NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the St. Augustine Lakes Community Development District (the “Board”), as follows:

Section 1. Negotiated Limited Offering of 2022 Bonds. The District hereby finds that because of the complex nature of assessment bond financings in order to better time the sale of the 2022 Bonds and secure better interest rates, it is necessary and in the best interest of the District that the 2022 Bonds, in the aggregate principal amount of not exceeding \$9,000,000, be sold on a negotiated limited offering basis. The District hereby further finds that it will not be adversely affected if the 2022 Bonds are not sold pursuant to competitive sales.

Section 2. Purpose. The District has authorized its capital improvement plan for the development of the District, as set forth in the Engineer’s Report, and hereby authorizes the financing of all or a portion of the acquisition and construction of certain public infrastructure benefiting the assessable lands within the District by issuing the 2022 Bonds to finance a portion of such public infrastructure described in the Engineer’s Report and constituting the 2022 Project. The 2022 Project includes, but is not limited to, public roadway improvements, stormwater drainage facilities including related earthwork, water and sewer facilities, landscaping, hardscaping and irrigation in public rights of way, all as more particularly described in the Engineer’s Report.

Section 3. Sale of the 2022 Bonds. Except as otherwise provided in the last sentence of this Section 3, the proposal submitted by the Underwriter offering to purchase the 2022 Bonds at the purchase price established pursuant to the parameters set forth below and on the terms and conditions set forth in the Bond Purchase Contract (attached hereto as Exhibit A), are hereby approved and adopted by the District in substantially the form presented. Subject to the last sentence of this Section 3, the Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby authorized to execute and deliver on behalf of the District, and the Secretary of the District is hereby authorized (if so required) to affix the seal of the District and attest to the execution of the Bond Purchase Contract in substantially the form presented at this meeting. The disclosure statements of the Underwriter, as required by Section 218.385, Florida Statutes, to be delivered to the District prior to the execution of the Bond Purchase Contract, a copy of which is attached as an exhibit to the Bond Purchase Contract, will be entered into the official records of the District. The Bond Purchase Contract, in final form as determined by counsel to the District and the Chairperson, may be executed by the District without further action provided that (i) the 2022 Bonds mature not later than the statutory permitted period; (ii) the principal amount of the 2022 Bonds issued does not exceed \$9,000,000; (iii) the interest rate on the 2022 Bonds shall not exceed the maximum rate permitted under Florida law; (iv) if the 2022 Bonds are subject to optional redemption which determination will be made on or before the sale date of the 2022 Bonds, the first optional call date and the redemption price shall be determined on or before the execution of the Bond Purchase Contract; and (v) the purchase price to be paid by

the Underwriter for the 2022 Bonds is not less than 98% of the par amount of the 2022 Bonds issued (exclusive of any original issuance discount).

Section 4. The Limited Offering Memorandum. The Limited Offering Memorandum, in substantially the form of the Preliminary Limited Offering Memorandum (subject to the other conditions set forth herein) attached hereto as Exhibit B, with such changes as are necessary to conform to the details of the 2022 Bonds and the requirements of the Bond Purchase Contract, is hereby approved. The District hereby authorizes the execution of the Limited Offering Memorandum and the District hereby authorizes the Limited Offering Memorandum, when in final form, to be used in connection with the limited offering and sale of the 2022 Bonds. The District hereby authorizes and consents to the use by the Underwriter of a Preliminary Limited Offering Memorandum substantially in the form attached hereto as Exhibit B, in connection with the limited offering of the 2022 Bonds. The final form of a Preliminary Limited Offering Memorandum shall be determined by the Underwriter and the professional staff of the District. The Limited Offering Memorandum may be modified in a manner not inconsistent with the substance thereof and the terms of the 2022 Bonds as shall be deemed advisable by Bond Counsel and counsel to the District, with final approval by the Chairperson. The Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby further authorized to execute and deliver on behalf of the District, the Limited Offering Memorandum and any amendment or supplement thereto, with such changes, modifications and deletions as the member of the Board executing the same may deem necessary and appropriate with the advice of Bond Counsel and counsel to the District, with final approval by the Chairperson, such execution and delivery to be conclusive evidence of the approval and authorization thereof by the District. The District hereby authorizes the Chairperson (or, in the absence of the Chairperson, any other member of the Board) to deem “final” the Preliminary Limited Offering Memorandum except for permitted omissions all within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 and to execute a certificate in that regard.

Section 5. Details of the 2022 Bonds. The proceeds of the 2022 Bonds shall be applied in accordance with the provisions of the 2022 Indenture. The 2022 Bonds shall mature in the years and in the amounts, bear interest at such rates and be subject to redemption, all as provided in the First Supplemental. The execution of the First Supplemental shall constitute approval of such terms as set forth in the 2022 Indenture and this Resolution. The maximum aggregate principal amount of the 2022 Bonds authorized to be issued pursuant to this Resolution and the 2022 Indenture shall not exceed \$9,000,000.

Section 6. Continuing Disclosure; Dissemination Agent. The Board does hereby authorize and approve the execution and delivery of a Continuing Disclosure Agreement by the Chairperson (or, in the absence of the Chairperson, any other member of the Board) substantially in the form presented to this meeting and attached hereto as Exhibit C. The Continuing Disclosure Agreement is being executed by the District and the other parties thereto in order to assist the Underwriter in the marketing of the 2022 Bonds and compliance with Rule 15c2-12 of the Securities and Exchange Commission. Governmental Management Services, LLC is hereby appointed the initial dissemination agent.

Section 7. Authorization of Execution and Delivery of the First Supplemental Trust Indenture; Application of Master Indenture. The District does hereby authorize and

approve the execution by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson or any other member of the Board) and the Secretary or any Assistant Secretary to attest and authorize the delivery of the previously approved Master Indenture and First Supplemental, both between the District and the Trustee. The 2022 Indenture shall provide for the security of the 2022 Bonds and express the terms of the 2022 Bonds. The First Supplemental shall be substantially in the form attached hereto as Exhibit D and is hereby approved, with such changes therein as are necessary or desirable to reflect the terms of the sale of the 2022 Bonds as shall be approved by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson, or any other member of the Board) executing the same upon the advice of Bond Counsel and counsel to the District, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of the First Supplemental attached hereto as Exhibit D.

Section 8. Authorization and Ratification of Prior Acts. All actions previously taken by or on behalf of District in connection with the issuance of the 2022 Bonds are hereby authorized, ratified and confirmed.

Section 12. Engineer's Report. The Board hereby authorizes any modifications to the Engineer's Report prepared by Dominion Engineering Group, Inc. in connection with the 2022 Bonds if such modifications are determined to be appropriate in connection with the issuance of the 2022 Bonds or modifications to the 2022 Project.

Section 13. Further Official Action. The Chairperson, the Vice Chairperson, the Secretary and each other member of the Board and any other proper official or member of the professional staff of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments, including the Developer Agreements described in more detail in Exhibit B, and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chairperson, the Vice Chairperson or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District herein authorized. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation.

St. Augustine Lakes Community Development District
St. Johns County, Florida

Ladies and Gentlemen:

FMSbonds, Inc. (the “Underwriter”) offers to enter into this Bond Purchase Contract (the “Purchase Contract”) with the St. Augustine Lakes Community Development District (the “District”). The District is located entirely within the unincorporated area of St. Johns County, Florida (the “County”). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the “Board”), expire at 10:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. **Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its aggregate principal amount of \$(PAR) St. Augustine Lakes Community Development District Special Assessment Bonds, Series 2022 (2022 Project) (the “Bonds”). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Bonds shall be \$_____ (representing the \$(PAR).00 aggregate principal amount of the Bonds, [plus/less net original issue premium/discount] of \$_____ and less an underwriter’s discount of \$_____). The payment for and delivery of the Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the “Closing”.

2. **The Bonds.** The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the “State”) created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the “Act”), and by Ordinance No. 2021-81 enacted by the Board of County Commissioners of the County on November 2, 2021 and became effective on November 4, 2021.

The Bonds are being issued by the District pursuant to the Act, Resolution No. 2022-30 and Resolution No. 2023-01 duly adopted by the Board on December 22, 2021 and October 19, 2022, respectively (collectively, the “Bond Resolution”), and secured pursuant to the provisions of a Master Trust Indenture, dated as of August 1, 2022 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of August 1, 2022 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”). The Series 2022 Special Assessments comprising the Series 2022 Pledged Revenues for the Bonds have been levied by the District on those lands within the District specially benefited by the 2022 Project (as defined in the herein defined Preliminary Limited Offering Memorandum) pursuant to Resolution No. 2022-28, Resolution No. 2022-29 and Resolution No. 2022-35 of the District duly adopted on December 22, 2021, December 22, 2021 and February 2, 2022, respectively (collectively, the “Assessment Resolutions”).

3. **Limited Offering; Establishment of Issue Price.** It shall be a condition to the District’s obligation to sell and to deliver the Bonds to the Underwriter, and to the Underwriter’s obligation to purchase, accept delivery of and pay for the Bonds, that the entire principal amount of the Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) The District will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Bonds. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) “public” means any person other than an underwriter or a related party,

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person

that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public), and

(3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

4. **Use of Documents.** Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum dated [PLOM Date] (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Preliminary Limited Offering Memorandum”) of the District related to the Bonds that the District has deemed final as of its date, except for certain permitted omissions (the “Permitted Omissions”), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (“Rule 15c2-12”) in connection with the limited offering of the Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Bonds. The District shall deliver or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date and in sufficient time to allow the Underwriter to comply with all requirements of Rule 15c2-12 and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the “MSRB”), a final Limited Offering Memorandum dated the date hereof (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Limited Offering Memorandum” and, together with the Preliminary Limited Offering Memorandum, the “Limited Offering Memoranda”). The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days after the Closing Date. The District hereby ratifies the execution and use of the Preliminary Limited Offering Memorandum and approves the circulation and use of the Limited Offering Memorandum by the Underwriter.

5. **Definitions.** For purposes hereof, (a) this Purchase Contract, the Indenture, the Bonds, the Continuing Disclosure Agreement to be dated as of the Closing Date, by and among the District, AG Essential Housing Multi State 2, LLC, a Delaware limited liability company (the “AG Landowner”), Lennar Homes, LLC, a Florida limited liability company (the “Development Manager”), and Governmental Management Services, LLC, St. Augustine, Florida, as

Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements by the other parties thereto) the Financing Documents and the Ancillary Agreements to which the District is a party will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms; subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

(d) Except as disclosed in the Preliminary Limited Offering Memorandum, the District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Bonds, the Financing Documents, the Ancillary Agreements to which the District is a party and the Limited Offering Memorandum, the delivery of the Preliminary Limited Offering Memorandum and the adoption of the Bond Resolution and the Assessment Resolutions, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision, or law, or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolutions, the Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default under the Bonds, the Ancillary Agreements or the Financing Documents;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which are required for the due authorization by, or which would constitute a condition precedent to, or the absence of which would materially adversely affect, the due performance by the District of its obligations, to issue the Bonds, or under the Bonds, the Bond Resolution, the Assessment Resolutions, the Financing Documents or the Ancillary Agreements to which the District is a party have been duly obtained, except for such approvals, consents and orders as may

Bonds, Series 2022 (2022 Project)

Dear Ladies and Gentlemen:

Pursuant to Chapter 218.385, Florida Statutes, and with respect to the issuance of the Bonds, FMSbonds, Inc. (the “Underwriter”), pursuant to a Bond Purchase Contract dated [Pricing Date] (the “Bond Purchase Contract”), between the Underwriter and St. Augustine Lakes Community Development District (the “District”), furnishes the following disclosures to the District in connection with the limited offering and sale of the Bonds:

1. The total underwriting discount paid to the Underwriter pursuant to the Bond Purchase Contract for the Bonds is approximately \$_____ per \$1,000.00 or \$_____.
2. The names, addresses and estimated amounts of compensation of any person who is not regularly employed by, or not a partner or officer of, the Underwriter, bank, banker, or financial consultant or advisor and who enters into an understanding with either the District or the Underwriter, or both, for any paid or promised compensation or valuable consideration directly, expressly or impliedly, to act solely as an intermediary between the District and the Underwriter for the purposes of influencing any transaction in the purchase of the Bonds are: None.
3. The nature and estimated amounts of expenses to be incurred by the Underwriter in connection with the issuance of the Bonds are set forth in Schedule I attached hereto.
4. The management fee charged by the Underwriter is: \$0/\$1,000 or \$0.
5. Any other fee, bonus or other compensation estimated to be paid by the Underwriter in connection with the Bonds to any person not regularly employed or retained by the Underwriter in connection with the Bonds is as follows: None. Squire Patton Boggs (US) LLP has been retained as counsel to the Underwriter and will be compensated by the District.

