 Bond Redemption Account” and within such Account, a “Series 2022 General Redemption Subaccount,” a “Series 2022 Optional Redemption Subaccount,” and a “Series 2022 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2022 Bonds, moneys to be deposited into the Series 2022 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2022 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account (including all earnings on investments held in such Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2022 Bonds equal to the amount of money transferred to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2022 Rebate Fund designated as the “Series 2022 Rebate Fund.” Moneys shall be deposited into the Series 2022 Rebate Fund, as provided in the Arbitrage Certificate and Section 4.02 SEVENTH herein and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2022 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2022 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2022 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2022 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each _____ 15 commencing _____ 15, 20__, to the Series 2022 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2022 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each _____ 15 commencing _____ 15, 20__, to the Series 2022 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding June 15, less any amounts on deposit in the Series 2022 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 20__, to the Series 2022 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2022 Bonds subject to sinking fund redemption on such June 15, less any amounts on deposit in the Series 2022 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each June 15, which is the principal payment date for any Series 2022 Bonds, to the Series 2022 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2022 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2022 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2022 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2022 Interest Account, the amount necessary to pay interest on the Series 2022 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2022 Bonds remain Outstanding, to the Series 2022 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2022 Reserve Requirement for the Series 2022 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2022 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2022 Bonds and next, any balance in the Series 2022 Revenue Account shall remain on deposit in such Series 2022 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2022 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2022 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2022 Bonds, to execute and deliver the Indenture and to pledge the Series 2022 Pledged Revenues for the benefit of the Series 2022 Bonds to the extent set forth herein. The Series 2022 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2022 Bonds. The Series 2022 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2022 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. 2022 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2022 Bonds, the Issuer will promptly proceed to construct or acquire the 2022 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of the Series 2022 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2022 Special Assessments may, at its option, or as a result of acceleration of the Series 2022 Special Assessments because of non-payment thereof or as a result of true-up payment, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2022 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2022 Special Assessment, which shall constitute Series 2022 Prepayment Principal, plus accrued interest to the next succeeding Interest Payment Date (or the next succeeding Interest Payment Date if such Prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to the Series 2022 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2022 Reserve Account will exceed the applicable Reserve Requirement as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting redemption of the Series 2022 Bonds in accordance with Section 3.01(b)(i) of this First Supplemental Indenture, the excess amount shall be transferred from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account as a credit against the Series 2022 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager on behalf of the Issuer upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2022 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2022 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2022 Bonds, there will be sufficient Series 2022 Pledged Revenues to pay the principal and interest, when due, on all Series 2022 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2022 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the District that the Series 2022 Special Assessment has been paid in whole or in part and that such Series 2022 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2022 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days prior to each Quarterly Redemption Date and will withdraw money from the Series 2022 Reserve Account as a credit against the amount of Prepayment that is owed. No credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2022 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2022 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from

the Series 2022 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2022 Special Assessments. Notwithstanding the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer may collect the Series 2022 Special Assessments relating to the acquisition and construction of the 2022 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. The Issuer may, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2022 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands, unless an Event of Default has occurred and is continuing and the Trustee, at the written direction of the Majority Holders, directs the Issuer to use a specific method of collection. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2022 Special Assessments, and to levy the Series 2022 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2022 Bonds when due. All Series 2022 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds, Accounts and Subaccounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2022 Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2022 Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations secured by Special Assessments on assessable lands within the District that are subject to the Series 2022 Special Assessments unless the Series 2022 Special Assessments levied within the District have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Trustee and the Issuer may rely on a written certificate from the District Manager regarding the occurrence of the Series 2022 Special Assessments being Substantially Absorbed. Nothing herein shall prohibit the Issuer from issuing additional Bonds or other debt obligations on lands within the District that are not burdened by the Series 2022 Special Assessments. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2022 Special Assessments, at any time upon the written consent of the Majority Holders.