Pursuant to the provisions of Sections 218.385(2) and (3), Florida Statutes, as amended, the following truth-in-bonding statements are made with respect to the Bonds:

The District is proposing to issue \$[PAR] aggregate amount of the Bonds for the purpose of providing funds to: (i) pay the costs of acquiring and/or constructing a portion of the 2022 Project (as defined in the Preliminary Limited Offering Memorandum), (ii) fund interest on the Series 2022 Bonds through at least June 15, 2023; (iii) fund the Series 2022 Reserve Account in an amount equal to the Series 2022 Reserve Requirement; and (iv) pay the costs of issuance of the Bonds.

This debt or obligation is expected to be repaid over a period of approximately ____ years and ____ months. At a true interest cost rate of ____%, total interest paid over the life of the Bonds will be \$_____.

The source of repayment for the Bonds are the Series 2022 Special Assessments imposed and collected by the District. Based solely upon the assumptions set forth in the paragraph above, the issuance of the Bonds will result in approximately \$_____ (representing the average annual debt service payments due on the Bonds) of the District's special assessment revenues not being available to the District on an annual basis to finance other capital projects of the District; provided however, that in the event that the Bonds were not issued, the District would not be entitled to impose and collect the Series 2022 Special Assessments in the amount of the principal of and interest to be paid on the Bonds.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* (the “Act”), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Pledged Revenues to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Documents** – The Bond Resolution and Assessment Resolution have been duly and validly adopted and executed by the District, are in full force and effect, and constitute legal, valid and binding actions of the District. The Bonds, Indenture, and Bond Agreements (assuming due authorization, execution and delivery of the foregoing documents by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, are in full force and effect, and constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for St. Johns County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a

material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS – Assessment Methodology/Projected Level of District Assessments,” “– Prepayment of Series 2022 Special Assessments” and “– Development Manager Agreements,” “ENFORCEMENT OF ASSESSMENT COLLECTIONS,” “THE DISTRICT,” (excluding the subcaption “the District Manager and Other Consultants”) “ASSESSMENT METHODOLOGY,” “AGREEMENT BY THE STATE,” “LEGALITY FOR INVESTMENT,” “LITIGATION – The District,” “CONTINUING DISCLOSURE,” “(as it relates to the District only) “VALIDATION,” and “AUTHORIZATION AND APPROVAL,” and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** –Based on serving as the District’s Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Pledged Revenues pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the 2022 Project*** - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the 2022 Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to District documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.
2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.
3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.
4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.
5. We express no opinion and make no representations with regard to taxes, assessments or other financial, project, statistical, or other similar information or data. We express no opinion as to compliance with any state or federal tax laws.
6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Development Manager is able to convey good and marketable title to any particular real property or interest therein and related to the 2022 Project.
7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our

attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of the District.

8. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions.

[Each of the Declaration of Consent to Jurisdiction of the St. Augustine Lakes Community Development District and to Imposition of Special Assessments and Lien of Record (Series 2022 Bonds – 2022 Project) by the AG Landowner and Lennar Homes, LLC (the “Development Manager”) dated [Closing Date], the True-Up Agreement (2022 Project), dated [Closing Date] by and among the District, the Development Manager and the AG Landowner, and the Continuing Disclosure Agreement, dated [Closing Date] among the AG Landowner, the Development Manager, the District and Governmental Management Services, LLC, as dissemination agent (collectively, the “AG Landowner Documents”), is a valid and binding obligation of the AG Landowner, enforceable against the AG Landowner in accordance with its terms. The execution and delivery by the AG Landowner of the AG Landowner Documents does not violate any judgment, order, writ, injunction or decree binding on AG Landowner or any indenture, agreement, or other instrument to which the AG Landowner is a party. There are no proceedings pending against or threatened in writing before any court or administrative agency relating to AG Landowner which are either not covered by insurance or which singularly or collectively would have a material, adverse effect on the AG Landowner’s ability to perform its obligations under the AG Landowner Documents.

4. The AG Landowner has reviewed and approved the AG Landowner Documents and the information contained in the Limited Offering Memoranda under the captions “THE DEVELOPMENT” and “THE AG LANDOWNER AND THE DEVELOPMENT MANAGER” and with respect to the AG Landowner and the Development (as such terms are used in the Limited Offering Memoranda) under the captions “BONDHOLDERS’ RISKS,” “LITIGATION – The AG Landowner” and “CONTINUING DISCLOSURE” and warrants and represents that such information does not contain any untrue statement of a material fact and does not omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading. The Assessment Methodology and the assessment methodology set forth therein were prepared in accordance with all applicable provisions of Florida law. As described in more detail in the Assessment Methodology, the benefit to the assessable lands within the District from the 2022 Project equals or exceeds the Series 2022 Special Assessments, and the Series 2022 Special Assessments are fairly and reasonably allocated across all benefitted properties within the District.

7. As District Manager for the District, we are not aware of any litigation pending or, to the best of our knowledge, threatened against the District restraining or enjoining the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, or the pledge or application of any moneys or security provided for the payment of the Bonds, or the existence or powers of the District.

8. The Series 2022 Special Assessments, as initially levied, and as may be reallocated from time to time as permitted by resolutions adopted by the District with respect to the Series 2022 Special Assessments are sufficient to enable the District to pay the debt service on the Bonds through the final maturity thereof.

The Series 2022 Bonds involve a degree of risk (see “BONDOWNERS’ RISKS” herein) and are not suitable for all investors (see “SUITABILITY FOR INVESTMENT” herein). The Underwriter named below is limiting this offering to “accredited investors” within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. ST. AUGUSTINE LAKES COMMUNITY DEVELOPMENT DISTRICT
(ST. JOHNS COUNTY, FLORIDA)
SPECIAL ASSESSMENT BONDS, SERIES 2022
(2022 PROJECT)

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale and issuance by the St. Augustine Lakes Community Development District (the “District”) of its \$7,010,000* Special Assessment Bonds, Series 2022 (2022 Project) (the “Series 2022 Bonds”).

THE SERIES 2022 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2022 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2022 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2022 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), and by Ordinance No. 2021-81 enacted by the Board of County Commissioners of St. Johns County, Florida (the “County”) on November 2, 2021 and became effective on November 4, 2021 (the “Ordinance”). The District was created for the purpose of financing the acquisition and construction of and managing the maintenance and operation of certain community development services and facilities for the benefit of District Lands (as defined in the herein defined Indenture), and has previously determined to undertake the acquisition and/or construction of certain public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, landscape and hardscape improvements, and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 226.92+/- gross acres of land located entirely within the unincorporated area of the County. The District is planned to contain an age-restricted residential community known as “St. Augustine Lakes” and referred to herein as the “Development.” The Development will be developed in phases and is planned to contain approximately 426 single-family residential units, consisting of 242 single-family detached units on forty-three foot (43’) wide lots and 184 single-family detached units on fifty-three foot (53’) wide lots. Phase one of the Development is planned to contain 165 residential units, consisting of 103 single-family detached units on forty-three foot (43’) wide lots and 62 single-family detached units on fifty-three foot (53’) wide lots (“Phase One”). Phase two of the Development is planned to contain 91 residential units, consisting of 37 single-family detached units

* Preliminary, subject to change.

on forty-three foot (43') wide lots and 54 single-family detached units on fifty-three foot (53') wide lots ("Phase Two") and Phase three of the Development is planned to contain 170 residential units, consisting of 102 single-family detached units on forty-three foot (43') wide lots and 68 single-family detached units on fifty-three foot (53') wide lots ("Phase Three"). See "THE DEVELOPMENT – Development Plan/Status" herein. The Series 2022 Bonds are payable from and secured solely by the Series 2022 Pledged Revenues which consist primarily of the Series 2022 Special Assessments (as hereinafter defined). The Series 2022 Special Assessments will be initially levied on the 226.92+/- gross acres of land in the District until such time as lots in the Development are platted. As platting of the planned 426 lots in the Development occurs, the Series 2022 Special Assessments will be assigned to platted lots within the Development on a first platted, first assigned basis. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS" herein.

AG Essential Housing Multi State 2, LLC, a Delaware limited liability company (the "AG Landowner") and Lennar Homes, LLC, a Florida limited liability company (the "Development Manager") are the owners of the assessable land within the District. The AG Landowner has entered into the Construction Agreement (as hereinafter defined) with the Development Manager pursuant to which the Development Manager will manage the installation of infrastructure improvements for 280 lots within the Development and the AG Landowner is obligated to reimburse the Development Manager for the associated costs incurred related to such 280 lots, not funded with the proceeds of the Series 2022 Bonds. As of the date hereof, the AG Landowner owns 217 lots in the Development and the Development Manager owns the remaining 209 lots (which includes 146 lots that are not subject to the hereinafter defined Option Agreement). See "THE DEVELOPMENT" and "THE AG LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information.

The Series 2022 Bonds are being issued by the District pursuant to the Act, Resolution No. 2022-30 and Resolution No. 2023-01 adopted by the Board of Supervisors of the District (the "Board") on December 22, 2021 and October 19, 2022, respectively (collectively, the "Bond Resolution"), and a Master Trust Indenture dated as of November 1, 2022 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of November 1, 2022 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" herein.

Proceeds of the Series 2022 Bonds will be used to provide funds (i) for the payment of the Costs of acquiring and/or constructing a portion of the 2022 Project (as hereinafter defined); (ii) to pay interest on the Series 2022 Bonds through at least June 15, 2023; (iii) to fund the Series 2022 Reserve Account in an amount equal to the initial Series 2022 Reserve Requirement (as hereinafter defined); and (iv) to pay the costs of issuance of the Series 2022 Bonds. See "THE 2022 PROJECT" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2022 Bonds will be secured by a pledge of the Series 2022 Pledged Revenues. "Series 2022 Pledged Revenues" shall mean with respect to the Series 2022 Bonds (a) all revenues received by the District from the Series 2022 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2022 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2022 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts created and established under the Indenture with respect to or for the benefit of the Series 2022 Bonds; provided, however, that Series 2022 Pledged Revenues shall not include

(A) any moneys transferred to the Series 2022 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2022 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS” herein.

There follows in this Limited Offering Memorandum a brief description of the District, the 2022 Project, the Development, the AG Landowner, the Development Manager, a description of the terms of the Series 2022 Bonds and summaries of certain terms of the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such document and the Act, and all references to the Series 2022 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. DESCRIPTION OF THE SERIES 2022 BONDS

General Description

The Series 2022 Bonds are issuable only as fully registered bonds, without coupons, in the denominations of \$5,000 and any integral multiple thereof. The Series 2022 Bonds will mature, subject to the redemption provisions set forth herein, on the dates and in the amounts set forth on the inside cover page hereof.

The Series 2022 Bonds shall be dated as of the date of initial delivery. Regularly scheduled interest on the Series 2022 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. “Interest Payment Date” means June 15 and December 15 of each year, commencing June 15, 2023, and any other date the principal of the Series 2022 Bonds is paid, including a Quarterly Redemption Date. “Quarterly Redemption Date” means March 15, June 15, September 15 and December 15 of any calendar year. Interest on the Series 2022 Bonds will be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a June 15 or December 15 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to June 15, 2023, in which case from the date of initial delivery, or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. Interest on the Series 2022 Bonds will be computed in all cases on the basis of a 360-day year of twelve 30-day months.

Upon initial issuance, the ownership of the Series 2022 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company (“DTC”), New York, New York, and purchases of beneficial interests in the Series 2022 Bonds will be made in book-entry only form. The Series 2022 Bonds will initially be sold only to “accredited investors” within the meaning under Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder, although there is no limitation on resales of the Series 2022 Bonds. See “DESCRIPTION OF THE SERIES 2022 BONDS – Book-Entry Only System” and “SUITABILITY FOR INVESTMENT” below.

The Bank of New York Mellon Trust Company, N.A. is initially serving as the Trustee, Registrar and Paying Agent for the Series 2022 Bonds.

Redemption Provisions

Optional Redemption. The Series 2022 Bonds may, at the option of the District, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after June 15, 20__ (less than all Series 2022 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2022 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2022 Optional Redemption Subaccount of the Series 2022 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2022 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2022 Bonds is substantially level.

Mandatory Sinking Fund Redemption. The Series 2022 Bonds maturing on June 15, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2022 Sinking Fund Account on June 15 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of the Series 2022 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2022 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2022 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2022 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption in Whole or in Part. The Series 2022 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a

Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2022 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2022 Prepayment Principal (including amounts transferred from the Series 2022 Debt Service Reserve Account as a credit against the amounts of the Series 2022 Prepayment Principal due and owing) deposited into the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account following the payment in whole or in part of the Series 2022 Special Assessments on any assessable property within the District in accordance with the provisions of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2022 Funds, Accounts and Subaccounts (other than the Series 2022 Rebate Fund, the Series 2022 Costs of Issuance Account and the Series 2022 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2022 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2022 Acquisition and Construction Account not otherwise reserved to complete the 2022 Project (including any amounts transferred from the Series 2022 Reserve Account) and which funds have been transferred to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account.