SECTION 5.05. Acknowledgement Regarding Series 2022 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, upon the occurrence of an Event of Default with respect to the Series 2022 Bonds, the Series 2022 Bonds are payable solely from the Series 2022 Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that, upon the occurrence of an Event of Default with respect to the Series 2022 Bonds, (i) the Series 2022 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2022 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) the Series 2022 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2022 Project or otherwise) without the consent of the Majority Holders, and (iii) the Series 2022 Pledged Revenues may be used by the Trustee at the direction or with the approval of the Majority Holders to pay its then outstanding fees, costs and expenses and the reasonable costs and expenses (including attorneys' fees, costs and expenses) incurred in connection with the pursuit of remedies under the Indenture. The Issuer covenants not to enter into any contract regarding the 2022 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

Extraordinary Mandatory Redemption in Whole or in Part

The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date.

(i) from Series 2022 Prepayment Principal (including amounts transferred from the Series 2022 Debt Service Reserve Account as a credit against the amounts of the Series 2022 Prepayment Principal due and owing) deposited into the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account following the payment in whole or in part of Series 2022 Special Assessments on any assessable property within the District in accordance with the provisions of Section 4.05 of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2022 Funds, Accounts and Subaccounts in the Funds, Accounts and subaccounts (other than the Series 2022 Rebate Fund, the Series 2022 Costs of Issuance Account and the Series 2022 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2022 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2022 Acquisition and Construction Account not otherwise reserved to complete the 2022 Project (including any amounts transferred from the Series 2022 Reserve Account) and which funds have been transferred to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account.

Except as otherwise provided in the Indenture, if less than all of the Bonds subject to redemption shall be called for redemption, the particular such Bonds or portions of such Bonds to be redeemed shall be selected randomly by the Trustee, as provided in the Indenture.

Notice of each redemption of the Bonds is required to be mailed by the Trustee by class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of the Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Trustee or the Paying Agent, all as provided in the Indenture, the Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Bonds or such portions thereof on such date, interest on such Bonds or such portions thereof so called for redemption shall cease to accrue, such Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Trustee or the Paying Agent. Further notice of redemption shall be given by the Trustee to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

The Issuer shall keep books for the registration of the Bonds at the designated corporate trust office of the Registrar in Jacksonville, Florida. Subject to the restrictions contained in the

Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

WHEREAS, the District was established by ordinance adopted by the Board of County Commissioners in and for St. Johns County, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, operating and/or maintaining certain infrastructure including roadway, stormwater system/management/earthwork, water & sewer utilities, signage, lighting, underground electrical, landscape & irrigation, conservation & mitigation, amenity, recreation & hardscape improvements, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Developer is the primary owner of certain lands in unincorporated St. Johns County, Florida (“**County**”), located within the boundaries of the District; and

WHEREAS, the District presently intends to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services known as the “**Project**” and as detailed in the *Engineer’s Report*, dated _____, 2021 (“**Engineer’s Report**”), attached to this Agreement as **Exhibit A**; and

WHEREAS, the District intends to finance all or a portion of the Project through the use of proceeds from future special assessment bonds (“**Bonds**”); and

WHEREAS, the District has not had sufficient monies on hand to allow the District to contract directly for: (i) the preparation of the surveys, testing, reports, drawings, plans, permits, specifications, and related documents necessary to complete the Project (“**Work Product**”); or (ii) construction and/or installation of the improvements comprising the Project (“**Improvements**”); and

WHEREAS, the District acknowledges the Developer’s need to commence development of the lands within the District in an expeditious and timely manner; and

WHEREAS, in order to avoid a delay in the commencement of the development of the Work Product and/or the Improvements, the Developer has advanced, funded, commenced, and completed and/or will complete certain of the Work Product and/or Improvements; and

WHEREAS, the Developer and the District are entering into this Agreement to set forth the process by which the District may acquire the Work Product, the Improvements, and any related real property interests ("**Real Property**") and in order to ensure the timely provision of the infrastructure and development.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the District and the Developer agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated as a material part of this Agreement.