Notice of Redemption and of Purchase. When required to redeem or purchase Series 2022 Bonds under any provision of the Indenture or directed to do so in writing by the District, the Trustee shall give or cause notice of the redemption, either in whole or in part, to be mailed by first class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2022 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2022 Bonds for which notice was duly mailed in accordance with the Indenture. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use any other industry acceptable means of giving notice including, but not limited to, facsimile or email provided the Trustee can establish such other means of giving notice was in fact given.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2022 Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Purchase of Series 2022 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2022 Sinking Fund Account to the purchase of Series 2022 Bonds which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series 2022 Series Sinking Fund Account representing the principal amount of the Series 2022 Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series 2022 Interest Account of the Debt Service Fund.

Book-Entry Only System

The information in this caption concerning DTC (as defined below) and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2022 Bonds. The Series 2022 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2022 Bond certificate will be issued for each maturity of the Series 2022 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2022 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2022 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2022 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2022 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2022 Bonds, except in the event that use of the book-entry system for the Series 2022 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2022 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2022 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in

beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2022 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2022 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2022 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2022 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2022 Bond documents. For example, Beneficial Owners of Series 2022 Bonds may wish to ascertain that the nominee holding the Series 2022 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2022 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2022 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2022 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2022 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, and principal and interest payments on the Series 2022 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2022 Bonds at any time by giving reasonable notice to the District and the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2022 Bond certificates are required to be printed and delivered.

The District may decide to discontinue, pursuant to the procedures of DTC, use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2022 Bond certificates will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS

General

THE SERIES 2022 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2022 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE “STATE”), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2022 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2022 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2022 BONDS. THE SERIES 2022 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2022 Bonds will be secured by a pledge of the Series 2022 Pledged Revenues. “Series 2022 Pledged Revenues” shall mean with respect to the Series 2022 Bonds (a) all revenues received by the District from the Series 2022 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2022 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2022 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts created and established under the Indenture with respect to or for the benefit of the Series 2022 Bonds; provided, however, that Series 2022 Pledged Revenues shall not include (A) any moneys transferred to the Series 2022 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2022 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS” herein.

The “Series 2022 Special Assessments” shall mean the Special Assessments levied on the assessable lands within the District as a result of the District’s acquisition and/or construction of the 2022 Project, corresponding in amount to the debt service on the Series 2022 Bonds and designated as such in the Assessment Methodology (as defined herein). The Assessment Methodology, which describes the methodology for allocating the Series 2022 Special Assessments to the assessable lands within the District is included as APPENDIX D hereto. The Series 2022 Special Assessments will be levied pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the First Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the lands receiving special benefit, including, but not limited to, homestead property, as permitted in Section 4, Article X of the Florida State Constitution. The Series 2022 Special Assessments will constitute a lien against the land as to which the Series 2022 Special Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Assessment Methodology / Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2022 Bonds will be secured by the Series 2022 Special Assessments, which are initially levied on approximately 226.92+/- gross acres within the District until such time as lots in the Development are platted. As platting of the planned 426 lots within the Development occurs, the Series 2022 Special Assessments will be assigned to platted lots in the Development on a first platted, first assigned basis. Assuming that all of the 426 planned residential units within the Development are developed and platted, then the Series 2022 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2022 Special Assessments Per Unit*</u>
Single-Family – 43’	242	\$1,265
Single-Family – 53’	<u>184</u>	1,265
	426	

*Preliminary, subject to change. This amount is grossed up to include early payment discounts and County collection fees, currently 6%.

The District anticipates levying assessments on residential units in the Development to cover its operation and maintenance costs that will initially be approximately \$825 per residential unit annually, which amount is subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to be \$200 per year per unit. The District has no control over the level of homeowners’ association fees or amenity fees imposed by the homeowners’ association. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2021 was approximately 13.2181, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2022 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of St. Johns County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

Additional Obligations

The District covenants not to issue any other Bonds or other debt obligations secured by the Series 2022 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District shall not issue any other Bonds or debt obligations secured by Special Assessments on assessable lands within the District that are subject to the Series 2022 Special Assessments unless the Series 2022 Special Assessments levied within the District have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. “Substantially Absorbed” means the date at least 75% of the principal portion of the Series 2022 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The Trustee and the District may rely on a written certificate from the District Manager regarding the occurrence of the Series 2022 Special Assessments

being Substantially Absorbed. Nothing in the Indenture shall prohibit the District from issuing additional Bonds or other debt obligations on lands within the District that are not burdened by the Series 2022 Special Assessments. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2022 Special Assessments, at any time upon the written consent of the Majority Holders.

The District (subject to provisions described in the next proceeding paragraph) and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2022 Special Assessments without the consent of the Owners of the Series 2022 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2022 Special Assessments, on the same lands upon which the Series 2022 Special Assessments are imposed, to fund the maintenance and operation of the District. See “THE DEVELOPMENT – Taxes, Fees and Assessments” and “BONDOWNERS’ RISKS” herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the 2022 Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the 2022 Project or any part thereof. See “APPENDIX A: PROPOSED FORMS OF INDENTURE” herein for more information.

Series 2022 Reserve Account

The Indenture establishes a Series 2022 Reserve Account within the Debt Service Reserve Fund for the Series 2022 Bonds. The Series 2022 Reserve Account will, at the time of delivery of the Series 2022 Bonds, be funded from a portion of the proceeds of the Series 2022 Bonds in an amount equal to the Series 2022 Reserve Requirement. “Series 2022 Reserve Requirement” or “Reserve Requirement” shall mean an amount equal to fifty percent (50%) of the then maximum annual debt service with respect to the initial principal amount of the Series 2022 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions, the Series 2022 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2022 Bonds. “Release Conditions” shall mean all of the following: (a) all of the principal portion of the Series 2022 Special Assessments has been assigned to residential units that have been constructed and have been sold and closed with homebuyers; and (b) no Event of Default under the Master Indenture has occurred, all as evidenced pursuant to the provisions of the First Supplemental Indenture. If a portion of the Series 2022 Bonds are redeemed pursuant to the provisions of the First Supplemental Indenture, the Reserve Requirement shall be reduced to fifty percent (50%) (prior to satisfaction of the Release Conditions) or ten percent (10%) (after satisfaction of the Release Conditions) of the maximum annual debt service of the Series 2022 Bonds after taking into account such extraordinary mandatory redemption. Any amount in the Series 2022 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2022 Bonds, be used to pay principal of and interest on the Series 2022 Bonds at that time. The initial Series 2022 Reserve Requirement shall be equal to \$_____.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2022 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2022 Bonds to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2022 Special Assessments (as a result of non-payment of the Series 2022 Special

Assessments) and applied to redeem a portion of the Series 2022 Bonds is less than the principal amount of Series 2022 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2022 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2022 Prepayment Principal due by the amount of money in the Series 2022 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2022 Reserve Account shall be transferred by the Trustee to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2022 Debt Service Reserve Account to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2022 Bonds in accordance with the provisions of the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2022 Reserve Account as described below to the Series 2022 Acquisition and Construction Account and pay such amount deposited in the Series 2022 Acquisition and Construction Account to the Person or Persons designated in a requisition substantially in the form attached to the First Supplemental Indenture submitted to the District by the Development Manager within thirty (30) days of such transfer which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Development Manager can establish, to the satisfaction of the Consulting Engineer, Costs of the 2022 Project that were not paid from moneys initially deposited in the Series 2022 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Development Manager, such excess moneys transferred from the Series 2022 Reserve Account to the Series 2022 Acquisition and Construction Account shall be deposited into the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the District and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2022 Reserve Requirement, the Trustee shall without further direction reduce the Series 2022 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2022 Bonds as calculated by the District. The excess amount in the Series 2022 Reserve Account shall be transferred to the Series 2022 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the Second Supplemental Indenture, the Trustee shall calculate the applicable Reserve Requirement and apply any excess in the Series 2022 Reserve Account toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Indenture if at any time the amount in the Series 2022 Reserve Account is less than the Series 2022 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2022 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Series 2022 Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2022 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each June 15 commencing June 15, 2023, to the Series 2022 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding June 15, less any amounts on deposit in the Series 2022 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each December 15 commencing December 15, 2023, to the Series 2022 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2022 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 20__, to the Series 2022 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2022 Bonds subject to sinking fund redemption on such June 15, less any amounts on deposit in the Series 2022 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the June 15, which is a principal payment date for any Series 2022 Bonds, to the Series 2022 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2022 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2022 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2022 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2022 Interest Account, the amount necessary to pay interest on the Series 2022 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2022 Bonds remain Outstanding, to the Series 2022 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2022 Reserve Requirement for the Series 2022 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2022 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2022 Bonds and next, any balance in the Series 2022 Revenue Account shall remain on deposit in such Series 2022 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2022 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in any Accounts in the Debt Service Fund, any Account within the Bond Redemption Fund and the Series 2022 Debt Service Reserve Account only in Government Obligations and the other securities described in the definition of

Investment Securities, as set forth in the Indenture. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the Series 2022 Revenue Account except that prior to the Completion Date, amounts on deposit in the Series 2022 Reserve Account in excess of the Reserve Requirement caused by investment earnings shall be transferred into the Series 2022 Acquisition and Construction Account and after the Completion Date to the Series 2022 Revenue Account. Upon written request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale. The Trustee may make any permitted investments through its own bond department or investment department. The Trustee shall value the assets in each of the Funds and Accounts forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) Business Days after each such valuation date) and shall provide the District a report of the status of each Fund and Account as of the valuation date. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" hereto.

Covenant to Levy the Series 2022 Special Assessments

The District will covenant to levy the Series 2022 Special Assessments to the extent and in the amount sufficient to pay debt service on the Series 2022 Bonds when due. If any Series 2022 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2022 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2022 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2022 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2022 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2022 Revenue Account. In case such second Series 2022 Special Assessment shall be annulled, the District shall obtain and make other Series 2022 Special Assessments until a valid Series 2022 Special Assessment shall be made.

Prepayment of Series 2022 Special Assessments

Pursuant to the Indenture, at any time any owner of property subject to the Series 2022 Special Assessments may, at its option, or as a result of acceleration of the Series 2022 Special Assessments because of non-payment thereof, or as a result of true-up payment, shall require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2022 Special Assessments by paying or causing there to be paid, to the District all or a portion of the Series 2022 Special Assessment, which shall constitute Series 2022 Prepayment Principal, plus accrued interest to the next succeeding Interest Payment Date (or the next succeeding Interest Payment Date if such Prepayment is made within forty-five

(45) calendar days before an Interest Payment Date), attributable to the property subject to the Series 2022 Special Assessments owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2022 Reserve Account will exceed the applicable Reserve Requirement as a result of a Prepayment in accordance with this paragraph and the resulting redemption of the Series 2022 Bonds in accordance with the provisions of the First Supplemental Indenture, the excess amount shall be transferred from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account as a credit against the Series 2022 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager on behalf of the District upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2022 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2022 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2022 Bonds, there will be sufficient Series 2022 Pledged Revenues to pay the principal and interest, when due, on all Series 2022 Bonds that will remain Outstanding.

Pursuant to the Act, an owner of property subject to the levy of Series 2022 Special Assessments may pay the entire balance of the Series 2022 Special Assessments remaining due, without interest, within thirty (30) days after the 2022 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2022 Project pursuant to Chapter 170.09, Florida Statutes. Each of the AG Landowner and the Development Manager, as the owners of all of the property within the District, will covenant to waive this right on behalf of itself and its respective successors and assigns in connection with the issuance of the Series 2022 Bonds.

Any prepayment of Series 2022 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2022 Bonds as indicated under “DESCRIPTION OF THE SERIES 2022 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of Series 2022 Special Assessments does not entitle the owner of the property to a discount for early payment.

Development Manager Agreements

The Development Manager and the District will enter into an acquisition and advanced funding agreement in connection with the issuance of the Series 2022 Bonds, pursuant to which the District will acquire all or portions of the 2022 Project from the Development Manager. It is anticipated that the Development Manager will sell certain portions of the 2022 Project to the District prior to the issuance of the Series 2022 Bonds and the District will use a portion of the proceeds of the Series 2022 Bonds to pay the Development Manager for such previously-sold portions of the 2022 Project.

The Development Manager will enter into several other agreements with the District in connection with the issuance of the Series 2022 Bonds. Specifically, the Development Manager will enter into a completion agreement that will obligate the Development Manager to complete any portions of the 2022 Project not funded with proceeds of the Series 2022 Bonds. Notwithstanding such completion agreement, there is a risk that the 2022 Project will not be completed. See “BONDOWNERS’ RISK – No. 17” herein.

In addition, the AG Landowner and the Development Manager will execute and deliver to the District a collateral assignment agreement pursuant to which the AG Landowner and the Development Manager will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the AG Landowner or the Development Manager, development rights relating to the 2022 Project. Notwithstanding such collateral assignment agreement, and in the event the District forecloses on the lands subject to the Series 2022 Special Assessments as a result of the AG Landowner’s, Development Manager’s or subsequent landowners’ failure to pay such assessments, there is a risk that the

District will not have all permits and entitlements necessary to complete the 2022 Project or the development of the lands in the District sufficient to absorb the allocation of the Series 2022 Special Assessments. See “BONDOWNERS’ RISK – No. 17” herein.