2. ADVANCED FUNDING. Prior to the issuance of the Bonds, the Developer agrees to make available to the District such monies as are necessary to enable the District to proceed with, and expedite, the design, engineering, and construction of the Project. The Developer will make such funds available on a monthly basis, within thirty (30) days of a written request by the District. The funds ("**Advanced Funds**") shall be placed in the District's depository as determined by the District, and shall be repaid to the Developer solely from available proceeds of the Bonds, subject to the terms of this Agreement. The District shall individually account for costs incurred and Advanced Funds expended in connection with the Project.

3. WORK PRODUCT AND IMPROVEMENTS. The parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement on such date or dates as the parties may jointly agree upon (each, an "**Acquisition Date**"). Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), and the requirements of this Agreement, the District agrees to acquire completed Work Product and Improvements that are part of the Project.

- a. ***Request for Conveyance and Supporting Documentation*** – When Work Product or Improvements are ready for conveyance by the Developer to the District, the Developer shall notify the District in writing, describing the nature of the Work Product and/or Improvement and estimated cost. Additionally, Developer agrees to provide, at or prior to the Acquisition Date, the following: (i) documentation of actual costs paid, (ii) instruments of conveyance such as bills of sale or such other instruments as may be requested by the District, and (iii) any other releases, warranties, indemnifications or documentation as may be reasonably requested by the District.
- b. ***Costs*** – Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds from the Bonds, and the requirements of this Agreement, the District shall pay the lesser of (i) the actual cost creation/construction of the Work Product or Improvements, and (ii) the fair market value of the Work Product or Improvements. The Developer shall provide copies of any and all invoices, bills, receipts, or other

evidence of costs incurred by the Developer for any Work Product and/or Improvements. The District Engineer shall review all evidence of cost and shall certify to the District's Board of Supervisors ("**Board**") whether the cost being paid is the lesser of (i) the actual cost of creation/construction of the Work Product or Improvements, and (ii) the fair market value of the Work Product or Improvements. The District Engineer's opinion as to cost shall be set forth in an Engineer's Certificate which shall accompany the requisition for the funds from the District's Trustee for the Bonds ("**Trustee**").

- c. **Conveyances on "As Is" Basis.** Unless otherwise agreed, all conveyances of Work Product and/or Improvements shall be on an "as is" basis. That said, the Developer agrees to assign, transfer and convey to the District any and all rights against any and all firms or entities which may have caused any latent or patent defects, including, but not limited to, any and all warranties and other forms of indemnification.
- d. **Right to Rely on Work Product and Releases** – The Developer agrees to release to the District all right, title, and interest which the Developer may have in and to any Work Product conveyed hereunder, as well as all common law, statutory, and other reserved rights, including all warranties and copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised. To the extent determined necessary by the District, the Developer shall reasonably obtain all releases from any professional providing services in connection with the Work Product to enable the District to use and rely upon the Work Product. The District agrees to allow the Developer access to and use of the Work Product without the payment of any fee by the Developer. However, to the extent the Developer's access to and use of the Work Product causes the District to incur any cost or expense, such as copying costs, the Developer agrees to pay such cost or expense.
- e. **Transfers to Third Party Governments; Payment for Transferred Property** – If any item acquired is to be conveyed to a third-party governmental body, then the Developer agrees to cooperate and provide such certifications, documents, bonds, warranties, and/or forms of security as may be required by that governmental body, if any. Further, the District and the Developer agree that it can be difficult to timely effect the turnover of infrastructure from the Developer to the District and then to a third-party governmental entity, and, accordingly, the District and the Developer recognize and agree that the parties shall make reasonable efforts to transfer such Work Product and/or Improvements to the District pursuant to the terms of this Agreement. Regardless, and subject to the terms of this Agreement, the District has the obligation to acquire all such Work Product and/or Improvements described in the Engineer's Report that is intended to be turned over to a third party governmental entity, and, in the event that the Developer transfers any such Work Product and/or Improvements to a third party governmental entity prior to the District's acquisition of the Work Product and/or Improvements, the District shall be obligated to pay for such Work Product and/or Improvements, subject to the terms

of this Agreement, and subject to ensuring that such acquisition and payment would not affect the tax-exempt status of the District's Bonds.