Finally, the Development Manager, along with the AG Landowner, will also enter into a true-up agreement in connection with its obligations to pay true-up payments in the event that, generally stated, debt levels remaining on unplatted lands in the District increase above the maximum debt levels set forth in the Assessment Methodology. See “APPENDIX D: ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism.”

The descriptions of the various agreements herein are all qualified by the specific terms of the agreements. All such obligations of the Development Manager and the AG Landowner are unsecured obligations.

Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners

The following provisions of the Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against the AG Landowner, the Development Manager or other Obligated Person (as defined under the herein defined Disclosure Agreement) (hereinafter referred to under this heading as the “Landowner”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Series 2022 Bonds remain Outstanding, in any Proceeding involving the District, any Landowner, or the Series 2022 Special Assessments, the District shall be obligated to act in accordance with direction from the Trustee with regard to all matters directly or indirectly affecting the Series 2022 Bonds.

In the Indenture, the District acknowledges and agrees that, although the Series 2022 Bonds will be issued by the District, the Beneficial Owners of such Series 2022 Bonds are categorically the party with a financial stake in the repayment of the Series 2022 Bonds and, consequently, the party with a vested interest in a Proceeding. In the event of any Proceeding involving any Landowner (a) the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2022 Special Assessments, the Series 2022 Bonds or any rights of the Trustee or Bondholders under the Indenture that is inconsistent with any direction from the Trustee, (b) the Trustee shall have the right, but is not obligated to, vote in any such Proceeding any and all claims of the District, relating to the Series 2022 Special Assessments or the Series 2022 Bonds, and, if the Trustee chooses to exercise such right, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Landowner, including without limitation, the right to file and/or prosecute any claims, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (c) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of any lands submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee’s enforcement of the District’s claim with respect to the Series 2022 Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Series 2022 Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. Notwithstanding the provisions of the immediately preceding

paragraphs, nothing in this section shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2022 Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the District or the Trustee.

Events of Default and Remedies

Events of Default Defined. The Indenture provides that each of the following shall be an “Event of Default” under the Indenture, with respect to the Series 2022 Bonds:

(a) if payment of any installment of interest on any Series 2022 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2022 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which may be determined solely by the Majority Holders; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2022 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2022 Reserve Account is less than the Series 2022 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2022 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the “maintenance special assessments” levied by the District on District Lands upon which the Series 2022 Special Assessments are levied to secure the Series 2022 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, within ninety (90) days of when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Acceleration; Redemption. No Series 2022 Bonds shall be subject to acceleration. Upon an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2022 Bonds pursuant to the Indenture shall occur unless all of the Series 2022 Bonds where an Event of Default has occurred will be redeemed or 100% of the Holders of the Series 2022 Bonds agree to such redemption.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2022 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Holders of not less than a majority of the aggregate principal amount of the Outstanding Series 2022 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2022 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2022 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2022 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2022 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2022 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2022 Bonds.

When the Trustee incurs costs or expenses (including legal fees, costs and expenses) or renders services after the occurrence of an Event of Default, such costs and expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Holders then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law and the provisions of the Indenture.

Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under Article X of the Master Indenture with respect to the Series 2022 Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under Article X of the Master Indenture with respect to such Series 2022 Bonds, including

counsel fees, costs and expenses and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Series 2022 Bonds in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Series 2022 Bonds which shall have become due in the order of their due dates, with interest on such Series 2022 Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Series 2022 Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Series 2022 Bond over another Bond or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the District or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2022 Bonds is the Series 2022 Special Assessments imposed on assessable lands within the District specially benefited by the 2022 Project pursuant to the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D: ASSESSMENT METHODOLOGY.”

The imposition, levy, and collection of Series 2022 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the St. Johns County Tax Collector (the “Tax Collector”) or the St. Johns County Property Appraiser (the “Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2022 Special Assessments during any year. Such delays in the collection of Series 2022 Special Assessments, or complete inability to collect any of the Series 2022 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2022 Bonds. See “BONDOWNERS’ RISKS Nos. 1 and 2.” To the extent that landowners fail to pay the Series 2022 Special Assessments or delay payments, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2022 Bonds.

For the Series 2022 Special Assessments to be valid, the Series 2022 Special Assessments must meet two requirements: (1) the benefit from the 2022 Project to the lands subject to the Series 2022 Special Assessments must exceed or equal the amount of the Series 2022 Special Assessments, and (2) the Series 2022 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The Certificate of the Assessment Consultant certifies that these requirements have been met with respect to the Series 2022 Special Assessments.

Pursuant to the Act, and the Assessment Proceedings, the District may collect the Series 2022 Special Assessments through a variety of methods. See “BONDOWNERS’ RISKS.” Initially, and for undeveloped properties owned by the Development Manager and the AG Landowner, the District will directly issue annual bills to landowners requiring payment of the Series 2022 Special Assessments, and will enforce that bill through foreclosure proceedings. See “ASSESSMENT METHODOLOGY” and “APPENDIX D: ASSESSMENT METHODOLOGY.” As lands are developed, the Series 2022 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2022 Special Assessments. In this context, section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2022 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay the Series 2022 Special Assessments and the ability to foreclose the lien of such Series 2022 Special Assessments upon the failure to pay such Series 2022 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2022 Special Assessments. See “BONDOWNER’S RISKS.”

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2022 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2022 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2022 Special Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, “Taxes and Assessments”), all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments – including the Series 2022 Special Assessments – are to be billed, and landowners in the

District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2022 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2022 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2022 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2022 Bonds.

Under the Uniform Method, if the Series 2022 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2022 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2022 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2022 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2022 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2022 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2022 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs, and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs, and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs, and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2022 Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled “lands available for taxes” and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2022 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2022 Special Assessments, which are the primary source of payment of the Series 2022 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See “BONDOWNERS’ RISKS.”

BONDOWNERS’ RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2022 Bonds offered hereby and are set forth below. Prospective investors in the Series 2022 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2022 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2022 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2022 Bonds.

1. As of the date hereof, the AG Landowner and the Development Manager collectively own all of the lands within the District, which are the lands that will initially be subject to the Series 2022 Special Assessments securing the Series 2022 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS” herein. Payment of the Series 2022 Special Assessments is primarily dependent upon their timely payment by the AG Landowner, the Development Manager and subsequent landowners in the District. See “THE AG LANDOWNER AND THE DEVELOPMENT MANAGER” herein. In the event of the institution of bankruptcy or similar proceedings with respect to the AG Landowner, the Development Manager or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2022 Bonds as such bankruptcy could negatively impact the ability of: (i) the AG Landowner, the Development Manager and any other landowner being able to pay the Series 2022 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2022 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2022 Special Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the AG Landowner, the Development Manager or an entity affiliated with the AG Landowner

or the Development Manager until such time lots are platted unless the majority of the owners of the Bonds Outstanding direct the District to use the Uniform Method or the District is unable to use the Uniform Method. In addition, the remedies available to the Owners of the Series 2022 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2022 Bonds, including, without limitation, enforcement of the obligation to pay Series 2022 Special Assessments and the ability of the District to foreclose the lien of the Series 2022 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2022 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2022 Bonds could have a material adverse impact on the interest of the Owners thereof.

2. The principal security for the payment of the principal and interest on the Series 2022 Bonds is the timely collection of the Series 2022 Special Assessments. The Series 2022 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the Series 2022 Special Assessments or that they will pay such Series 2022 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2022 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The assessment of the benefits to be received by the benefited land within the District as a result of implementation and development of the 2022 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the 2022 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2022 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2022 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2022 Bonds.

3. The value of the lands subject to the Series 2022 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District lands unable to support future development. Changing weather patterns have increased the likelihood of flooding within the County. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2022 Bonds. The Series 2022 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

4. The development of the 2022 Project is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further

approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See “THE DEVELOPMENT – Development Approvals,” and “– Environmental” herein for more information. Moreover, the AG Landowner and the Development Manager has the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

5. The successful sale of the residential units, once such homes are built within the Development may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the AG Landowner and the Development Manager. See “BONDOWNERS’ RISKS – No. 20” herein.

6. Neither the AG Landowner, the Development Manager nor any other subsequent landowner in the District has any personal obligation to pay the Series 2022 Special Assessments. As described in paragraph 2 above, the Series 2022 Special Assessments are an imposition against the land only. Neither the AG Landowner, the Development Manager nor any other subsequent landowner is a guarantor of payment of any Series 2022 Special Assessment and the recourse for the failure of the AG Landowner, the Development Manager or any other landowner to pay the Series 2022 Special Assessments is limited to the collection proceedings against the land as described herein.

7. The willingness and/or ability of an owner of benefited land within the District to pay the Series 2022 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2022 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2022 Special Assessments. In addition, lands within the District may also be subject to assessments by property and home owner associations.

8. The Series 2022 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2022 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2022 Bonds. The Series 2022 Bonds are being sold pursuant to exemptions from registration under applicable securities laws. No secondary market may develop and an owner may not be able to resell the Series 2022 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2022 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2022 Bonds, depending on the progress of development of the Development and the lands within the District, existing real estate and financial market conditions and other factors. See “BONDOWNERS’ RISKS – No. 21” below.

9. In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2022 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2022 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS – Indenture Provisions Relating to

Bankruptcy or Insolvency of Certain Landowners” herein. If the District has difficulty in collecting the Series 2022 Special Assessments, the Series 2022 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2022 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2022 Reserve Account is accessed for such purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2022 Special Assessments in order to provide for the replenishment of the Series 2022 Reserve Account.

10. The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2022 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the Development and the likelihood of the timely payment of the Series 2022 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Except as described under “THE DEVELOPMENT – Environmental”, the AG Landowner and the Development Manager is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See “THE DEVELOPMENT – Environmental” for more information on the Development Manager’s environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the Development.

11. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2022 Special Assessments if the Series 2022 Special Assessments are not being collected pursuant to the Uniform Method, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2022 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of Series 2022 Bond proceeds that can be used for such purpose.

12. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2022 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2022 Special Assessment even though the landowner is not contesting the amount Series 2022 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in

good faith to be owing. In the event a taxpayer fails to pay their property taxes by April 1, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

13. The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS’s conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a “proper issuer of tax-exempt bonds” and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department (“Treasury”) announced that it will withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS believed that these proposed regulations should be withdrawn in their entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts’ bonds’ tax-exempt status, but has advised such districts that they must have qualified electors within five years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not

held until the District has been established for six years and there are 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by resident landowners unaffiliated with the AG Landowner and the Development Manager. Currently, all members of the Board of the District were elected by the Development Manager and none were elected by qualified electors or resident landowners. The Development Manager will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors or resident landowners pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that they elect; thus, if the District does not reach the minimum of 250 qualified electors after the sale of units to homebuyers, although the Board will continue to be elected by landowners, these landowners will be homebuyers, in the District. Such certification by the Development Manager does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2022 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2022 Bonds are advised that, if the IRS does audit the Series 2022 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2022 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2022 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2022 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2022 Bonds would adversely affect the availability of any secondary market for the Series 2022 Bonds. Should interest on the Series 2022 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2022 Bonds be required to pay income taxes on the interest received on such Series 2022 Bonds and related penalties, but because the interest rate on such Series 2022 Bonds will not be adequate to compensate Owners of the Series 2022 Bonds for the income taxes due on such interest, the value of the Series 2022 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2022 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2022 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2022 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2022 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2022 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

14. In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2022 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the "Securities Act"), relating to securities issued by political subdivisions. In that event the Owners of the Series 2022 Bonds would need to ensure that subsequent transfers of the Series 2022 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

15. Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2022 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2022 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2022 Bonds. See also “TAX MATTERS.”

16. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2022 Project, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the 2022 Project. Further, pursuant to the First Supplemental Indenture, the District covenants not to issue any other Bonds or other debt obligations secured by the Series 2022 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District covenants not to issue any other Bonds or debt obligations secured by Special Assessments on assessable lands within the District that are subject to the Series 2022 Special Assessments unless the Series 2022 Special Assessments levied within the District have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2022 Special Assessments, at any time upon the written consent of the Majority Holders. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS – Additional Obligations” for more information. The Development Manager will enter into a completion agreement with the District with respect to any unfinished portions of the 2022 Project not funded with the proceeds of the Series 2022 Bonds. The AG Landowner and the Development Manager will also execute and deliver to the District a collateral assignment agreement, pursuant to which the AG Landowner and the Development Manager will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the AG Landowner and the Development Manager, development rights relating to the 2022 Project. Notwithstanding such collateral assignment agreement, in the event the District forecloses on the lands subject to the Series 2022 Special Assessments as a result of the AG Landowner’s, the Development Manager’s or subsequent landowners’ failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the development of the 2022 Project. See “THE 2022 PROJECT” and “THE DEVELOPMENT” herein for more information.

17. It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the “Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any

related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2022 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

18. In the event a bank forecloses on property within the District because of a default on a mortgage on such property in favor of such bank and then the bank itself fails, the Federal Deposit Insurance Corporation (the “FDIC”), as receiver will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2022 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

19. The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties’ digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2022 Bonds.

20. In addition to the general economic conditions discussed above, the timely and successful completion of the Development and the construction and sale of residential units therein may be adversely impacted by the spread of the novel strain of coronavirus called COVID-19 or by other highly contagious or epidemic or pandemic diseases. Although it is unclear at this time what, if any, potential impacts COVID-19 may have on the Development, it is possible that construction delays, supply chain delays, delays in the receipt of permits or other government approvals or other delays could occur as a result of COVID-19 that adversely impact the Development. Further, while the effects of COVID-19 may be temporary, it may alter the future behavior of businesses and people in a manner that could have negative impacts on global and local economies, which could adversely impact the completion of the Development and/or the successful construction and sale of homes in the Development.

21. In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2022 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2022 Special Assessments by owners of the property within the Development. Any such redemptions of the Series 2022 Bonds would be at the principal amount of such Series 2022 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2022 Bonds may not realize their anticipated rate of return on the Series 2022 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2022 Bonds. See “DESCRIPTION OF THE SERIES 2022 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2022 BONDS – Prepayment of Series 2022 Special Assessments” herein for more information.

THE DISTRICT

General Information

The District was established under the provisions of the Act and created by Ordinance No. 2021-81 enacted by the Board of County Commissioners of the County on November 2, 2021 and effective on November 4, 2021, pursuant to the provisions of the Act. The boundaries of the District include approximately 226.92+/- gross acres of land (the “District Lands”) located entirely within the unincorporated area of the County.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors (the “Board”) the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

As a special district, the District has only those powers specifically delegated to it by the Act and the Ordinance, or necessarily implied from powers specifically delegated to it. The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2022 Bonds.

Board of Supervisors

The governing body of the District is its Board, which is composed of five Supervisors (the “Supervisors”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Zenzi Rogers*	Chairperson	November 2026
James “Chris” Mayo*	Vice-Chairperson	November 2026
Tiffany Csalovski*	Assistant Secretary	November 2024
Virginia Feiner*	Assistant Secretary	November 2024
Michael Della Penta*	Assistant Secretary	November 2024

* Employee of, or affiliated with, the Development Manager.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a

vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Governmental Management Services, LLC, to serve as its district manager ("District Manager"). The District Manager's office is located at 475 West Town Place, Suite #114, St. Augustine, Florida 32092.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Dominion Engineering Group, Inc., Jacksonville, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as dissemination agent for the Series 2022 Bonds.

No Existing Indebtedness

The District has not previously issued any other bonds or indebtedness.

THE 2022 PROJECT

Dominion Engineering Group, Inc. (the “District Engineer”) prepared a report entitled Master Engineer’s Report for St. Augustine Lakes Community Development District, dated December 21, 2021, as may be amended and supplemented from time to time (the “Engineer’s Report”). The Engineer’s Report sets forth certain public infrastructure improvements for the development of the 426 single-family residential units planned for the Development, including without limitation, the improvements set forth below, as more particularly described in the Engineer’s Report attached hereto as APPENDIX C. The District Engineer, in the Engineer’s Report, estimates that the public infrastructure associated with the Development totals \$22,541,200, as more particularly described below (the “2022 Project”).

The District is issuing the Series 2022 Bonds in order to finance a portion of the 2022 Project. The Series 2022 Bonds will be secured by the Series 2022 Special Assessments, which will initially be levied on the 226.92+/- gross acres of the District. As platting of the planned 426 lots within the Development occurs, the Series 2022 Special Assessments will be assigned to the platted lots in the Development on a first platted, first assigned basis. See “APPENDIX D: ASSESSMENT METHODOLOGY” and “THE DEVELOPMENT – Taxes, Fees and Assessments” herein for more information.

Land development will occur in phases. Phase One is planned to contain 165 residential units and land development is substantially complete. Phase Two and Phase Three are planned to contain 91 and 170 residential units, respectively, and land development is expected to be completed by November 2023. To date, the Development Manager has spent approximately \$13.6 million towards land development, a portion of which includes the 2022 Project. See “THE DEVELOPMENT – Development Plan / Status” herein for more information.

The net proceeds from the Series 2022 Bonds to be deposited in the Series 2022 Acquisition and Construction Account will be approximately \$6.18 million* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the 2022 Project. The Development Manager will enter into a completion agreement that will obligate the Development Manager to complete any portions of the 2022 Project not funded with proceeds of the Series 2022 Bonds. See “BONDOWNERS’ RISKS – No. 16” and “THE DEVELOPMENT – Land Acquisition and Finance Plan” herein.

The District Engineer has indicated that all engineering permits necessary to construct the 2022 Project that are set forth in the Engineer’s Report have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer’s Report, please refer to “THE DEVELOPMENT –

Development Approvals” for a more detailed description of the zoning and permitting status of the Development. See “APPENDIX C: ENGINEER’S REPORT” for more information regarding the above improvements.

The information appearing below under the captions “THE DEVELOPMENT” and “THE AG LANDOWNER AND THE DEVELOPMENT MANAGER” has been furnished by either the AG Landowner or the Development Manager for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the AG Landowner or the Development Manager make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by either the AG Landowner or the Development Manager as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. Neither the AG Landowner, the Development Manager nor any other party is guaranteeing payment of the Series 2022 Bonds or the Series 2022 Special Assessments.

THE DEVELOPMENT

General

The District Lands encompass approximately 226.92+/- gross acres located entirely within the unincorporated area of St. Johns County (the “County”). The District is planned to contain a 426 unit residential community known as “St. Augustine Lakes” (the “Development”). The Development is located near the City of St. Augustine, Florida, just east of Interstate-95 at Charles Usinas Memorial Parkway and N. Holmes Boulevard.

The District is issuing the Series 2022 Bonds to finance a portion of the 2022 Project. The Series 2022 Bonds will be secured by the Series 2022 Special Assessments, which will initially be levied on the 226.92+/- gross acres of the District. As platting of the planned 426 lots within the Development occurs, the Series 2022 Special Assessments will be assigned to the platted lots in the Development on a first platted, first assigned basis. See “APPENDIX D: ASSESSMENT METHODOLOGY” and “– Taxes, Fees and Assessments” herein for more information.

AG Essential Housing Multi State 2, LLC, a Delaware limited liability company (the “AG Landowner”) owns land within the Development planned for 217 lots and Lennar Homes, LLC (the “Development Manager”) owns the remaining land within the Development planned for 209 lots. The AG Landowner has entered into the Construction Agreement (as defined below) with the Development Manager pursuant to which the Development Manager will manage the installation of infrastructure improvements for 280 lots within the Development and the AG Landowner is obligated to reimburse the Development Manager for the associated costs incurred related to such 280 lots, not funded with the proceeds of the Series 2022 Bonds. In addition, the AG Landowner has entered into the Option Agreement (as defined below) with the Development Manager pursuant to which the Development Manager has the option to purchase 280 of the developed lots within the Development in a series of takedowns. The Development Manager will construct and market residential units for sale to end users. As of the date hereof, the AG Landowner owns 217 lots in the Development and the Development Manager owns the remaining 209 lots (which includes 146 lots that are not subject to the Option Agreement). See “THE AG LANDOWNER AND THE DEVELOPMENT MANAGER” herein for more information.

The Development will be developed in phases and is planned to contain approximately 426 single-family residential units, consisting of 242 single-family detached units on forty-three foot (43’) wide lots and 184 single-family detached units on fifty-three foot (53’) wide lots. Homes will range in size from approximately 1,508 square feet to 2,295 square feet and starting price points will range from approximately \$312,990 to \$389,990. The target market for the Development is first time homebuyers and move-up buyers.

Land Acquisition and the Option Agreement

The Development Manager acquired the lands within the Development in February 2021 for approximately \$6.7 million. Subsequently, the Development Manager sold 280 lots within the Development to the AG Landowner on May 25, 2021 for approximately \$4.6 million. There are currently no mortgages on the lands within the Development.

The AG Landowner has entered into a Construction Agreement dated May 25, 2021 (the “Construction Agreement”) with the Development Manager pursuant to which the Development Manager will manage the installation of infrastructure improvements for 280 lots within the Development and the AG Landowner is obligated to reimburse the Development Manager for the associated costs incurred related to such 280 lots, not funded with the proceeds of the Series 2022 Bonds.

The Development Manager and the AG Landowner entered into an Option Agreement dated May 25, 2021, as may be amended and supplemented from time to time (the “Option Agreement”). Pursuant to the Option Agreement, the Development Manager has paid the AG Landowner an option payment of \$1,967,534 (the “Option Payment”) for the right to acquire 280 of the developed lots within the Development at \$60,982.53 per single-family forty-three foot (43’) wide lot and \$65,063.06 per single-family fifty-three foot (53’) wide lot, for an aggregate expected lot purchase price of \$17,707,804. The Option Payment is nonrefundable except in the event of a default by the AG Landowner and is to be applied against lot takedowns in accordance with the terms of the Option Agreement. Pursuant to the Option Agreement, the initial takedown of 13 lots occurred on September 10, 2022 and the remaining takedowns are required to occur every month thereafter until all remaining lots owned by the AG Landowner have been acquired by July 10, 2024. The Development Manager has the right to acquire the lots early, subject to an early purchase premium, and to terminate the Option Agreement at any time upon delivery of written notice to the AG Landowner. As of the date hereof, the AG Landowner owns 217 lots in the Development and the Development Manager owns the remaining 209 lots (which includes 146 lots that are not subject to the Option Agreement). See “BONDOWNERS’ RISKS – No. 16” herein.

Development Finance Plan

The total land development costs associated with the Development are expected to be approximately \$24.5 million, consisting of the costs of the 2022 Project and other hard and soft costs. As of the date hereof, the Development Manager has spent approximately \$13.6 million towards land development within the Development, a portion of which includes the 2022 Project. The net proceeds from the Series 2022 Bonds to be deposited into the Series 2022 Acquisition and Construction Account will be approximately \$6.18 million* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the 2022 Project. The Development Manager will enter into a completion agreement that will obligate the Development Manager to complete any portions of the 2022 Project not funded with proceeds of the Series 2022 Bonds. See “BONDOWNERS’ RISKS – No. 16” herein.

Development Plan / Status

Land development associated with the Development will occur in phases and commenced in April 2021, with final completion expected by November 2023.

The Development will be developed in the phases, as more particularly set forth below.

* Preliminary, subject to change.

Phase One. Phase one of the Development is planned to contain 165 residential units, consisting of 103 single-family detached units on forty-three foot (43') wide lots and 62 single-family detached units on fifty-three foot (53') wide lots ("Phase One"). Land development associated with Phase One is substantially complete, with final completion expected by March 2023. A final plat for 63 lots within Phase One was recorded in September 2022 and a final plat for the remaining 102 lots within Phase One is expected to be recorded in December 2022. As of the date hereof, approximately 6 residential are under contract with homebuyers and vertical construction is expected to commence in the fourth calendar quarter of 2022.

Phase Two. Phase two of the Development is planned to contain 91 residential units, consisting of 37 single-family detached units on forty-three foot (43') wide lots and 54 single-family detached units on fifty-three foot (53') ("Phase Two"). Land development for Phase Two is underway and is expected to be completed by June 2023, at which point sales and vertical construction will commence. A final plat for Phase Two is expected to be recorded in March 2023.

Phase Three. Phase three of the Development is planned to contain 170 residential units, consisting of 102 single-family detached units on forty-three foot (43') wide lots and 68 single-family detached units on fifty-three foot (53') ("Phase Three"). Land development for Phase Three is underway and is expected to be completed by November 2023, at which point sales and vertical construction will commence. A final plat for Phase Three is expected to be recorded in June 2023.

The Development Manager anticipates that approximately 120 units will be sold and closed with end-users per annum commencing in March 2023 until build out, which is expected by the second calendar quarter of 2026. This anticipated absorption is based upon estimates and assumptions made by the Development Manager that are inherently uncertain, though considered reasonable by the Development Manager, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Development Manager. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Residential Product Offerings

The target customers for units within the Development are first time homebuyers and move-up buyers. Below is a summary of the expected types of units and starting price ranges for units in the Development.

<u>Product Type</u>	<u>Square Footage</u>	<u>Beds/Baths</u>	<u>Starting Price Range</u>
Single-Family – 43'	1,503 to 2,088	2 to 4 Bedrooms, 2 to 3 Baths	\$312,990 to \$372,990
Single-Family – 53'	1,712 to 2,295	3 to 4 Bedrooms, 2 to 3 Baths	\$335,990 to \$389,990

Development Approvals

The land within the Development, including, without limitation, the land therein subject to the Series 2022 Special Assessments, is zoned to allow for the contemplated residential uses described herein. All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course.