- f. **Permits** – The Developer agrees to cooperate fully in the transfer of any permits to the District or a governmental entity with maintenance obligations for any Improvements conveyed pursuant to this Agreement.
- g. **Engineer's Certification** – The District shall accept any completed Work Product and/or Improvements where the District Engineer (or other consulting engineer reasonably acceptable to the District), in his/her professional opinion, is able to certify that, in addition to any other requirements of law: (i) the Work Product and/or Improvements are part of the Project; (ii) the price for such Work Product and/or Improvements did not exceed the lesser of the cost of the Work Product and/or Improvements or the fair market value of the Work Product and/or Improvements; (iii) as to Work Product, the Work Product is capable of being used for the purposes intended by the District, and, as to any Improvements, the Improvements were installed in accordance with their specifications, and are capable of performing the functions for which they were intended; and (iv) as to any Improvements, all known plans, permits and specifications necessary for the operation and maintenance of the Improvements are complete and on file with the District, and have been transferred, or are capable of being transferred, to the District for operations and maintenance responsibilities.

4. CONVEYANCE OF REAL PROPERTY. The Developer agrees that it will convey to the District at or prior to the applicable Acquisition Date as determined solely by the District, by a special warranty deed or other instrument acceptable to the Board together with a metes and bounds or other description, the Real Property upon which any Improvements are constructed or which are necessary for the operation and maintenance of, and access to, the Improvements.

- a. **Cost.** The parties agree that all Real Property shall be provided to the District at no cost, unless (i) the costs for the Real Property are expressly included as part of the Project, as described in the Engineer's Report, and (ii) the purchase price for the Real Property is the lesser of the appraised value of the Real Property, based on an appraisal obtained by the District for this purpose, or the cost basis of the Real Property to the Developer. The parties agree that the purchase price shall not include amounts attributable to the value of improvements on the Real Property and other improvements serving the Real Property that have been, or will be, funded by the District.
- b. **Fee Title and Other Interests** – The District may determine in its reasonable discretion that fee title for Real Property is not necessary and in such cases shall accept such other interest in the lands upon which the Improvements are constructed as the District deems acceptable.
- c. **Developer Reservation** – Any conveyance of Real Property hereunder by special warranty deed or other instrument shall be subject to a reservation by Developer of its right and privilege to use the area conveyed to construct any Improvements and any future improvements to such area for any related purposes (including, but not

limited to, construction traffic relating to the construction of the Development) not inconsistent with the District's use, occupation or enjoyment thereof.

- d. ***Fees, Taxes, Title Insurance*** – The Developer shall pay the cost for recording fees and documentary stamps required, if any, for the conveyance of the lands upon which the Improvements are constructed. The Developer shall be responsible for all taxes and assessments levied on the lands upon which the Improvements are constructed until such time as the Developer conveys all said lands to the District. At the time of conveyance, the Developer shall provide, at its expense, an owner's title insurance policy or other evidence of title in a form satisfactory to the District.
- e. ***Boundary Adjustments*** – Developer and the District agree that reasonable future boundary adjustments may be made as deemed necessary by both parties in order to accurately describe lands conveyed to the District and lands which remain in Developer's ownership. The parties agree that any land transfers made to accommodate such adjustments shall be accomplished by donation. However, the party requesting such adjustment shall pay any transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other costs. Developer agrees that if a court or other governmental entity determines that a re-platting of the lands within the District is necessary, Developer shall pay all costs and expenses associated with such actions.