Environmental

A Phase I Environmental Site Assessment was prepared by Kleinfelder, Inc., dated March 11, 2021 (the “ESA”), covering the land in the Development. The ESA revealed no recognized environmental conditions in connection with the Development. See “BONDOWNERS’ RISK - No. 10” herein for more information regarding potential environmental risks.

Amenities

The Development is planned to contain an approximately 1.94 acre community site with an approximately 1,000 square foot cabana with a swimming pool, tot lot, and multipurpose field (collectively, the “Amenity”). Construction of the Amenity is expected to commence in March 2023 and is expected to be completed by December 2023. The estimated cost of the Amenity is approximately \$1.2 million.

Utilities

Potable water, wastewater treatment and reclaimed wastewater (reuse services) for the Development are expected to be provided by St. Johns County. Electric power is expected to be provided by Florida, Power & Light. Cable television and broadband cable services are expected to be provided by AT&T. All utility services are available to the property.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2022 Special Assessments are initially levied on approximately 226.92+/- gross acres within the District until such time as lots in the Development are platted. As platting of the planned 426 lots within the Development occurs, the Series 2022 Special Assessments will be assigned to platted lots in the Development on a first platted, first assigned basis. Assuming that all of the 426 planned residential units within the Development are developed and platted, then the Series 2022 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein

<u>Product Type</u>	<u>No. of Units</u>	Annual Series 2022 Special Assessments	Series 2022 Bonds Par
		<u>Per Unit**</u>	<u>Debt Per Unit*</u>
Single-Family – 43’	242	\$1,265	\$16,455
Single-Family – 53’	184	1,265	16,455
	426		

*Preliminary, subject to change.

**This amount is grossed up to include early payment discounts and County collection fees, currently 6%.

The District anticipates levying assessments on residential units in the Development to cover its operation and maintenance costs that will initially be approximately \$825 per residential unit annually, which amount is subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to be \$200 per year per unit. The District has no control over the level of homeowners’ association fees or amenity fees imposed by the homeowners’ association. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2021 was

approximately 13.2181, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2022 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of St. Johns County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

Students in elementary school are expected to attend The Webster School which was rated “C” by the Florida Department of Education for 2022. Students in middle school are expected to attend R. J. Murray Middle School, which was rated “C” by the Florida Department of Education for 2022. Students in high school are expected to attend St. Augustine High School, which was rated “B” by the Florida Department of Education for 2022. There are also several private and charter school alternatives in the vicinity of the Development.

Competition

The following communities have been identified by the Development Manager as being competitive with the Development because of their proximity to the Development, price ranges and product types: Treaty Oaks, Trailmark and Silverleaf.

This heading does not purport to list all the existing or planned communities in the area of the Development, but rather provide a list of those that the Development Manager feels poses primary competition to the Development.

The AG Landowner is wholly owned by AG Essential Housing Company SPV 2, LLC, a Delaware limited liability company, organized as a Delaware limited partnership on August 10, 2020 and converted to a limited liability company on September 14, 2020, which AG Essential Housing Company SPV 2, LLC is wholly owned by AG Essential Housing Company 1, L.P., a Delaware limited partnership organized on February 5, 2020.

AG Essential Housing Company 1, L.P. is managed by Angelo, Gordon & Co., L.P. (“Angelo Gordon”). Angelo Gordon is a privately held firm specializing in global alternative (non-traditional) investments with an absolute return orientation. The firm was founded in 1988 by John M. Angelo and Michael L. Gordon and as of December 31, 2021 manages approximately \$51 billion in assets. The Development Manager

The Development Manager, Lennar Homes, LLC, a Florida limited liability company, is an indirectly wholly-owned subsidiary of Lennar Corporation (“Lennar”). Lennar, founded in 1954, has

homebuilding operations in fifteen states and is one of the nation's leading builders of quality homes for all generations, building affordable, first-time, move-up and retirement homes. Lennar stock trades on the New York Stock Exchange under the symbol LEN. Lennar is subject to the informational requirements of the Securities and Exchange Commission Act of 1934, as amended (the "Exchange Act"), and in accordance therewith files reports, proxy statements, and other information, including financial statements with the Securities and Exchange Commission (the "SEC"). Such filings, particularly Lennar's annual and quarterly reports filed on Form 10-K and Form 10-Q, set forth certain data relative to the consolidated results of operations and financial position of Lennar and their subsidiaries as of such date. The SEC maintains an Internet web site that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC, including Lennar. The address of such Internet web site is www.sec.gov.

All documents subsequently filed by Lennar pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in such manner as the SEC prescribes. Lennar is not guaranteeing any of the Development Manager's obligations incurred in connection with the issuance of the Series 2022 Bonds.

NEITHER THE AG LANDOWNER, THE DEVELOPMENT MANAGER, LENNAR CORPORATION NOR ANY OF THE ENTITIES OR INDIVIDUALS LISTED HEREIN IS GUARANTEEING THE PAYMENT OF THE SERIES 2022 BONDS OR THE SERIES 2022 SPECIAL ASSESSMENTS.

ASSESSMENT METHODOLOGY

The Master Special Assessment Methodology Report dated December 22, 2021 (the "Master Methodology"), as supplemented by the final Series 2022 Supplemental Special Assessment Methodology Report to be dated the sale date of the Series 2022 Bonds (the "Supplemental Methodology" and together with the Master Methodology, the "Assessment Methodology"), describes the methodology for allocation of the Series 2022 Special Assessments to lands within the District, has been prepared by Governmental Management Services, LLC, St. Augustine, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2022 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the Series 2022 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

To ensure that there will always be sufficient development potential remaining in the property that has not been platted or is re-platted and to provide for the payment of debt service on the Series 2022 Bonds after a recording of a plat or re-plat, the Assessment Methodology sets forth a "true-up mechanism" which provides that the debt per acre remaining on the unplatted land is never allowed to increase above its maximum debt per acre level. If the debt per acre level remaining on unplatted land increases above the maximum debt per acre level, a density reduction payment would be made by the AG Landowner or the Development Manager, as applicable, so that the maximum debt per acre level is not breached. This debt reduction payment would result in the extraordinary mandatory redemption of a portion of the Series 2022 Bonds. The AG Landowner and the Development Manager are expected to enter into a true-up agreement in connection with its obligations to pay true-up payments in the event that the debt per acre remaining on unplatted land increases above the maximum debt per acre level. The obligations of the AG Landowner

and the Development Manager under such true-up agreement are unsecured obligations. See “APPENDIX D: ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism.”

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the “Code”), includes requirements which the District must continue to meet after the issuance of the Series 2022 Bonds in order that the interest on the Series 2022 Bonds be and remain excludable from gross income for federal income tax purposes. The District’s failure to meet these requirements may cause the interest on the Series 2022 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2022 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2022 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Development Manager, and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Series 2022 Bonds is excludable from gross income of the holders thereof for federal income tax purposes. Interest on the Series 2022 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2022 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2022 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2022 Bonds. Prospective purchasers of the Series 2022 Bonds should consult their own tax advisors as to the status of interest on the Series 2022 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2022 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Development Manager, and compliance with certain covenants of the District and the Development Manager to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2022 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2022 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2022 Bonds, or the ownership or disposition of the Series 2022 Bonds. Prospective purchasers of Series 2022 Bonds should be aware that the ownership of Series 2022 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2022 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2022 Bonds, (iii) the inclusion of the interest on the Series 2022 Bonds in the earnings of certain foreign corporations

doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2022 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2022 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2022 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2022 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2022 Bonds. Prospective purchasers of the Series 2022 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2022 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2022 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2022 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2022 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition

of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2022 Bonds, adversely affect the market price or marketability of the Series 2022 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2022 Bonds. Prospective purchasers of the Series 2022 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. On August 16, 2022, President Biden signed the Inflation Reduction Act of 2022 (H.R. 5376) into law. For tax years beginning after 2022, this legislation will impose a minimum tax of 15 percent on the adjusted financial statement income of applicable corporations as defined in Section 59(k) of the Code (which is primarily designed to impose a minimum tax on certain large corporations). For this purpose, adjusted financial statement income is not reduced for interest earned on tax-exempt obligations. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential consequences of owning the Series 2022 Bonds.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2022 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2022 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2022 Bonds, under certain circumstances, to “backup withholding” at the rates set forth in the Code, with respect to payments on the Series 2022 Bonds and proceeds from the sale of Series 2022 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2022 Bonds. This withholding generally applies if the owner of Series 2022 Bonds (i) fails to furnish the payor such owner’s social security number or other taxpayer identification number (“TIN”), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other “reportable payments” as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner’s securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2022 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2022 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the 2022 Project subject to the Act or to levy and collect

taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2022 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2022 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2022 Bonds. Investment in the Series 2022 Bonds poses certain economic risks. See “BONDOWNERS’ RISKS” herein. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2022 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2022 Bonds does not purchase at least \$100,000 of the Series 2022 Bonds at the time of initial delivery of the Series 2022 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2022 Bonds the investor letter in the form attached to the First Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2022 Bonds upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2022 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2022 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2022 Bonds, or in any way contesting or affecting (i) the validity of the Series 2022 Bonds or any proceedings

of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2022 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The AG Landowner

There is no litigation of any nature now pending or, to the knowledge of the AG Landowner, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2022 Project or the development of the District Lands, as described herein, materially and adversely affect the ability of the AG Landowner to pay the Series 2022 Special Assessments imposed against the land within the District owned by the AG Landowner or materially and adversely affect the ability of the AG Landowner to perform its various obligations described in this Limited Offering Memorandum.

The Development Manager

There is no litigation of any nature now pending or, to the knowledge of the Development Manager, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2022 Project or the development of the District Lands, as described herein, materially and adversely affect the ability of the Development Manager to pay the Series 2022 Special Assessments imposed against the land within the District owned by the Development Manager or materially and adversely affect the ability of the Development Manager to perform its various obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2022 Bonds. Except for the payment of fees to District Counsel, the District Engineer and the Methodology Consultant, the payment of fees of certain other professionals is each contingent upon the issuance of the Series 2022 Bonds.

NO RATING

No application for a rating for the Series 2022 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2022 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by Dominion Engineering Group, Inc., Jacksonville, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Governmental Management Services, LLC, St. Augustine, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2022 Bonds, both the District Engineer and the Methodology Consultant have consented to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

Since its creation, the limited expenses of the District have been funded entirely by payments from the Development Manager made pursuant to a developer funding agreement between the District and the Development Manager. Therefore, as of the date of this Limited Offering Memorandum, the financial statements of the District would not contain any information material to an investment decision with respect to the Series 2022 Bonds.

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX E hereto, to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E commencing with the audited financial statements of the District for the Fiscal Year ending September 30, 2023.

Beginning October 1, 2015, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S. Under such statute, each district must post its proposed budget and final budget and a link to the auditor general's website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District has not previously issued any bonds or other debt obligations. Accordingly, the District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District, the AG Landowner and the Development Manager will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX E, for the benefit of the Series 2022 Bondholders (including owners of beneficial interests in such Series 2022 Bonds), respectively, to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") through EMMA. In addition, certain listed events must be disclosed through EMMA within a prescribed time period. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District, the AG Landowner or the Development Manager to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2022 Bondholders (including owners of beneficial interests in such Bonds), as applicable, to bring an action for specific performance.

The District has not previously entered into any continuing disclosure obligation in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the “Rule”). The District has appointed the District Manager to initially serve as the Dissemination Agent for the Series 2022 Bonds.

Also, pursuant to the Disclosure Agreement, the AG Landowner and the Development Manager will covenant to provide certain financial information and operating data relating to the Development and the AG Landowner and the Development Manager, as applicable, on a quarterly basis, upon the written request of the Dissemination Agent. The AG Landowner and the Development Manager have represented and warranted that to their knowledge they have provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. The AG Landowner and the Development Manager have been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The AG Landowner and the Development Manager have represented that they have instituted internal processes to provide information to the dissemination agents on a timely basis and obtained assurances from the dissemination agents that they will in turn request the required reporting information timely and file such information timely with the appropriate repository. See “APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT.”

Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

FORM OF CONTINUING DISCLOSURE AGREEMENT

CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (this “Disclosure Agreement”) dated _____, 2022 is executed and delivered by the St. Augustine Lakes Community Development District (the “Issuer” or the “District”), Lennar Homes, LLC, a Florida limited liability company (the “Development Manager”), AG Essential Housing Multi State 2, LLC, a Delaware limited liability company (the “AG Landowner”) and Governmental Management Services, LLC, St. Augustine, Florida, as dissemination agent (together with its successors and assigns, the “Dissemination Agent”) in connection with the Issuer’s Special Assessment Bonds, Series 2022 (2022 Project) (the “Bonds”). The Bonds are secured pursuant to a Master Trust Indenture dated as of November 1, 2022 (the “Master Indenture”) and a First Supplemental Trust Indenture dated as of November 1, 2022 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each entered into by and between the Issuer and The Bank of New York Mellon Trust Company, N.A., a national banking association duly organized and existing under the laws of the United States and having a designated corporate trust office initially in Jacksonville, Florida, as trustee (the “Trustee”). The Issuer, the Development Manager, the AG Landowner and the Dissemination Agent covenant and agree as follows:

1. **Purpose of this Disclosure Agreement.** This Disclosure Agreement is being executed and delivered by the Issuer, the Development Manager, the AG Landowner and the Dissemination Agent for the benefit of the Beneficial Owners (as defined herein) of the Bonds and to assist the Participating Underwriter (as defined herein) of the Bonds in complying with the Rule (as defined herein). The Issuer, the AG Landowner and the Development Manager have no reason to believe that this Disclosure Agreement does not satisfy the requirements of the Rule and the execution and delivery of this Disclosure Agreement is intended to comply with the Rule. To the extent it is later determined by a court of competent jurisdiction, a governmental regulatory agency, or an attorney specializing in federal securities law, that the Rule requires the Issuer, the AG Landowner or the Development Manager to provide additional information, the Issuer, the AG Landowner and Development Manager, as applicable, each agree to promptly provide such additional information.

The provisions of this Disclosure Agreement are supplemental and in addition to the provisions of the Indenture with respect to reports, filings and notifications provided for therein, and do not in any way relieve the Issuer, the Trustee or any other person of any covenant, agreement or obligation under the Indenture (or remove any of the benefits thereof) nor shall anything herein prohibit the Issuer, the Trustee or any other person from making any reports, filings or notifications required by the Indenture or any applicable law.

2. **Definitions.** Capitalized terms not otherwise defined in this Disclosure Agreement shall have the meaning assigned in the Rule or, to the extent not in conflict with the Rule, in the Indenture. The following capitalized terms as used in this Disclosure Agreement shall have the following meanings:

“Annual Filing Date” means the date set forth in Section 3(a) hereof by which the Annual Report is to be filed with each Repository.

“Annual Financial Information” means annual financial information as such term is used in paragraph (b)(5)(i)(A) of the Rule and specified in Section 4(a) of this Disclosure Agreement.

“Annual Report” shall mean any Annual Report provided by the Issuer pursuant to, and as described in, Sections 3 and 4 of this Disclosure Agreement.

“Assessments” shall mean the non-ad valorem special assessments pledged to the payment of the Bonds pursuant to the Indenture.

“Audited Financial Statements” means the financial statements (if any) of the Issuer for the prior fiscal year, certified by an independent auditor as prepared in accordance with generally accepted accounting principles or otherwise, as such term is used in paragraph (b)(5)(i) of the Rule and specified in Section 4(a) of this Disclosure Agreement.

(a) The Dissemination Agent shall, no later than (10) days prior to the end of each calendar quarter commencing with the calendar quarter ending March 31, 2023, provide a written request to the AG Landowner and the Development Manager to provide the corresponding Quarterly Report and, upon receipt of such request, each of the AG Landowner and the Development Manager, so long as it is an Obligated Person, shall provide such Quarterly Report no later than thirty (30) days after the end of each calendar quarter to the Dissemination Agent and to any Bondholders that request a Quarterly Report. Notwithstanding the foregoing, the AG Landowner and the Development Manager, so long as it is an Obligated Person, shall prepare the Quarterly Report for the calendar quarter ending December 31 of each year no later than thirty (30) days after the end of such calendar quarter and provide such Quarterly Report to the Dissemination Agent, regardless of whether or not the AG Landowner and the Development Manager receive a written request from the Dissemination Agent pursuant to the preceding sentence for such Quarterly Report. The Dissemination Agent shall provide all such Quarterly Reports to each Repository promptly upon receipt but in no event later than the corresponding Quarterly Filing Date. Notwithstanding the foregoing, if and for so long as the AG Landowner and the Development Manager are each a reporting company, such thirty (30) days shall be extended to the date of filing of the AG Landowner's and the Development Manager's 10K or 10Q, as applicable, if later, as the case may be. At such time as the AG Landowner or the Development Manager (or its successors or assigns) is no longer an Obligated Person, the AG Landowner or the Development Manager (or its successors or assigns) will no longer be obligated to prepare the Quarterly Reports as it relates to the District.

The Transferor Obligated Person shall notify the District and the Dissemination Agent in writing of any Transfer within five (5) Business Days of the occurrence thereof. Nothing herein shall be construed to relieve the AG Landowner or the Development Manager from its obligations hereunder except to the extent a written Assignment from a Transferee is obtained and delivered to the Dissemination Agent and then only to the extent of such Assignment.

(d) If the Dissemination Agent has not received a Quarterly Report from each Obligated Person that contains, at a minimum, the information in Section 5(b) of this Disclosure Agreement by 12:00 noon on the first (1st) Business Day following each Quarterly Filing Date, a Listed Event described in Section 6(a)(xvii) shall have occurred and the District and each Obligated Person hereby direct the Dissemination Agent to send a notice to the Repository in substantially the form attached as Exhibit A, with a copy to the District. In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment and/or waiver in the next Annual Report and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change in accounting principles, or the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements: (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6(b); and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

In the event of such termination, the Issuer shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2022 Bonds in the form of fully registered Series 2022 Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2022 Bonds may be exchanged for an equal aggregate principal amount of Series 2022 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

SECTION 2.08. Appointment of Registrar and Paying Agent. The Issuer shall keep, at the designated corporate trust office of the Registrar, books (the “Bond Register”) for the registration, transfer and exchange of the Series 2022 Bonds, and hereby appoints The Bank of New York Mellon Trust Company, N.A., as its Registrar to keep such books and make such registrations, transfers, and exchanges as required hereby. The Bank of New York Mellon Trust Company, N.A. hereby accepts its appointment as Registrar and its duties and responsibilities as Registrar hereunder. Registrations, transfers and exchanges shall be without charge to the Bondholder requesting such registration, transfer or exchange, but such Bondholder shall pay any taxes or other governmental charges on all registrations, transfers and exchanges.

The Issuer hereby appoints The Bank of New York Mellon Trust Company, N.A. as Paying Agent for the Series 2022 Bonds. The Bank of New York Mellon Trust Company, N.A. hereby accepts its appointment as Paying Agent and its duties and responsibilities as Paying Agent hereunder.

SECTION 2.09. Conditions Precedent to Issuance of the Series 2022 Bonds. In addition to complying with the requirements set forth in the Master Indenture in connection with the issuance of the Series 2022 Bonds, all the Series 2022 Bonds shall be executed by the Issuer for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the Issuer or upon its order, but only upon the further receipt by the Trustee of:

REDEMPTION OF SERIES 2022 BONDS

SECTION 3.01. Redemption Dates and Prices. The Series 2022 Bonds shall be subject to redemption at the times and in the manner provided in Article VIII of the Master Indenture and in this Article III. All payments of the Redemption Price of the Series 2022 Bonds shall be made on the dates hereinafter required. Except as otherwise provided in this Section 3.01, if less than all the Series 2022 Bonds are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2022 Bonds or portions of the Series 2022 Bonds to be redeemed pursuant to Section 8.04 of the Master Indenture. Partial redemptions of Series 2022 Bonds shall be made in such a manner that the remaining Series 2022 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2022 Bond.

The Series 2022 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2022 Bonds shall be made on the dates specified below.

(a) Optional Redemption. The Series 2022 Bonds may, at the option of the Issuer, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after June 15, 20XX (less than all Series 2022 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2022 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2022 Optional Redemption Subaccount of the Series 2022 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2022 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2022 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The Series 2022 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2022 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2022 Prepayment Principal (including amounts transferred from the Series 2022 Debt Service Reserve Account as a credit against the amounts of the Series 2022 Prepayment Principal due and owing) deposited into the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account following the payment in whole or in part of 2022 Special Assessments on any assessable property within the 2022 Project in accordance with the provisions of Section 4.05 of this First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2022 Funds, Accounts and Subaccounts (other than the Series 2022 Rebate Fund, the Series 2022 Costs of Issuance Account and the Series 2022 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2022 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2022 Acquisition and Construction Account not otherwise reserved to complete the 2022 Project (including any amounts transferred from the Series 2022 Reserve Account) and which funds have been transferred to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account.

(c) Mandatory Sinking Fund Redemption. The Series 2022 Bonds maturing on June 15, 20XX are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2022 Sinking Fund Account on June 15 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption or purchase of Series 2022 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2022 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2022 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2022 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

SECTION 3.02. Notice of Redemption. When required to redeem Series 2022 Bonds under any provision of this First Supplemental Indenture or directed in writing to redeem Series 2022 Bonds by the Issuer, the Trustee shall give or cause to be given to Owners of the Series 2022 Bonds to be redeemed, notice of the redemption, as set forth in Article VIII of the Master Indenture.

ARTICLE IV
ESTABLISHMENT OF CERTAIN FUNDS, ACCOUNTS AND SUBACCOUNTS;
ADDITIONAL COVENANTS OF THE ISSUER; PREPAYMENTS;
REMOVAL OF SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds, Accounts and Subaccounts.

(a) The Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2022 Acquisition and Construction Account.” Net proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, together with any moneys transferred to the Series 2022 Acquisition and Construction Account pursuant to the provisions of this First Supplemental Indenture, and such moneys in the Series 2022 Acquisition and Construction Account shall be applied by the Issuer as set forth in Section 5.01 of the Master Indenture, this Section 4.01(a) and the Acquisition Agreement. Subject to the provisions of Section 4.01(f) hereof, any moneys remaining in the Series 2022 Acquisition and Construction Account after the Completion Date, and after the expenditure of all moneys remaining therein that have not been requisitioned within thirty (30) days after satisfaction of the Release Conditions, except for any moneys reserved therein for the payment of any costs of the 2022 Project owed but not yet requisitioned, as evidenced in a certificate from the District Engineer to the Trustee, upon which the Trustee may conclusively rely, and the adoption of a resolution by the Issuer accepting the 2022 Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account. Subject to the provisions of Section 4.01(f) hereof, the Series 2022 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions. Upon presentment by the District Manager or the Issuer to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2022 Acquisition and Construction Account and pay such moneys to the Person such requisition so directs. Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2022 Costs of Issuance Account.” Net proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Indenture. Upon presentment by the District Manager or the Issuer to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2022 Costs of Issuance Account to pay the costs of issuing the Series 2022 Bonds. Six months after the issuance of the Series 2022 Bonds, any moneys remaining in the Series 2022 Costs of Issuance Account in excess of the amount requested to be disbursed by the Issuer shall be deposited into the Series 2022 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2022 Bonds shall be paid from excess Series 2022 Pledged Revenues on deposit in the Series 2022 Revenue Account pursuant to paragraph SEVENTH of Section 4.02 hereof. When there are no further moneys therein, the Series 2022 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2022 Revenue Account.”

Series 2022 Special Assessments and any other amounts required to be deposited therein (except for Prepayments of Series 2022 Special Assessments which shall be identified as such by the Issuer to the Trustee in writing and deposited in the Series 2022 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2022 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2022 Principal Account.” Moneys shall be deposited into the Series 2022 Principal Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2022 Interest Account.” Moneys deposited into the Series 2022 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2022 Sinking Fund Account.” Moneys shall be deposited into the Series 2022 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2022 Reserve Account.” Proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2022 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2022 Reserve Account and prior to the Completion Date transfer any excess therein above the Reserve Requirement for the Series 2022 Bonds caused by investment earnings to the Series 2022 Acquisition and Construction Account and after the Completion Date to the Series 2022 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2022 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2022 Bonds to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2022 Special Assessments and applied to redeem a portion of the Series 2022 Bonds is less than the principal amount of Series 2022 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2022 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2022 Prepayment Principal due by the amount of money in the Series 2022 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2022 Reserve Account shall be transferred by the Trustee to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2022 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2022 Reserve Account as described below to the Series 2022 Acquisition and Construction Account and pay such amount deposited in the Series 2022 Acquisition and Construction Account to the Person or Persons designated in a requisition substantially in the form attached hereto as Exhibit "C" submitted to the Issuer by the Developer within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the 2022 Project that were not paid from moneys initially deposited in the Series 2022 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Developer, such excess moneys transferred from the Series 2022 Reserve Account to the Series 2022 Acquisition and Construction Account shall be deposited into the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2022 Reserve Requirement, the Trustee shall without further direction reduce the Series 2022 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2022 Bonds as calculated by the District. The excess amount in the Series 2022 Reserve Account shall be transferred to the Series 2022 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to Section 3.01(b)(iii), the Trustee shall calculate the applicable Reserve Requirement and apply any excess in the Series 2022 Reserve Account toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2022 Bond Redemption Account" and within such Account, a "Series 2022 General Redemption Subaccount," a "Series 2022 Optional Redemption Subaccount," and a "Series 2022

Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2022 Bonds, moneys to be deposited into the Series 2022 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2022 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account (including all earnings on investments held in such Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2022 Bonds equal to the amount of money transferred to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2022 Rebate Fund designated as the “Series 2022 Rebate Fund.” Moneys shall be deposited into the Series 2022 Rebate Fund, as provided in the Arbitrage Certificate and Section 4.02 SEVENTH herein and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2022 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2022 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2022 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2022 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each June 15 commencing June 15, 2023, to the Series 2022 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding June 15, less any amounts on deposit in the Series 2022 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each December 15 commencing December 15, 2023, to the Series 2022 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2022 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 2024, to the Series 2022 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2022 Bonds subject to sinking fund

redemption on such June 15, less any amounts on deposit in the Series 2022 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each June 15, which is the principal payment date for any Series 2022 Bonds, to the Series 2022 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2022 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2022 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2022 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2022 Interest Account, the amount necessary to pay interest on the Series 2022 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2022 Bonds remain Outstanding, to the Series 2022 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2022 Reserve Requirement for the Series 2022 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2022 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2022 Bonds and next, any balance in the Series 2022 Revenue Account shall remain on deposit in such Series 2022 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2022 Rebate Fund , in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2022 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2022 Bonds, to execute and deliver the Indenture and to pledge the Series 2022 Pledged Revenues for the benefit of the Series 2022 Bonds to the extent set forth herein. The Series 2022 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2022 Bonds. The Series 2022 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2022 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. 2022 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2022 Bonds, the Issuer will promptly proceed to construct or acquire the 2022 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of the Series 2022 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2022 Special Assessments may, at its option, or as a result of acceleration of the Series 2022 Special Assessments because of non-payment thereof or as a result of true-up payment, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2022 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2022 Special Assessment, which shall constitute Series 2022 Prepayment Principal, plus accrued interest to the next succeeding Interest Payment Date (or the next succeeding Interest Payment Date if such Prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to the Series 2022 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2022 Reserve Account will exceed the applicable Reserve Requirement as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting redemption of the Series 2022 Bonds in accordance with Section 3.01(b)(i) of this First Supplemental Indenture, the excess amount shall be transferred from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account as a credit against the Series 2022 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager on behalf of the Issuer upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2022 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2022 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2022 Bonds, there will be sufficient Series 2022 Pledged Revenues to pay the principal and interest, when due, on all Series 2022 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2022 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the District that the Series 2022 Special Assessment has been paid in whole or in part and that such Series 2022 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2022 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days prior to each Quarterly Redemption Date and will withdraw money from the Series 2022 Reserve Account as a credit against the amount of Prepayment that is owed. No credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2022 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2022 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2022 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

[END OF ARTICLE IV]

ARTICLE V COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2022 Special Assessments. Notwithstanding the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer may collect the Series 2022 Special Assessments relating to the acquisition and construction of the 2022 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. The Issuer may, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2022 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands, unless an Event of Default has occurred and is continuing and the Trustee, at the written direction of the Majority Holders, directs the Issuer to use a specific method of collection. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2022 Special Assessments, and to levy the Series 2022 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2022 Bonds when due. All Series 2022 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

1.0 Introduction

1.1 Purpose

This Supplemental Assessment Methodology Report (“Assessment Report”) provides a methodology for allocating the debt securing the Series 2022 Bonds (as such term is defined herein) (the “Series 2022 Debt”) to be incurred by the St. Augustine Lakes Community Development District (“District”) to properties in the District in order to fund all or a portion of the District’s proposed Capital Improvement Plan (“CIP”). The CIP is described in detail in the *Master Engineer’s Report for St. Augustine Lakes Community Development District* prepared by Dominion Engineering Group, Inc. dated December 21, 2021 (the “Engineer’s Report”).

The Series 2022 Debt will partially fund the CIP that will allow the development of the property in the District. The methodology allocates the Series 2022 Debt to properties based upon the special benefits each receives from the CIP. In this case the property located within the District includes approximately 227.36 acres located in St. Johns County (the “County”), Florida. This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes, with respect to special assessments and is consistent with our understanding of the case law on this subject.

1.2 Scope of the Report

This Assessment Report supplements the *St. Augustine Lakes Community Development District Master Special Assessment Methodology Report* dated December 22, 2021 and provides for an assessment methodology for allocating the Series 2022 Debt to benefiting properties within the District. This Assessment Report allocates the Series 2022 Debt to properties based on the special benefits each receives from the District’s capital improvement plan. This Special Assessment Report presents the projections for financing the District’s CIP.

1.3 Special Benefits and General Benefits

The CIP undertaken by the District creates special and peculiar benefits to property within the District, different and special in kind and degree than general benefits to the public at large.

However, as discussed within this Assessment Report, the general benefits are incidental in nature and are readily distinguishable from the special

and peculiar benefits, which accrue to property within the District. The CIP enables properties within the District's boundaries to be developed. Without the CIP, there would be no infrastructure to support development of the land within the District. Without these improvements, state and local law would prohibit development of property within the District.

There is no doubt that the general public, including property owners, and property outside the District, will benefit from the provision of the CIP. However, these are incidental to the CIP, which is designed solely to provide special benefits peculiar to property within the District. Properties outside the District do not depend upon the CIP to obtain, or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which District properties receive compared to those lying outside of the District's boundaries. Even though the exact value of the benefits provided by the CIP is difficult to estimate at this point, it is nevertheless greater than the costs associated with providing same.

1.4 Organization of this Report

Section Two describes the development program as proposed by Lennar Homes, LLC ("the Developer").

Section Three provides a summary of the CIP as determined by the District Engineer.

Section Four discusses the financing program for the District.

Section Five introduces the Assessment Methodology.

2.0 District Development Program

2.1 Overview

The St. Augustine Lakes development is designed as a planned residential community, located within St. Johns County, Florida. The proposed land use within the District is consistent with the County and State Land Use and Comprehensive Plans.

2.2 The Development Program

The Development will consist of approximately 426 single-family residential homes. The current development program is comprised of 242 -43' lots and 184 - 53' lots.

3.0 The District's Capital Improvement Plan

3.1 Engineer's Report

The CIP and the estimated cost to be funded by the District is determined by the District Engineer in the Engineer's Report. The CIP includes only improvements that may qualify for bond financing by the District under Chapter 190, Florida Statutes.

3.2 Capital Improvement Plan

The CIP consists of the following: engineering and permitting, offsite improvements, stormwater management, utilities, roadways, entry features, environmental mitigation, public parks and amenities, and an overall infrastructure provision for contingencies. The CIP will represent a system of improvements that irrespective of certain exceptions described further in Section 5.1 of this Report, will provide benefits to all of the assessable lands within the District.

At the time of this writing, the total costs of the CIP according to the Engineer's Report, were projected at \$22,541,200.

4.0 Financing Program for Saint Augustine Lakes

4.1 Overview

As noted above, the District is embarking on the CIP, which will facilitate the development of lands within the District. Construction of the CIP may be funded by the Developer and acquired by the District under an agreement between the District and the Developer, or may be funded directly by the District. The structure of financing presented below is preliminary and subject to change.

The District will finance a portion of the CIP with Series 2022 Bonds. The preliminary financing plan for the District anticipates the issuance of Special Assessment Bonds in the principal amount not to exceed \$7,010,000 (the "Series 2022 Bonds") to fund a portion of the District's CIP, as shown in Table 3.

4.2 Types of Special Assessment Bonds Proposed

As projected in the current financing plan, in order to finance a portion of the CIP, the District will need to potentially incur indebtedness in the total amount of \$7,010,000*.

The difference between the amount of the Series 2022 Debt and the amount that the District will have available to pay for the CIP is comprised of costs of issuance, including the underwriter's discount and professional fees associated with debt issuance, capitalized interest costs as the District will be borrowing funds with which it will pay the early interest payments, and funding a debt service reserve.

Preliminary sources and uses of funding are presented in Table 3 in the Appendix.

Please note that the structure of the Series 2022 Bonds is preliminary and may change due to changes in the development program, market conditions, timing of infrastructure installation as well as other reasons. The District maintains complete flexibility as to the structure of the Series 2022 Bonds.

5.0 Assessment Methodology

5.1 Overview

The Series 2022 Bonds will provide the District with funds to acquire and / or construct a portion of the CIP outlined in *Section 3.2* and the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing specifically to the properties within the boundaries of the District and general benefits generally accruing to areas outside the District and being only incidental in nature. The debt incurred in financing the CIP will be paid off by assessing properties that derive special and peculiar benefits from the proposed public infrastructure set forth in the CIP. All properties that receive special benefits from the District's CIP will be assessed.

5.2 Assigning Debt

The current development plan for the District projects approximately 426 single-family residential homes; however, the planned unit numbers and land use types may change.

The CIP to serve the development consists of engineering and permitting, offsite improvements, stormwater management, utilities, roadways, entry features, environmental mitigation, public parks and amenities, and an overall infrastructure provision for contingencies. All residential development within the District will benefit from all the CIP categories, as the improvements provide basic infrastructure to all residential lands

within the District and benefit all residential lands within the District as an integrated system of improvements. Benefited units will be treated equally for each single-family residential.

As the provision of the CIP by the District will make the lands in the District developable, the land will become more valuable to property owners. The increase in the value of the land provides the logical benefit of improvements that accrues to the developable parcels within the District.

Initially, the assessments are levied on the gross acres within the District on an equal acreage basis, because at that juncture, every acre benefits equally from the CIP.

The debt incurred by the District to fund the CIP is allocated to the properties receiving special benefits on the basis of development intensity and density. The responsibility for the repayment of the District's debt through assessments will ultimately be distributed in proportion to the special benefit peculiar to the assessable land within the District. For the purpose of determining the special benefit accruing to the lands within the District, the CIP estimated costs have been allocated to each acre on an equal basis.

In order for debt service assessment levels to be consistent with the Master Methodology, Developer contributions are recognized. This is reflected on Table 5. Based on the product type and number of units anticipated to absorb the Series 2022 Debt, it is estimated that the CDD will recognize a Developer contribution equal to approximately \$385,000 in eligible infrastructure.

5.3 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in Section 1.3, Special Benefits and General Benefits, the CIP creates special and peculiar benefits to the assessable properties within the District. The CIP benefits properties within the District and such benefits accrue to all assessable properties.

The CIP can be shown to be creating special and peculiar benefits to the property. The special and peculiar benefits resulting from the CIP undertaken by the District include, but are not limited to:

- a. Roadway Improvements result in special and peculiar benefits such as the added use of the property for development, added enjoyment of the property, avoidance of stormwater management issues and increased marketability of the property.

- b. Utility Improvements result in special and peculiar benefits such as the added use of the property, and likely increased marketability and value of the property.
- c. Amenities, Entry Features and Landscaping result in special and peculiar benefits such as the added use of the property, and likely increased marketability and value of the property.
- d. Storm Water systems result in special and peculiar benefits such as the added use of the property, decreased insurance premiums, added enjoyment of the property, and likely increased marketability of the property.
- e. A contingency is necessary in the current economic environment with the likelihood of increased costs for materials and labor over the life of the construction of the project.

These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value, however, each is more valuable than either the cost of, or the actual assessment levied for, the CIP or debt allocated to the benefitting land.

5.4 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the CIP is delineated in Table 4 (expressed as Allocation of Total Par Debt).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and / or construction of the CIP (and the concomitant responsibility for the payment of the resultant and allocated debt) have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use.

Accordingly, no acre or parcel of property within the boundaries of the District will be liened for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property. Further, the debt allocation will not be affected.

In accordance with the benefit allocation in Table 4, a Total Par Debt per Unit has been calculated for each single-family unit. This amount represents the preliminary anticipated per unit debt allocation assuming all anticipated units are built and sold in the planned development and the entire proposed CIP is developed or acquired and financed by the District.

5.5 True-Up Mechanism

In order to ensure that the District's debt will not build up on the unsold acres, and to ensure that the requirements that the non-ad valorem special assessments be lienable on the property in accordance with the Master Methodology and applicable Florida law will continue to be met, the District shall determine the following:

To ensure that there will always be sufficient development potential remaining in the undivided property to assure payment of debt service after a plat or site plan approval, the following test will be applied. The test is that the debt per acre remaining on the unplatted land is never allowed to increase above its maximum debt per acre level. Initially, the maximum level of debt per acre is calculated as the total amount of debt for the District's improvement program divided by the number of gross acres in the District. In this case, it is \$7,010,000* divided by 227.36 acres equaling \$30,832* per acre. Once a site plan for the development is completed the acreage will be reduced by the number of platted units and the calculation of debt per acre will be adjusted accordingly. Thus, if the initial debt level is \$30,832* per acre, every time a plat or site plan approval is presented, the debt on the unplatted land remaining after the plat or site plan approval must remain at or below \$30,832* per acre. If not, then in order for the Developer to receive a plat or site plan approval from St Johns County, the Developer agrees that the District will require a density reduction payment which shall include interest to the interest payment date that occurs at least 45 days after such payment. so that the \$30,832* per acre debt level is not exceeded.