5. TAXES, ASSESSMENTS, AND COSTS.

- a. ***Taxes and Assessments on Property Being Acquired.*** The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Developer agrees to place in escrow with the County tax collector an amount equal to the current ad valorem taxes and non-ad valorem assessments (with the exception of those ad valorem taxes and non-ad valorem assessments levied by the District) prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.
 - i. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Developer agrees to reimburse the District for payment, or pay on its behalf, any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed.
 - ii. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.
- b. ***Notice.*** The parties agree to provide notice to the other within thirty (30) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes, assessments, or costs imposed on the property acquired by the District as described

in subsection a. above. The Developer covenants to make any payments due hereunder in a timely manner in accord with Florida law. In the event that the Developer fails to make timely payment of any such taxes, assessments, or costs, the Developer acknowledges the District's right to make such payment. If the District makes such payment, the Developer agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.

- c. ***Tax liability not created.*** Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Developer or the District. Furthermore, the parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

6. ACQUISITIONS AND BOND PROCEEDS. The District may in the future, and in its sole discretion, elect to issue Bonds that may be used to finance portions of work acquired hereunder, as well as reimburse Advanced Funds. In the event that the District issues the Bonds and has bond proceeds available to pay for any portion of the Project acquired by the District, or any Advanced Funds, and subject to the terms of the applicable documents relating to the Bonds, then the District shall promptly make payment for any such acquired Work Product, Improvements or Real Property, or reimbursable Advanced Funds, pursuant to the terms of this Agreement; provided, however, that no such obligation shall exist where the Developer is in default on the payment of any debt service assessments due on any property owned by the Developer, or is in default under any agreements between the Developer and the District, or, further, in the event the District's bond counsel determines that any such acquisitions or payments for Advanced Funds are not properly compensable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to make payment for such acquisitions, or Advanced Funds. Interest shall not accrue on any amounts owed for any prior acquisitions, or Advanced Funds. In the event the District does not or cannot issue sufficient bonds within five (5) years from the date of this Agreement to pay for all acquisitions hereunder, and Advanced Funds, and, thus does not make payment to the Developer for any unfunded acquisitions, or any unreimbursed Advanced Funds, then the parties agree that the District shall have no payment or reimbursement obligation whatsoever for those unfunded acquisitions, or unreimbursed Advanced Funds. The Developer acknowledges that the District may convey some or all of the Work Product and/or Improvements in the Engineer's Report to a general purpose unit of local government (e.g., the County) and consents to the District's conveyance of such Work Product and/or Improvements prior to any payment being made by the District.

7. CONTRIBUTIONS. In connection with the issuance of the Bonds, the District may levy debt service special assessments to secure the repayment of Bonds. As will be described in more detail in the District's assessment methodology report(s), the Developer may request that such debt service special assessments be reduced for certain product types. To accomplish any such requested reduction, and pursuant to the terms of this Agreement, the Developer agrees to provide a contribution of infrastructure, work product and/or land based on appraised value, comprising a portion of the Project and to meet the minimum requirements set forth in the Assessment Report, if any. Any such contributions shall not be eligible for payment hereunder.

8. DEFAULT. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance. Any default under an applicable trust indenture for the Bonds caused by the Developer and/or its affiliates shall be a default hereunder, and the District shall have no obligation to fund the CIP in the event of such a default. Notwithstanding the foregoing, neither the District nor the Developer shall be liable for any consequential, special, indirect or punitive damages due to a default hereunder. Prior to commencing any action for a default hereunder, the party seeking to commence such action shall first provide written notice to the defaulting party of the default and an opportunity to cure such default within 30 days.

9. ATTORNEYS' FEES AND COSTS. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

10. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer.

11. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

12. NOTICES. All notices, requests, consents and other communications under this Agreement ("**Notices**") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the parties, at the addresses first set forth above. Except as otherwise provided in this Agreement, any Notice shall be deemed received only upon actual delivery at the address set forth above. Notices delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the District and counsel for the Developer may deliver Notice on behalf of the District and the Developer, respectively. Any party or other person to whom Notices are to be sent or copied may notify the other parties and addressees of any change in name or address to which Notices shall be sent by providing the same on five (5) days written notice to the parties and addressees set forth herein.

13. ARM'S LENGTH TRANSACTION. This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

14. THIRD PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any

third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns.

15. ASSIGNMENT. Neither the District nor the Developer may assign this Agreement or any monies to become due hereunder without the prior written approval of the other.

16. APPLICABLE LAW AND VENUE. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in St. Johns County, Florida.

17. PUBLIC RECORDS. The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and treated as such in accordance with Florida law.

18. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

19. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred by sovereign immunity or by other operation of law.

20. HEADINGS FOR CONVENIENCE ONLY. The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

21. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

MEMORANDUM

TO: District Manager

RE: Section 448.095, *Florida Statutes* / E-Verify Requirements

The Florida Legislature enacted Section 448.095, *Florida Statutes*, which, generally speaking, requires that all employers verify employment eligibility using the United States Department of Homeland Security's "E-Verify" system. Specifically, Section 448.095(2)(a) provides:

"Beginning January 1, 2021, every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor may not enter into a contract unless each party to the contract registers with and uses the E-Verify system."

Section 448.095(1), F.S., defines "public employer" to be any "regional, county, local, or municipal government . . . that employs persons who perform labor or services for that employer in exchange for salary, wages, or other remuneration or that enters or attempts to enter into a contract with a contractor." Because all CDDs and stewardship districts (together, "Special Districts") enter into contracts with contractors (and many Special Districts have employees), all Special Districts are subject to the new E-Verify requirements.

As a District Manager, there are two steps that need to be taken:

1. Enroll your Special Districts on the E-Verify system, at: <https://www.e-verify.gov/>. An E-Verify enrollment checklist is available at <https://www.e-verify.gov/employers/enrolling-in-e-verify/enrollment-checklist>. In order to enroll, all Special Districts must enter into a memorandum of understanding ("MOU") which must be executed by the chairperson of each board. Under the MOU, the responsibilities of the Special Districts include provision of contact information, display of notices to prospective employees, completion of an E-Verify tutorial, familiarization with the E-Verify User Manual, and other obligations.
2. Include the following contract provision in Special District contracts:

E-VERIFY REQUIREMENTS

The Contractor shall comply with and perform all applicable provisions of Section 448.095, *Florida Statutes*. Accordingly, beginning January 1, 2021, to the extent required by Florida Statute, Contractor shall register with and use the United States Department of Homeland Security's E-Verify system to verify the work authorization status of all newly hired employees. The District may terminate this Agreement immediately for cause if there is a good faith belief that the Contractor has knowingly violated Section 448.091, *Florida Statutes*.

If the Contractor anticipates entering into agreements with a subcontractor for the Work, Contractor will not enter into the subcontractor agreement without first receiving an affidavit from the subcontractor regarding compliance with Section 448.095, *Florida Statutes*, and stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Contractor shall maintain a copy of such affidavit for the duration of the agreement and provide a copy to the District upon request.

In the event that the District has a good faith belief that a subcontractor has knowingly violated Section 448.095, *Florida Statutes*, but the Contractor has otherwise complied with its obligations hereunder, the District shall promptly notify the Contractor. The Contractor agrees to immediately terminate the agreement with the subcontractor upon notice from the District. Further, absent such notification from the District, the Contractor or any subcontractor who has a good faith belief that a person or entity with which it is contracting has knowingly violated s. 448.09(1), *Florida Statutes*, shall promptly terminate its agreement with such person or entity.

By entering into this Agreement, the Contractor represents that no public employer has terminated a contract with the Contractor under Section 448.095(2)(c), *Florida Statutes*, within the year immediately preceding the date of this Agreement.
